TO THE PUBLIC.

THE acknowledged Excellence of this Foundry, with its rapid Success, as well as its unexampled Productions, having gained universal Encomiums on its ingenious Improver and Perfeſter, (whoſe uncommon Genius transferred the Letter-Foundry Buſineſs from HOLLAND to ENGLAND, which, for above Sixty Years, has received, for its Beauty and Symmetry, the unbounded Praises of the Literati, and the liberal Encouragement of all the Maſter-printers and Booksellers, not only of this Country, but of all EUROPE and AMERICA,) has excited the Jealouſy of the envious, and the Deſires of the enterpriſing, to become Partakers of the Reward due to the Deſcendants of the Improver of this moſt uſeful and important Art.

They endeavour by every Method to withdraw, from this Foundry, that which they ſilently acknowledge is its indiſputable Right: Which is conſpicuous by their very Addreſs to the Public, wherein they promiſe (in Order to induce Attention and Encouragement) that they will uſe their utmoſt Endeavours to IMITATE the Productions of this Foundry: Which Aſſertion, on Inſpection, will be found to be impracticable, as the Imperfections cannot correſpond in Size.

The Proprietor of this Foundry, ever deſirous of retaining the deciſive Superiority in his Favour, and full of the ſincereſt Gratitude for the diſtinguiſhed Honour, by every Work of Reputation being printed from the elegant Types of the Chiswell-ſtreet Manuſactory, hopes, by every Improvement, to retain and merit a Continuance of their eſtabliſhed Approbation, which, in all Quarters of the Globe, has given it ſo acknowledged an Aſcendency over that of his Opponents.

THE HISTORY OF THE
CITY OF BOSTON

From its first settlement in 1630 to the present time
The city of Boston has been the seat of a
government which has been the model of
the world. It has been the birthplace of
the American Revolution and the seat of
the first government of the United States.
It has been the home of many of the
great men of the world and the seat of
many of the great events of history.
It has been the center of the American
Republic and the seat of the American
government. It has been the home of
the American people and the seat of
the American nation. It has been the
center of the American world and the
seat of the American civilization.
