This is Helga.

These are the Debbies.
The Debbies all tried very hard
to be the same.

Helga was an endless source
of amusement to the Debbies...

Even though Helga was different,
she had somehow convinced
herself that there was a
place in society for her.

The Debbies sought to
destroy Helga's glimmer
of hope to one day fit in.

Helga became obsessed
with the thought
of revenge.

Helga disguised herself as a Debbie
& mingled among them.

Once inside the clique,
Helga began studying their
itty bitty thoughts &
their migration patterns.

Over lunch,
the Debbies decided to
have a slumber party
at Debbie's house.

They ate pizza, painted their toenails pink, giggled & talked about Matthew Kelly's excellent butt cheeks.

While the Debbies slept
Helga snipped off their
annoying little heads.

Then she ate all of the
pizza crusts.

- the end.

She put dirt in her eye...

often.

Betsy would put marbles
in her butt...

Your mother never told you these stories.

She didn't want to scare you.

But Angus Oblong is *not* your mother.

If Edgar Allan Poe and David Lynch wrote
a book, it might be as warped, wicked, and perversely funny as
this treasury of twisted tales from childhood's Twilight Zone.
So don't be alarmed if you find yourself
screaming . . . with laughter . . .
until the day you die.
Which may be very soon . . .
