We don't

A character with orange hair, wearing a purple top and a long pink skirt, is running on a rooftop. A speech bubble above her contains the text "Sanji! You know what to do, right!?".

A character with green hair and a red shirt is running. A speech bubble above him contains the text "Oh, so that's the plan...".

Oh, so

JUST HOW

As I said before,  
there's plenty

Listen to me, brat!  
The more one  
comes to know of

Hey,

You're the one  
who said you'd

I wanted.

Fine, don't do it  
if you don't wanna!  
I just won't forgive  
you forever!

Ugh... △

Because I'm a  
royal guard.  
One must be  
strong in order  
to protect this  
country.

Why do you  
train for  
battle every  
day?

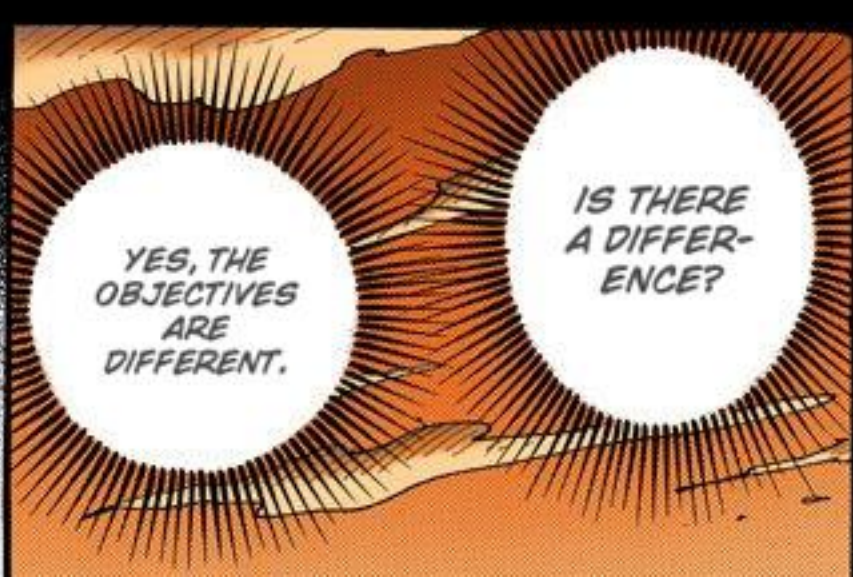

It's not that  
I'm fighting a  
specific someone,  
but rather  
protecting a  
specific thing.

Well...

Who do  
you have  
to fight?

HMM...  
THAT'S  
WEIRD.

YES, THE  
OBJECTIVES  
ARE  
DIFFERENT.

IS THERE  
A DIFFER-

## “King”

HACHI'S OCEAN FLOOR STROLL VOL. 26

"WITH THESE TREASURES FROM MACRO, THERE'S NO WAY SHE CAN TURN ME DOWN NOW"

WE SAW  
WHAT THE  
KING DID AT  
NANOHANA  
WITH OUR  
OWN EYES!

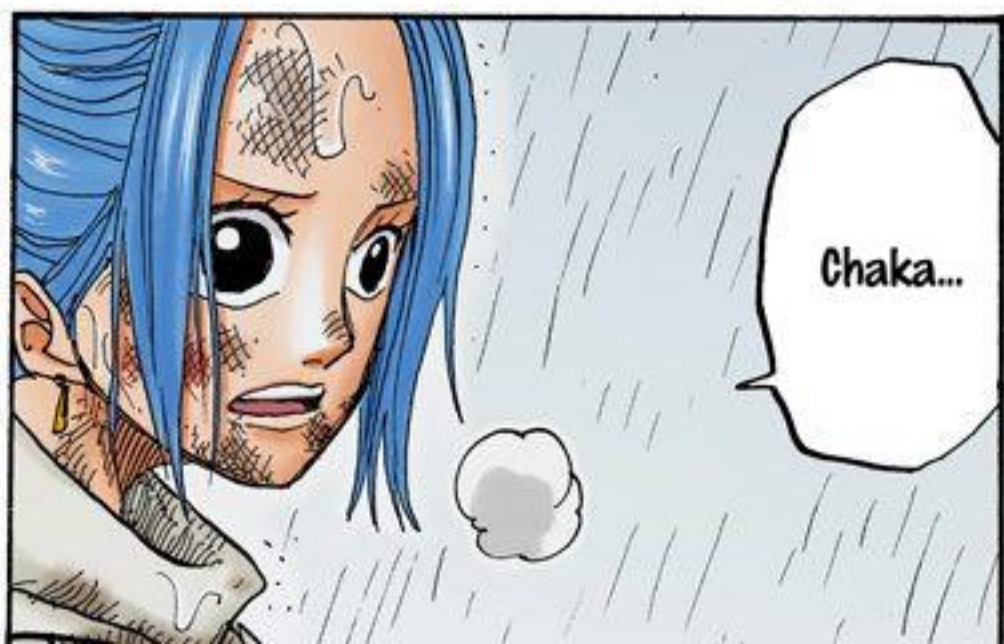

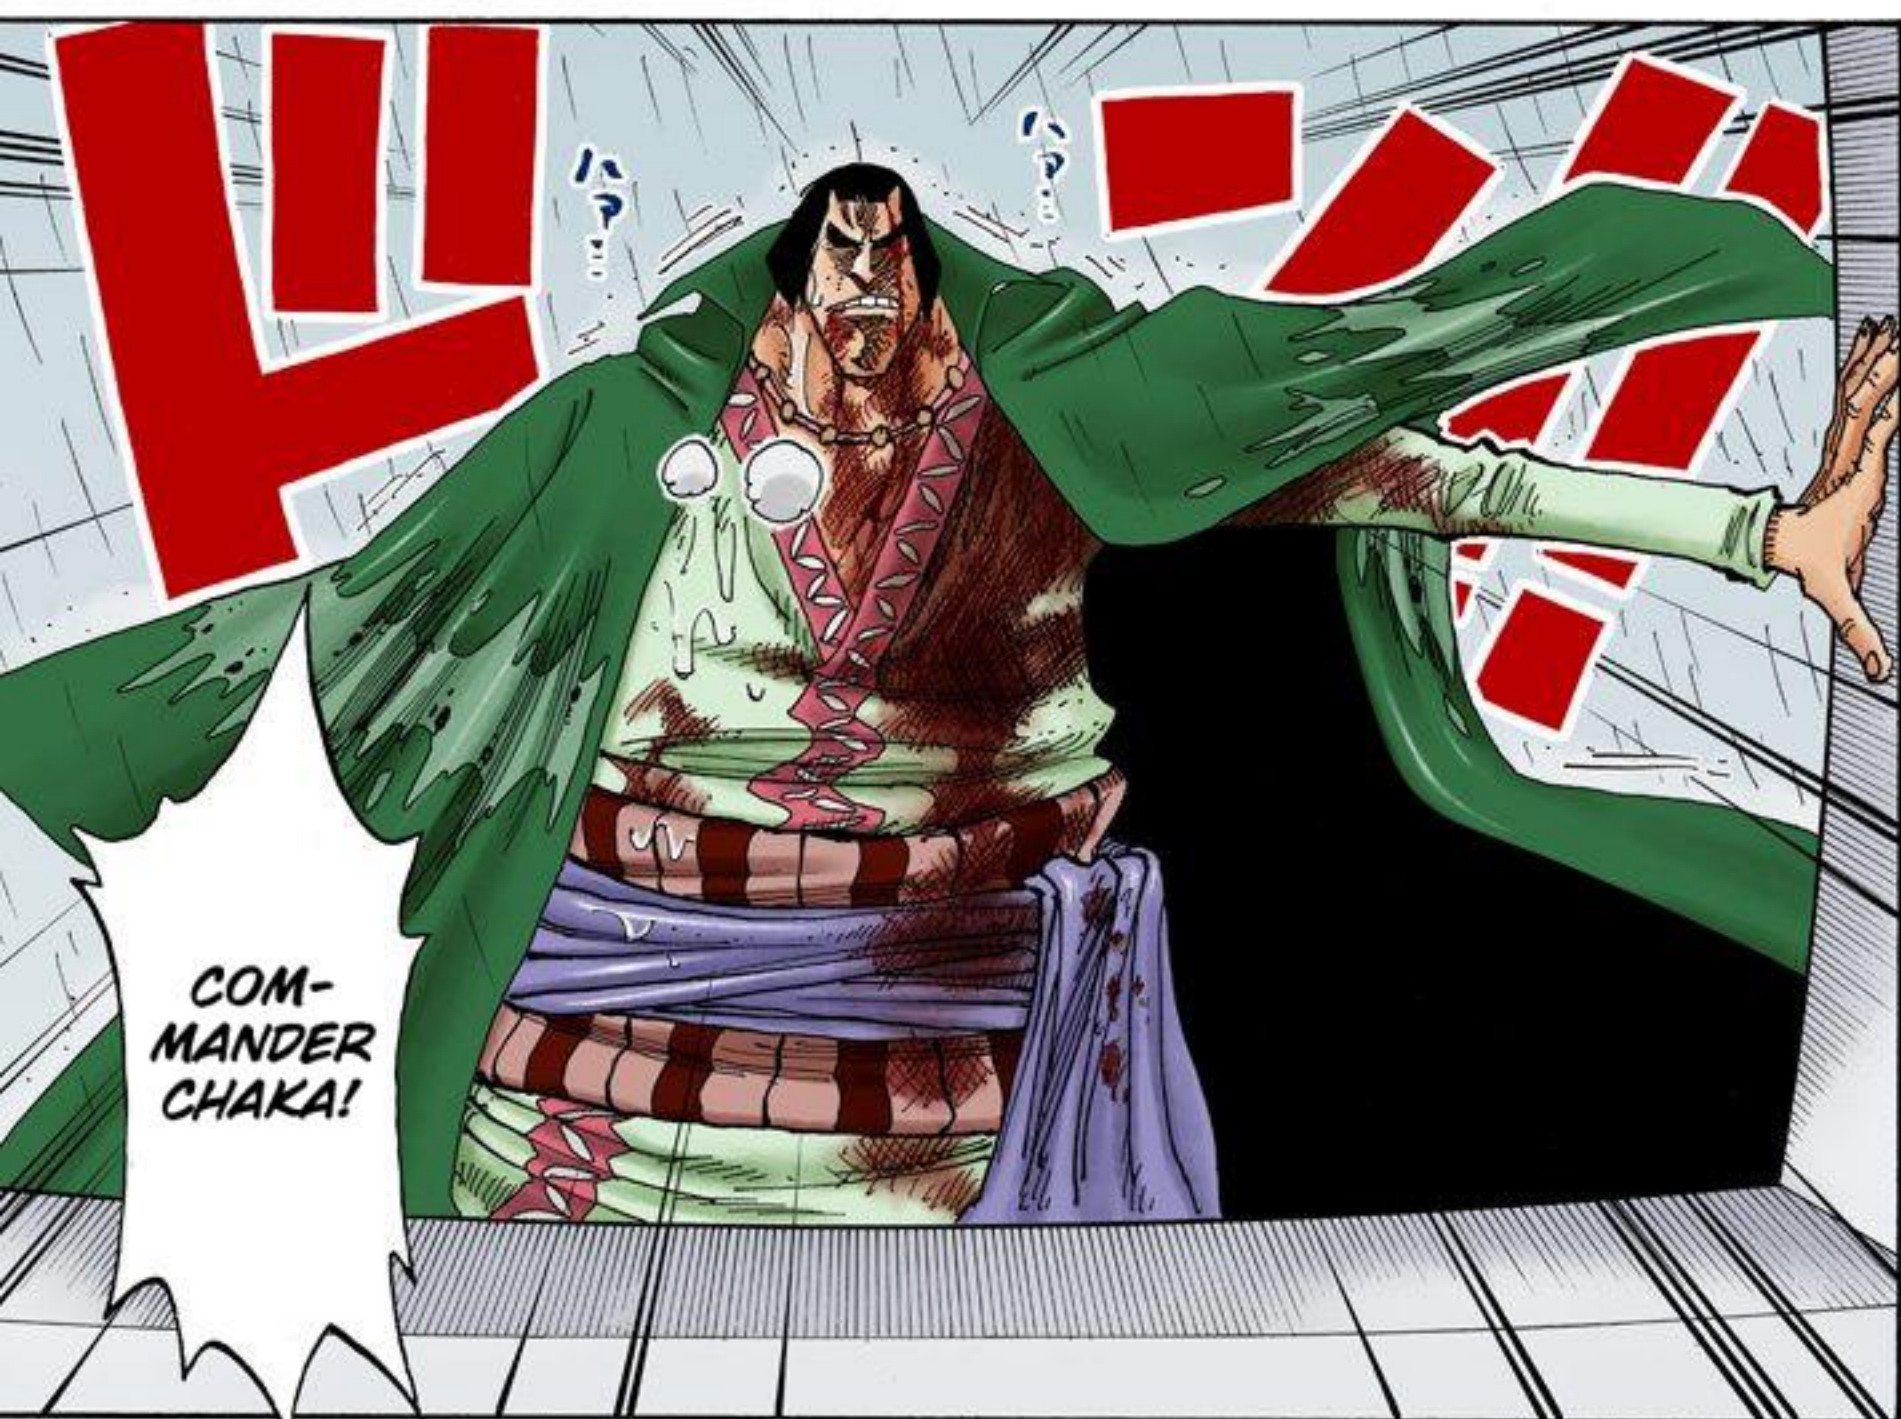

NIGHTMARES  
DON'T END  
JUST  
BECAUSE  
YOU OR  
ANYBODY  
DECLARED  
IT OVER!

THAT'S  
RIGHT! OUR  
LEADER  
KOUZA WAS  
SHOT TOO!

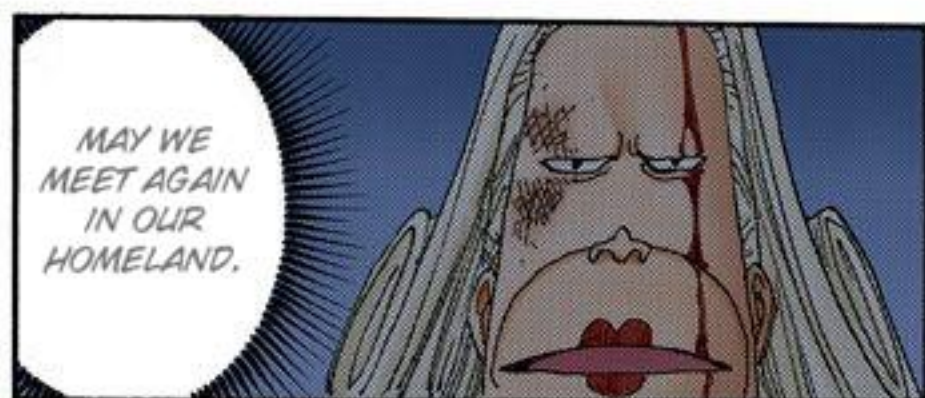

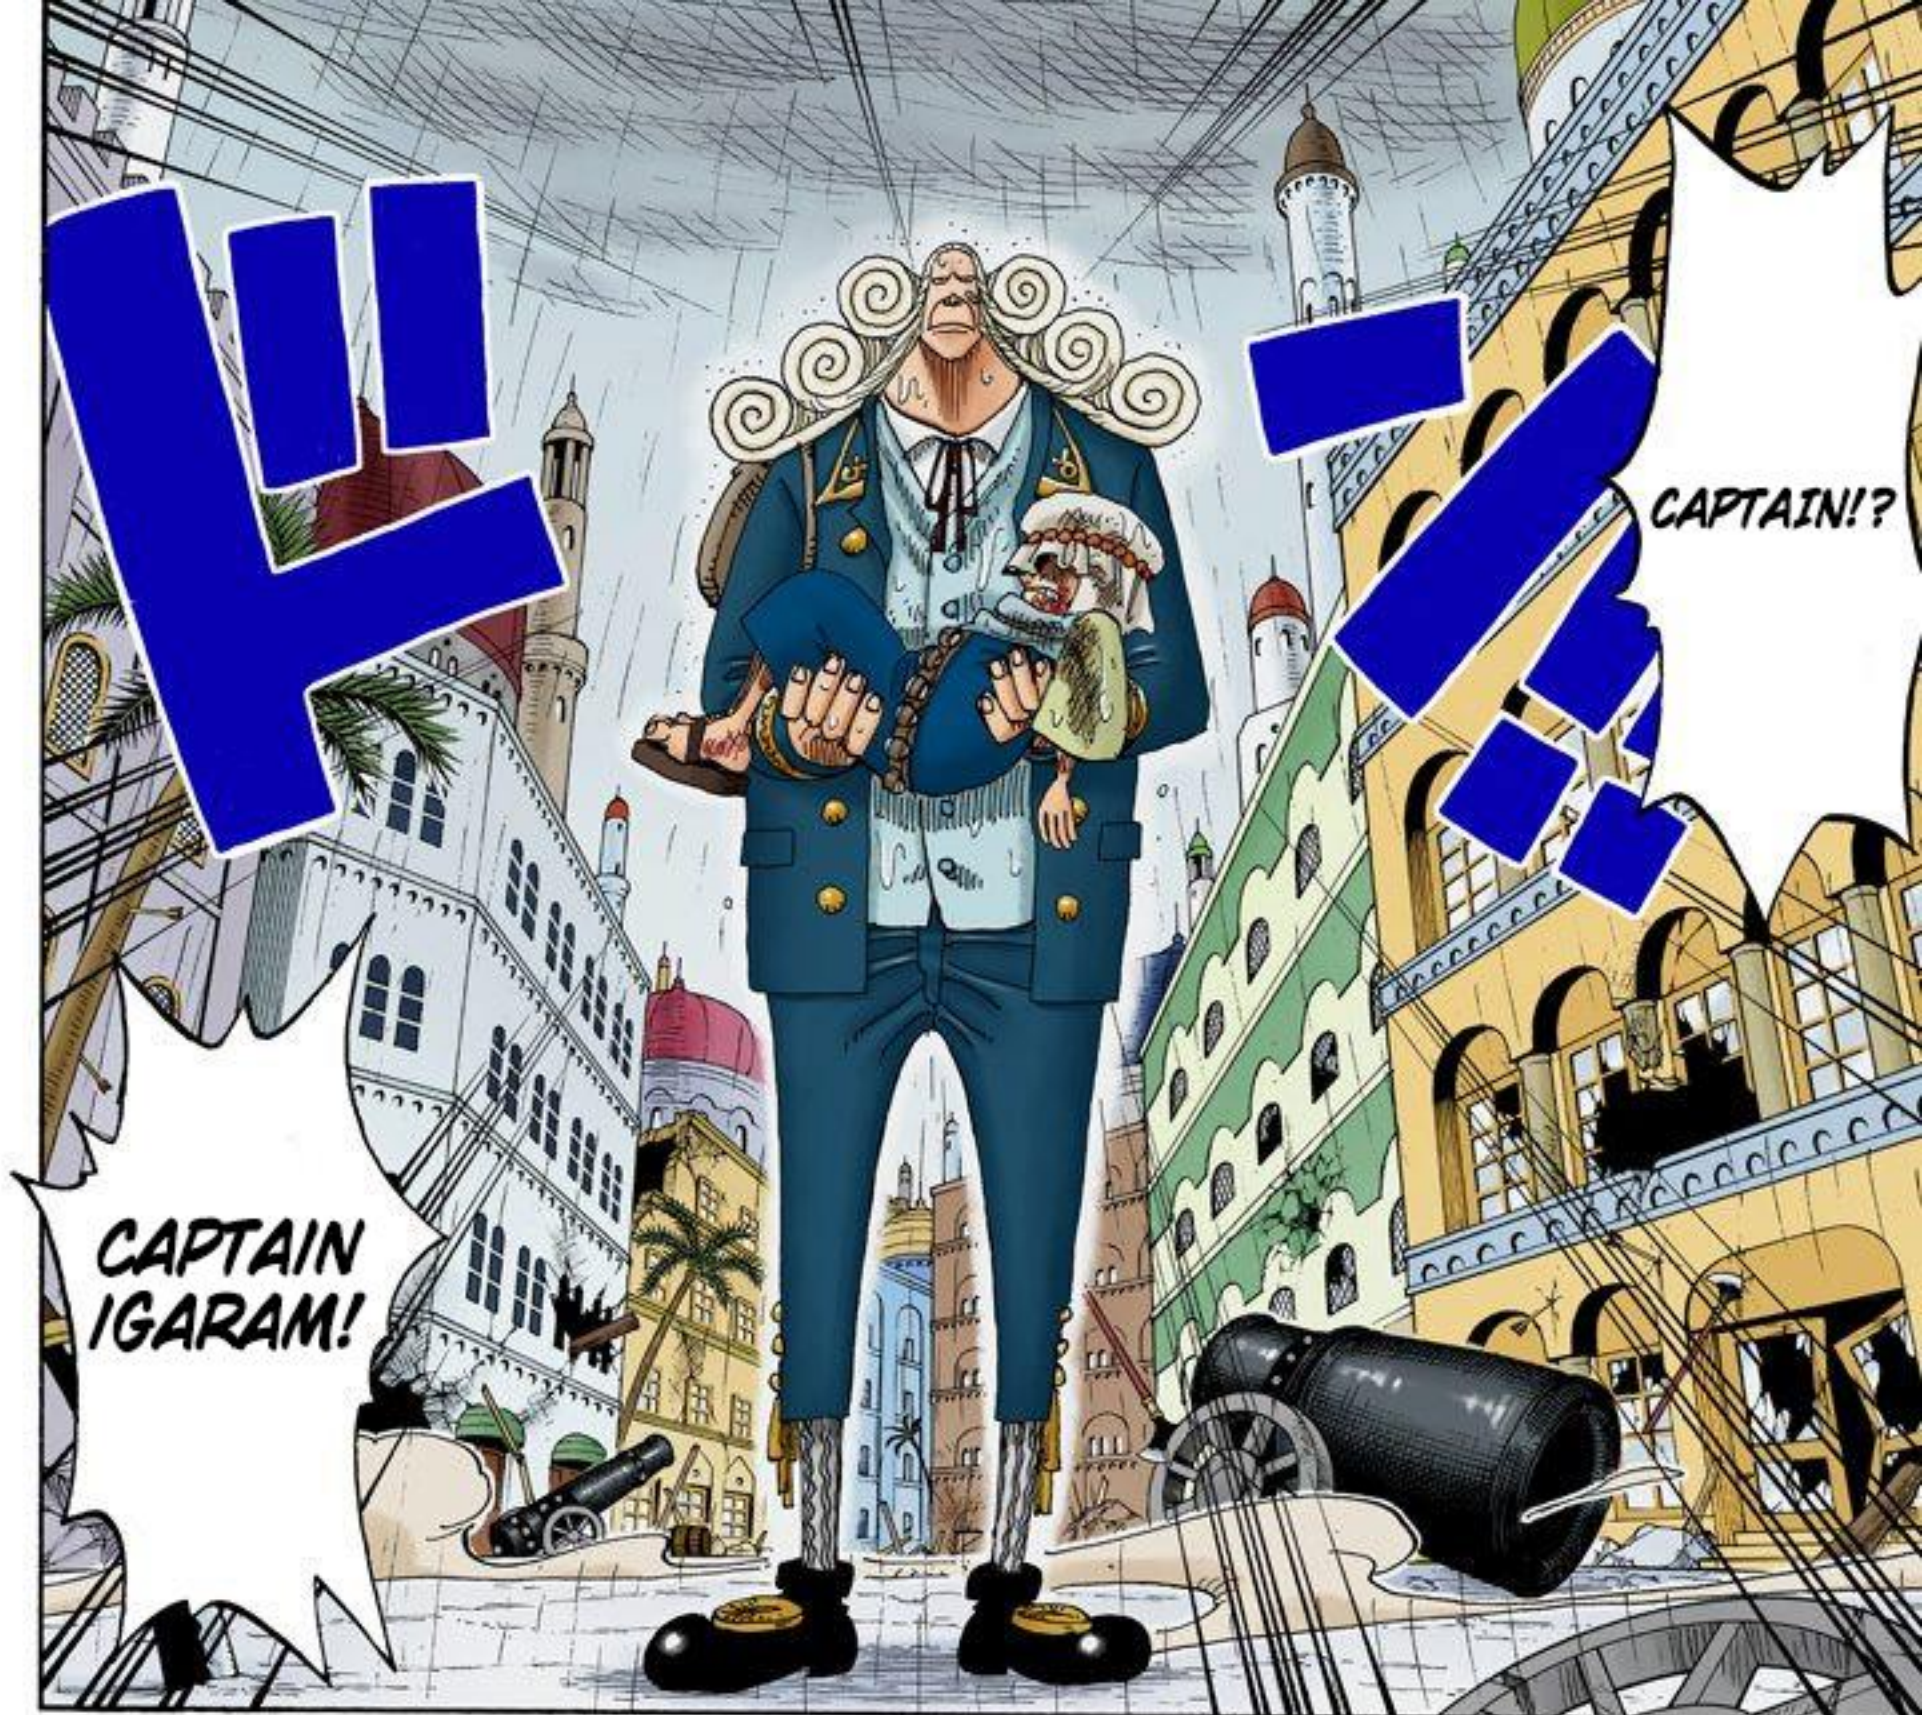

DO YOU THINK  
ANY OF OUR  
FALLEN  
COMRADES  
CAN JUST  
ACCEPT THIS  
CONCLUSION!?

IT'S THE  
SAME WITH  
EVERY ACT  
OF  
VIOLENCE  
THE ROYAL-  
ISTS HAVE  
CARRIED  
OUT UP  
UNTIL NOW!

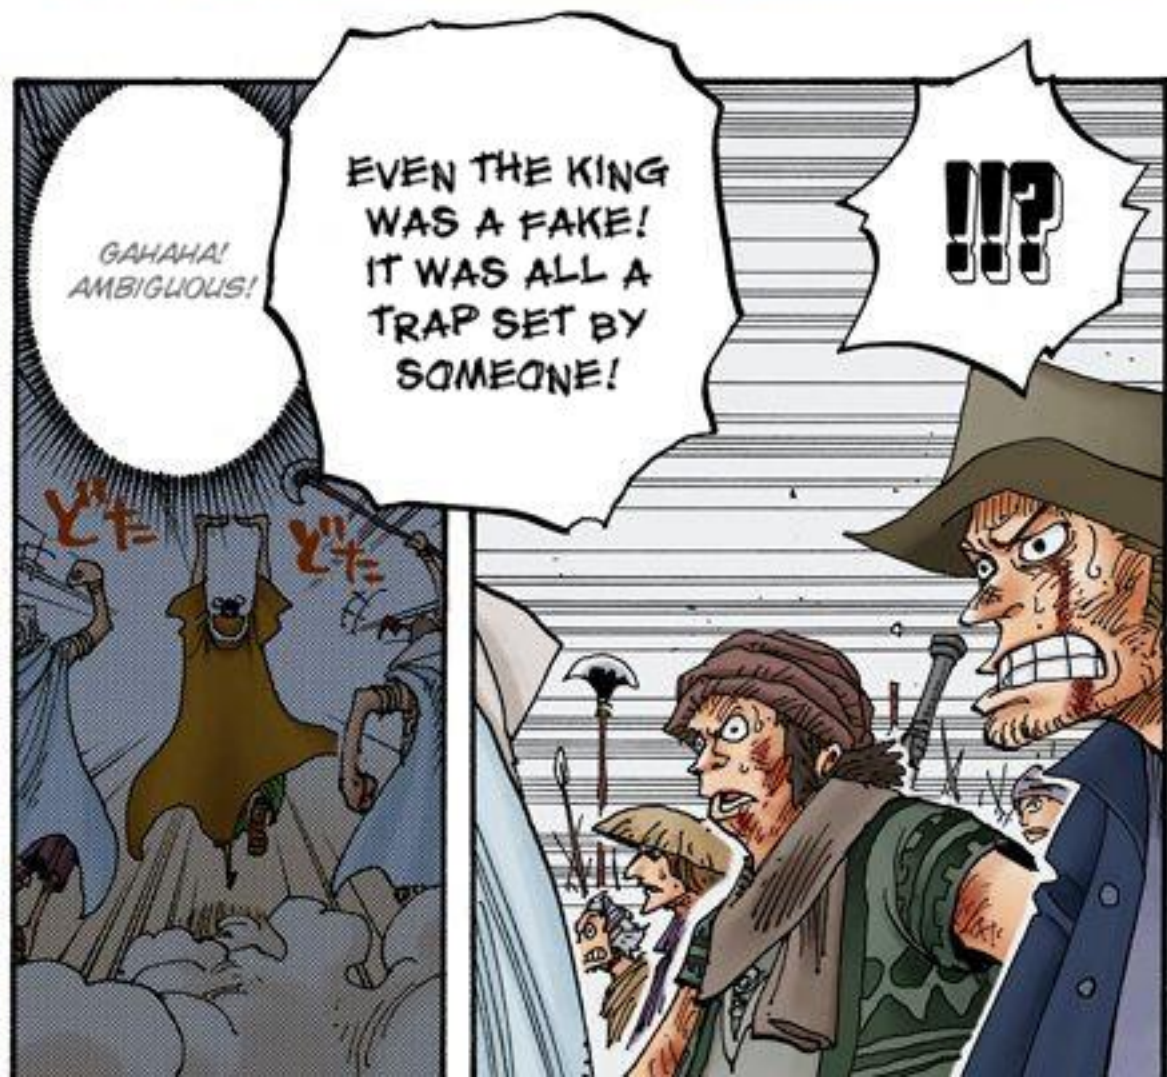

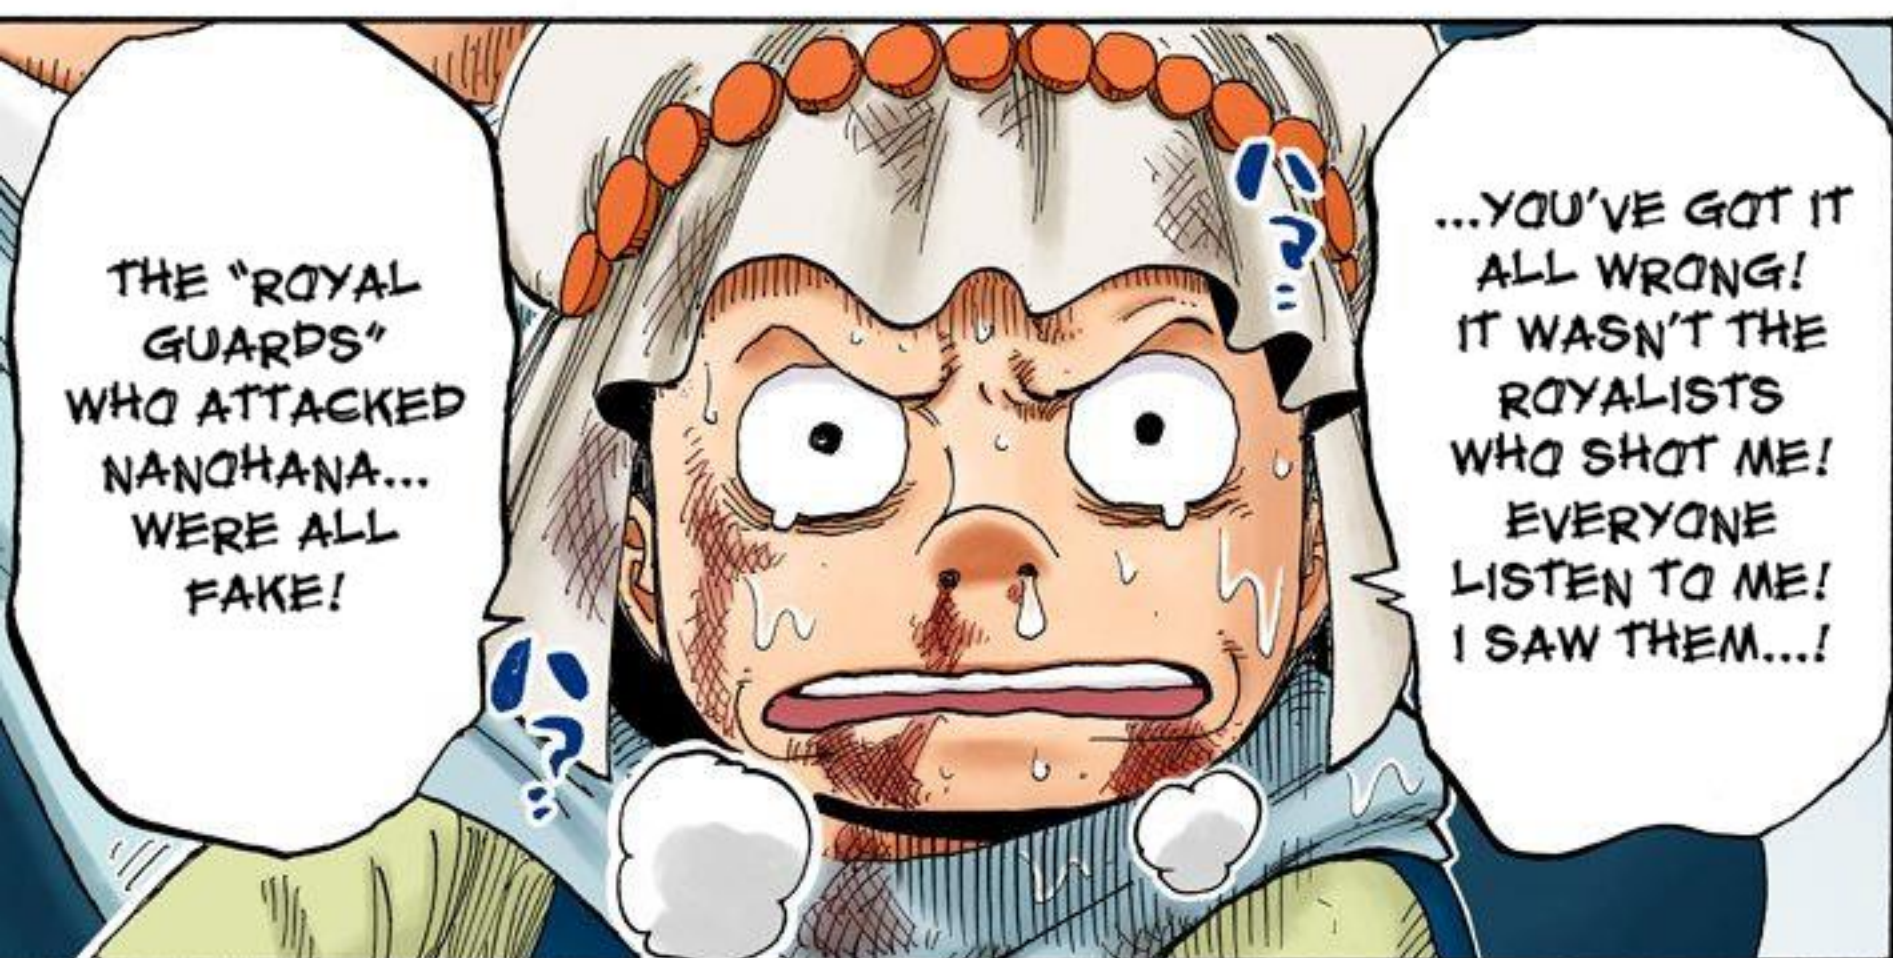

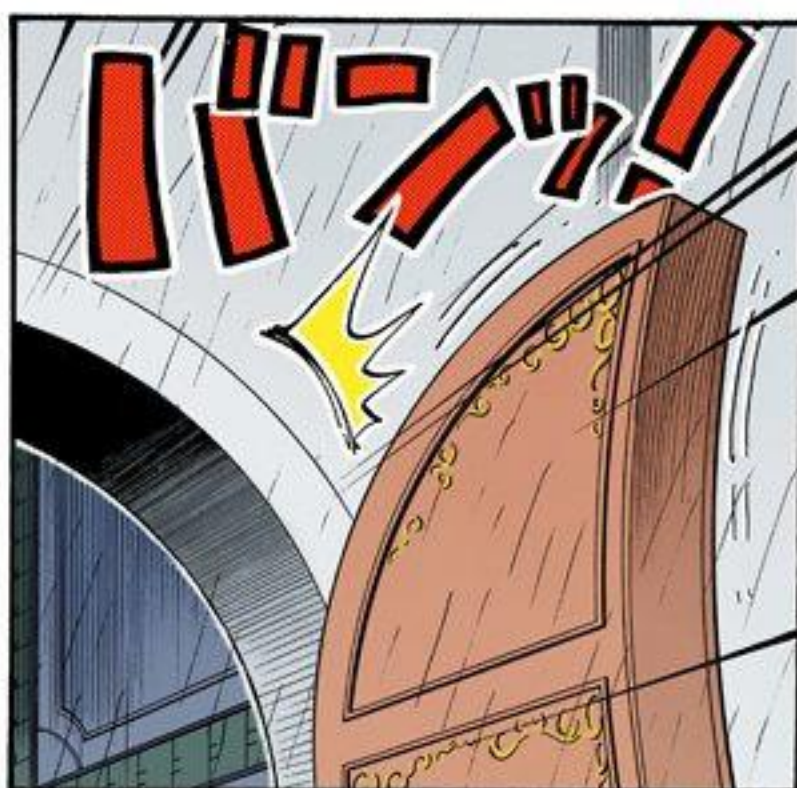

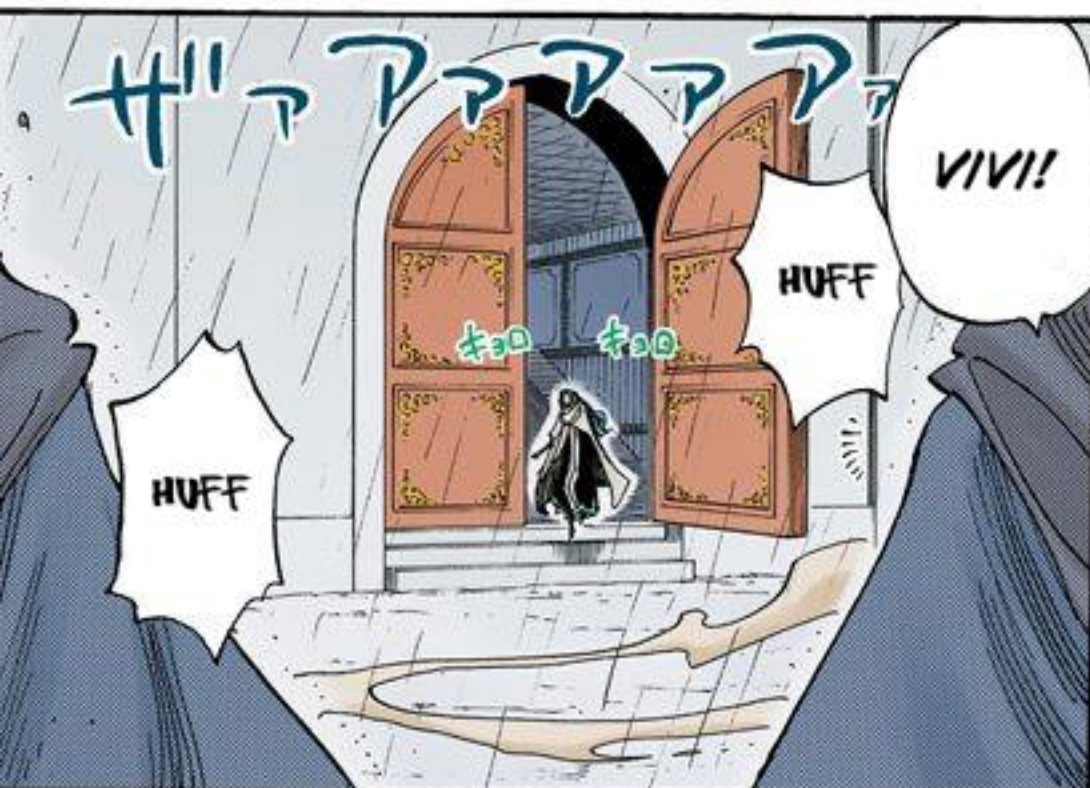

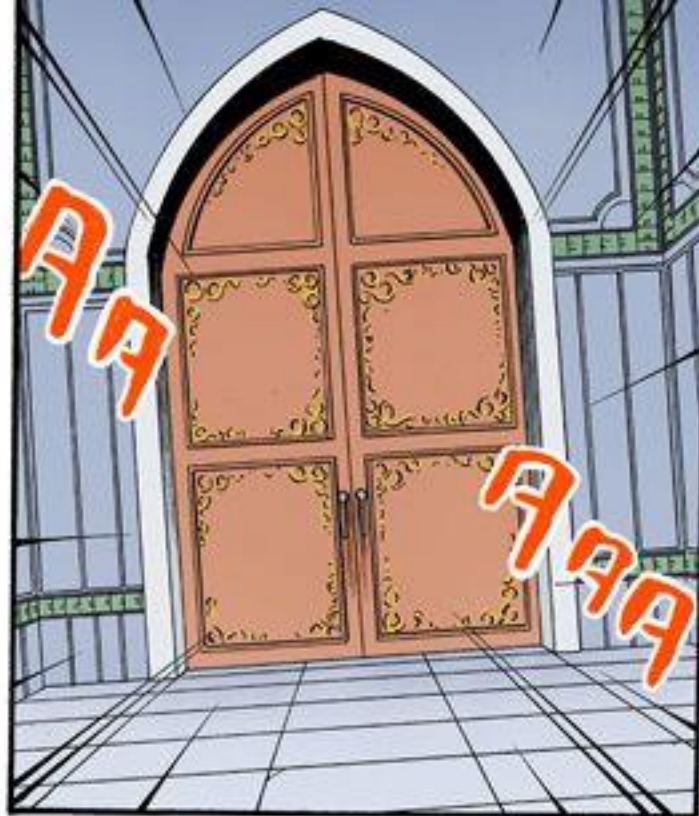

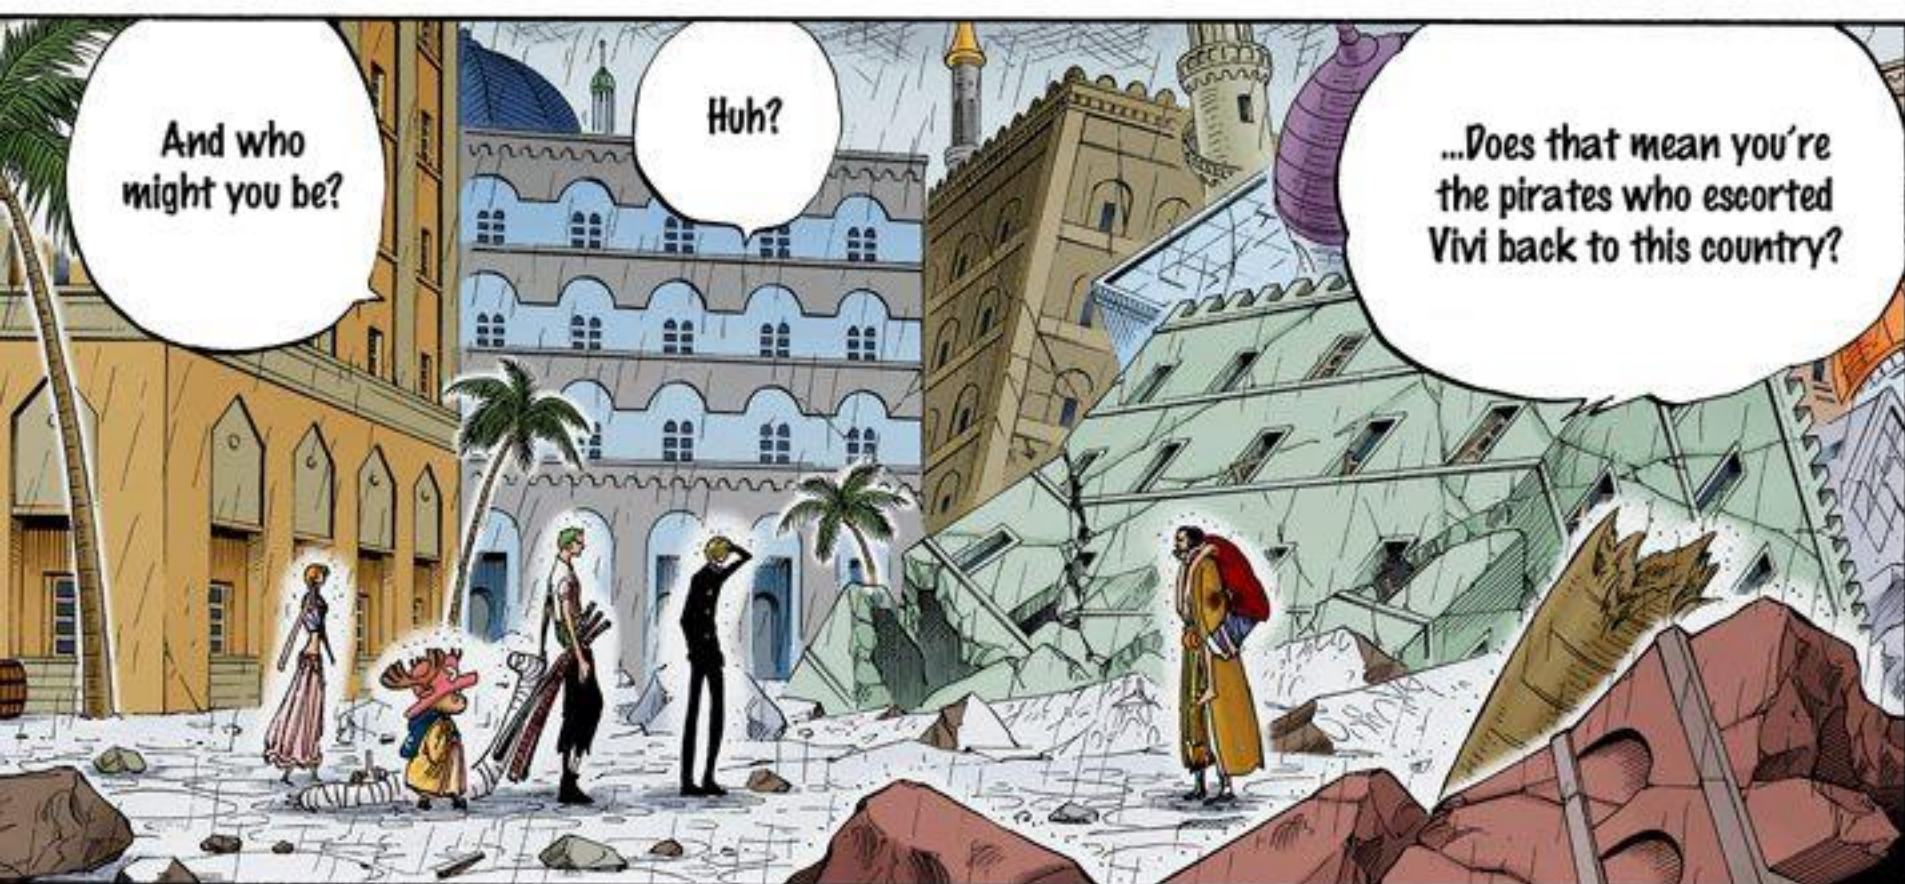

But he saved  
my life.

I had  
already  
resigned  
myself to  
death,

Yes, it should  
be neutralized  
by now...

...Then that "poison"  
should no longer  
be a problem.

His strength  
is incredible...

Even after  
fighting Crocodile  
and in that body,  
he carried two  
people back up to  
the surface.

ZZZ...

But he still needs  
to be treated for  
his other wounds...  
The same for all  
of you as well.

But it's gonna  
feel pretty  
anticlimactic,

The rebellion  
was finally  
stopped,

That's  
right.

Without a  
word or two  
from the king  
and the  
princess.

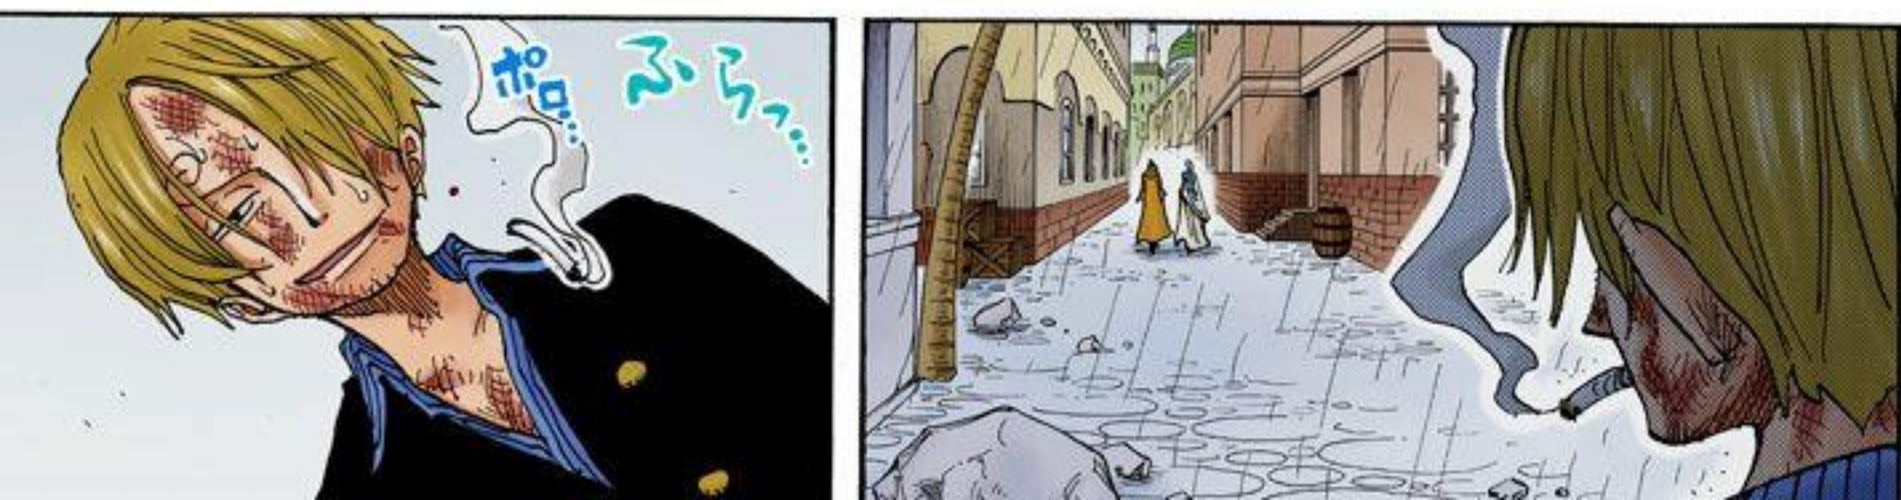

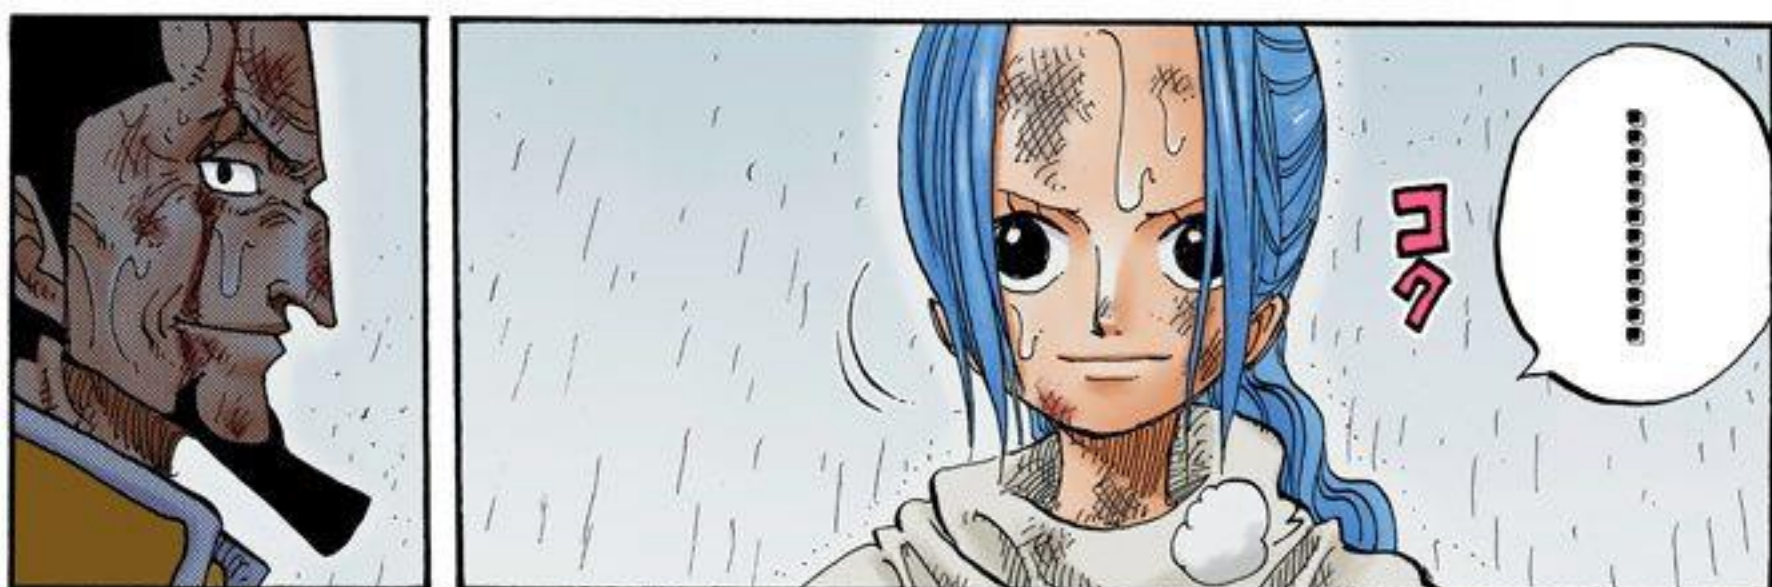

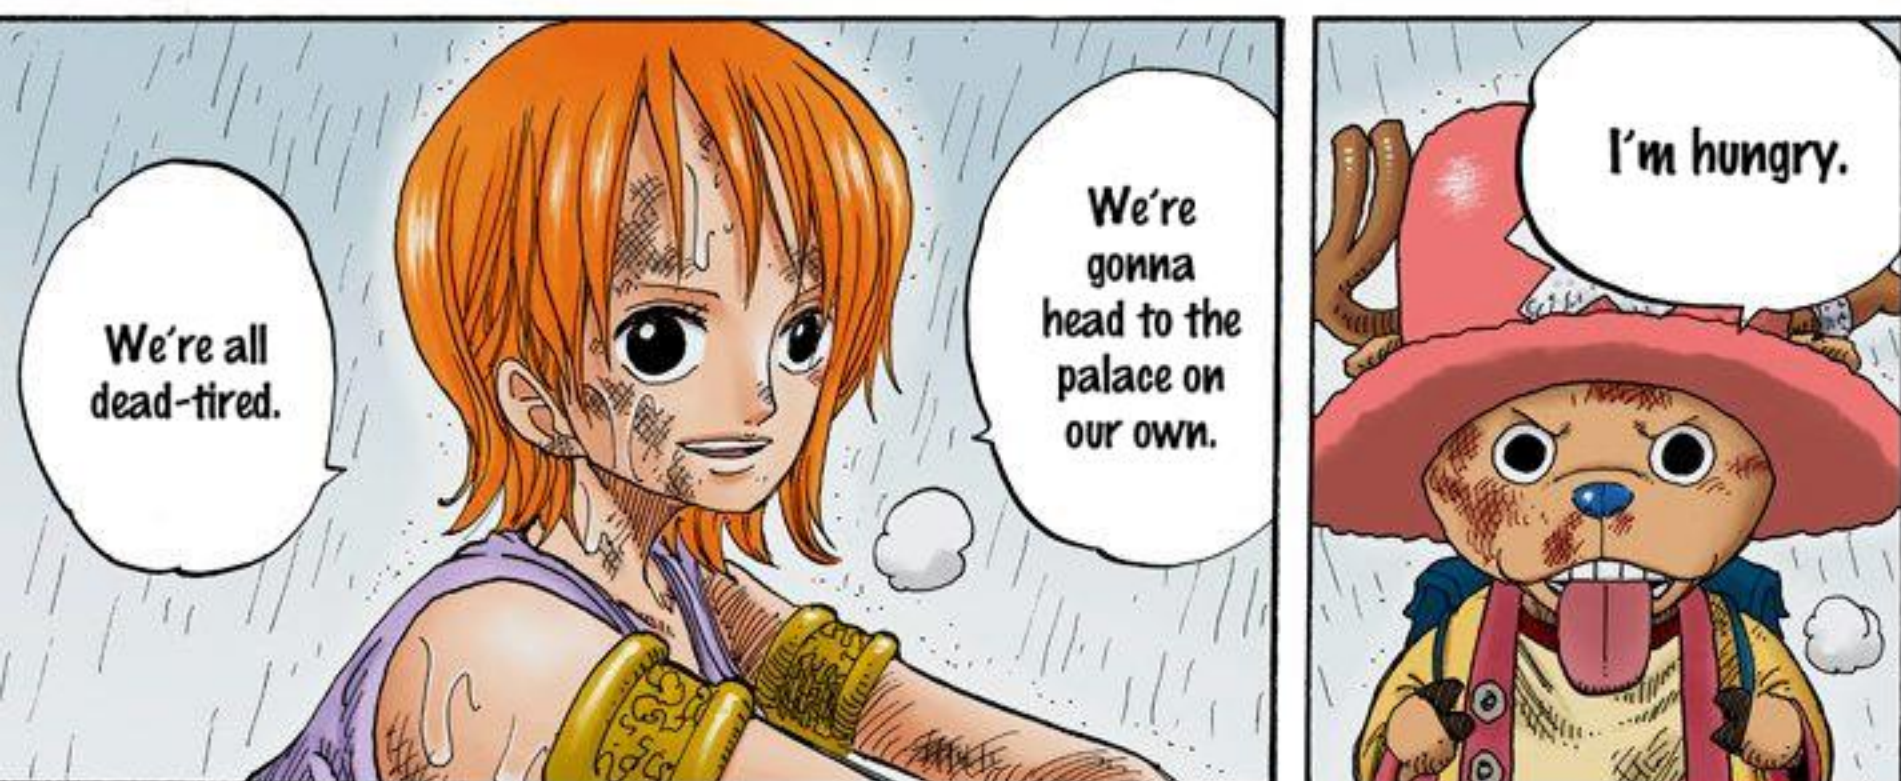

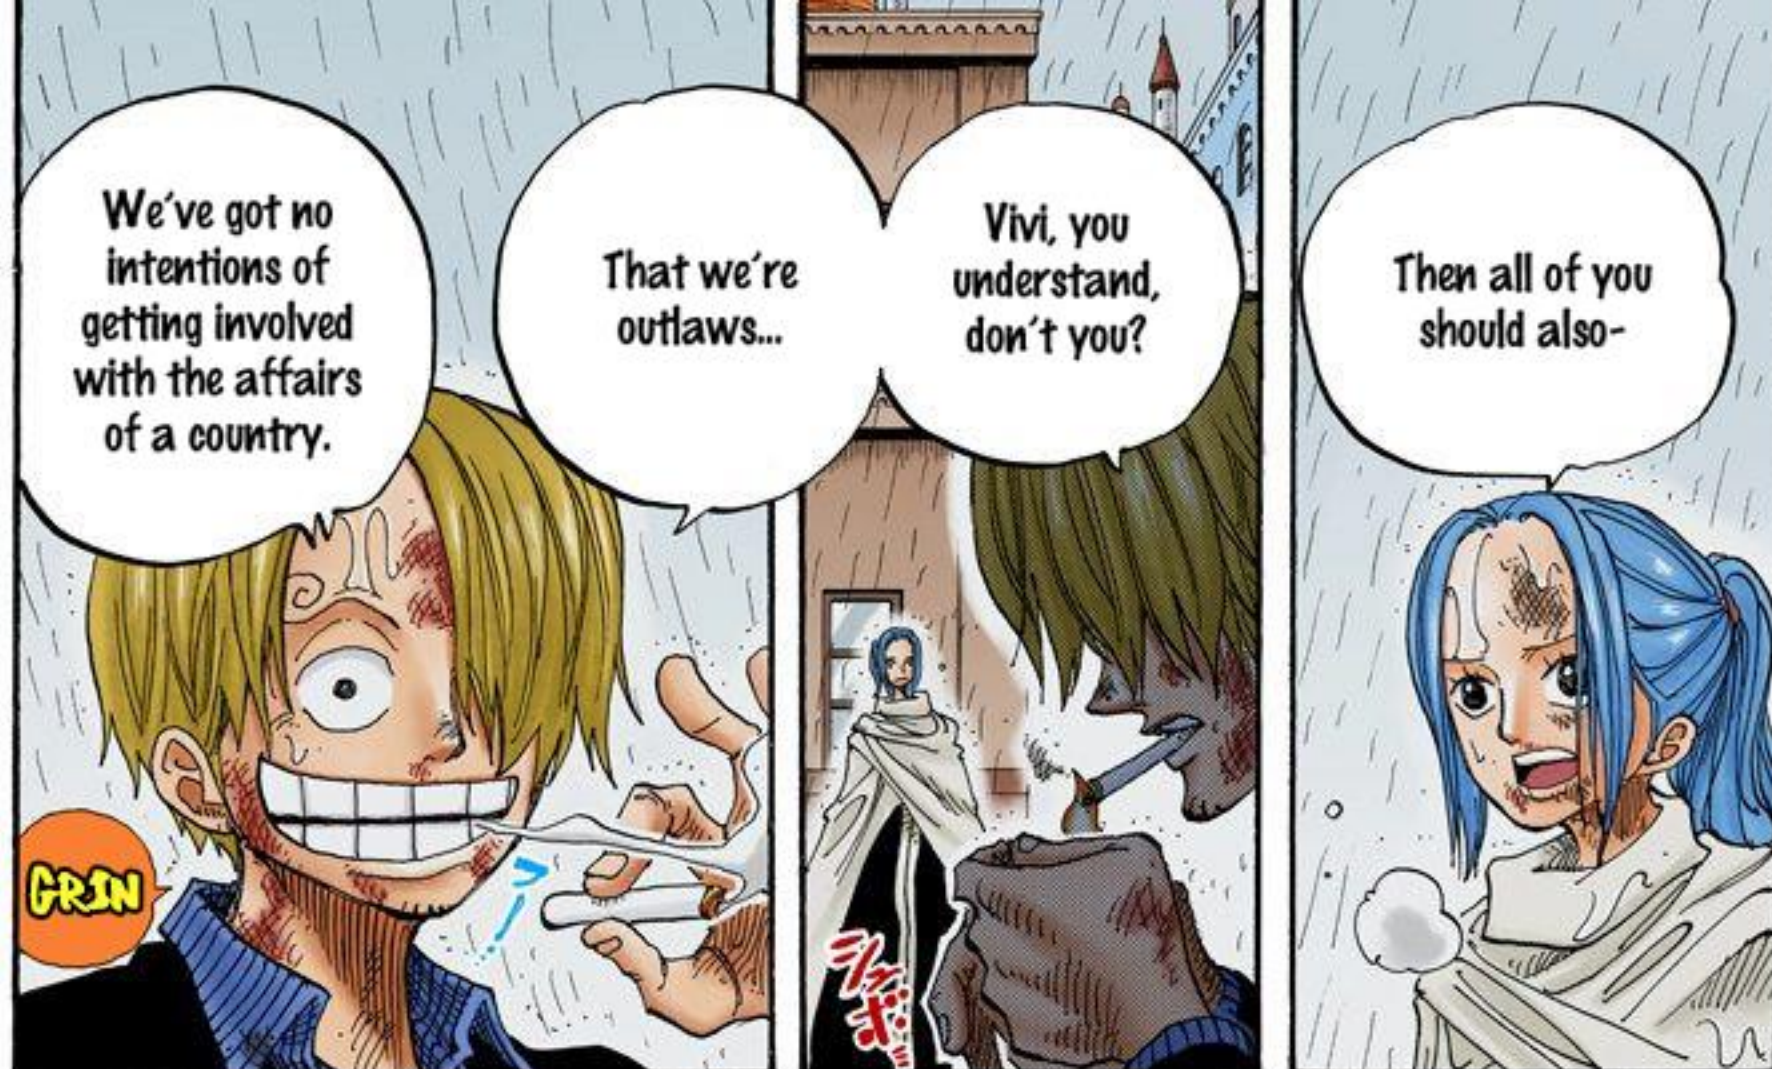

Get back out  
to the square.

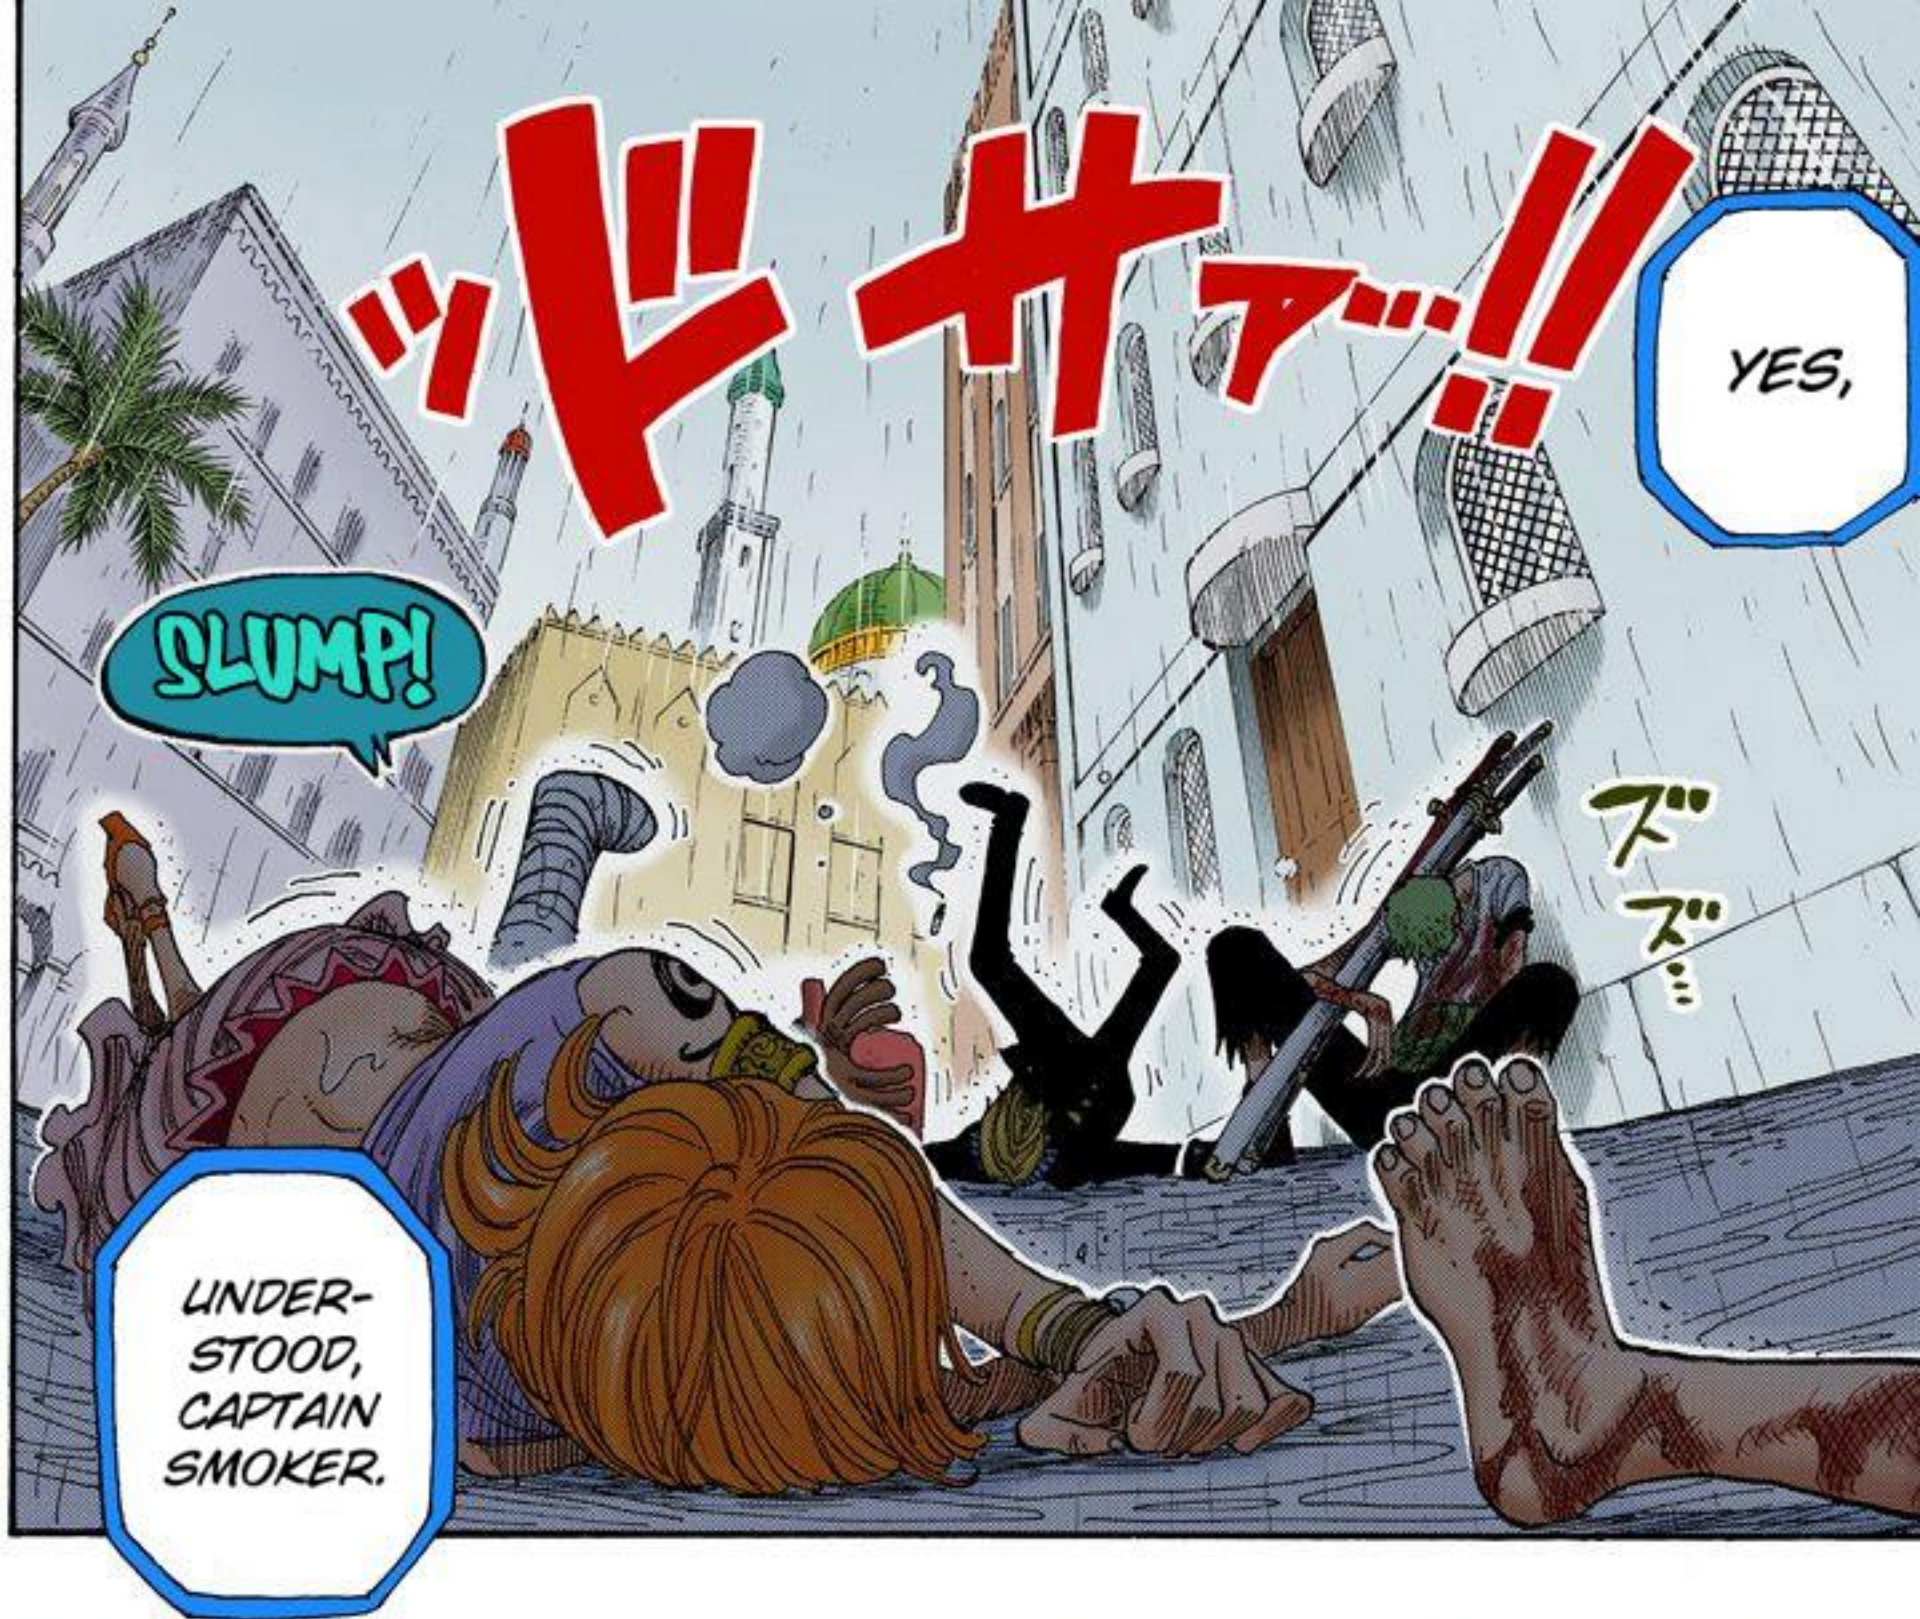

Back?

More importantly,  
you should get  
back, Vivi.

ハァアアアアア

And the head  
of this secret  
criminal  
organization  
Baroque Works,

Has undeniably  
proven to be you,  
Sir Crocodile,  
a Royal  
Shichibukai Pirate.

An artificial-  
rain ship owned by  
Baroque Works,

Has been found  
containing  
significant  
amounts of  
dance powder.

Are hereby  
revoked.

And all other rights  
and titles granted  
to you by the  
World Government,

The special  
permit of  
"Lawful Seizure  
of Enemy Assets,"

Under the  
authority of  
World Government's  
Marine HQ

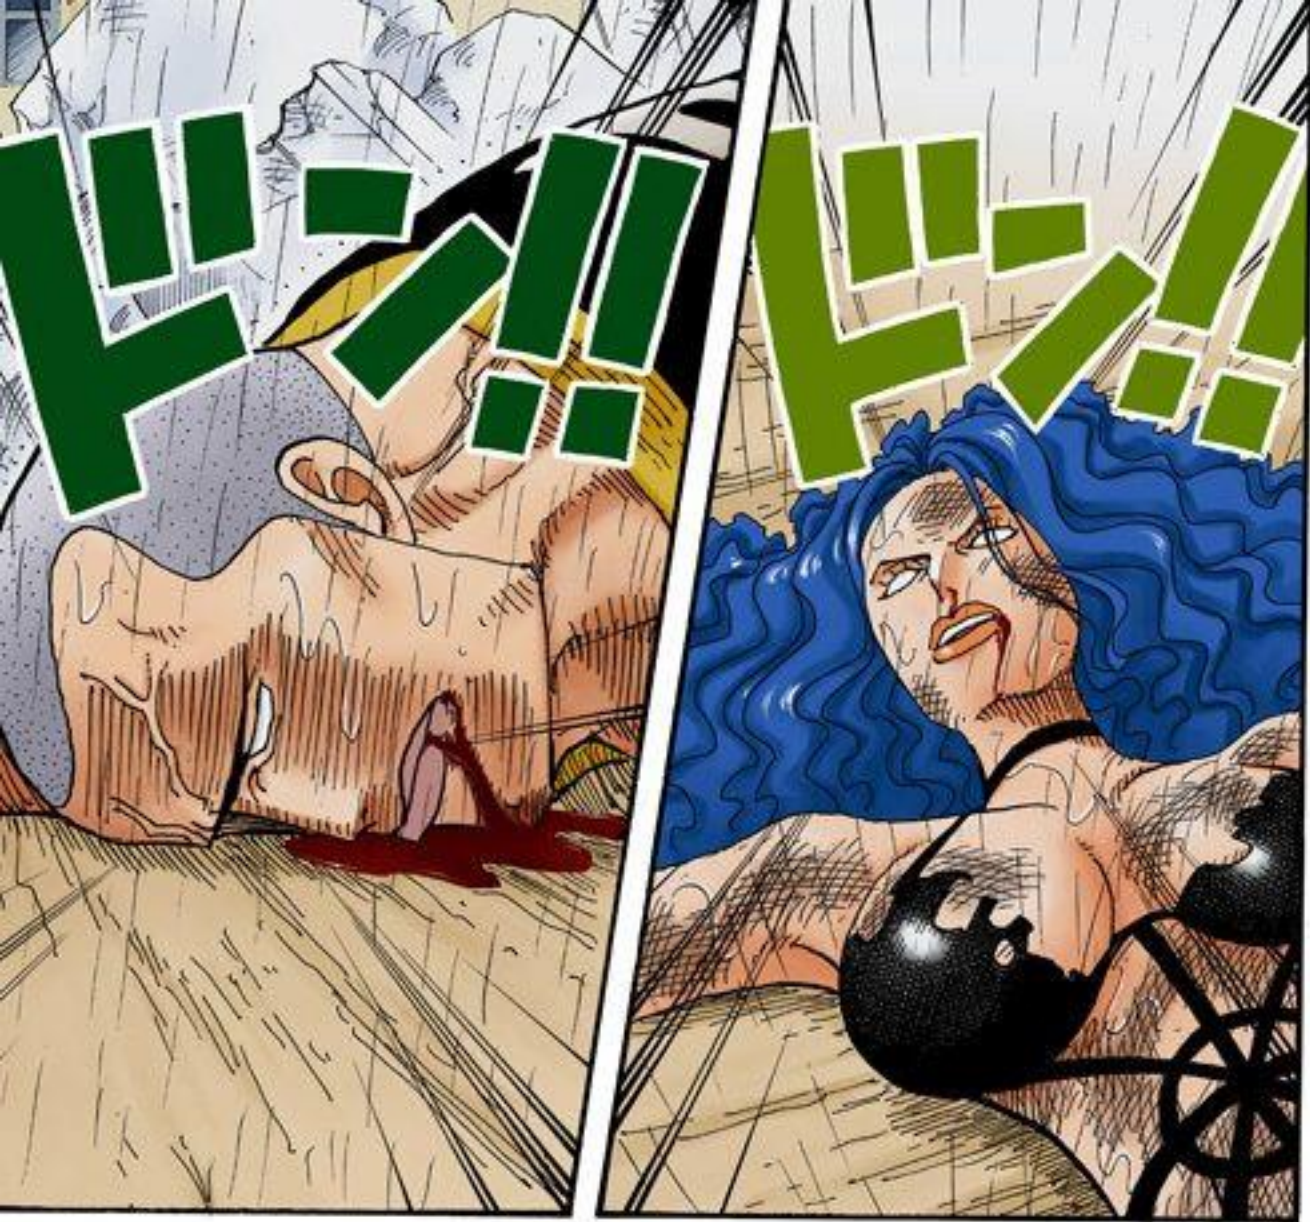

ガチャッ...!!

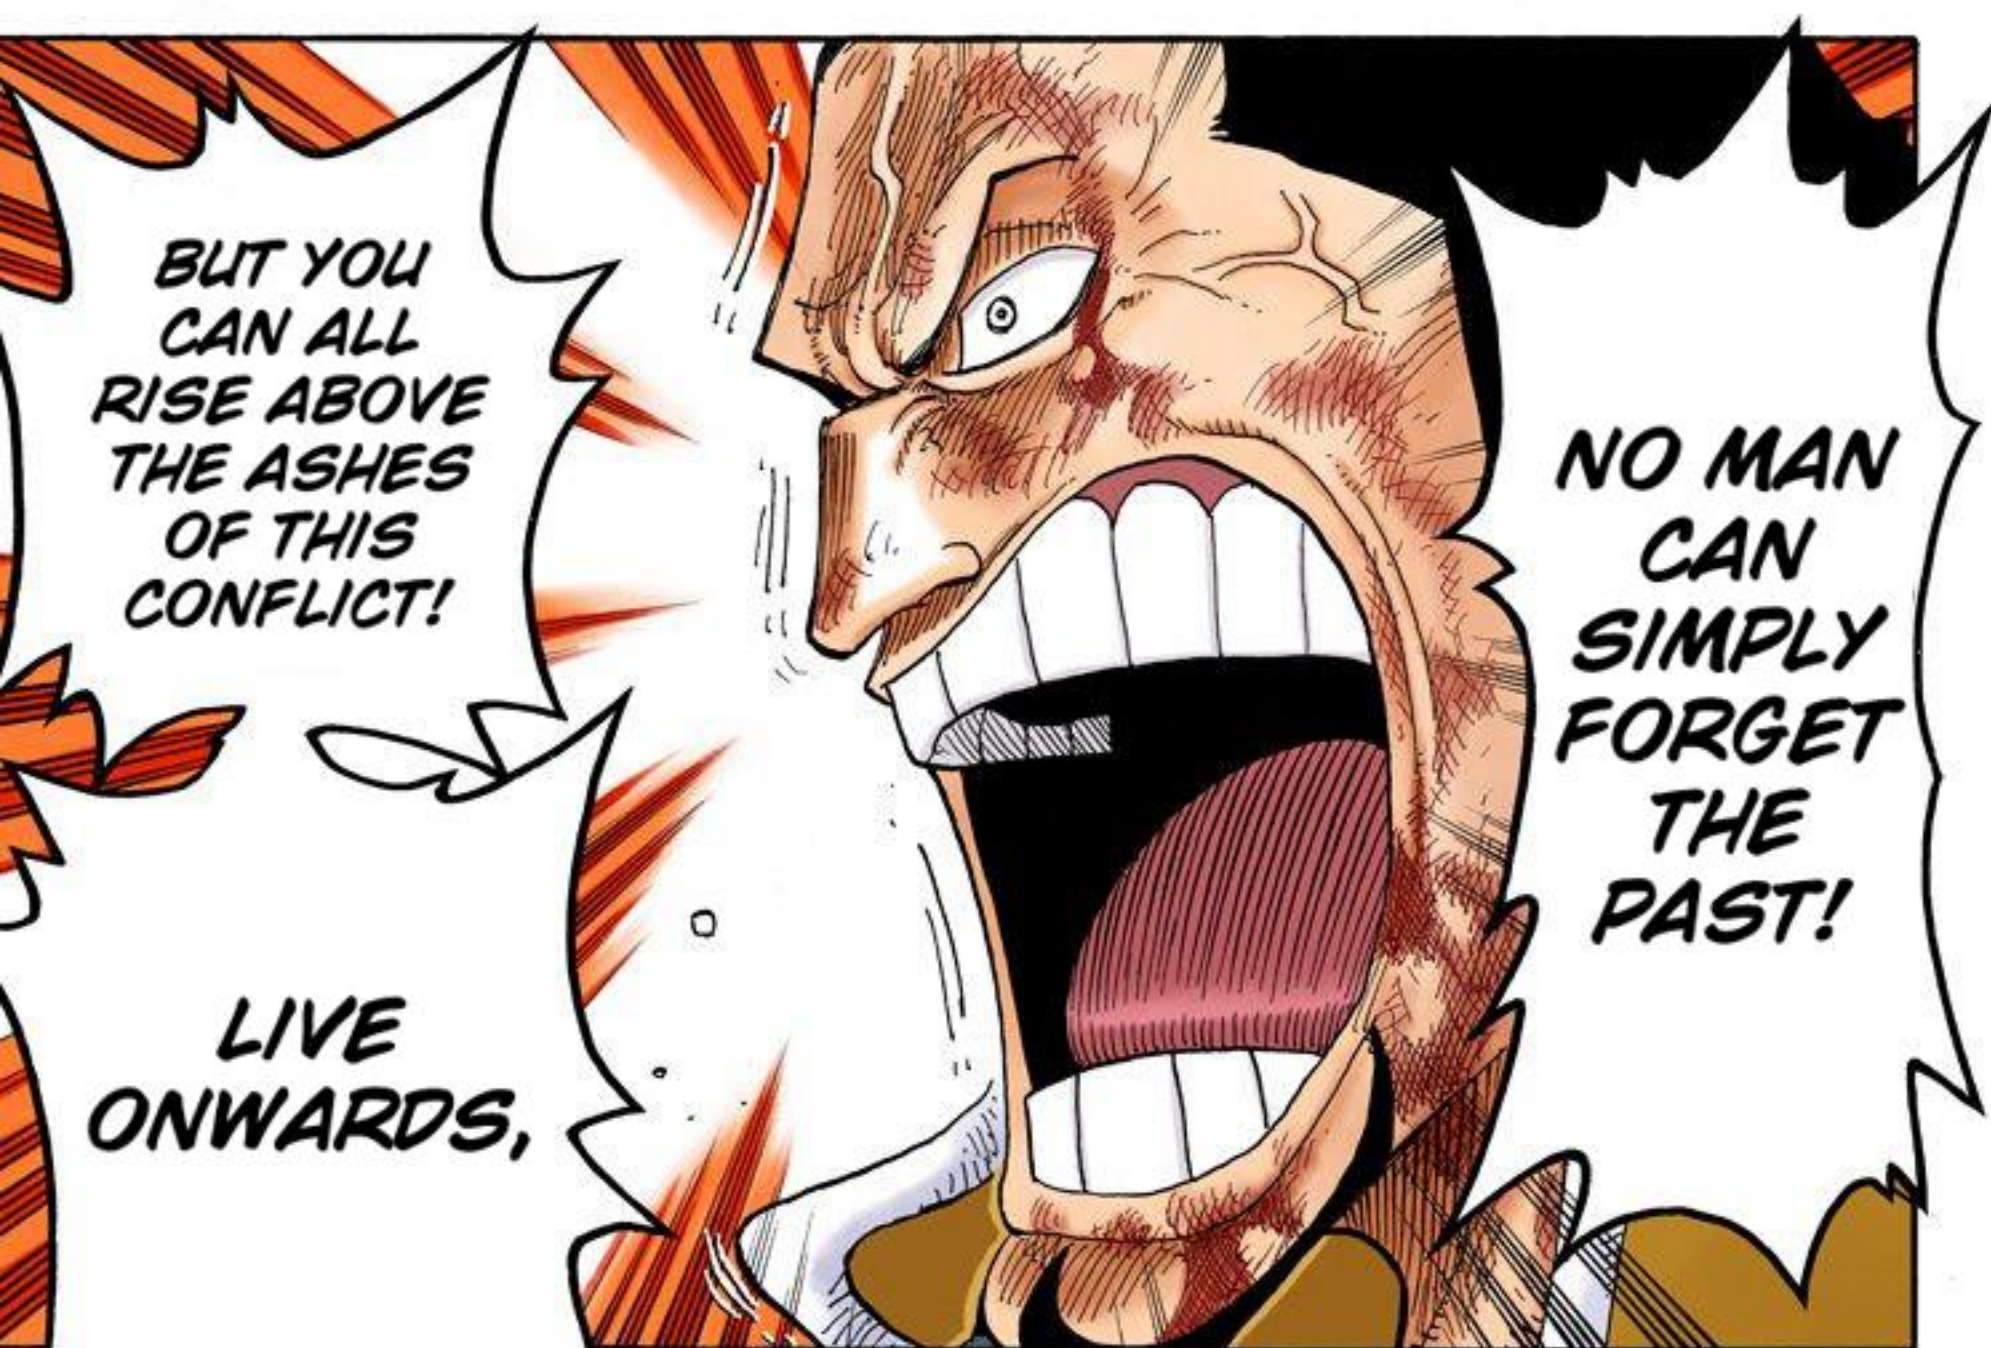

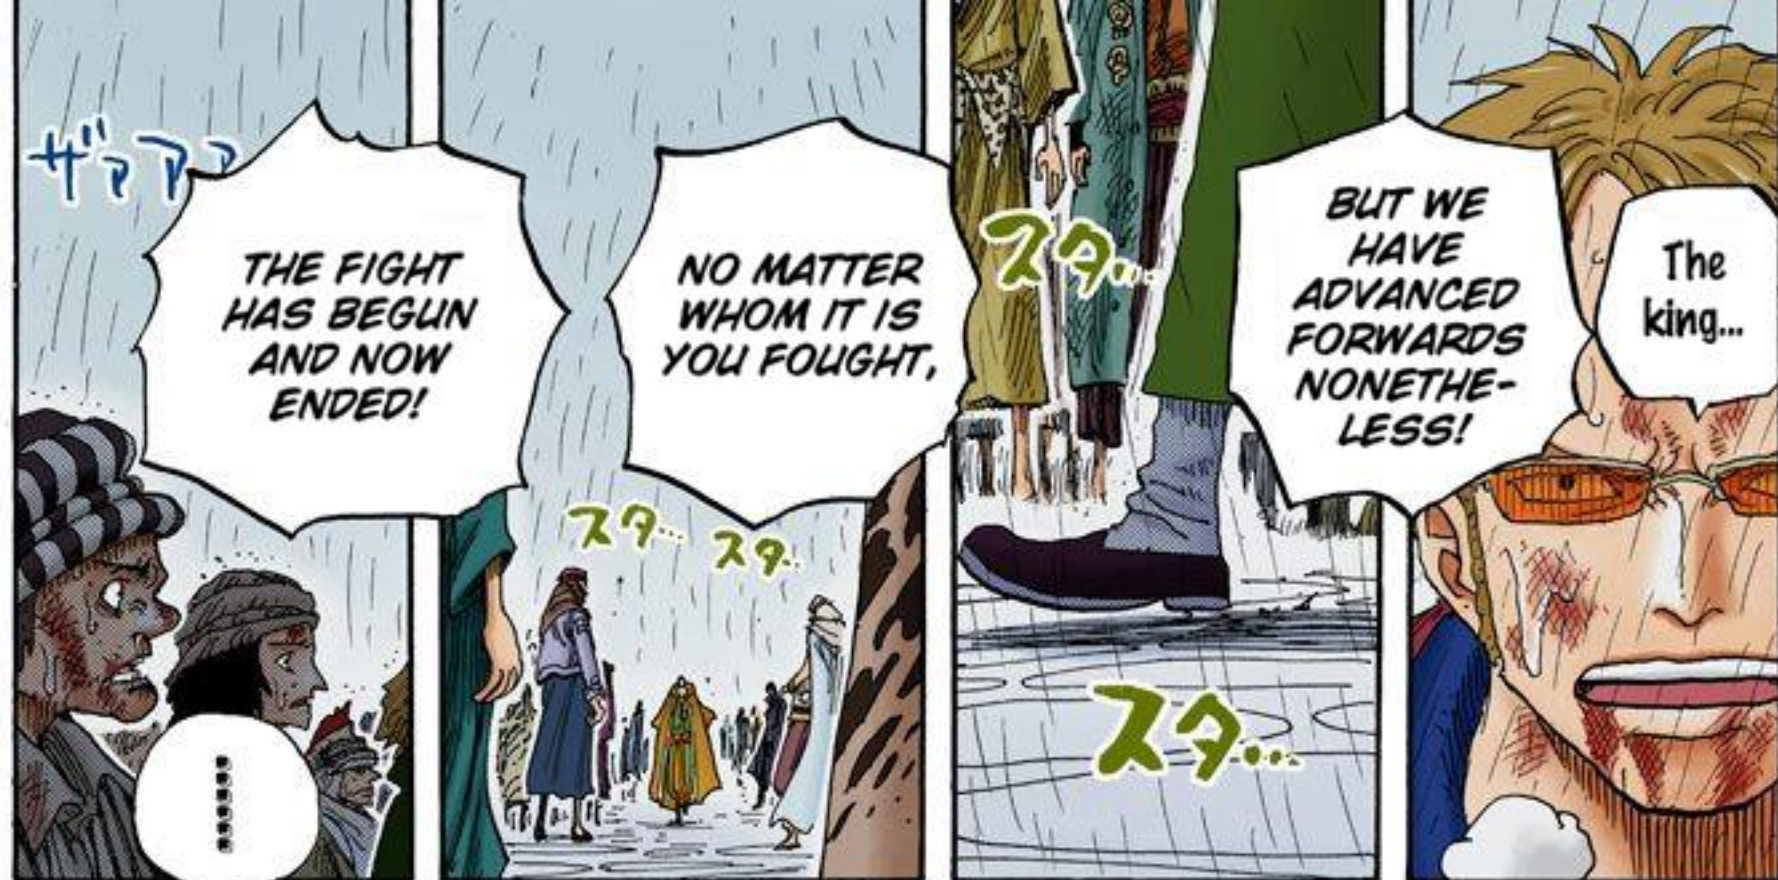

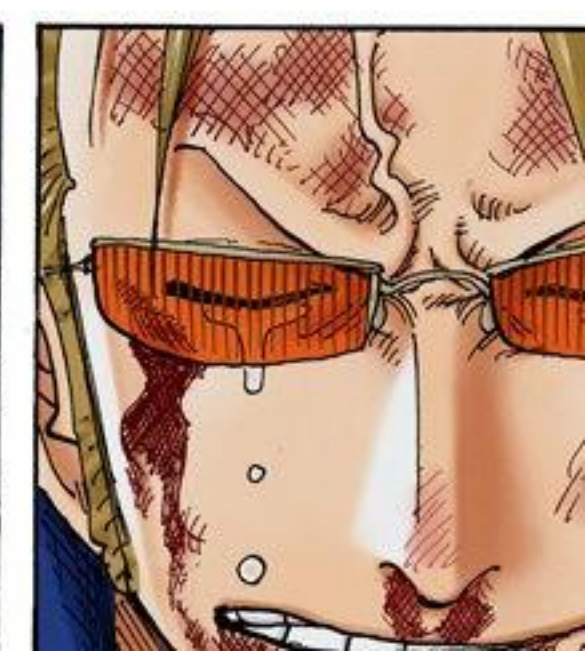

And the battle  
never to be told  
in history...

Both drew  
to a close.

The battle that  
would go down  
in history.

KINGDOM  
OF  
ALABASTA!

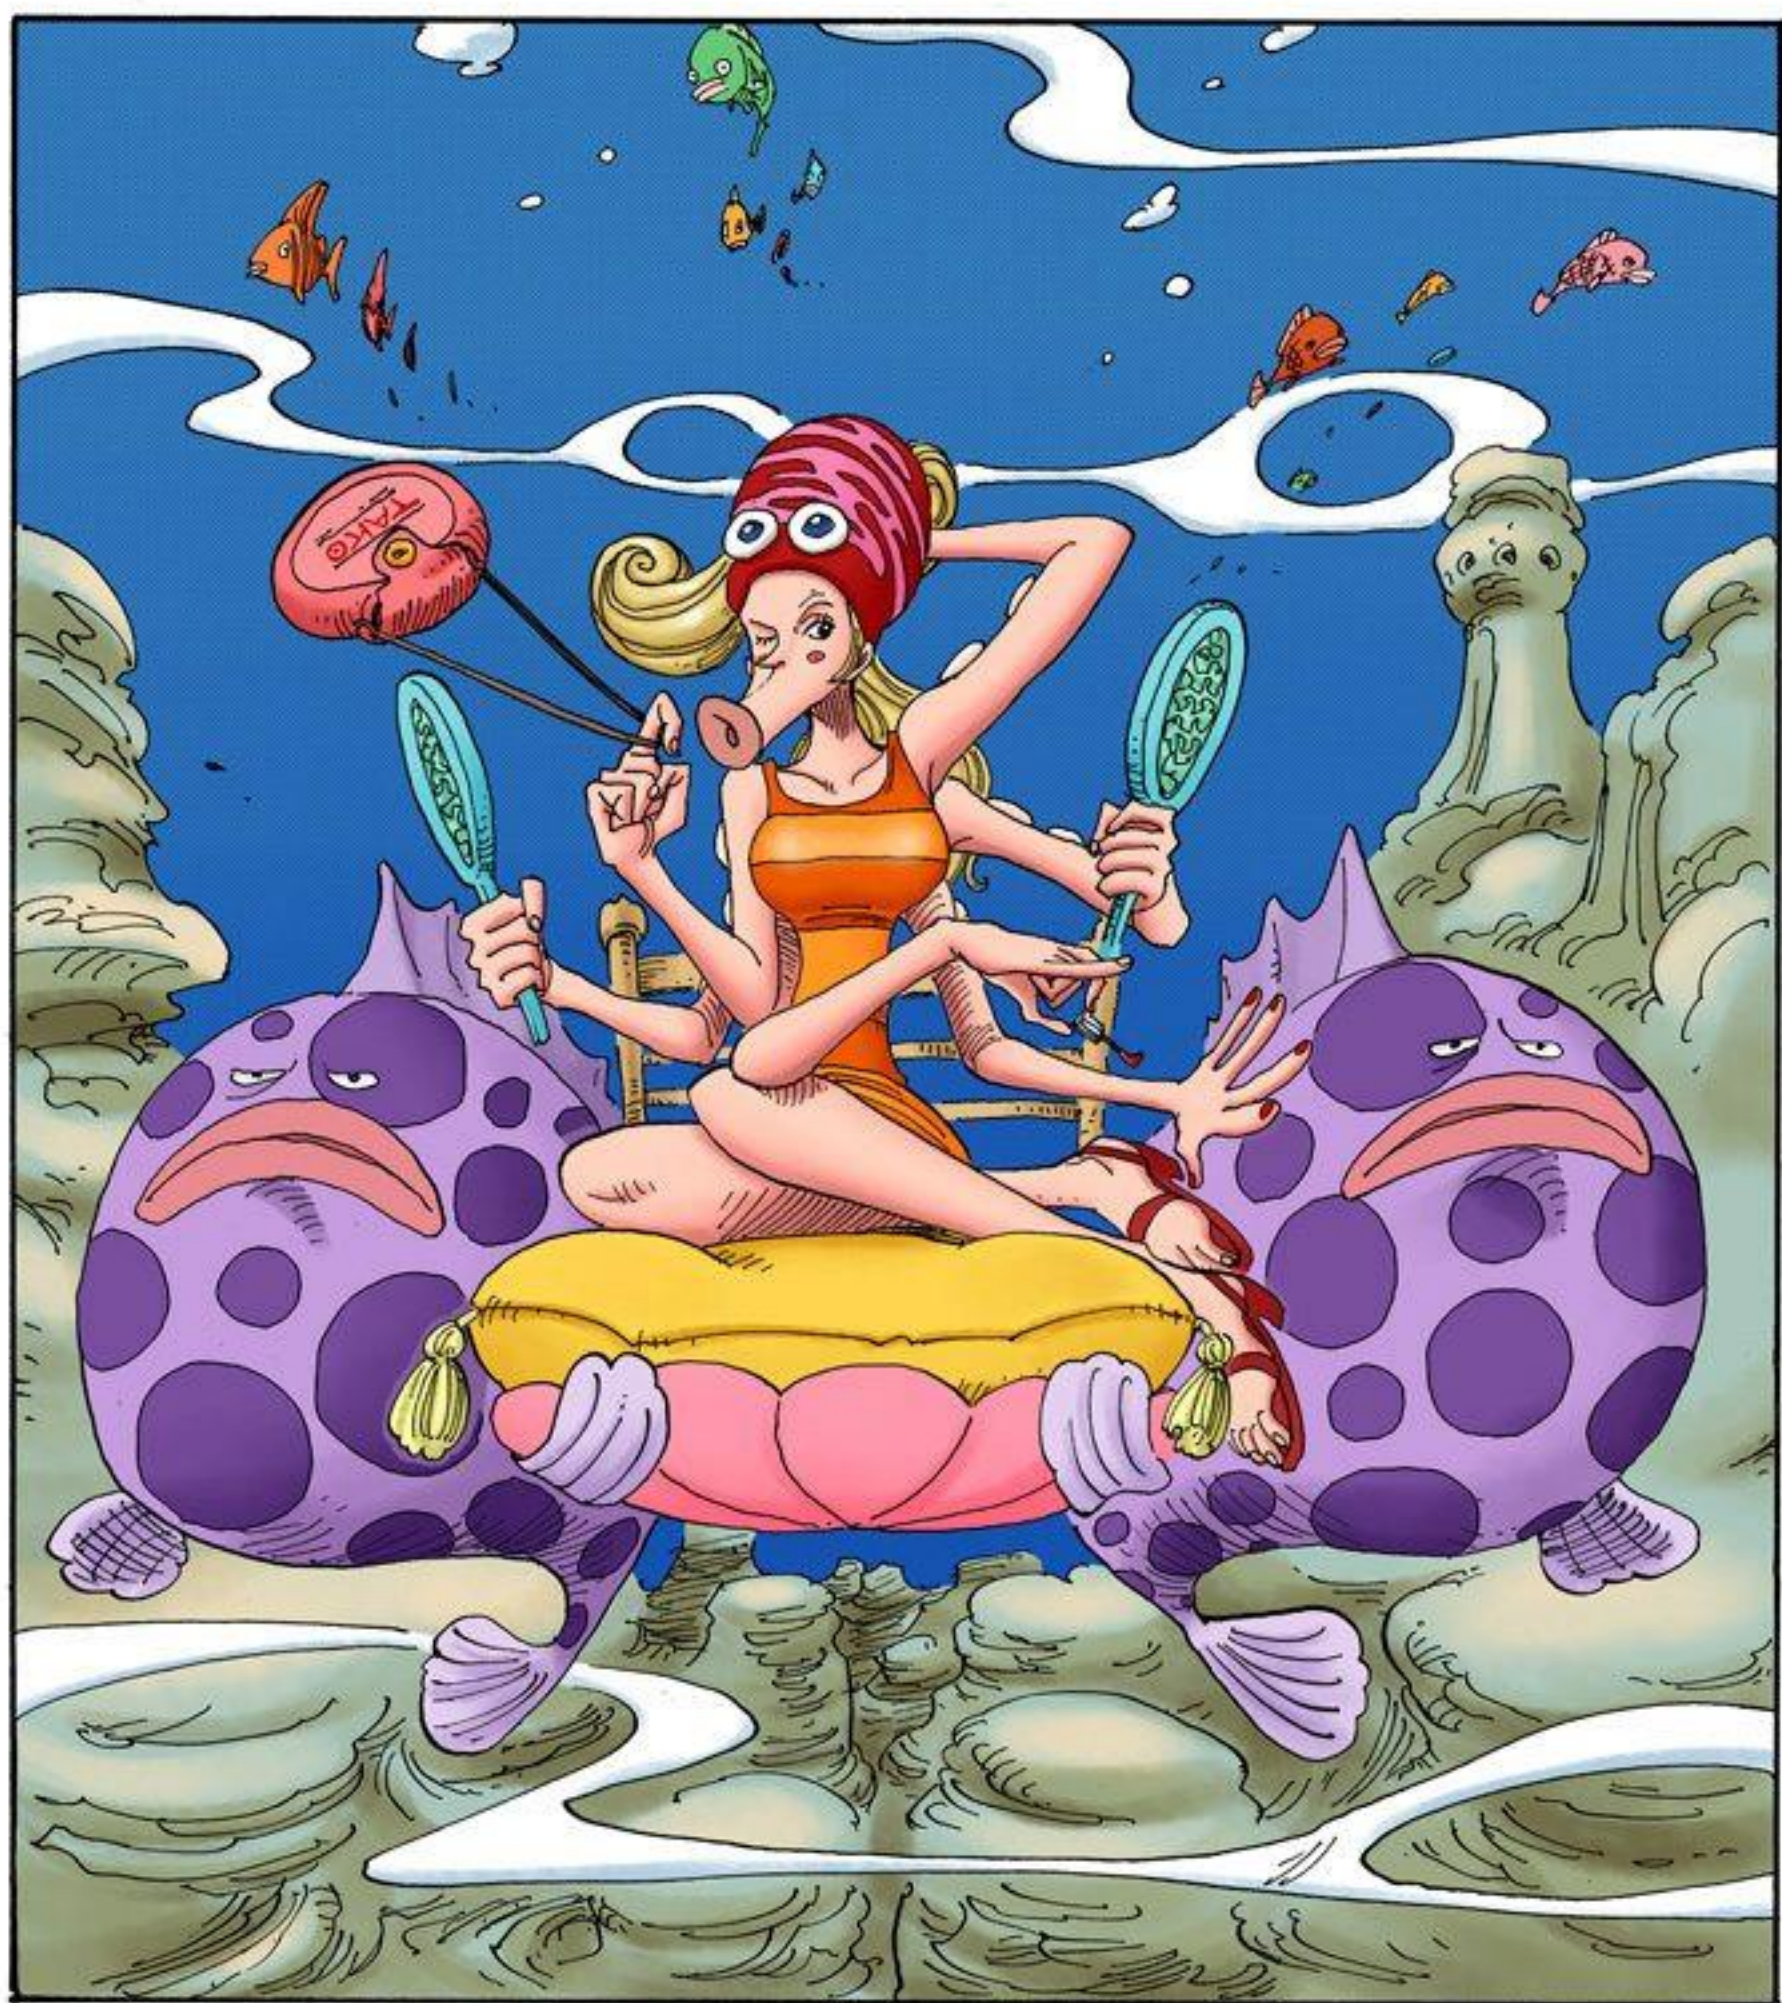

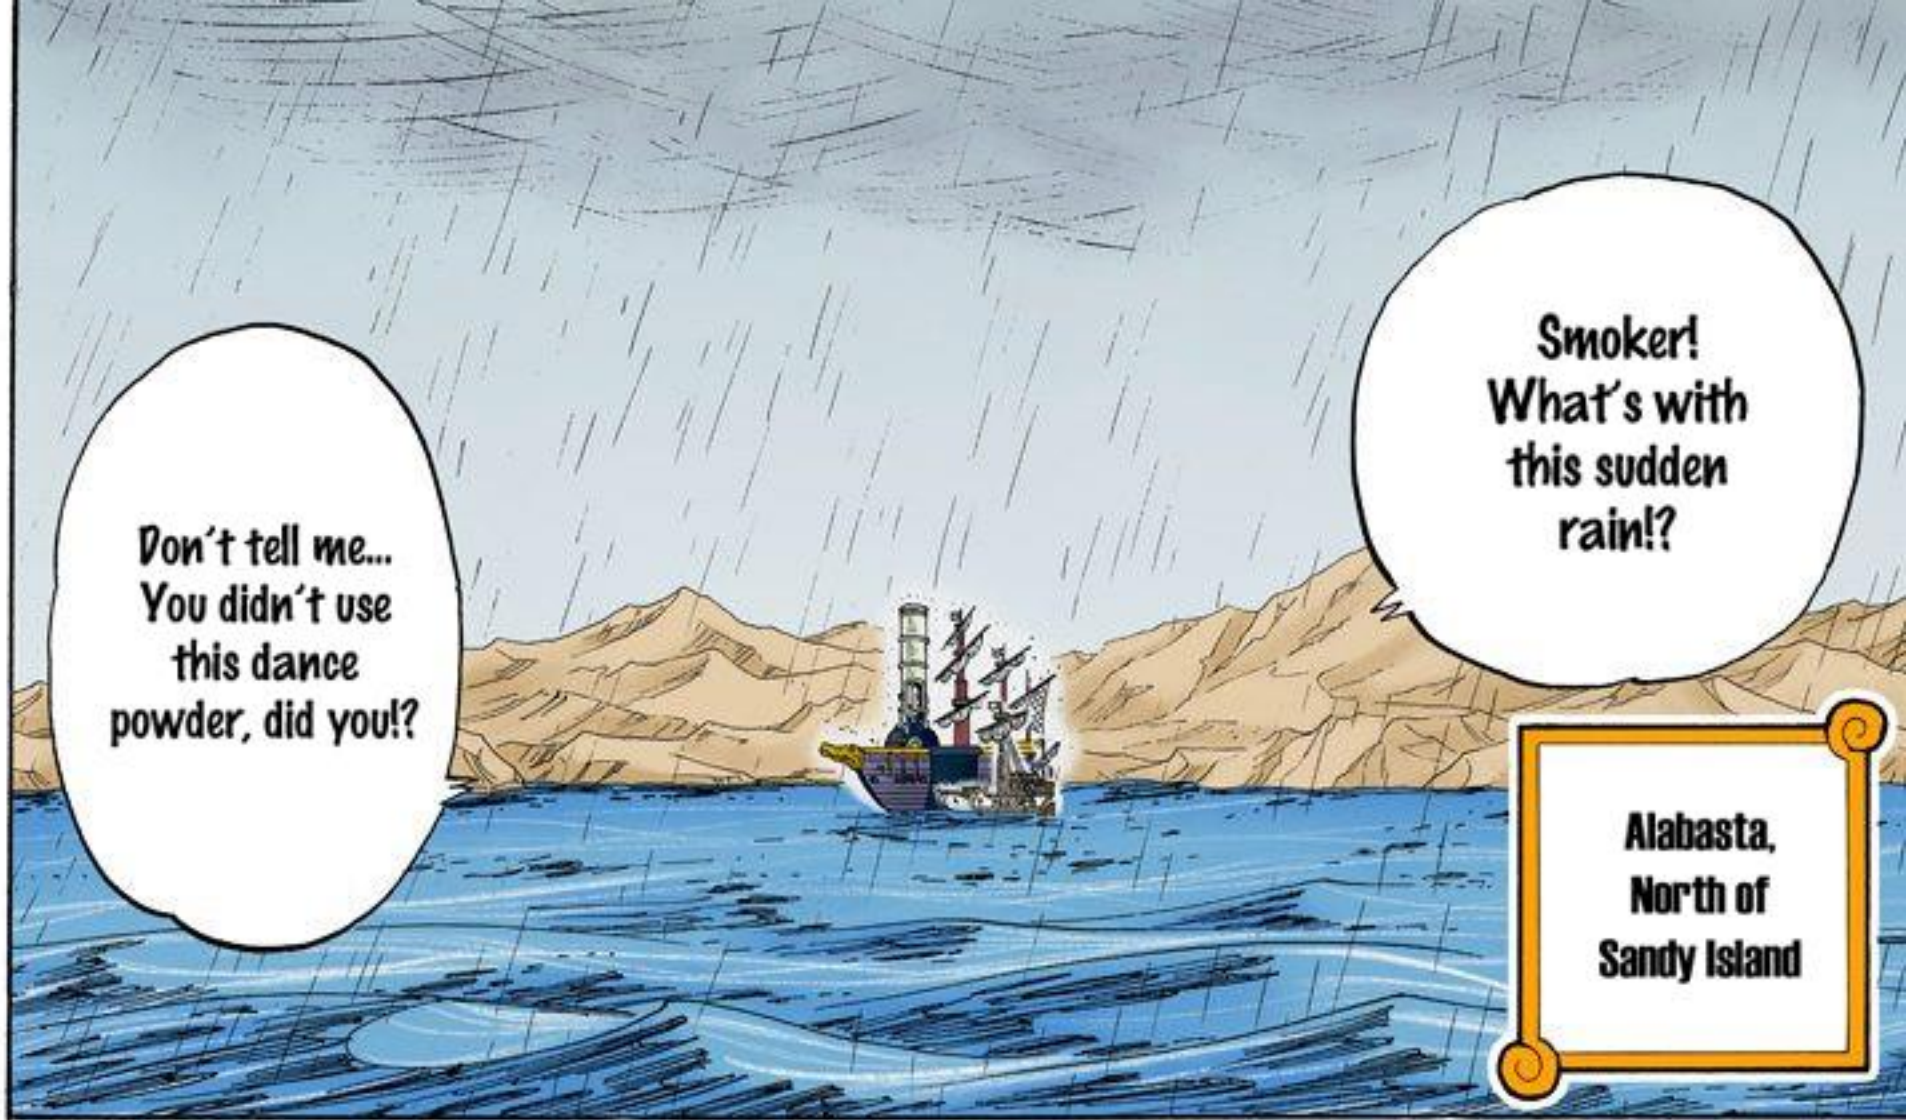

## Chapter 212

### “Some Justice”

HACHI'S OCEAN FLOOR STROLL VOL. 27  
"MEANWHILE, OCTOPAKO GOES OUT FOR A STROLL"

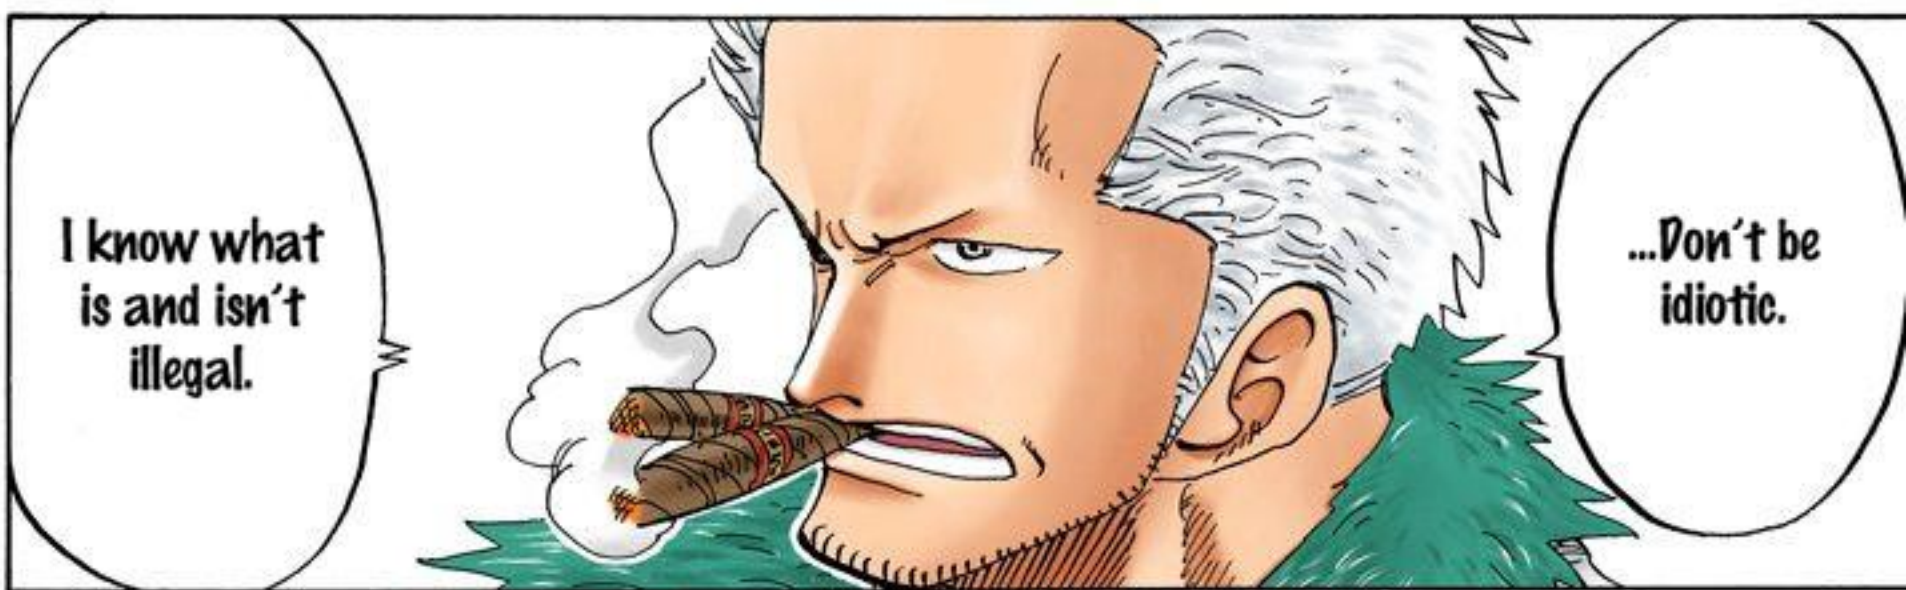

Don't tell me...  
You didn't use  
this dance  
powder, did you!?

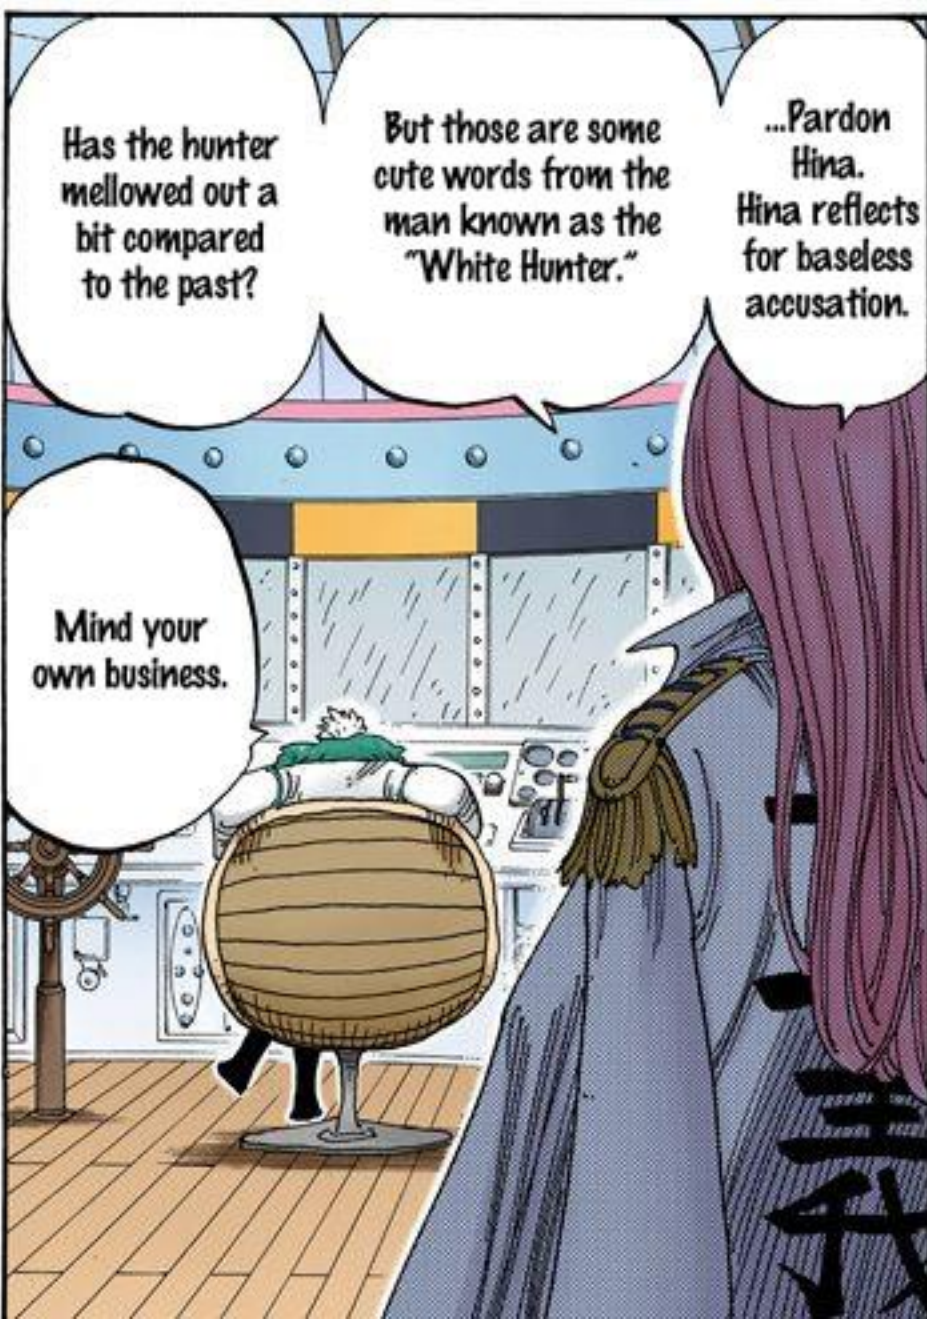

Smoker!  
What's with  
this sudden  
rain!?

Alabasta,  
North of  
Sandy Island

I know what  
is and isn't  
illegal.

...Don't be  
idiotic.

Has the hunter  
mellowed out a  
bit compared  
to the past?

But those are some  
cute words from the  
man known as the  
"White Hunter."

...Pardon  
Hina.  
Hina reflects  
for baseless  
accusation.

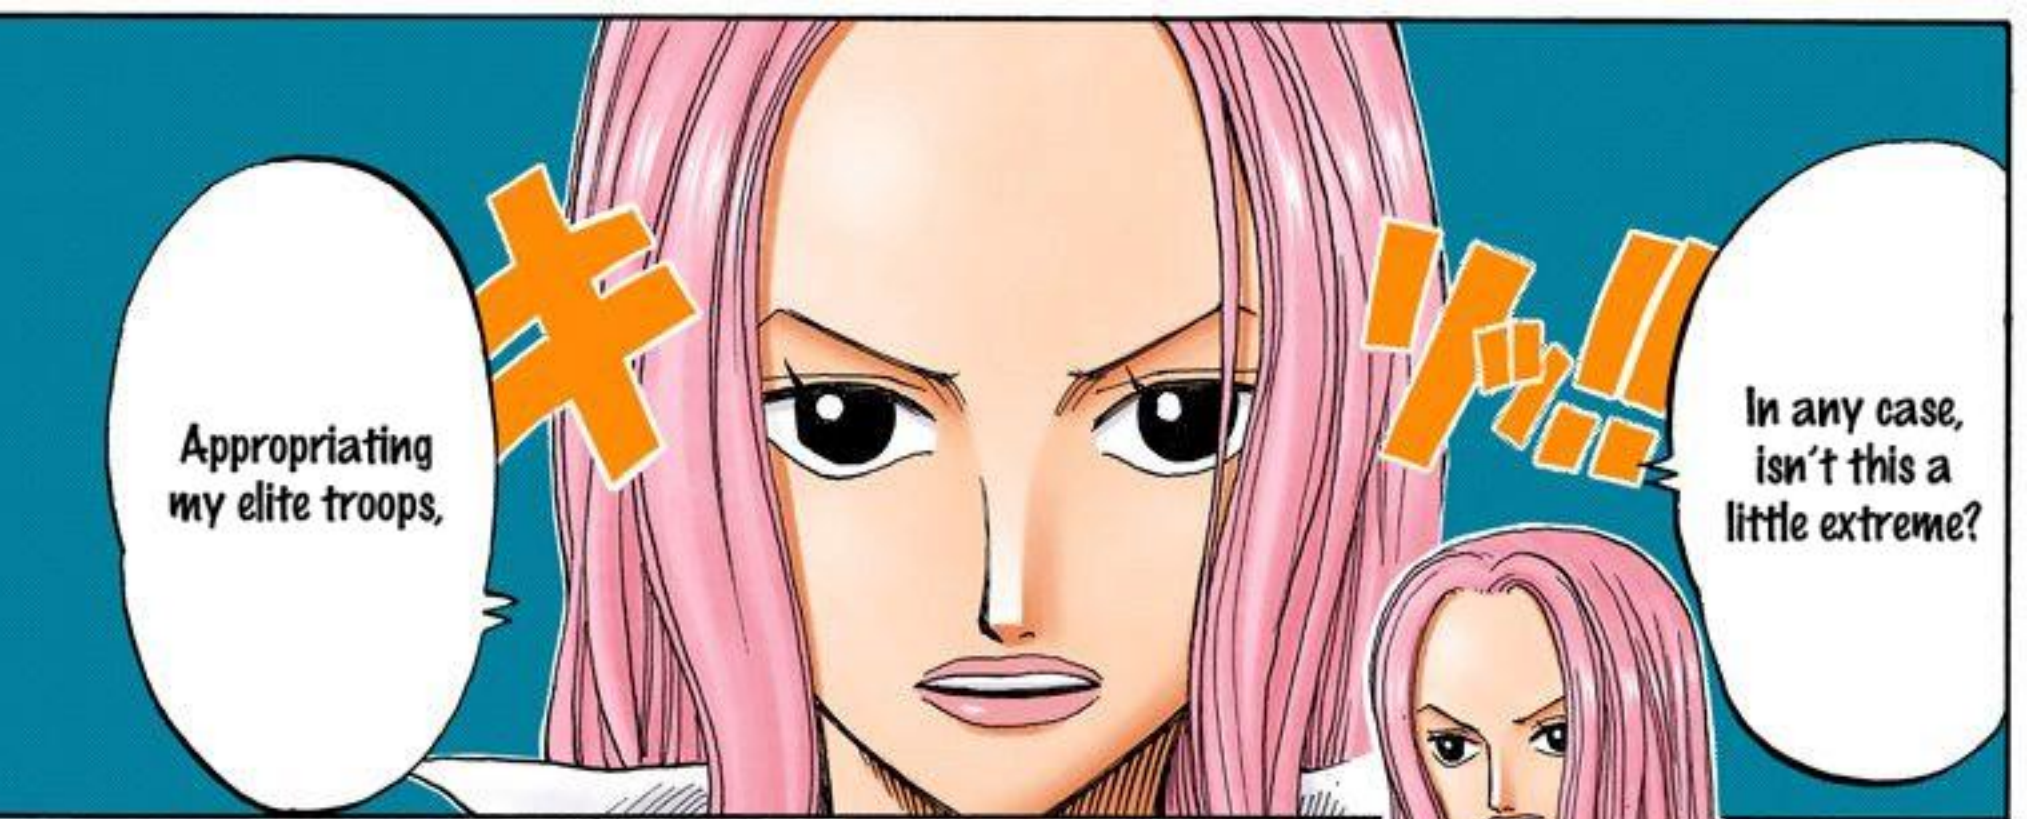

Mind your  
own business.

To never use  
this powder  
under any  
circum-  
stances?

What would  
I gain by willingly  
violating the king  
of Alabasta's  
judgment,

Appropriating  
my elite troops,

In any case,  
isn't this a  
little extreme?

Hina is  
vexed.

Quite  
vexing.

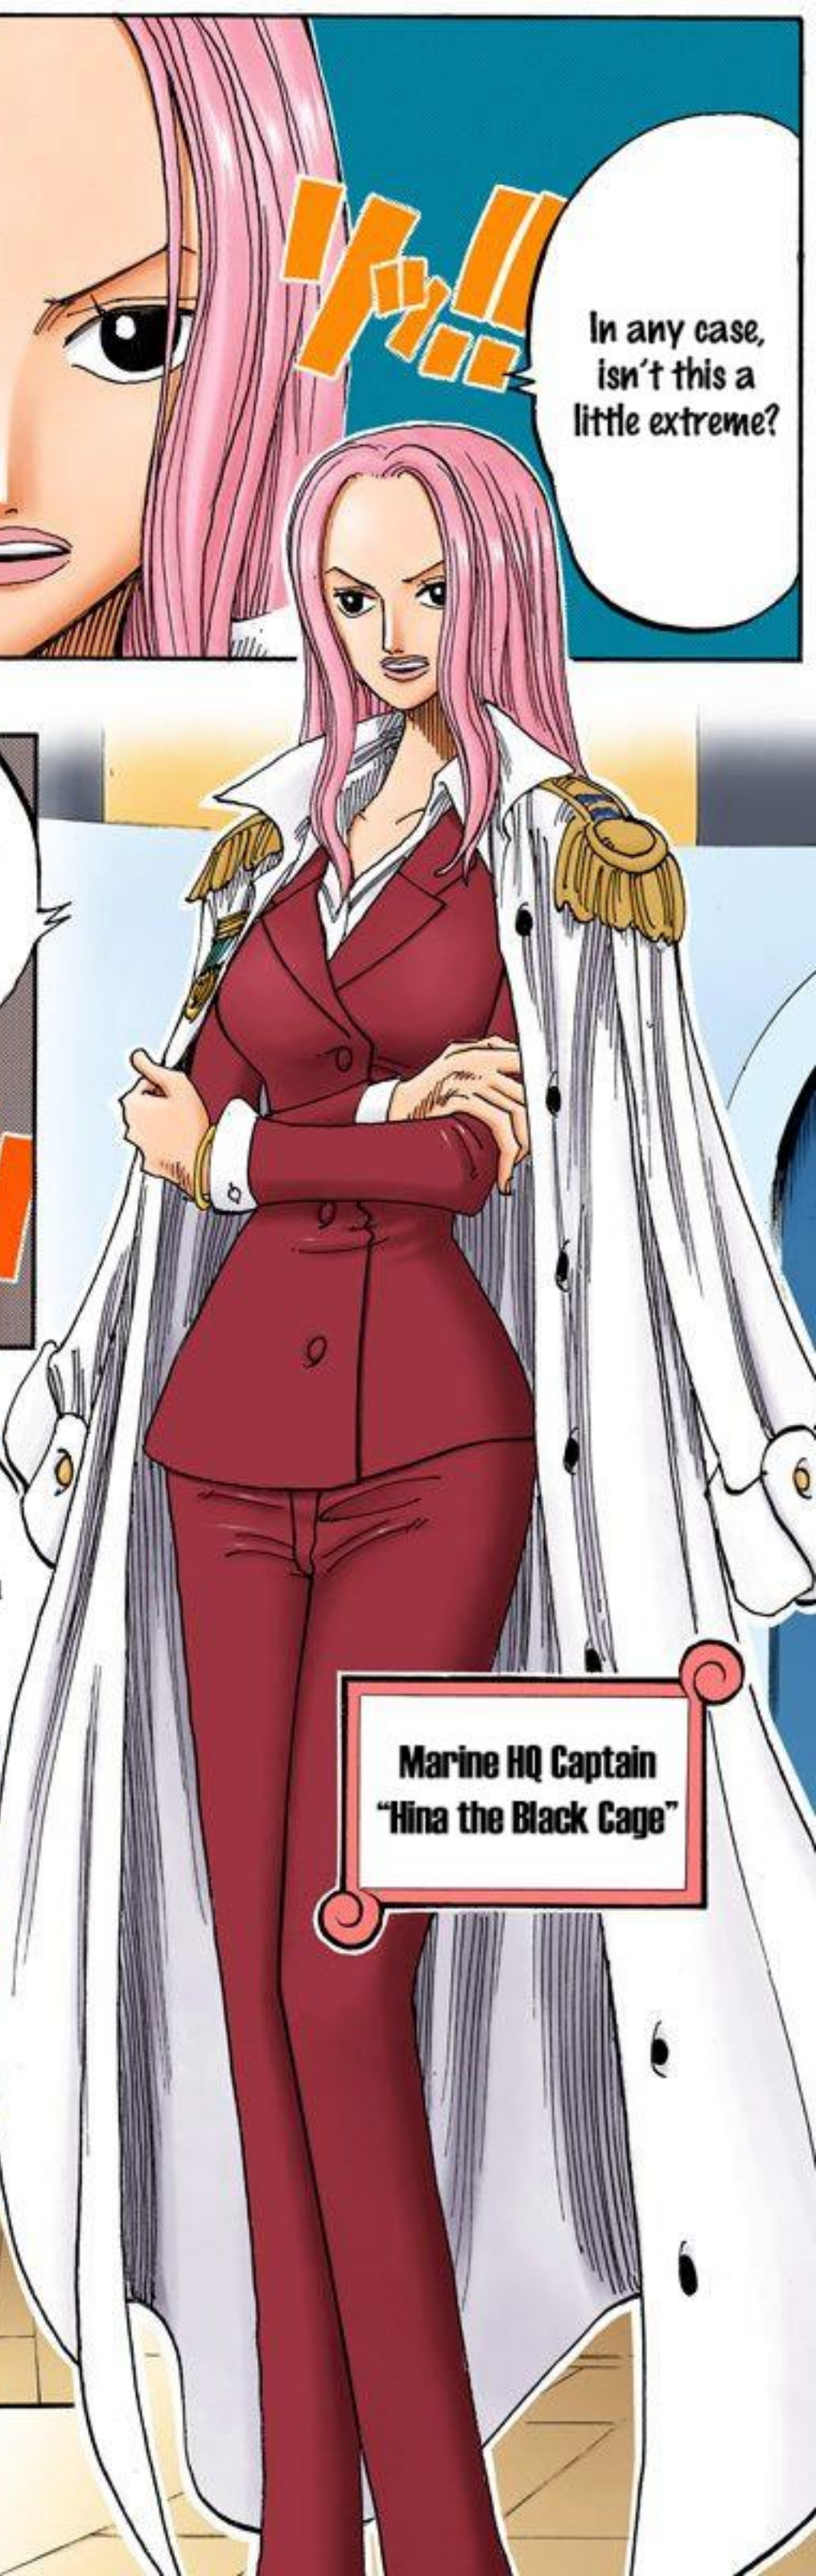

Just to search for  
one puny ship...

Hmph...

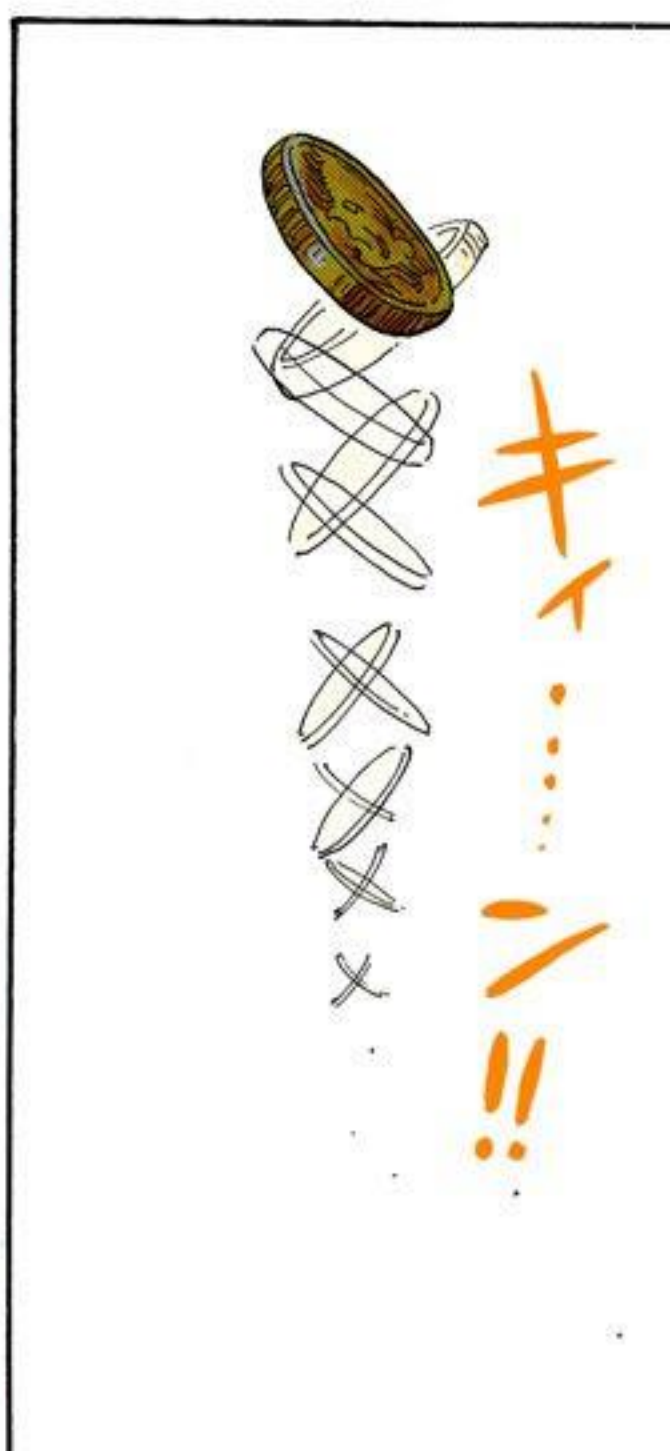

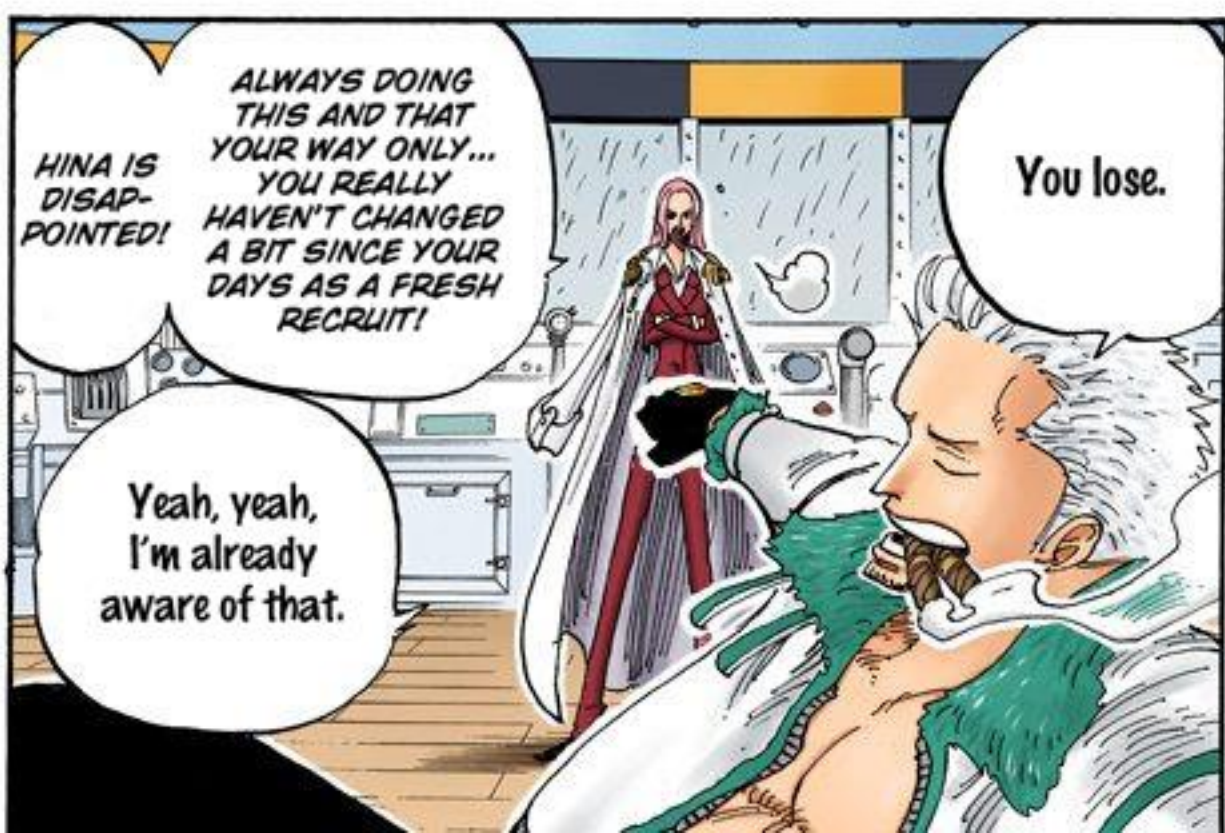

Always giving me  
that excuse... Hina  
sympathises with  
Tashigi's troubles.

Oh come on,  
you and I've  
been long-term  
associates.  
Don't be like  
that.

Marine HQ Captain  
"Hina the Black Cage"

But Sgt. Major! This is a golden opportunity! At our current strength, we won't be able to handle them once they regain cons-

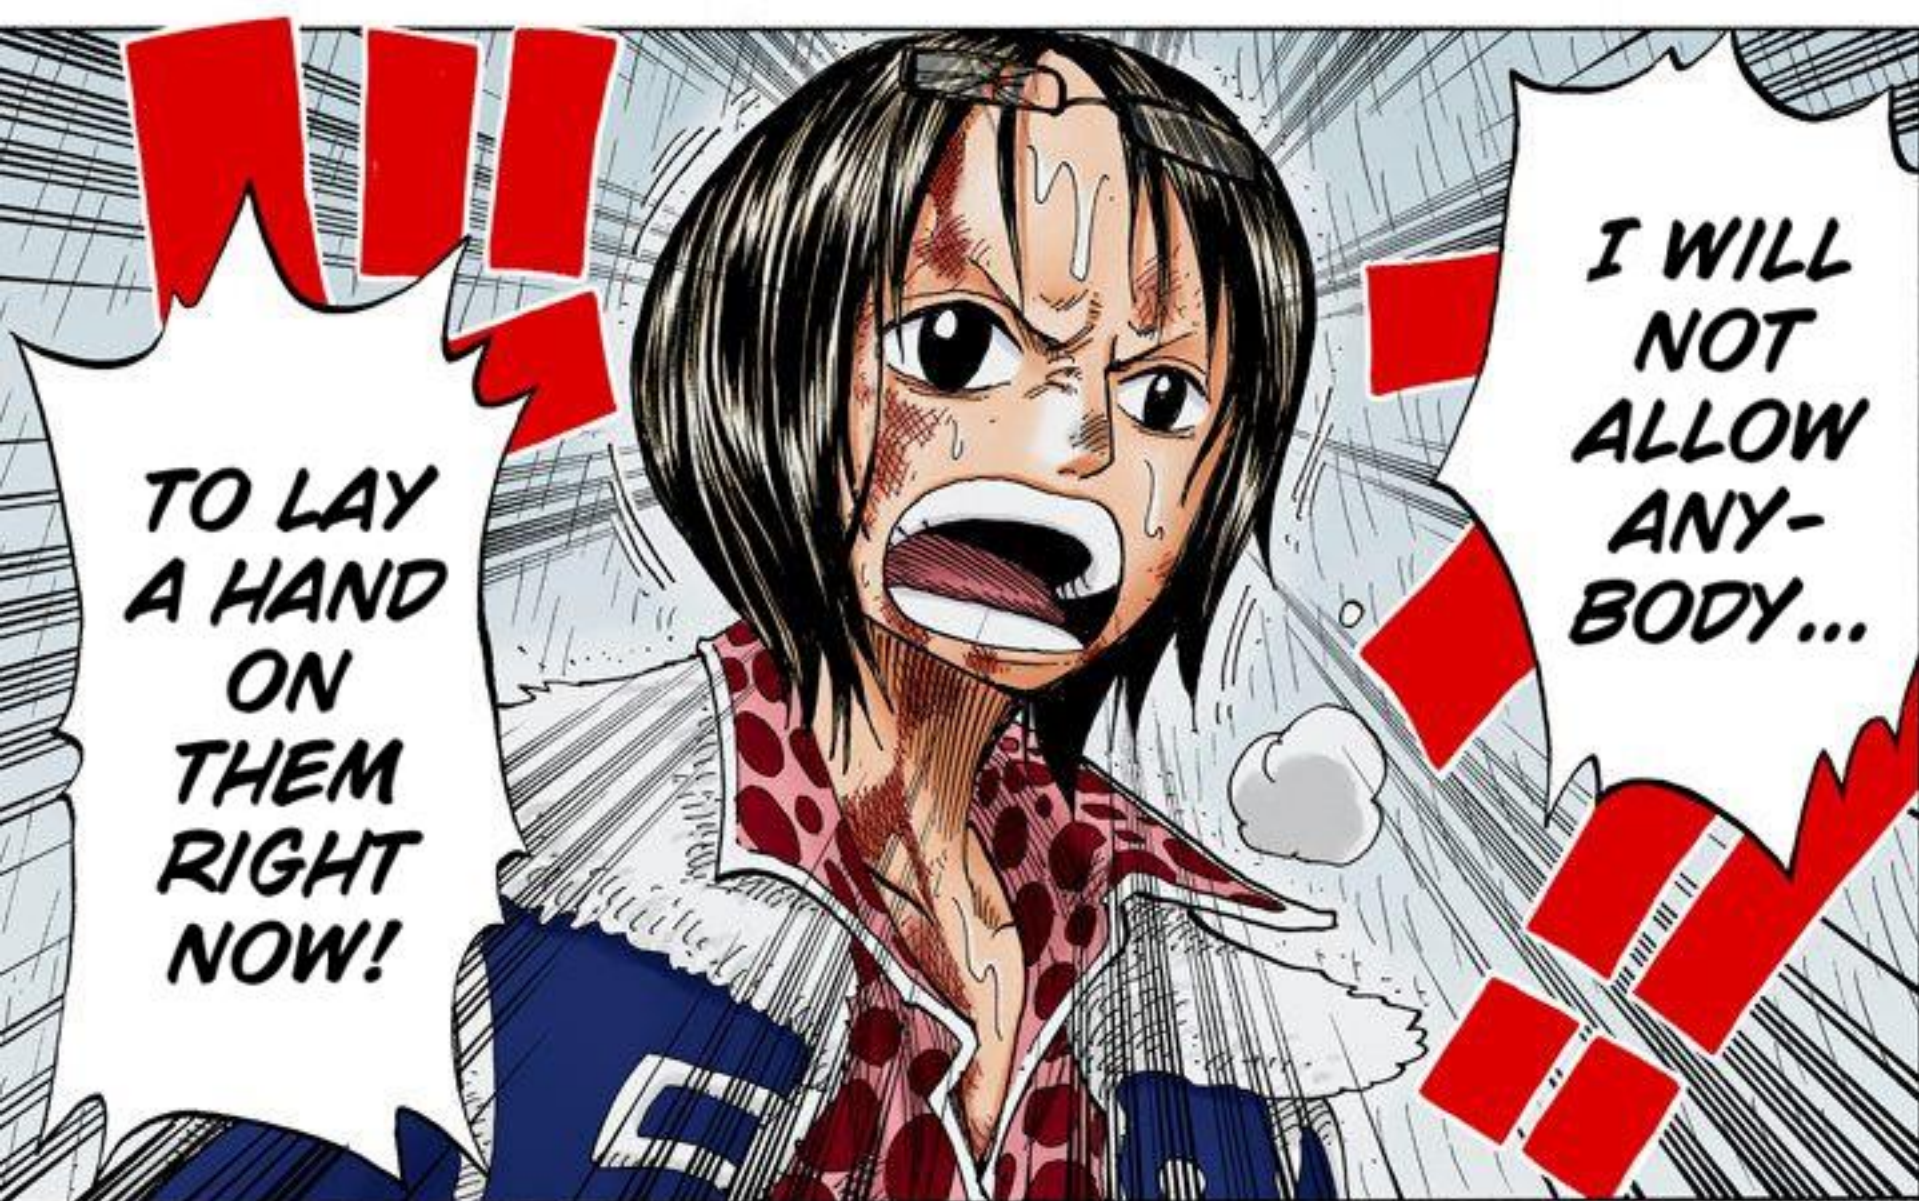

That's an order...!

サッパッパッ...

Wha?

サッパッパッ...

TO LAY A HAND ON THEM RIGHT NOW!

I WILL NOT ALLOW ANYBODY...

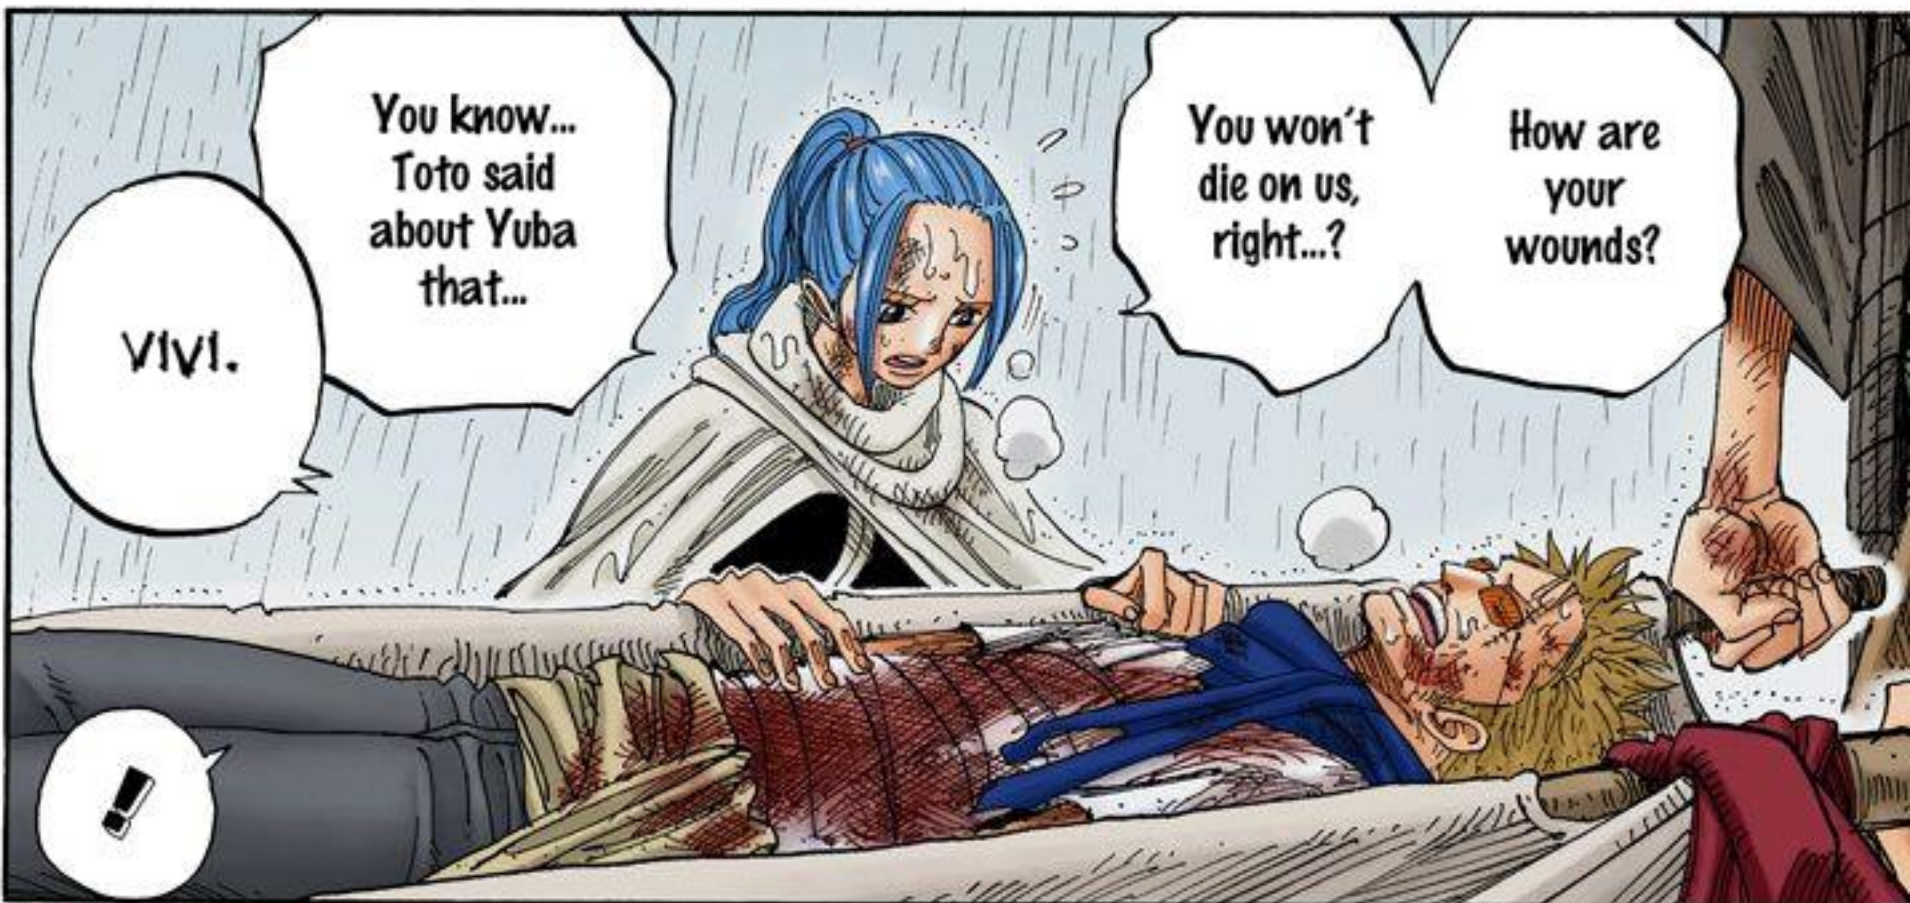

THEY'RE SITTING DUCKS!

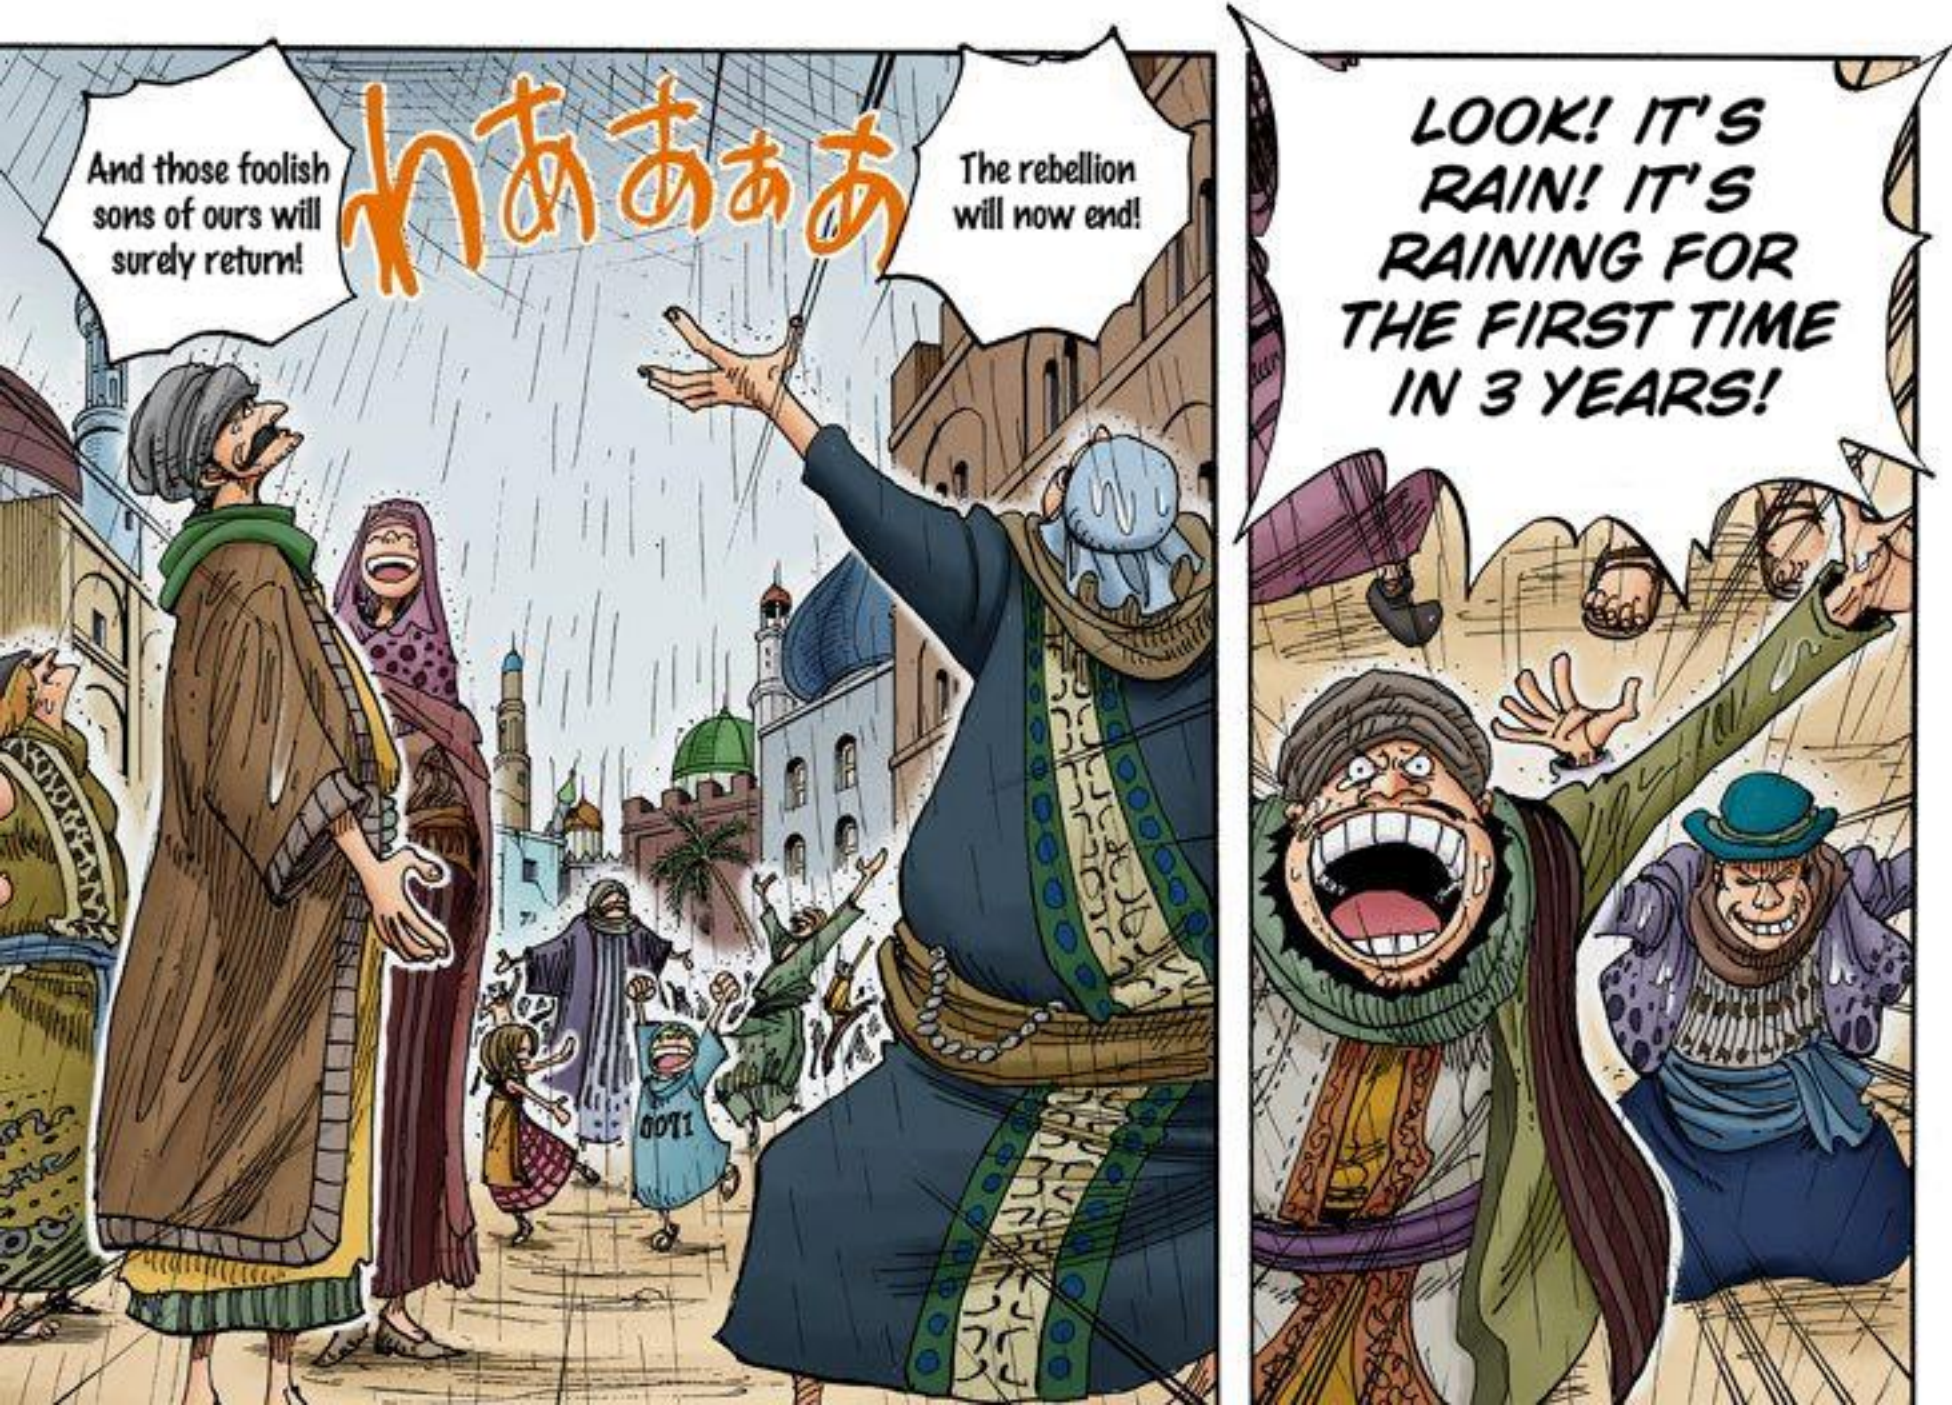

サッパッパッ...

B-BUT WHY!? THEY'RE ALL HERE IN ONE SPOT RIGHT NOW!

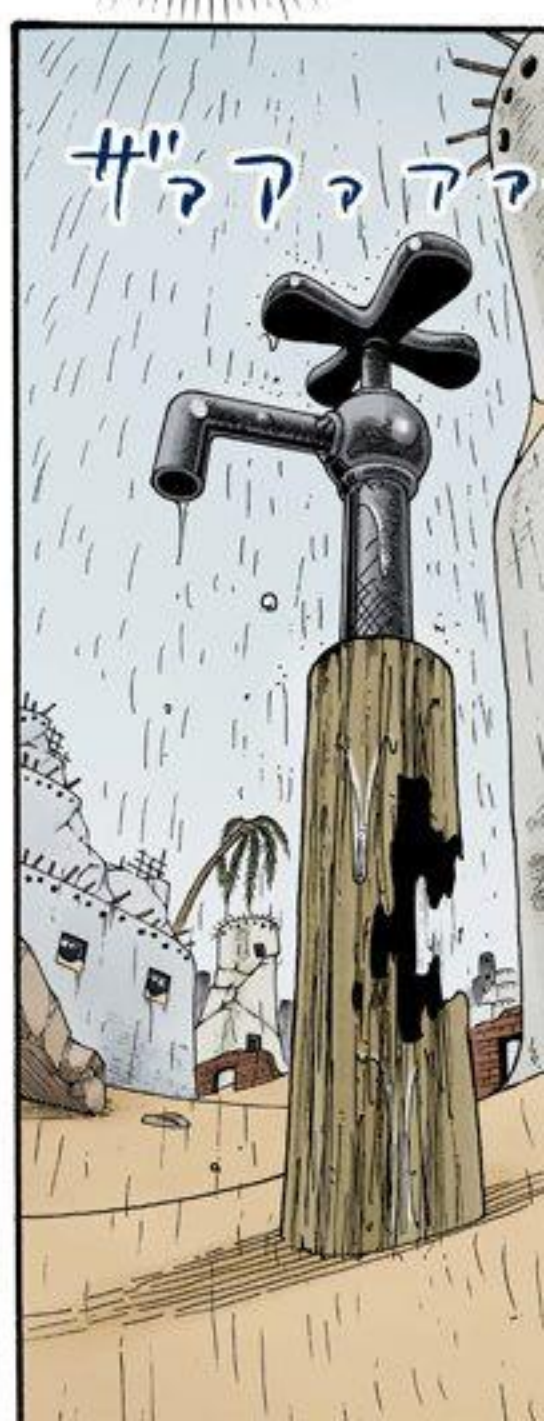

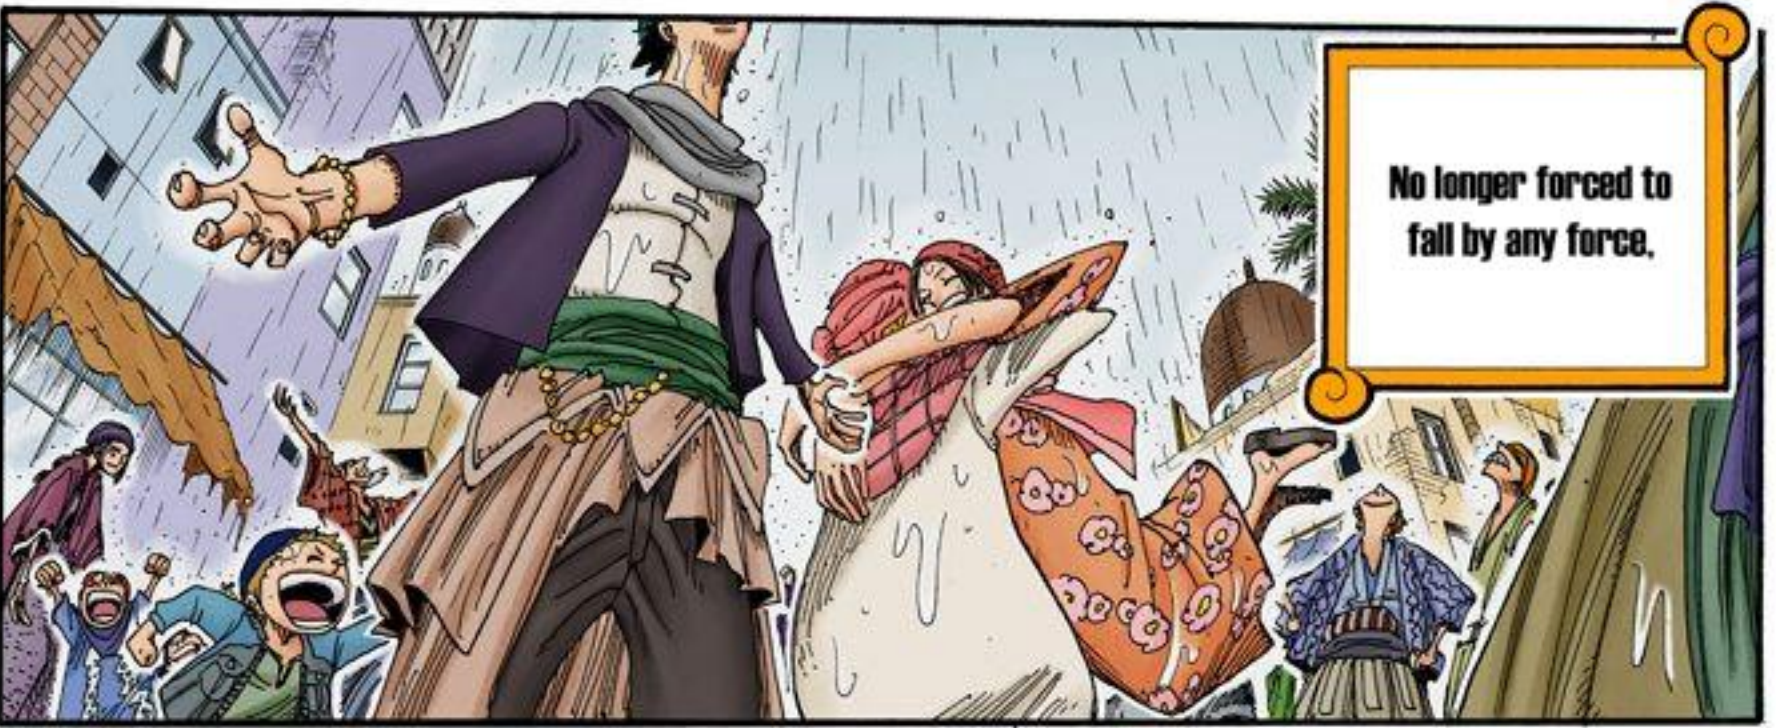

No longer forced to  
fall by any force.

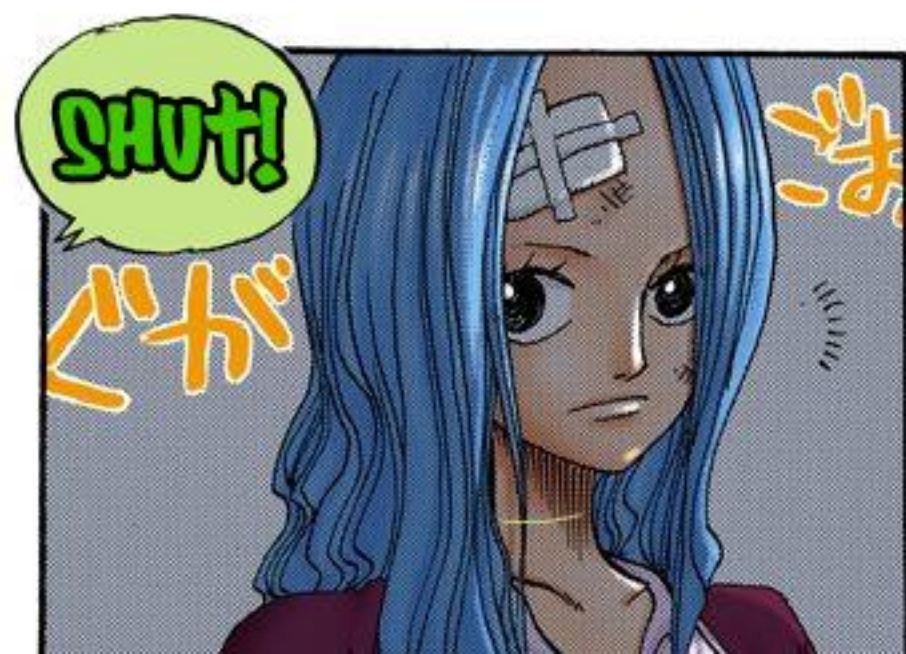

On and on,  
without end.

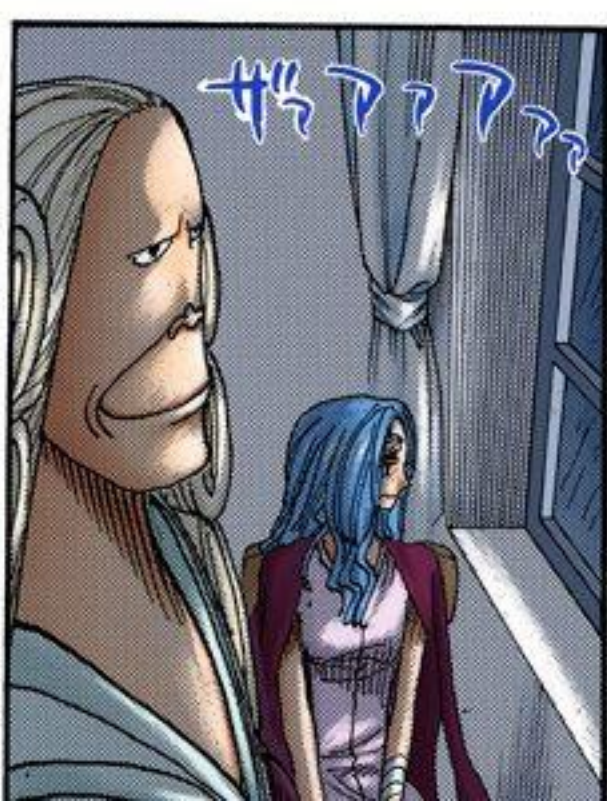

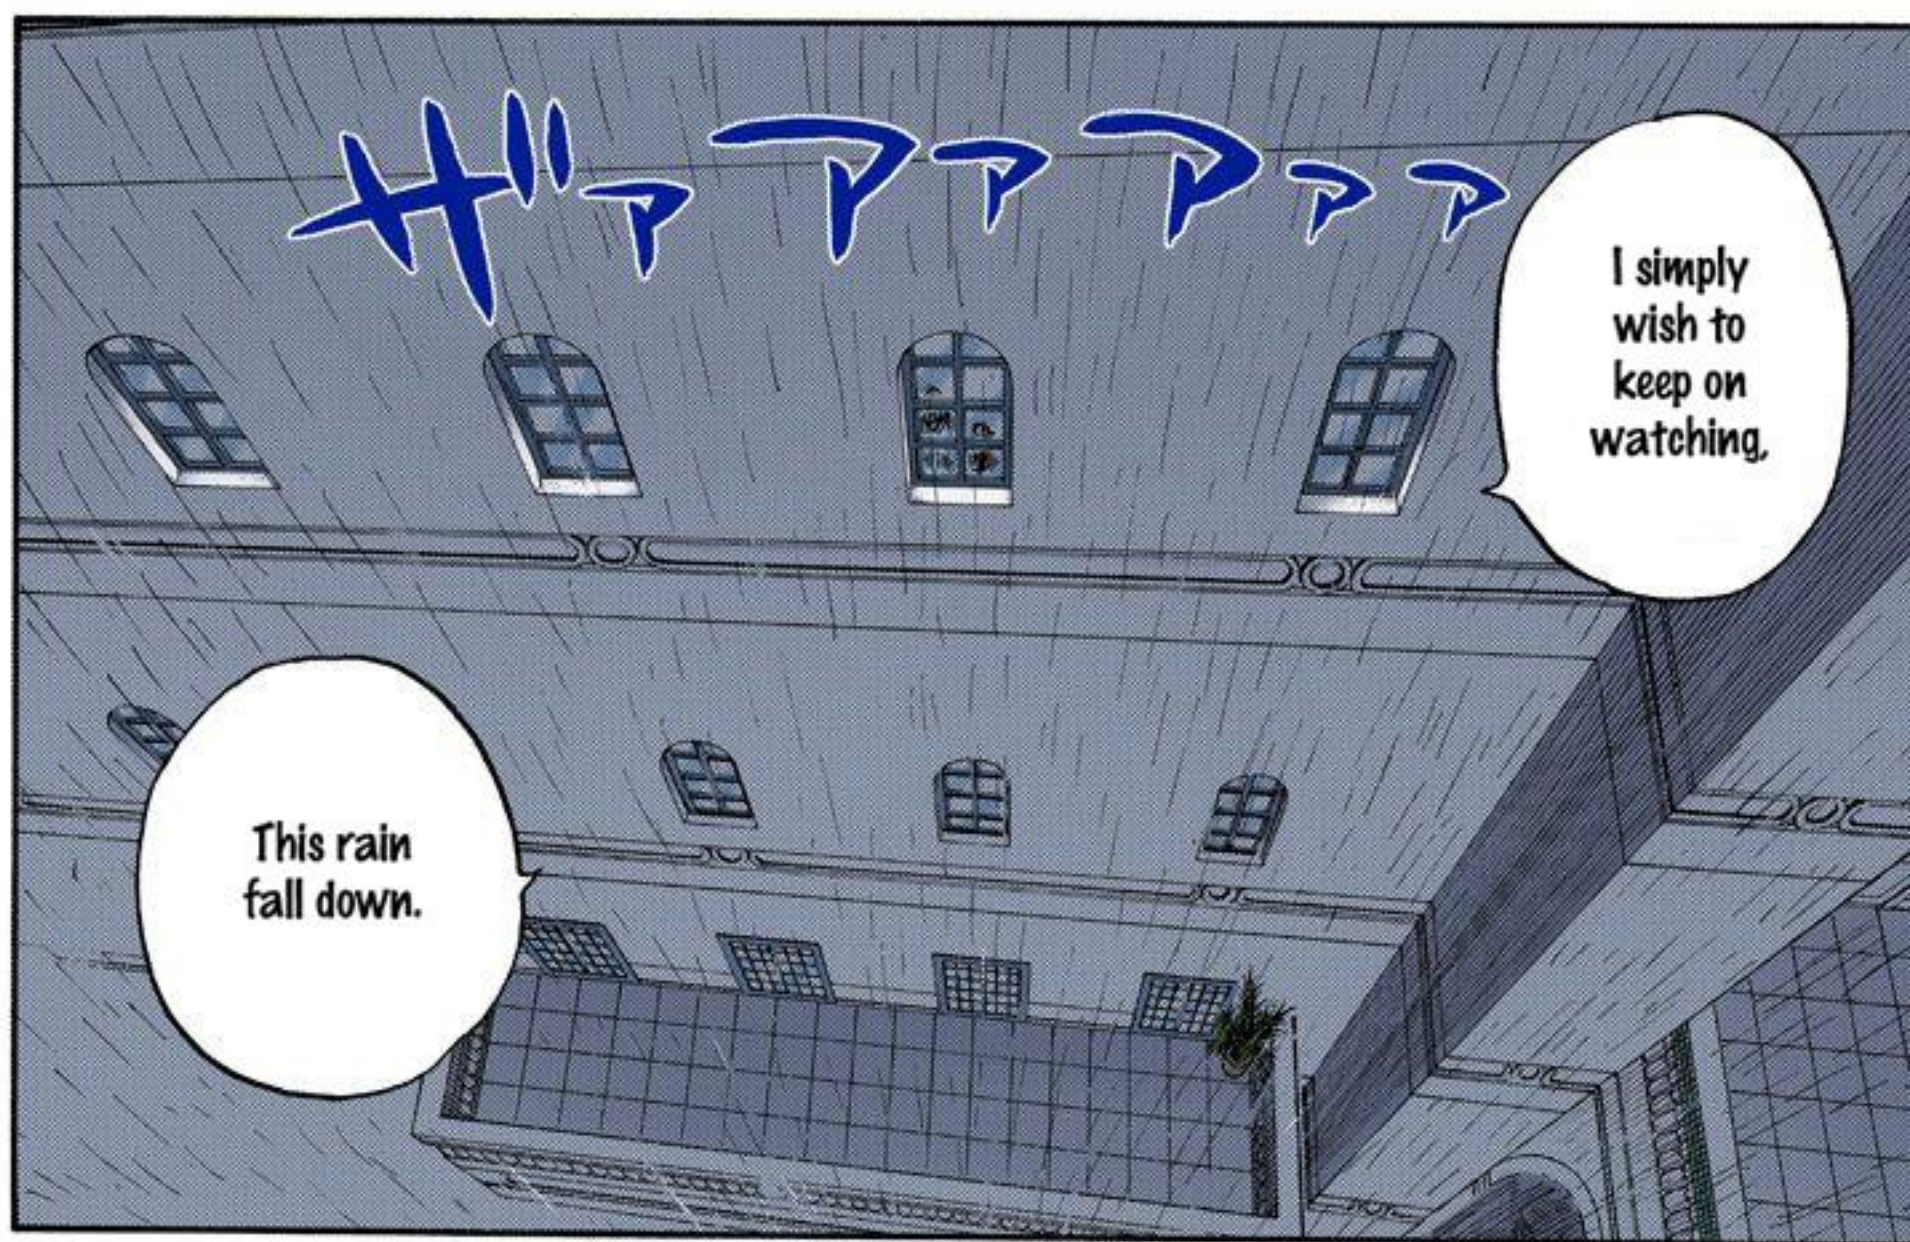

The rain  
poured down  
on Alabasta.

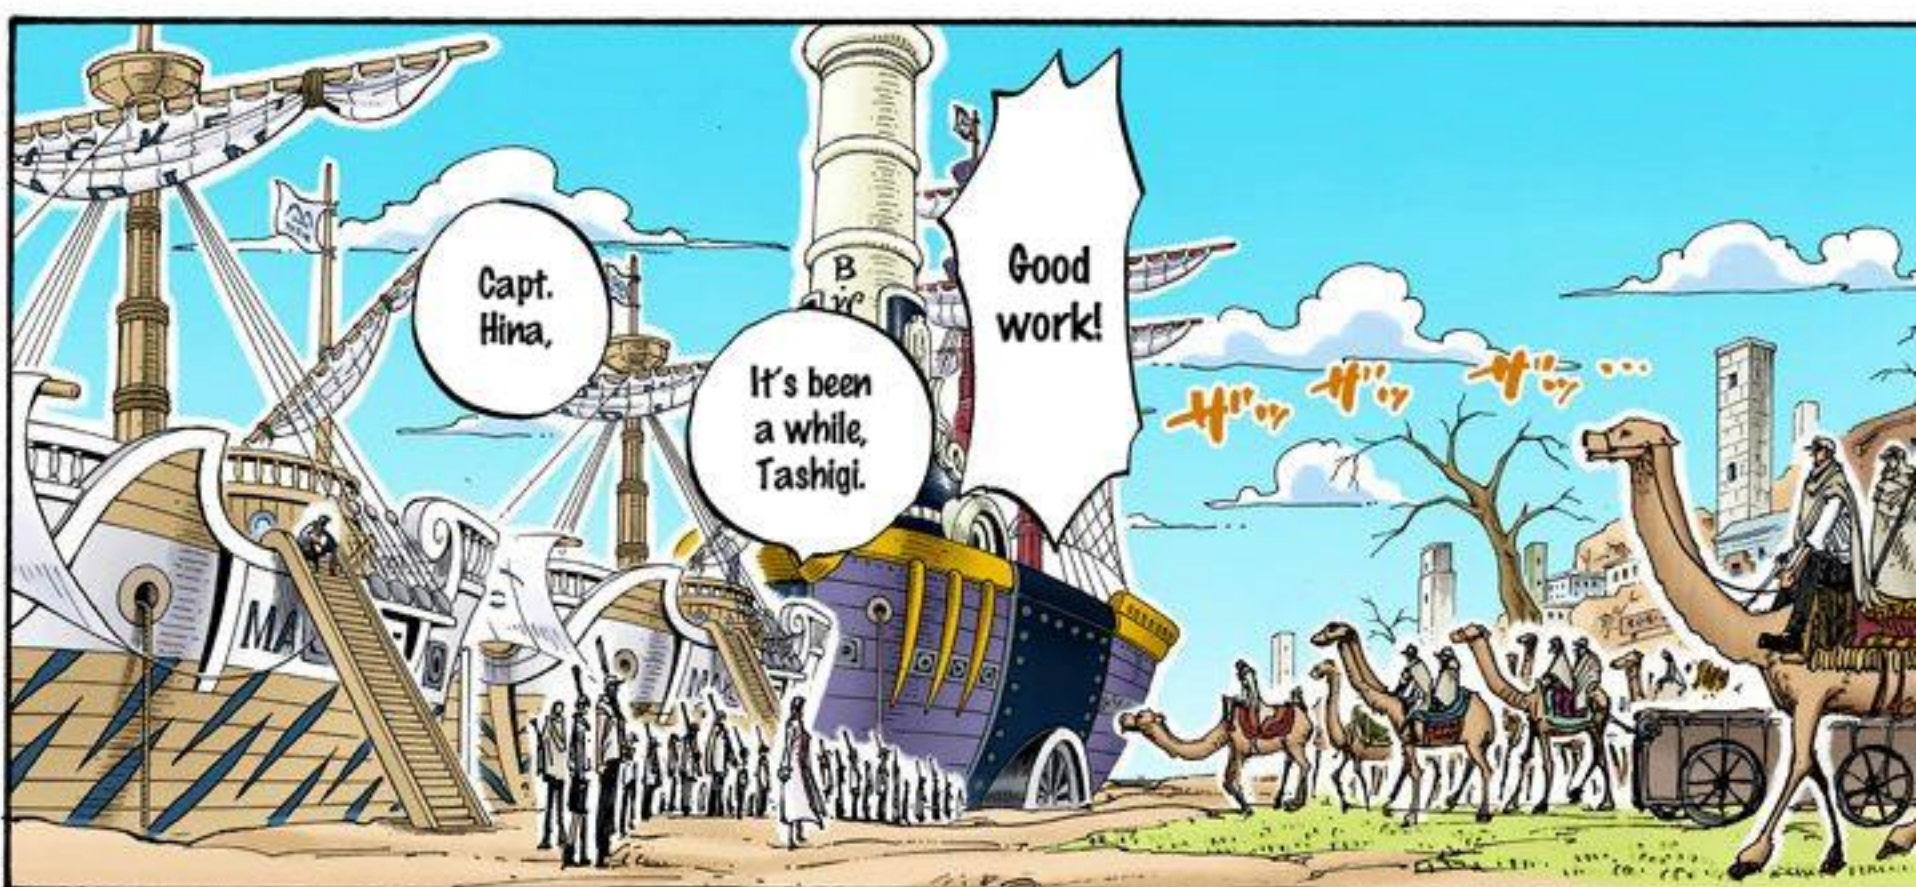

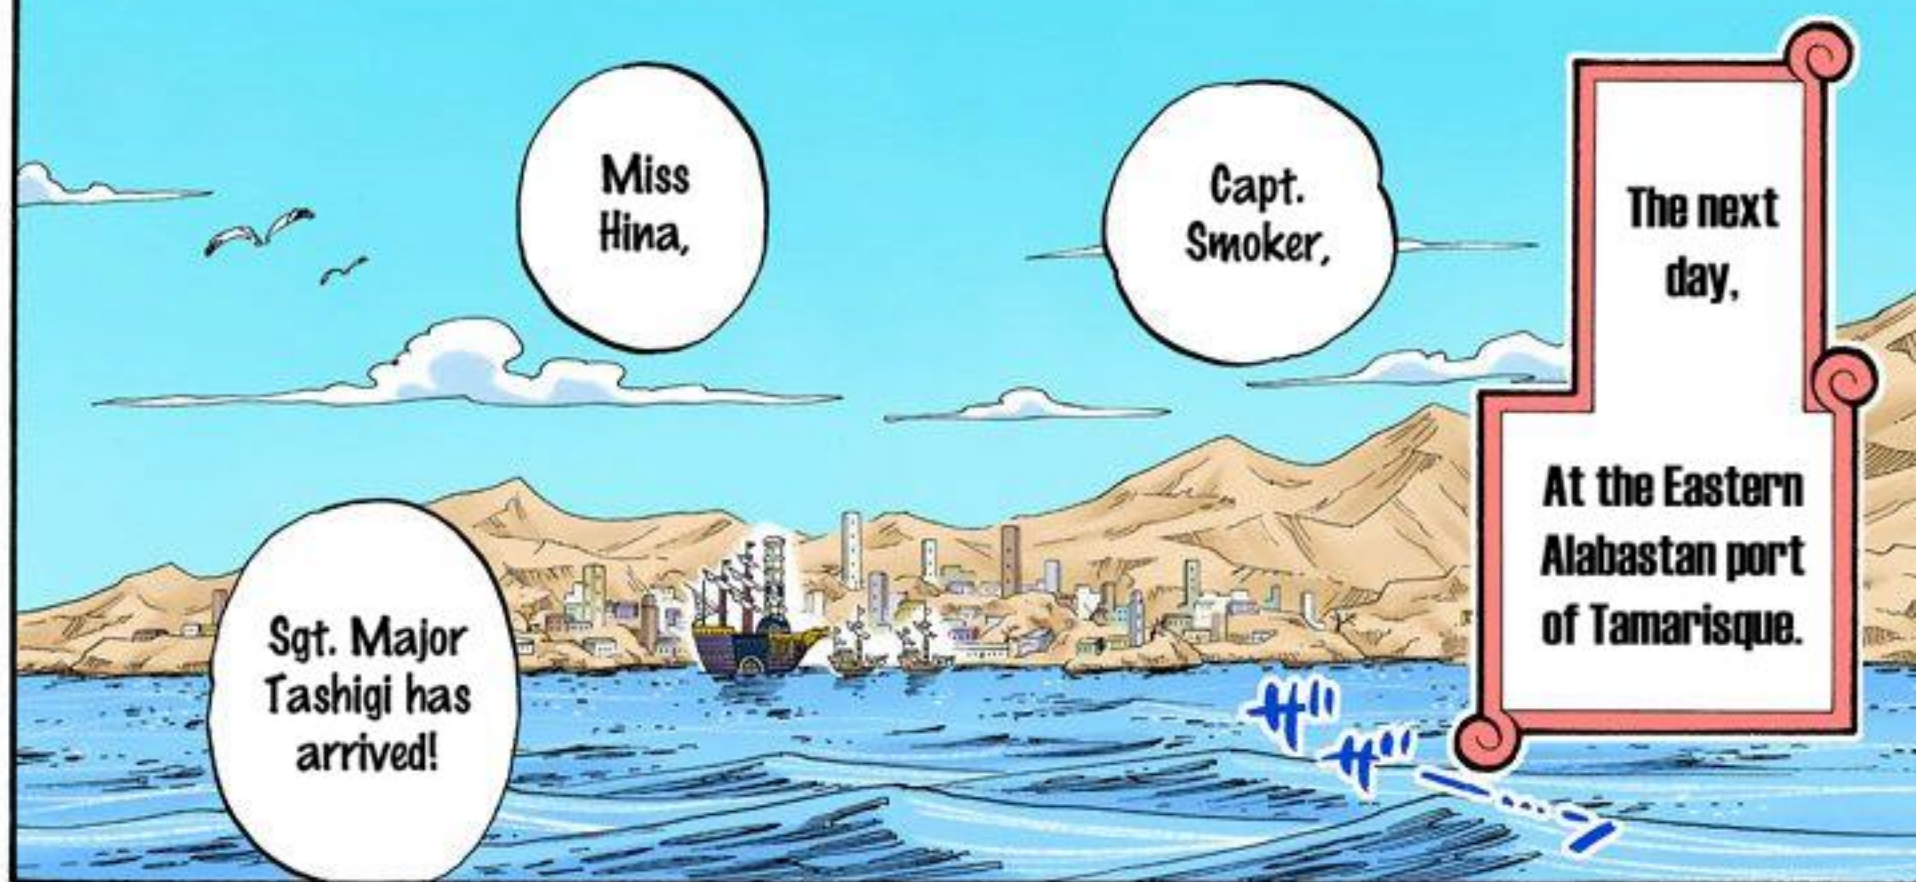

Did your actions not stem from your own sense of justice?

Why do you apologize?

I understand these are shameful actions for a marine.

And let them escape when they were vulnerable for capture.

I aided the pirates,

Forgive me, captain...

It was because it was the **only** action I was capable of.

Sgt. Major...!?

No, they did not.

Even though I knew where the enemy was,

I was **only** capable of conveying that location.

WHERE'S CROC!?

TELL ME!

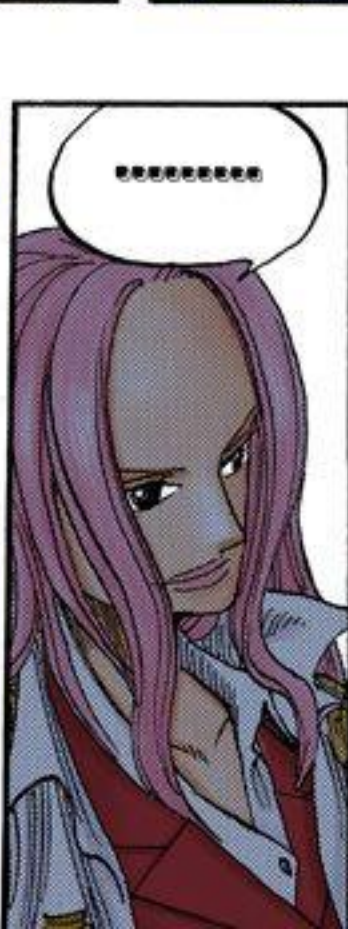

LOSERS CAN'T TALK OF JUSTICE...!

THAT'S THE KIND OF SEA THIS IS...!

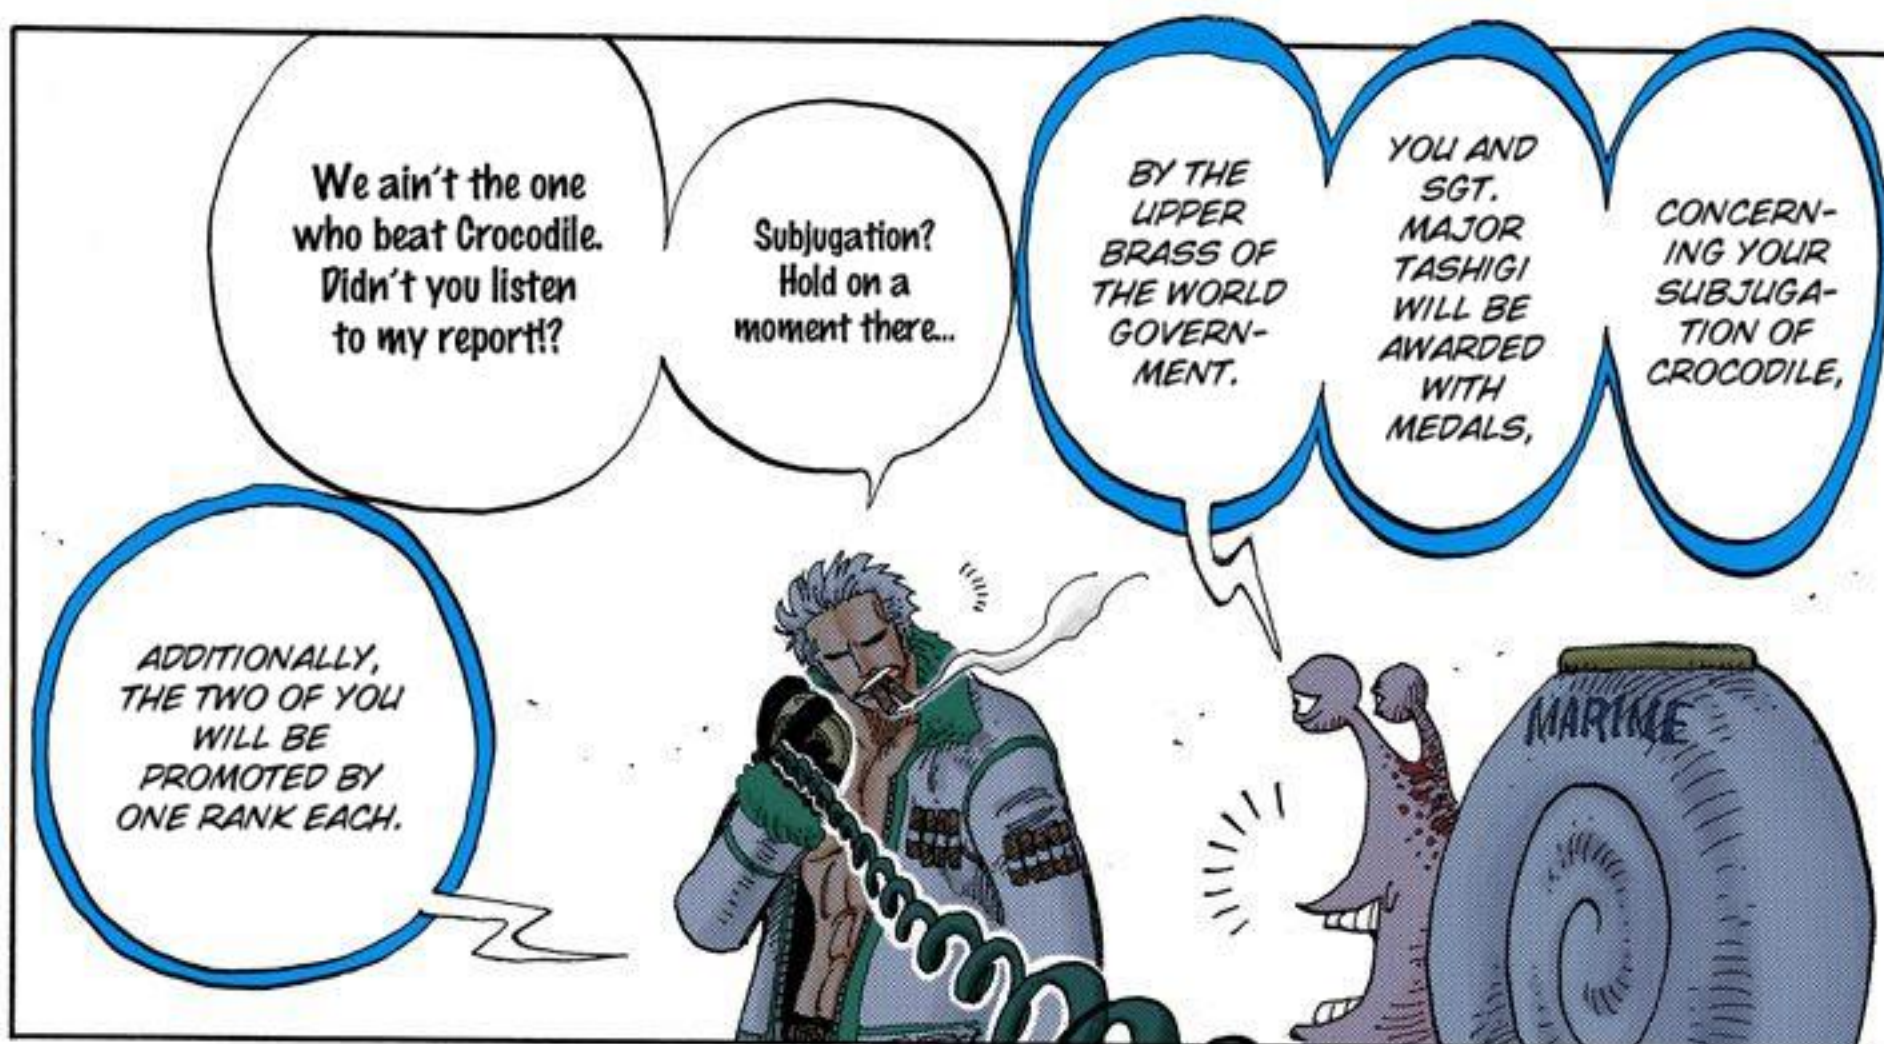

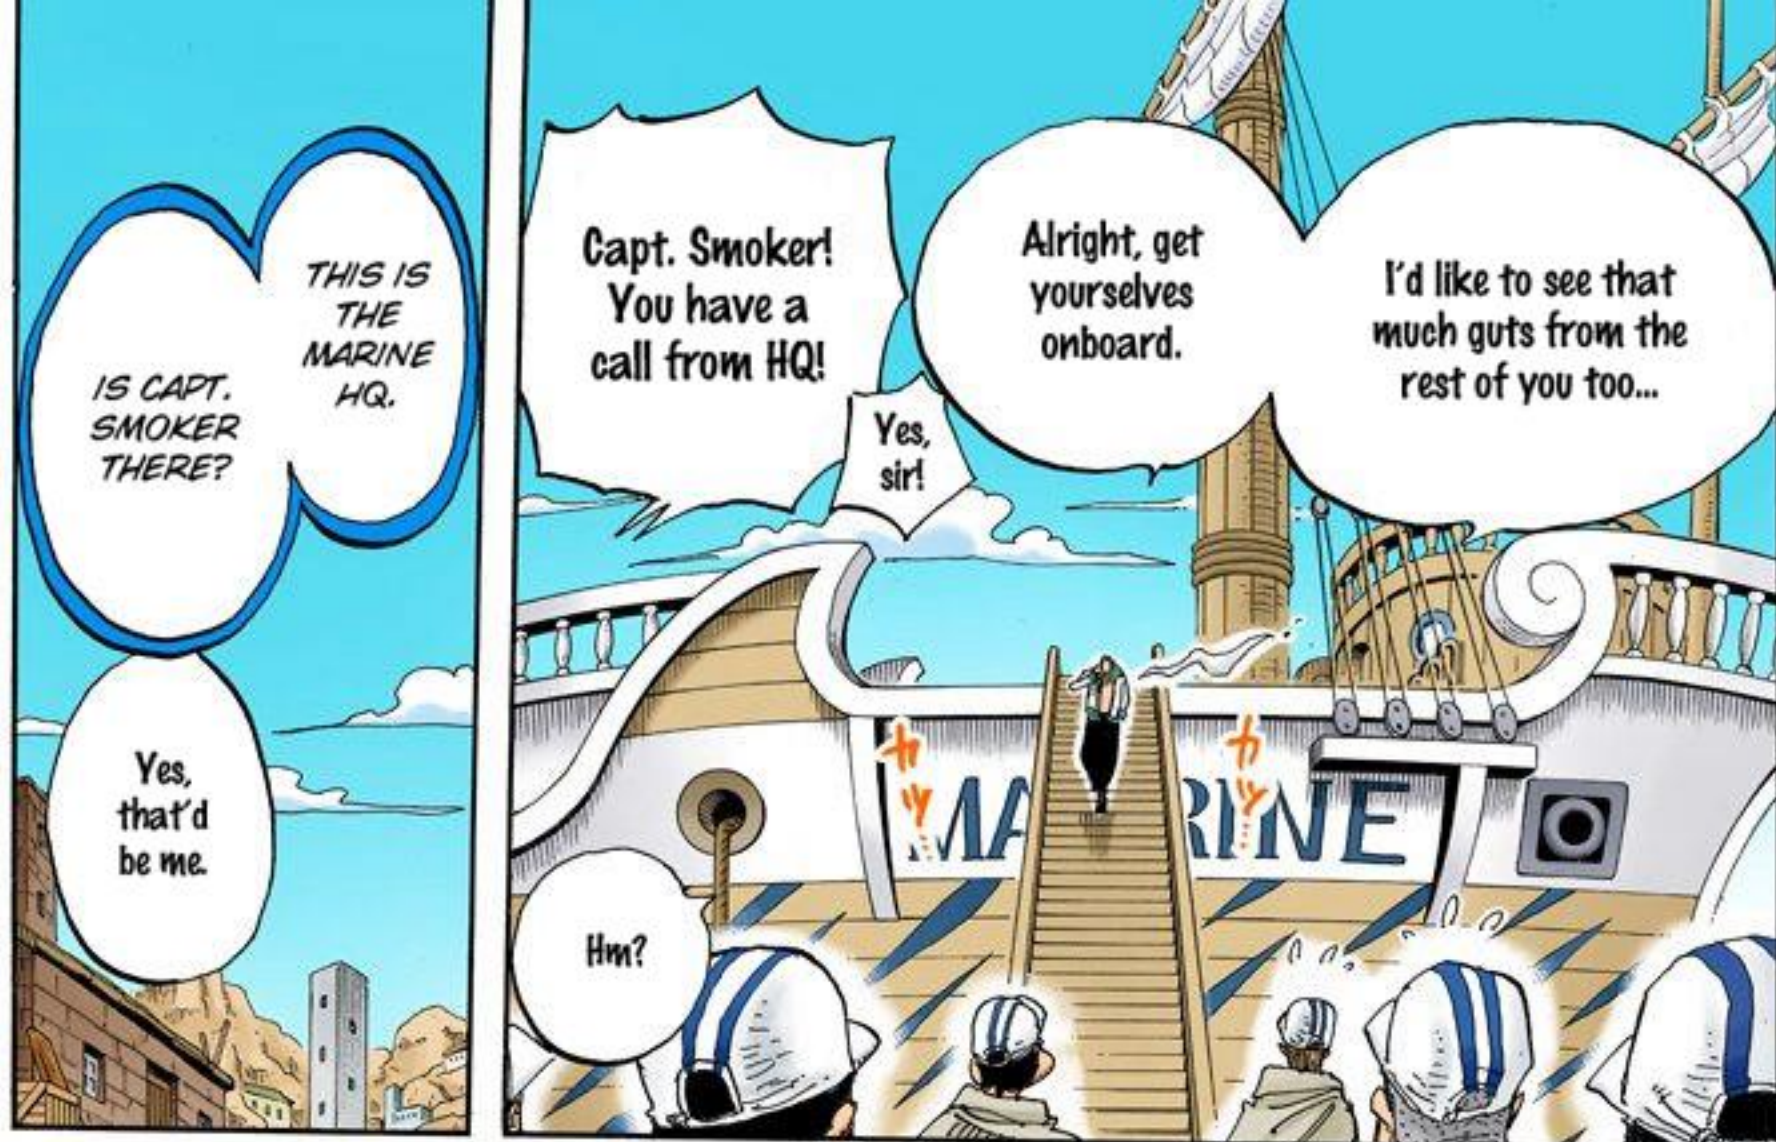

JUST ACCEPT  
IT, SMOKER!  
ALL THEY'RE  
MAKING YOU  
DO IS TAKE  
THE CREDIT!

THAT'S A  
LOAD OF  
CRAP!

AS SUCH,  
THE MEDAL-  
AWARDING  
CEREMONY  
FOR YOU TWO  
WILL BE...

That "pirates"  
were responsible  
for saving the  
kingdom of  
Alabasta from  
destruction!?

Do you really think  
anyone in the World  
Government would  
want to declare to  
the world,

DO YOU HAVE  
ANY IDEA WHAT  
MIGHT HAPPEN  
TO YOU IF YOU  
DISOBEY THE  
HIGHER-UPS?

SMOKER!

WHA?

Pass on this  
message for me  
to those senile  
fools you call the  
upper-brass.

My subordinate is  
crying right now

wasn't capable  
of doing that...

**AHH!

WHERE'S

I WAS  
ASLEEP  
FOR THREE  
WHOLE  
DAYS!?

THREE  
DAYS?

Hahaha... Don't worry,  
I've told the cooks to  
prepare food for you to  
eat anytime you want.

And he  
calculated  
5 meals  
per day.

Why're you  
so fast at  
calculating  
only those  
kinds of  
things?

I missed  
15 meals!

CLINK  
CLINK  
CLINK  
KA-CHING!

.....

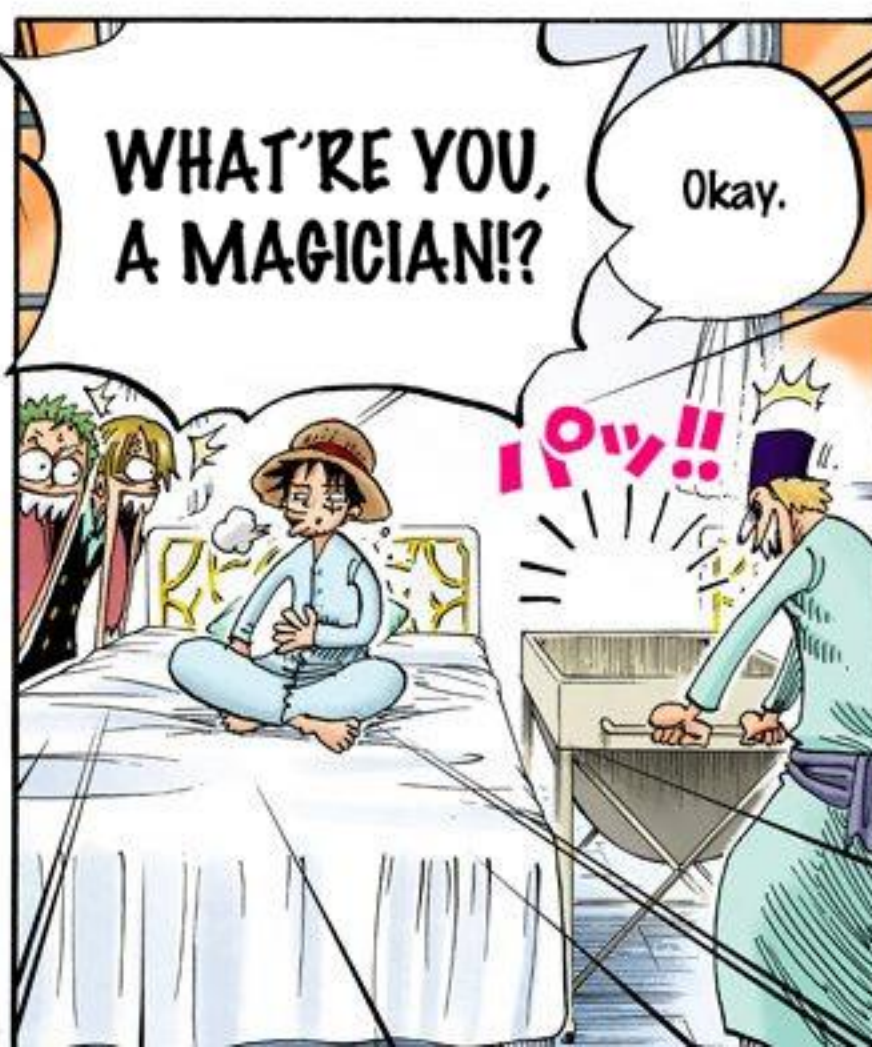

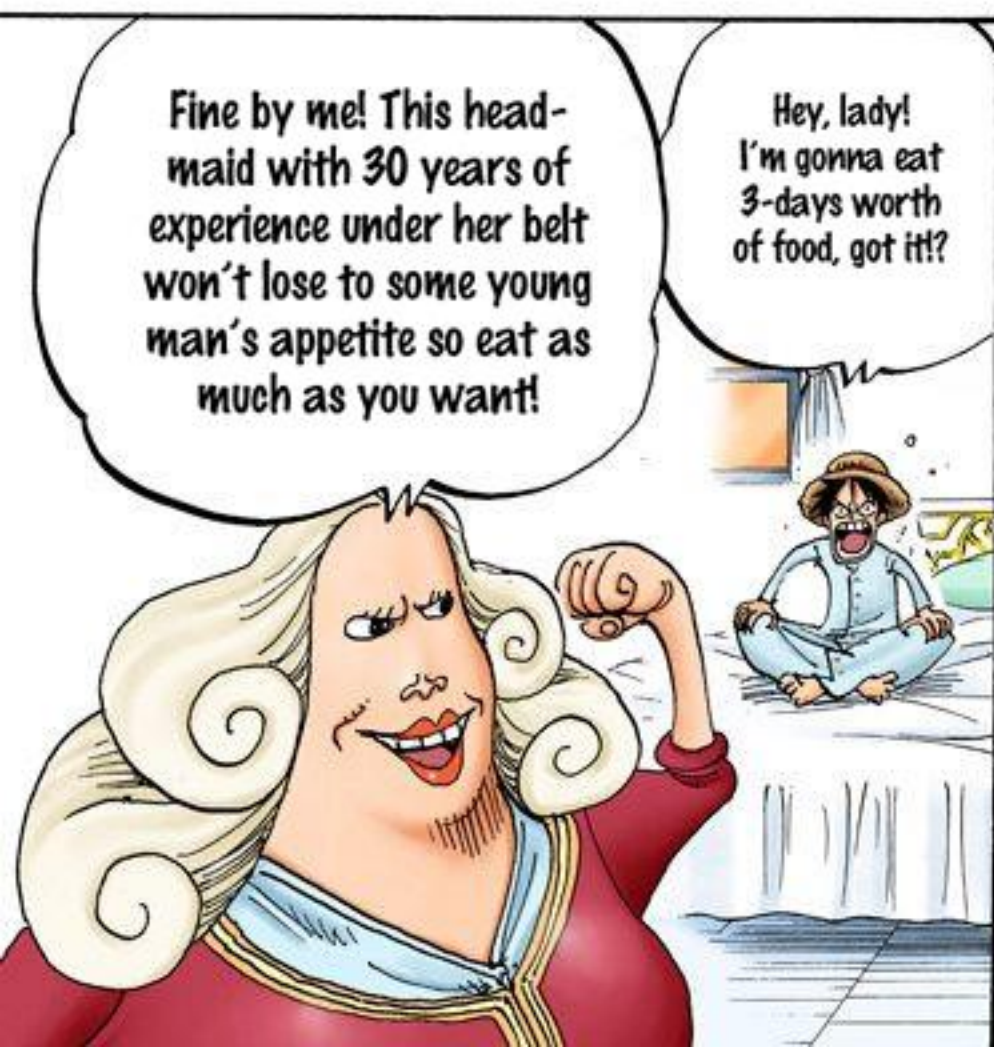

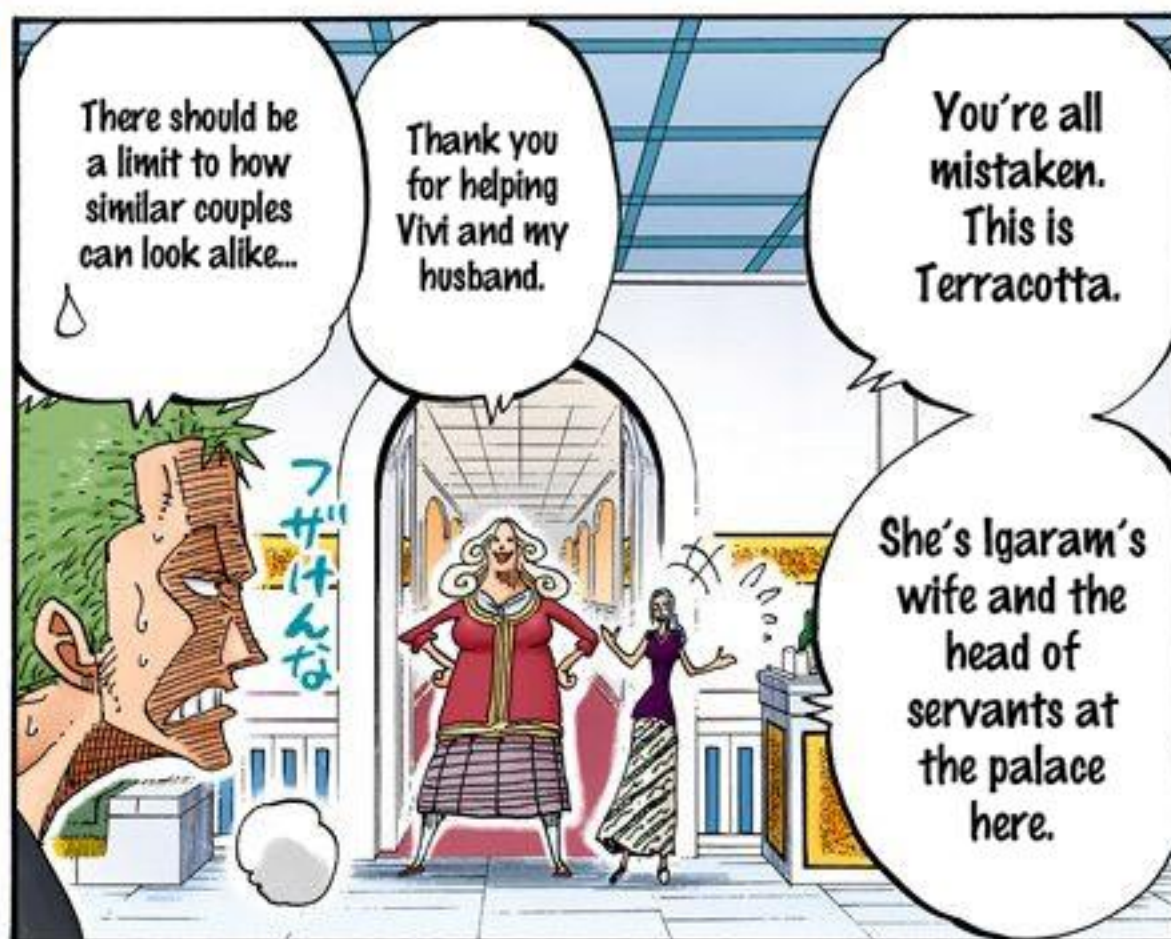

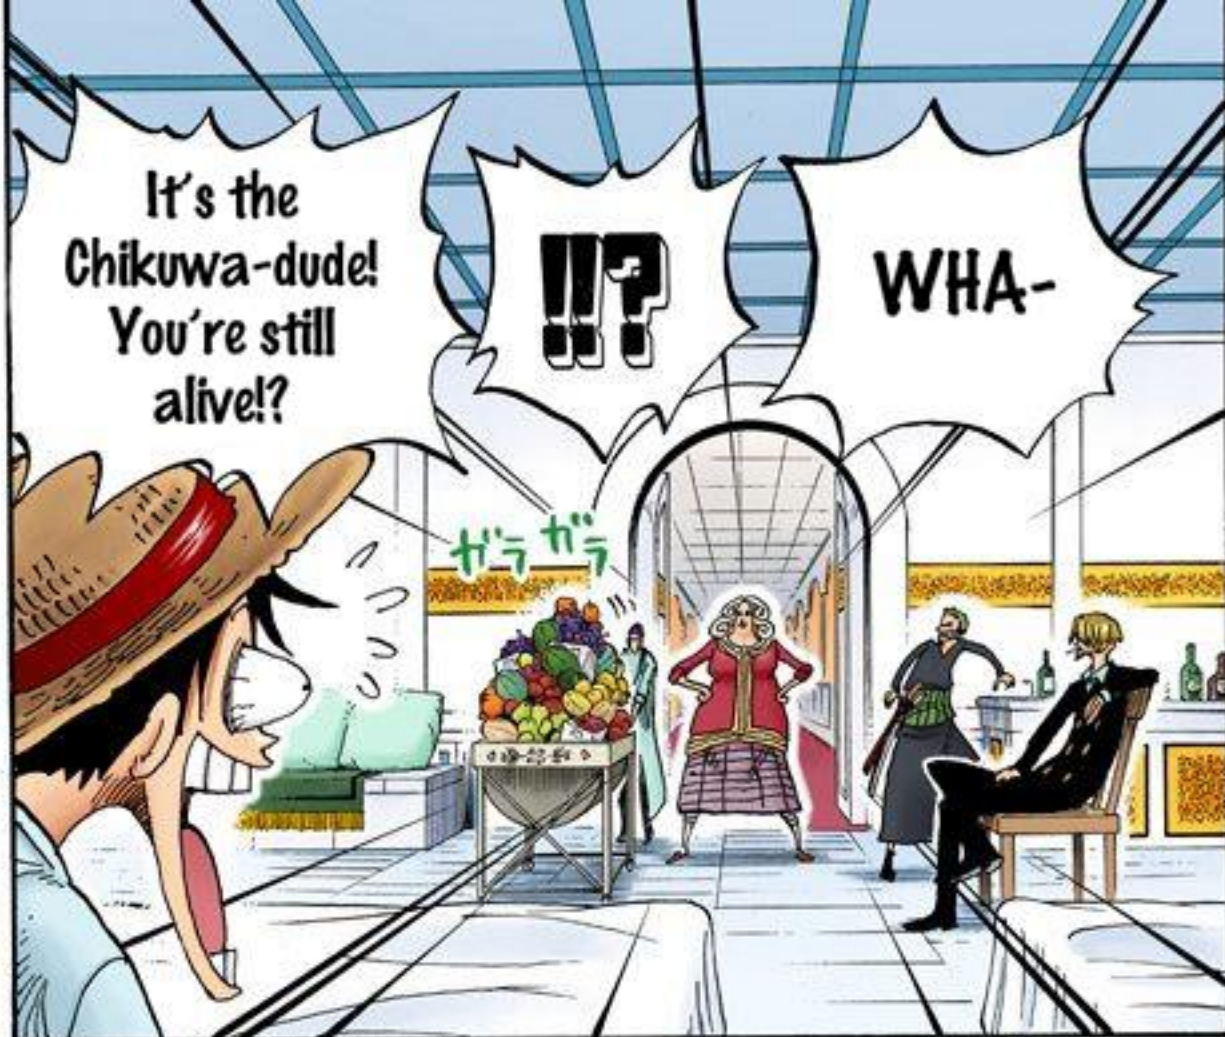

After all, food  
tastes better  
when you're  
eating with  
others than  
eating alone.

はーん!!

ガラガラ...

Is the captain  
awake?  
Can you not  
wait 30  
minutes more  
for dinner?

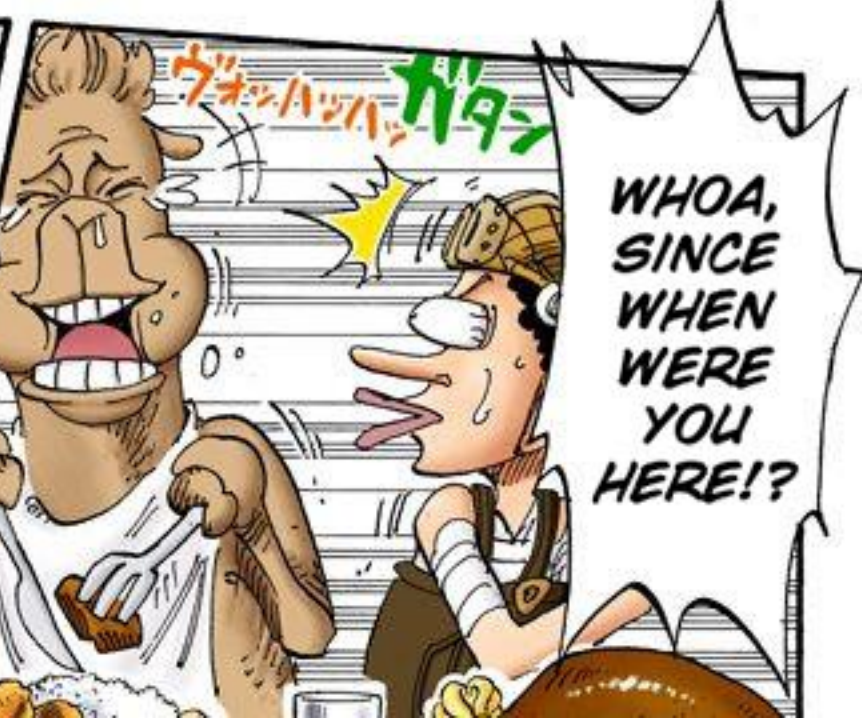

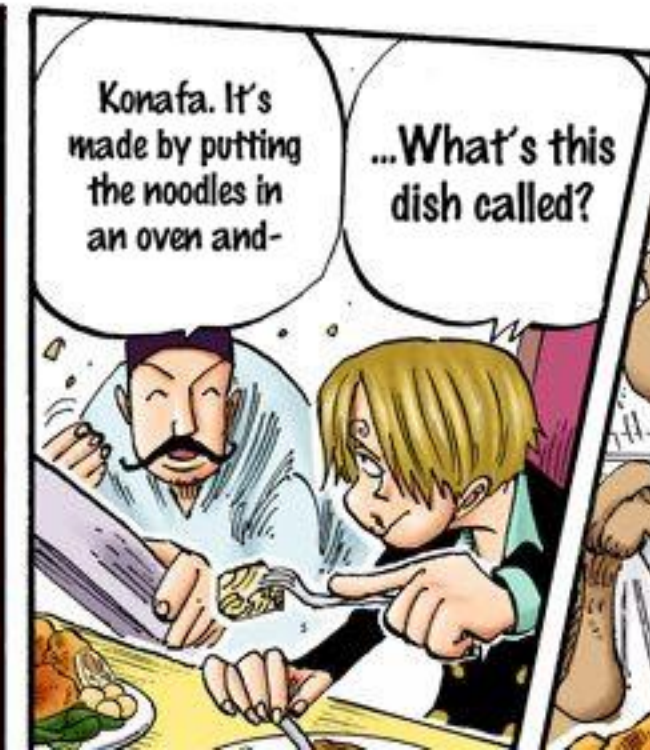

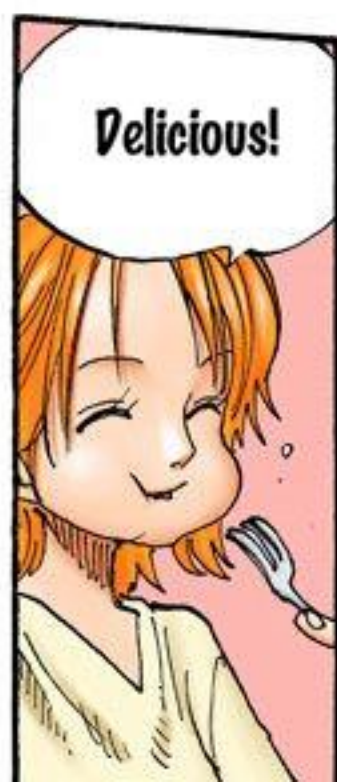

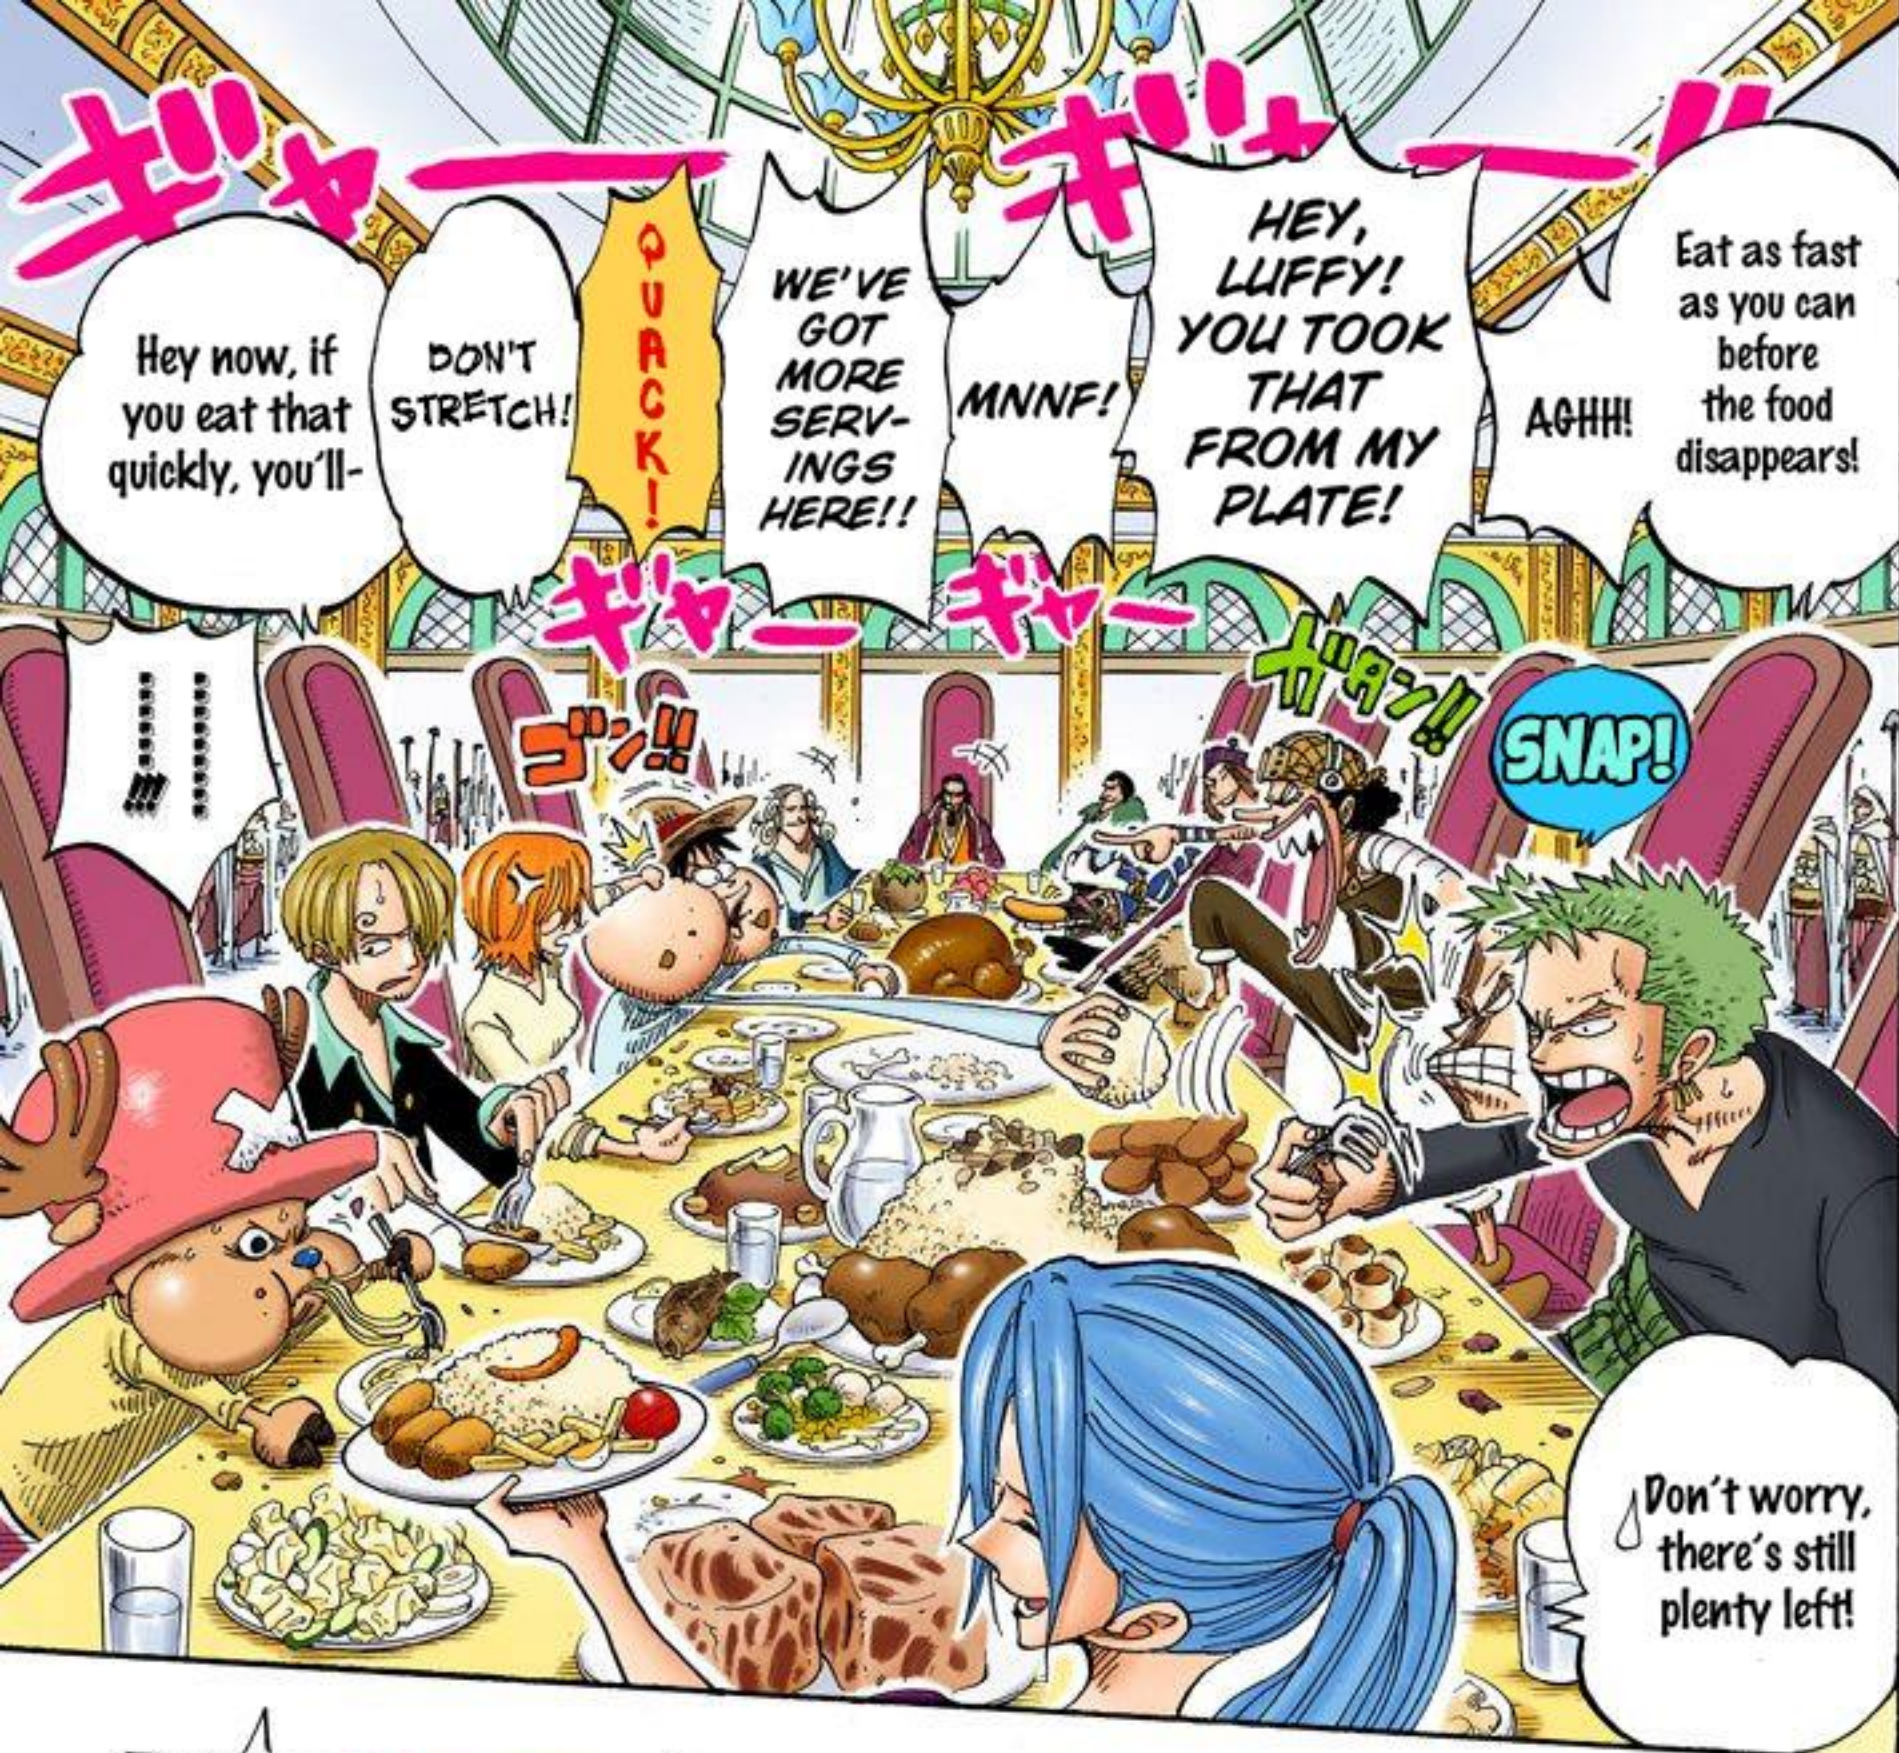

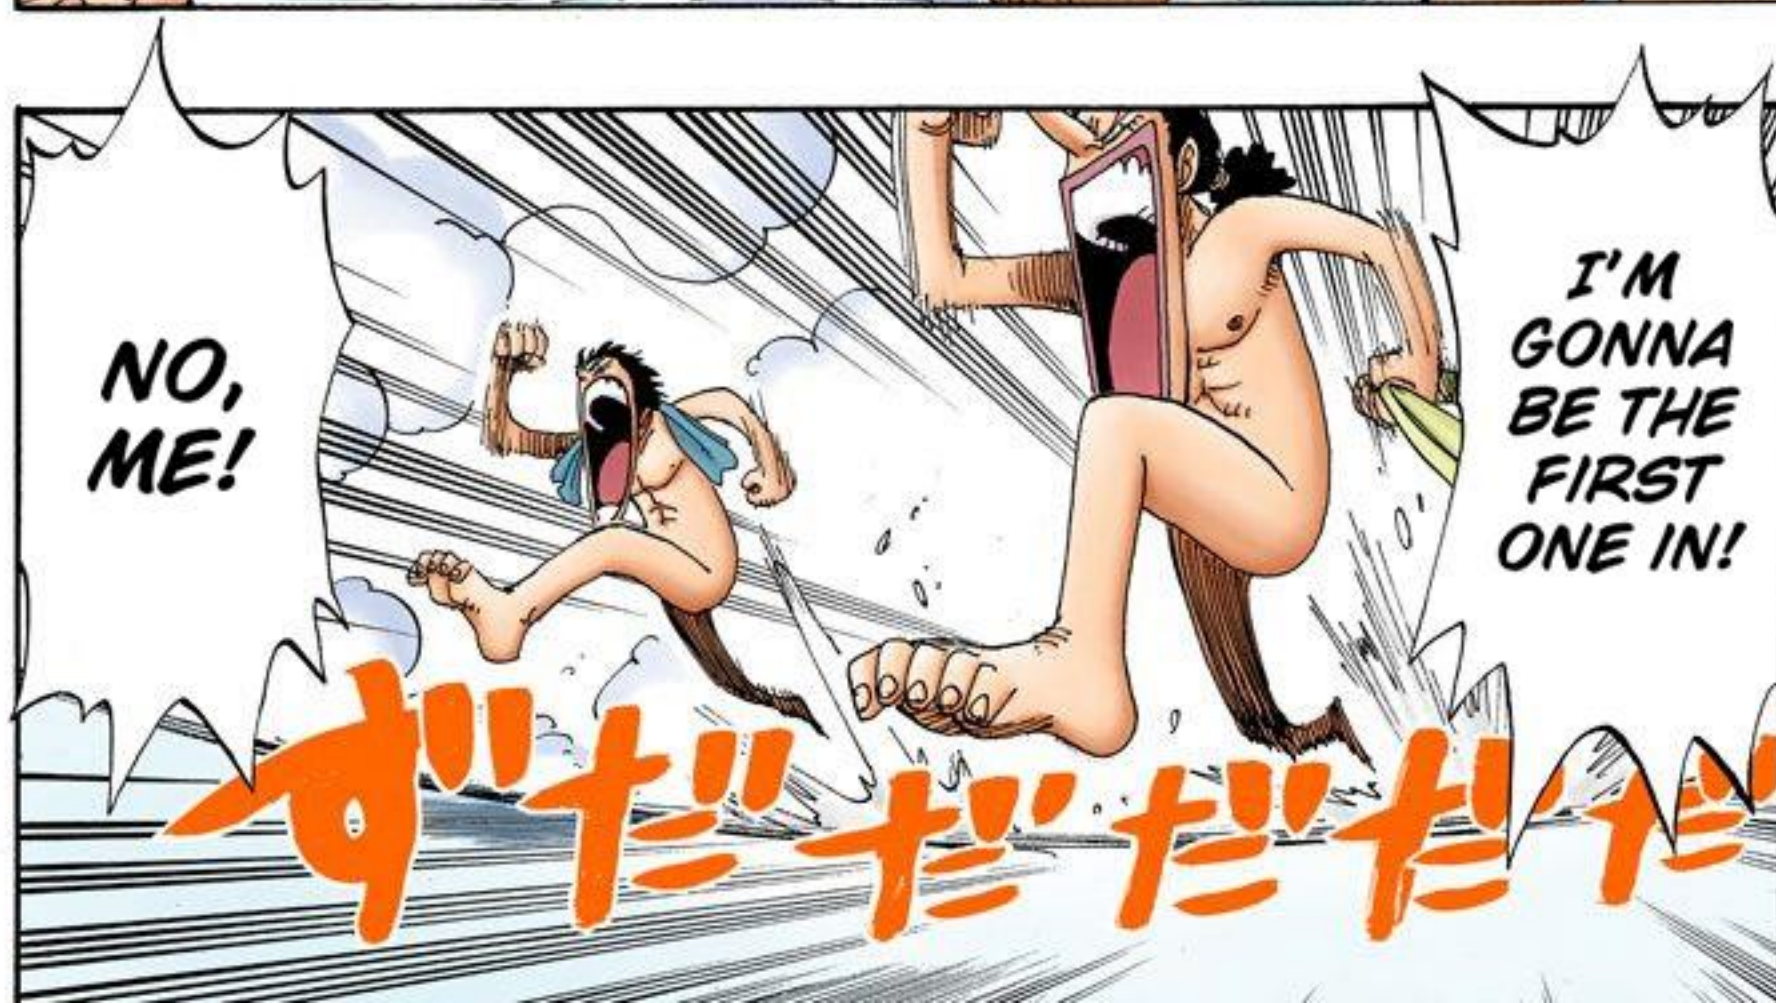

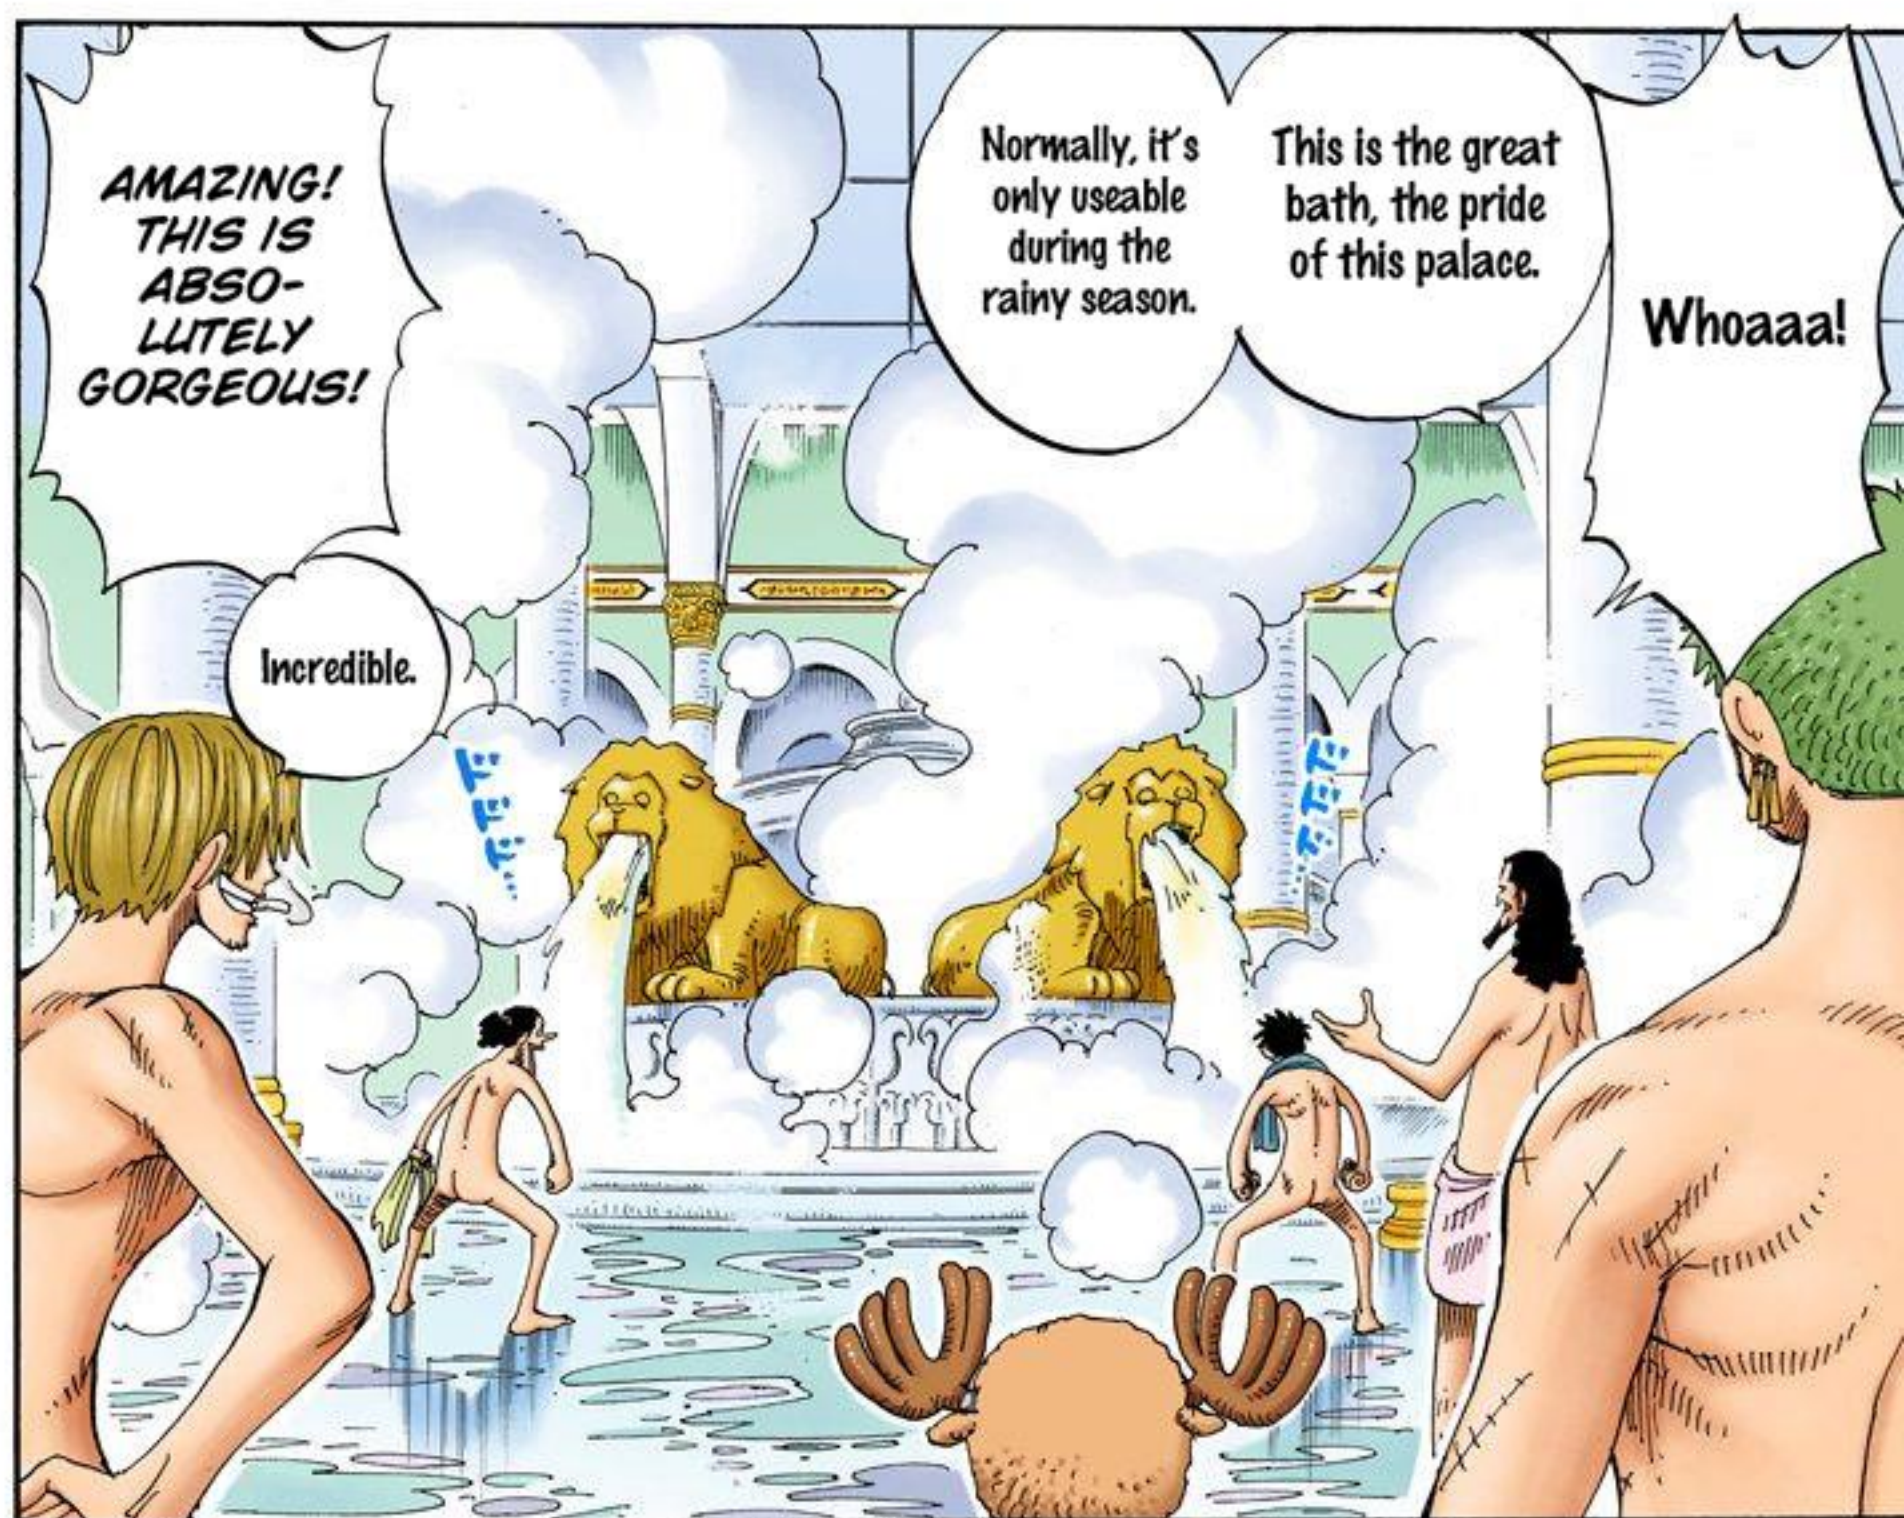

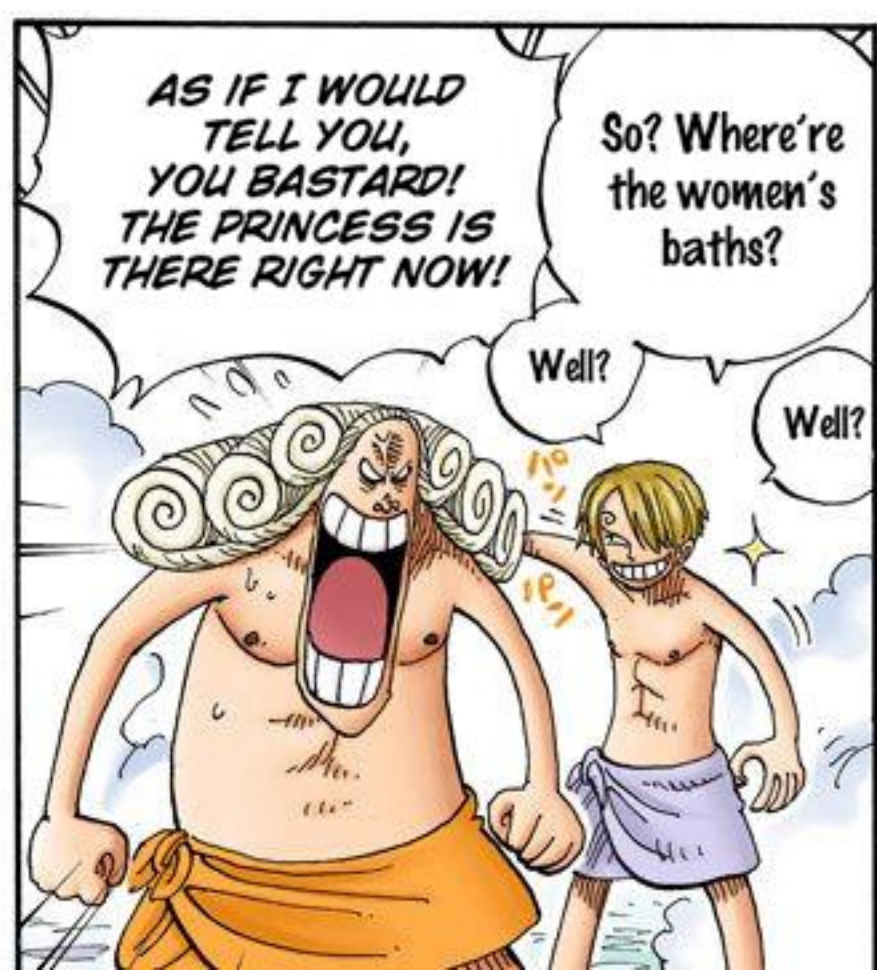

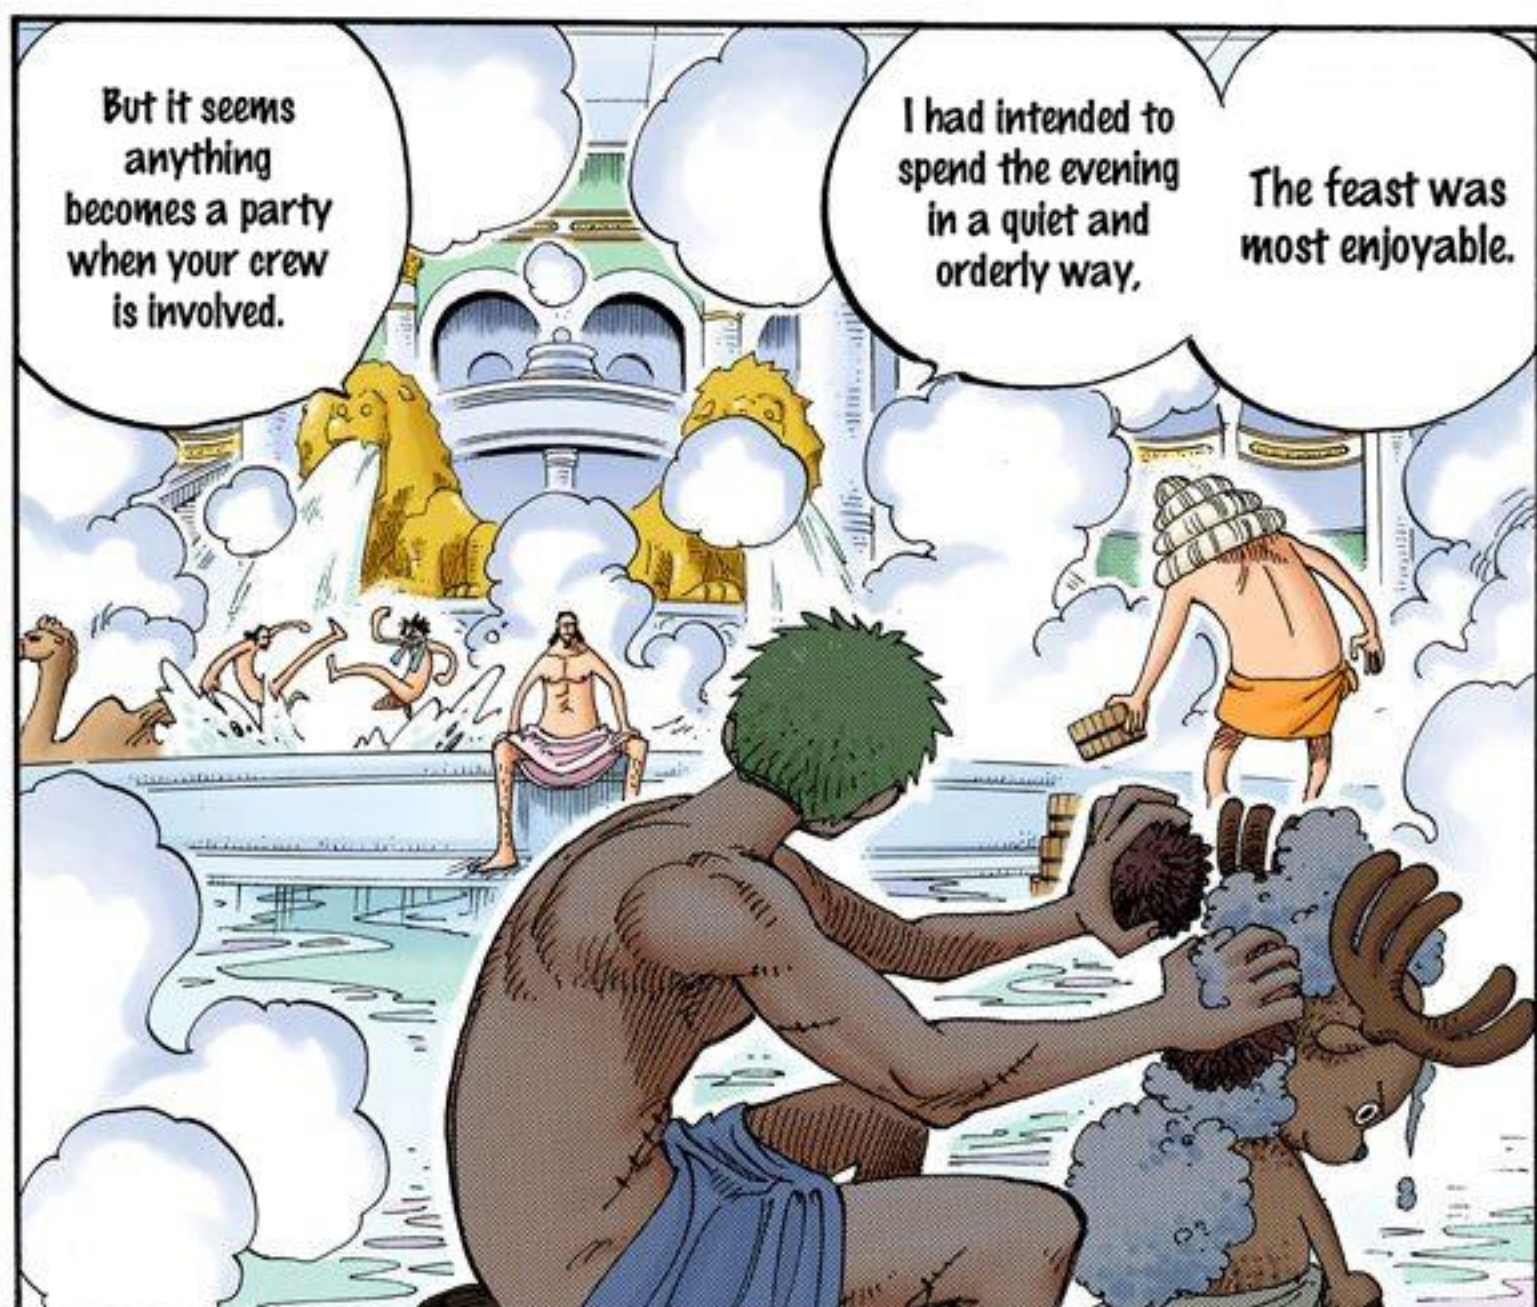

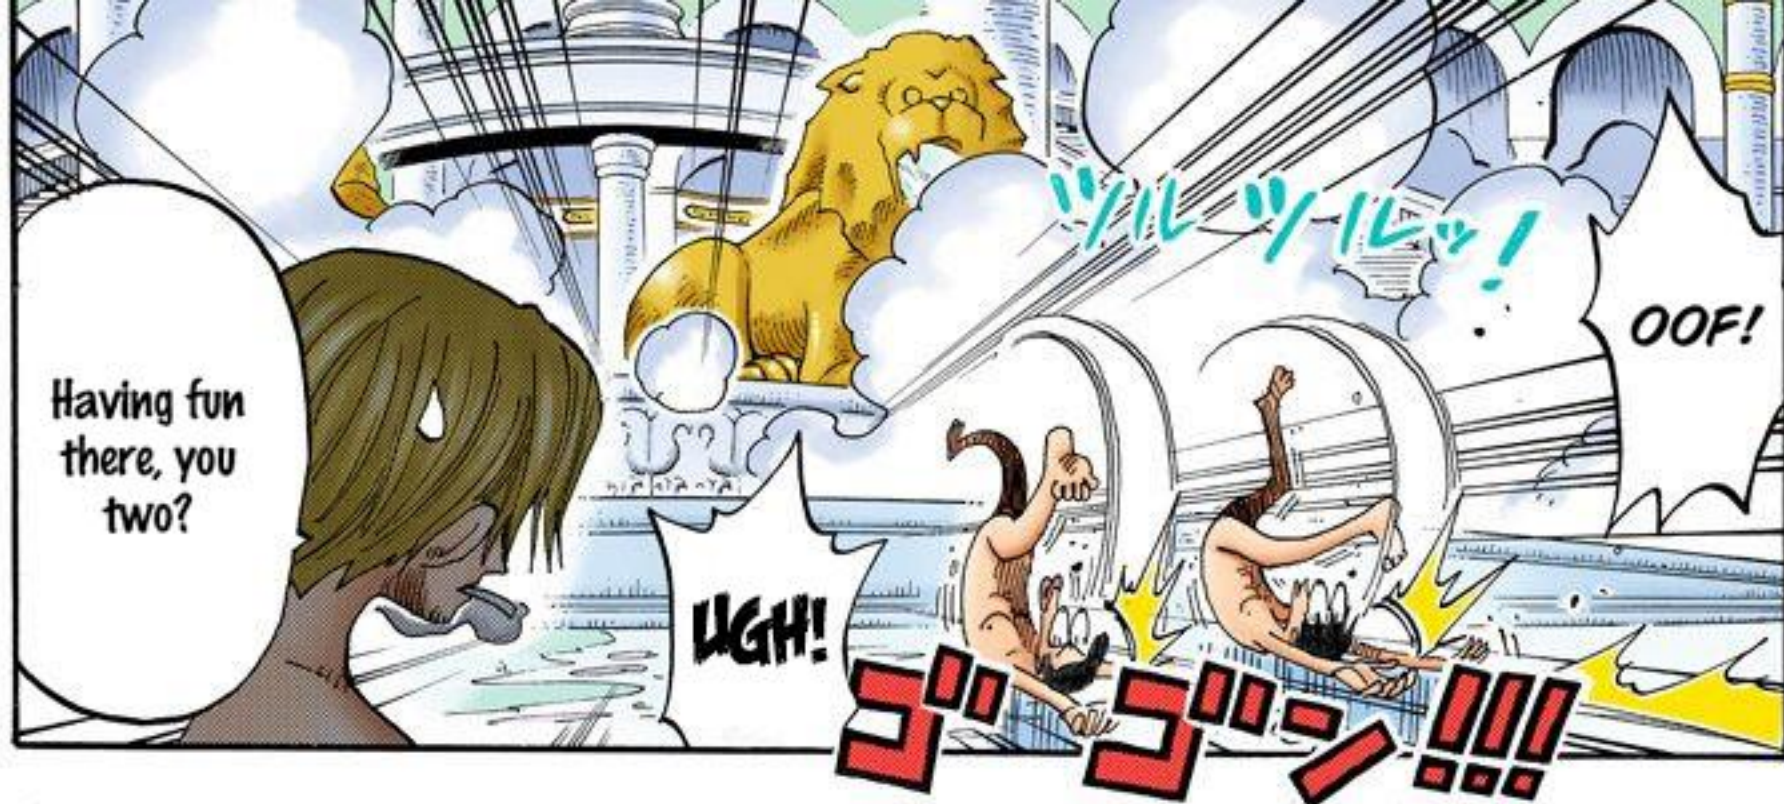

There are giants, dinosaurs, and even cherry blossoms in a snowy country in these seas...

There's bound to be many, many more things we can't even imagine about!

The sea is a vast place, after all.

I'm sure there is.

I wonder if there's a ship out there with a bath as big as this place?

O-oh, thanks.

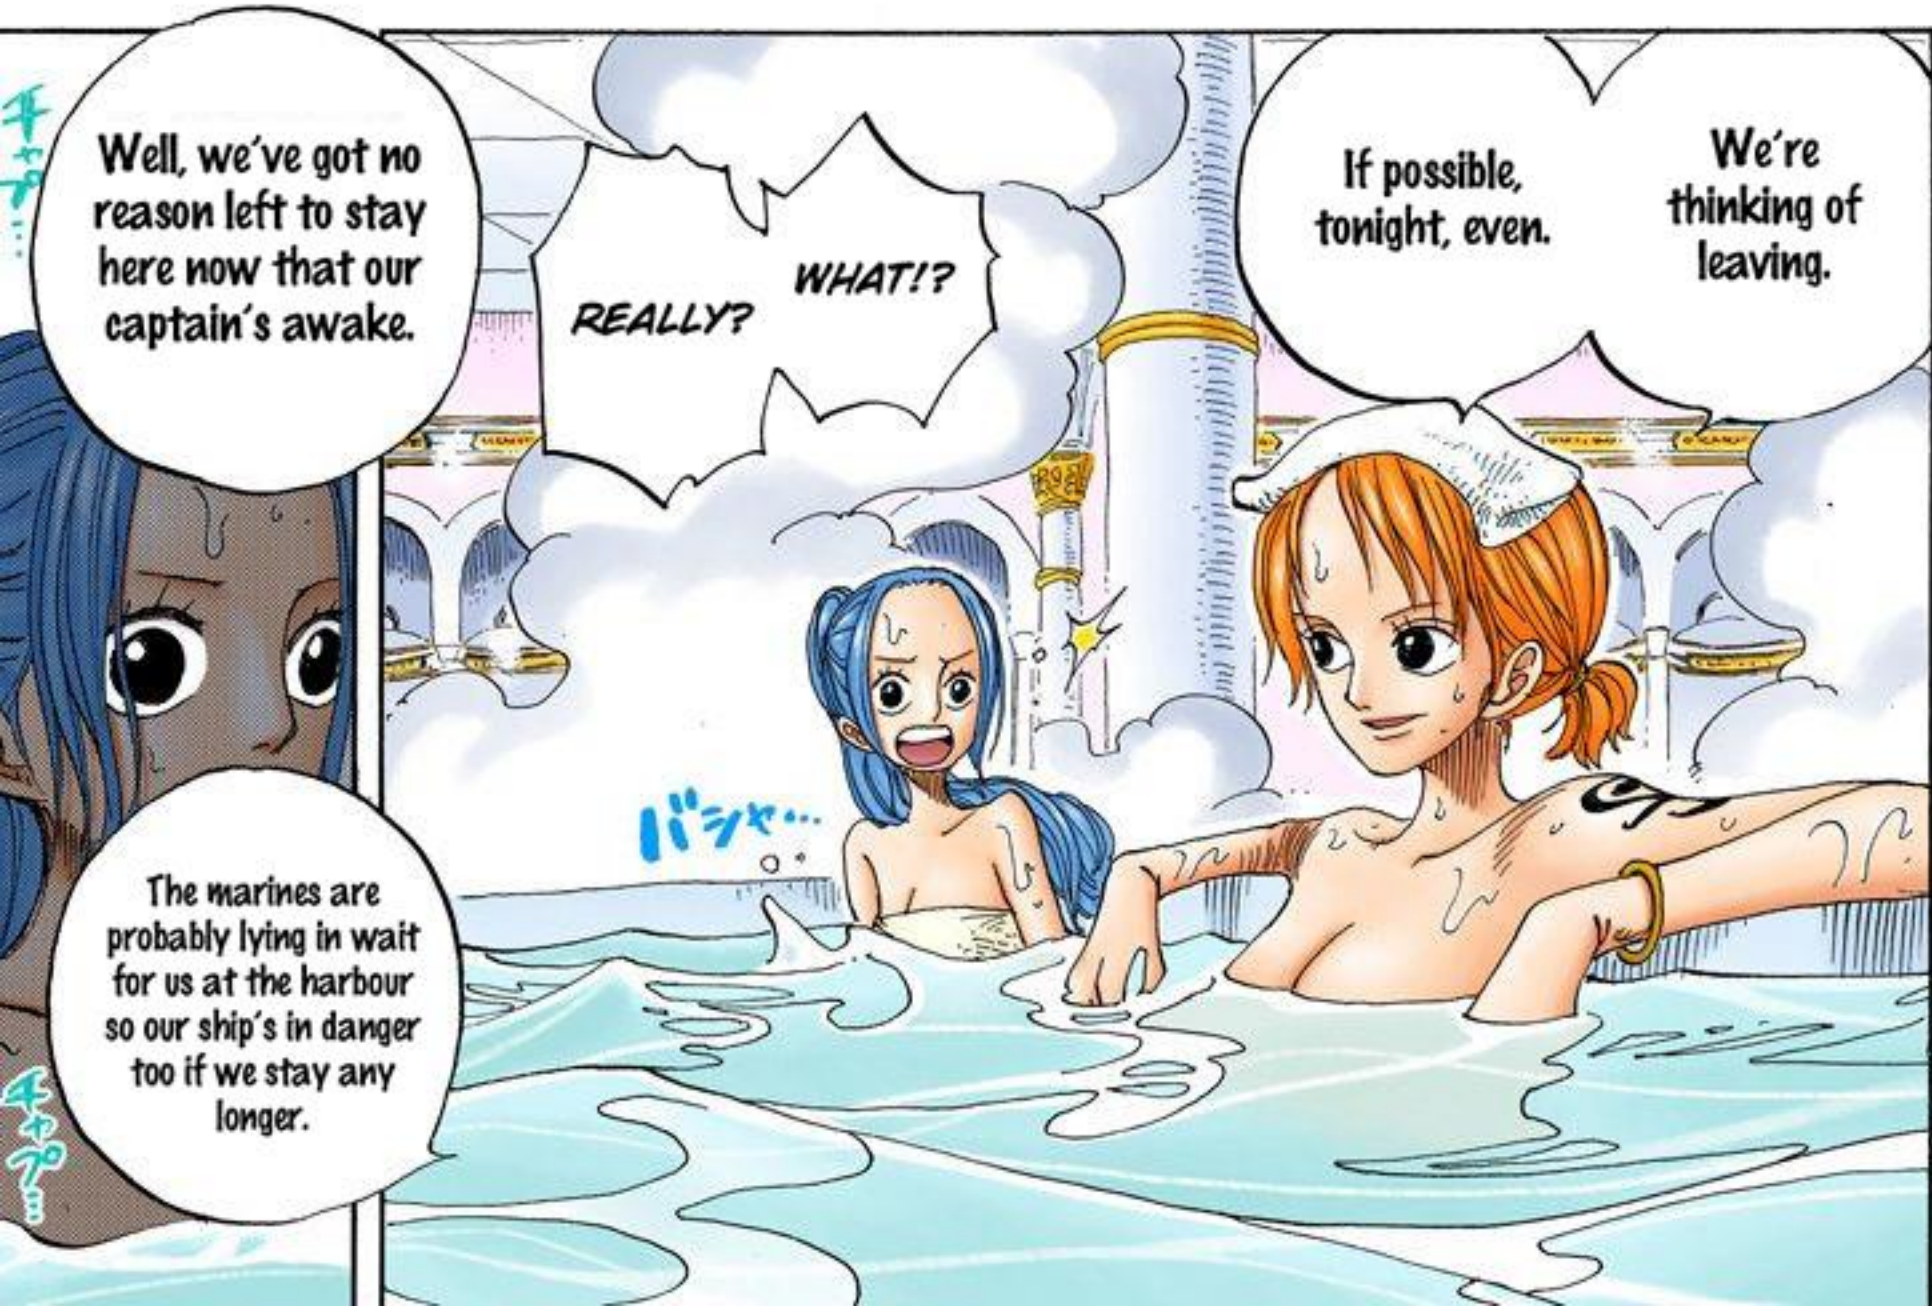

LET'S SWITCH!

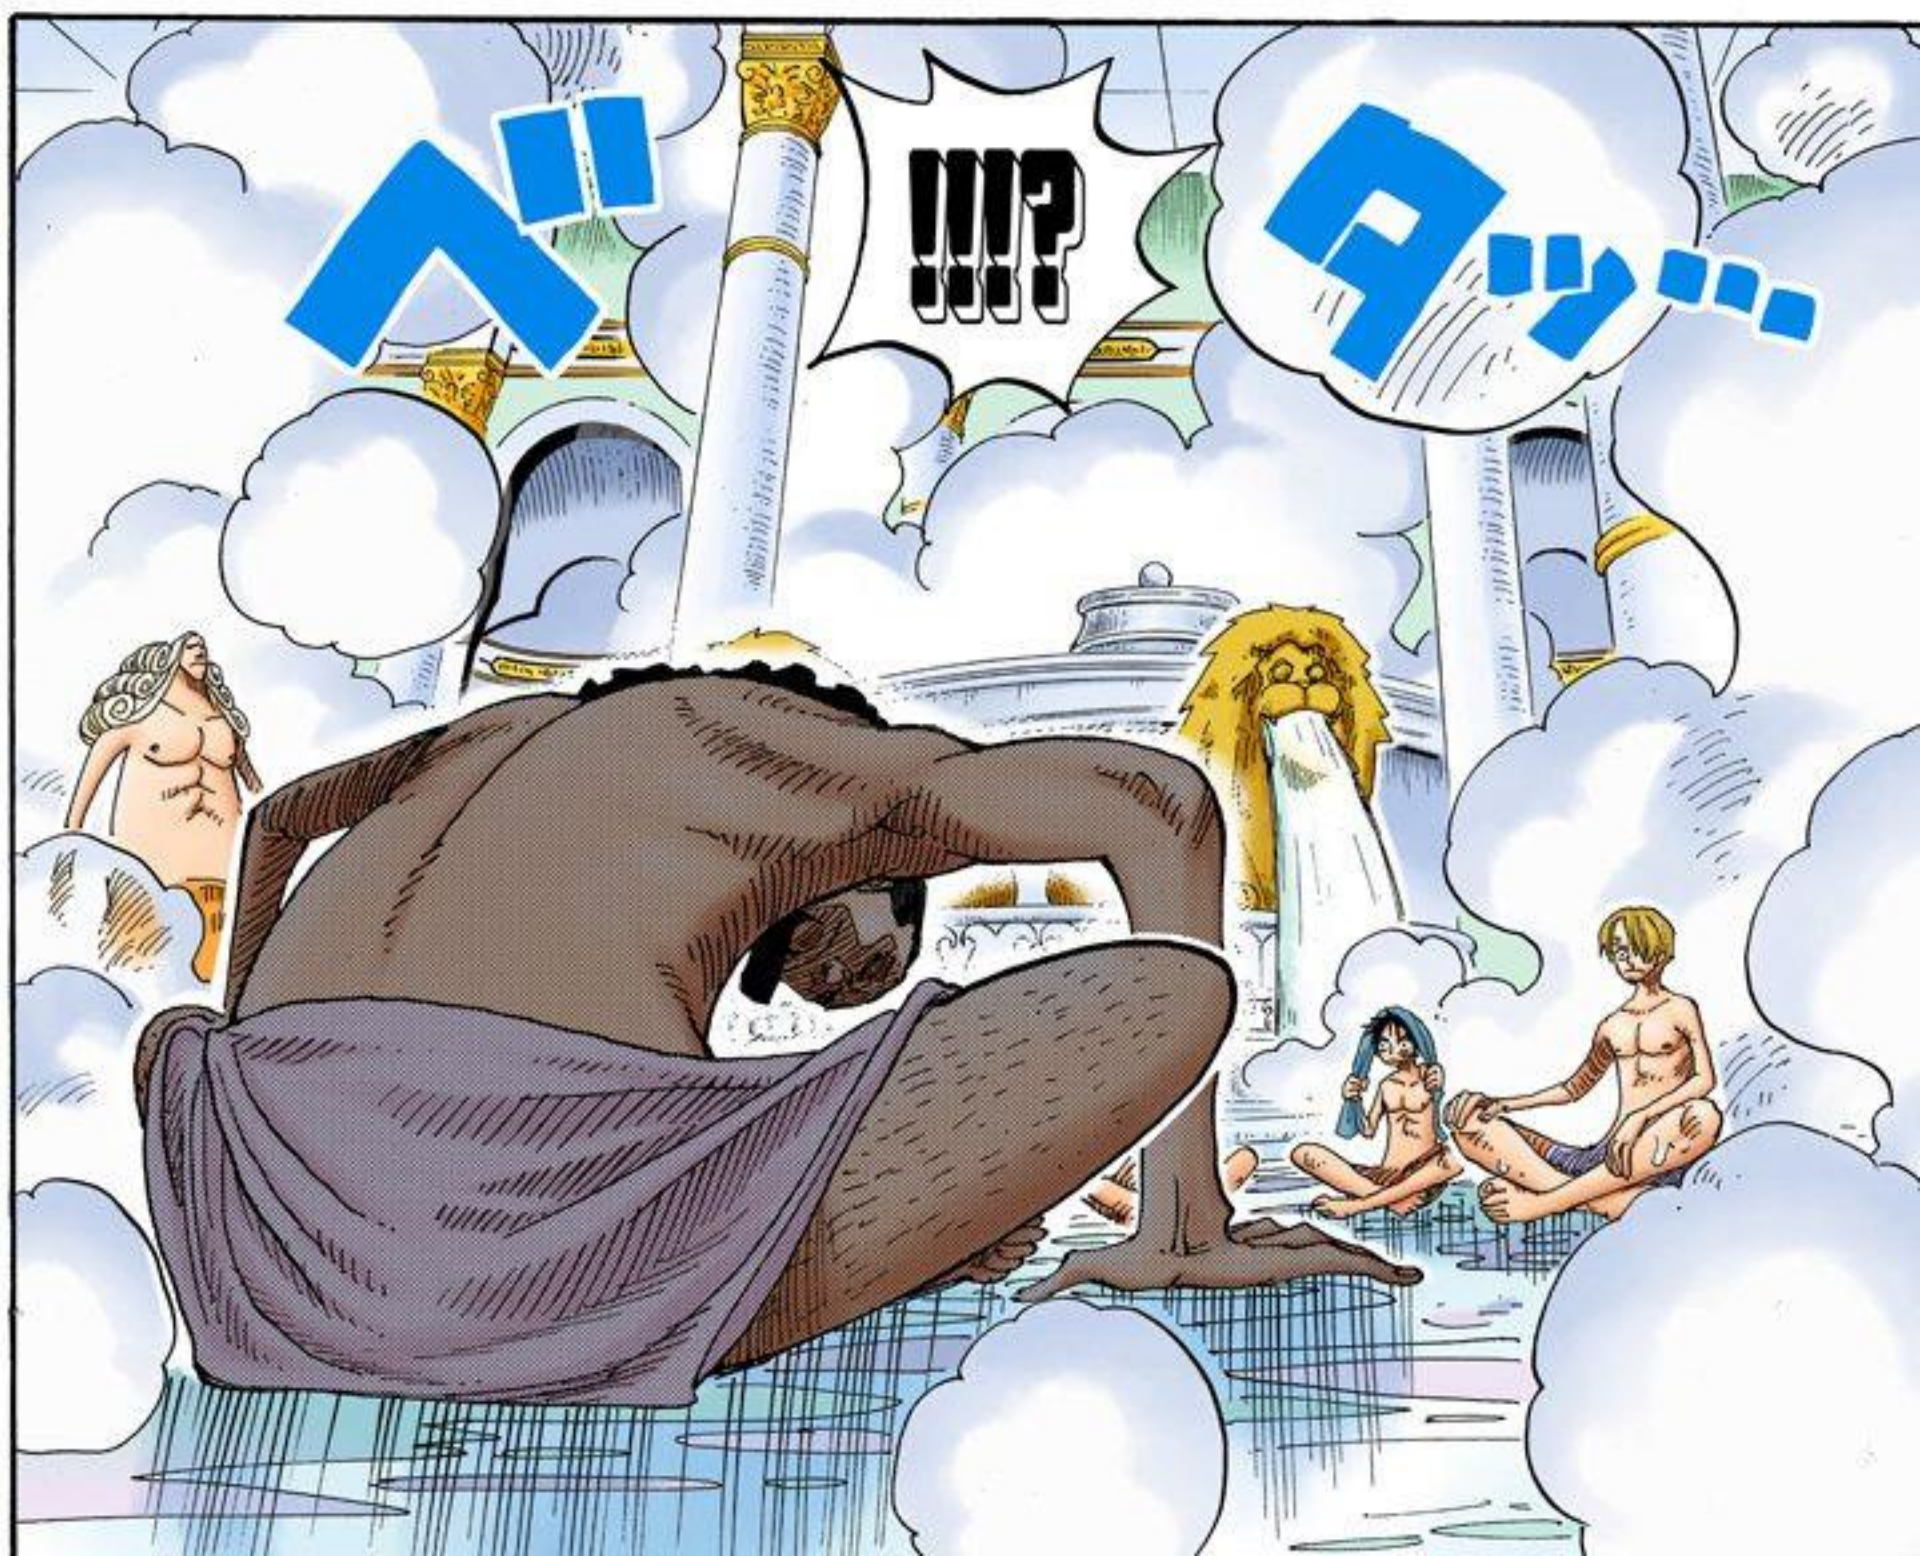

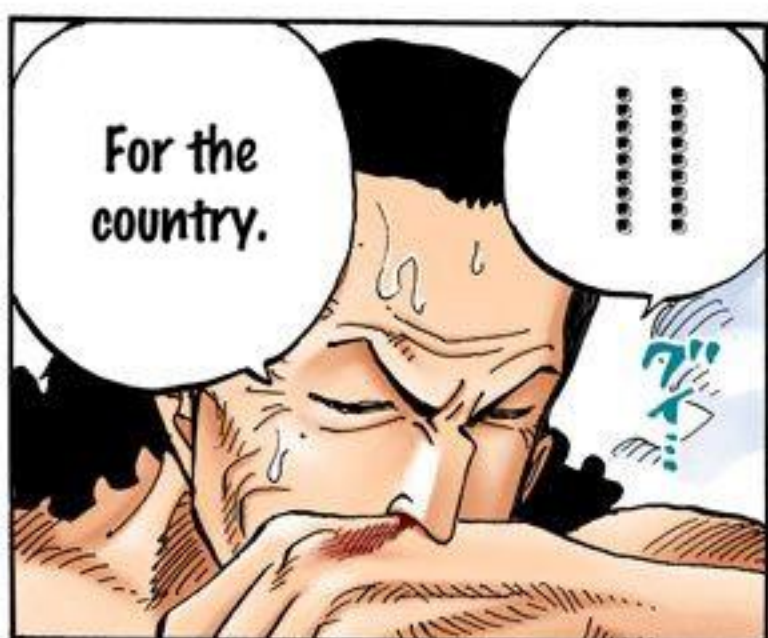

Ah-Umm...

パッパッ

Rank is worn  
above one's  
clothing.

Igaram.

...But this here  
is the bath.

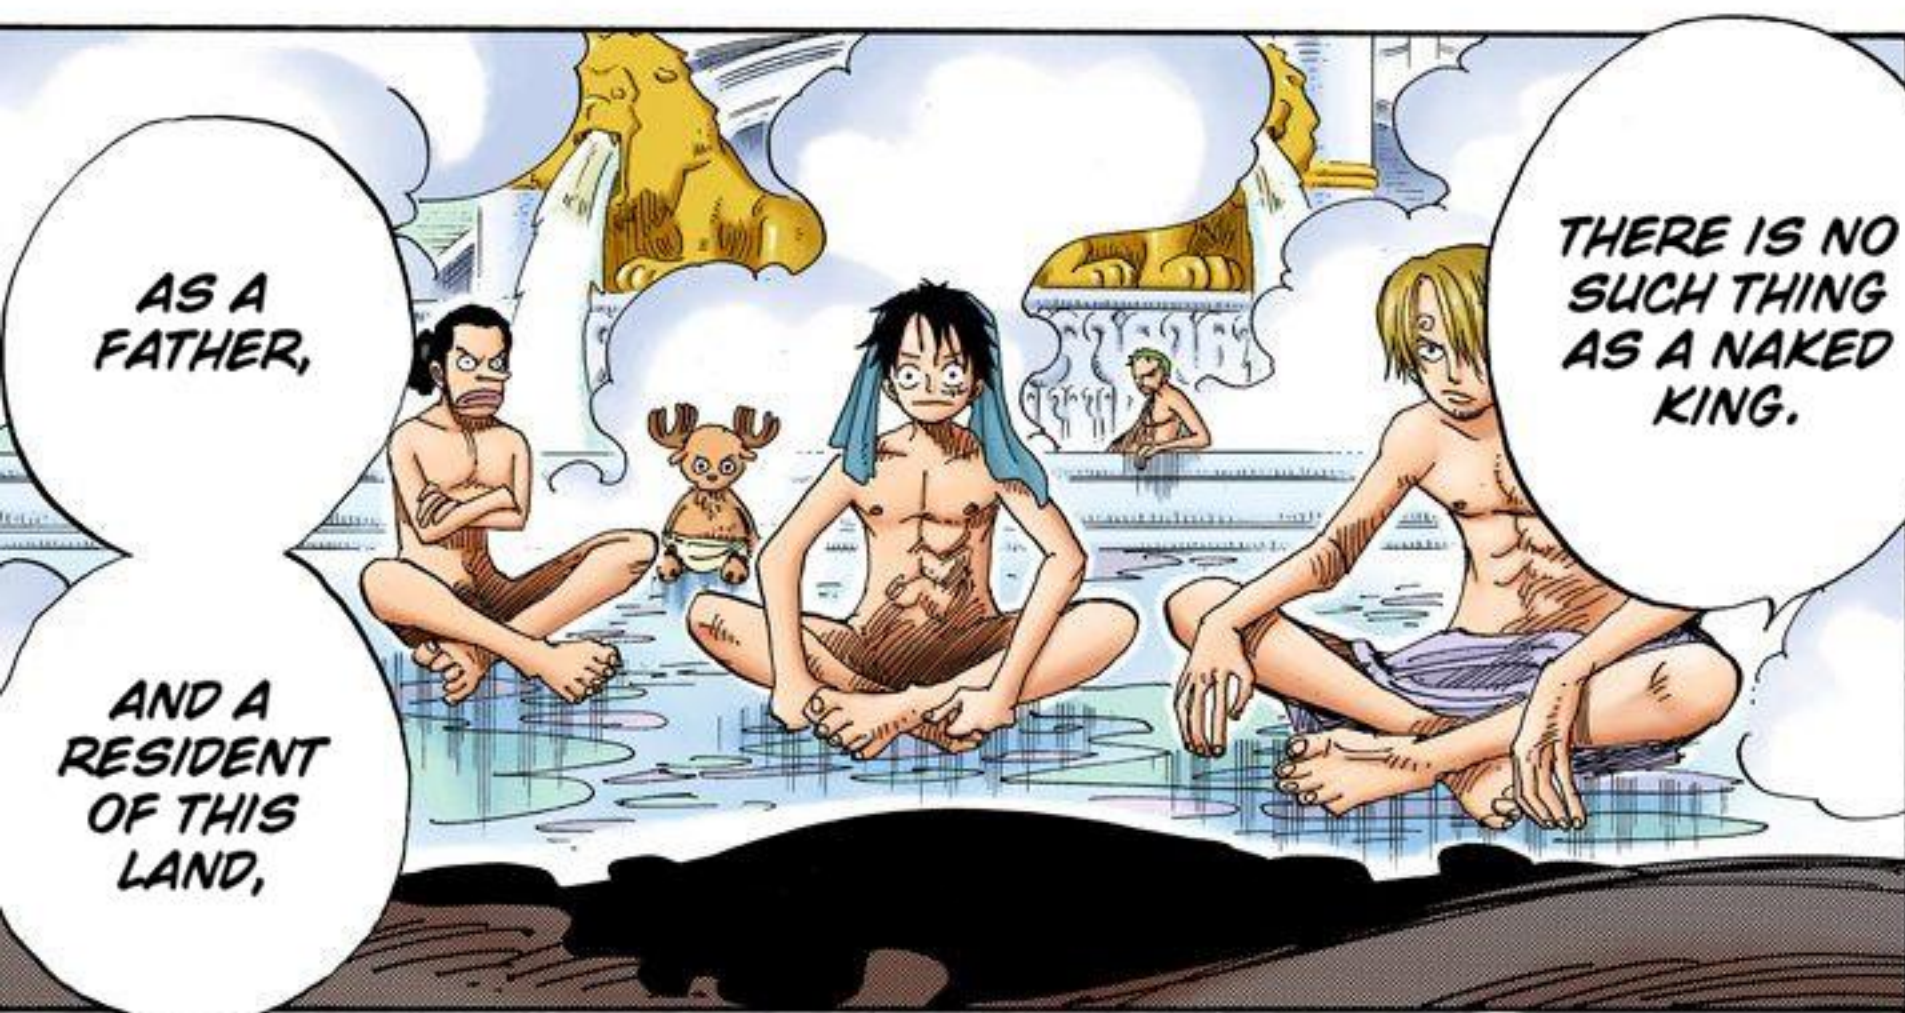

This is a grave  
act, your  
highness...!

A king should not  
lower his head to  
others...!

Whoa, whoa.  
Is it alright for  
a king to do  
somethin' like that?

AS A  
FATHER,

AND A  
RESIDENT  
OF THIS  
LAND,

THERE IS NO  
SUCH THING  
AS A NAKED  
KING.

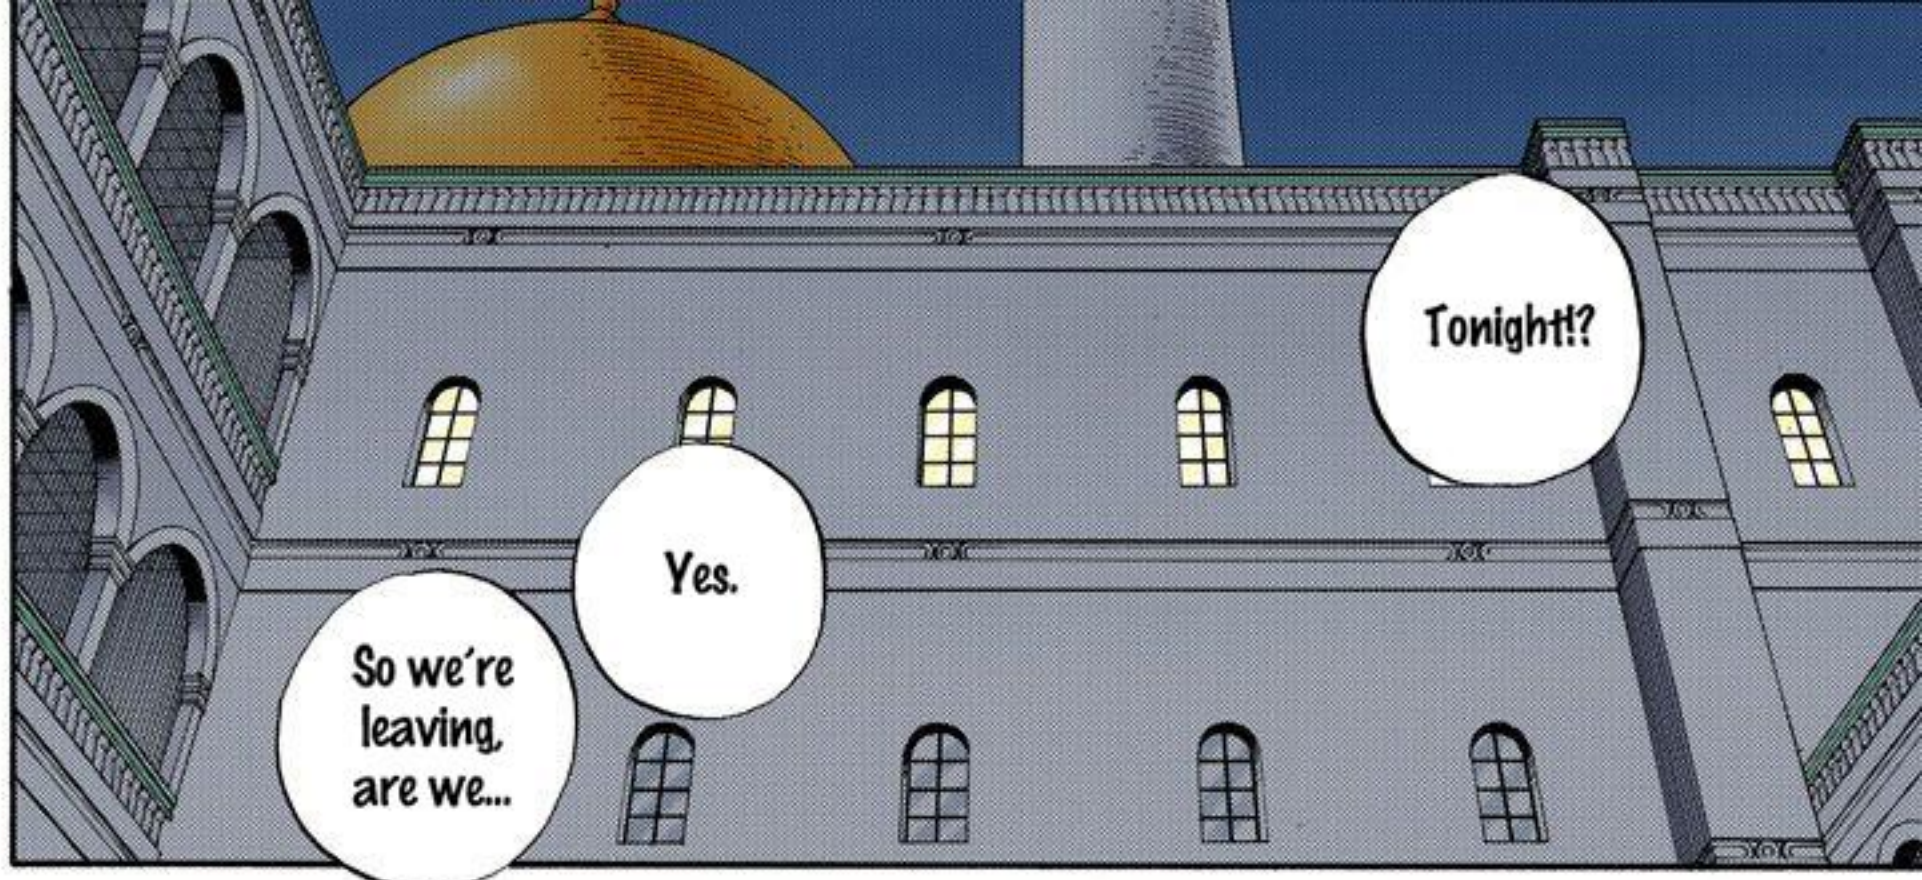

Thank  
you.

I'D LIKE TO  
EXPRESS MY  
GRATITUDE.

SHI  
SHI  
SHI!

Tonight!?

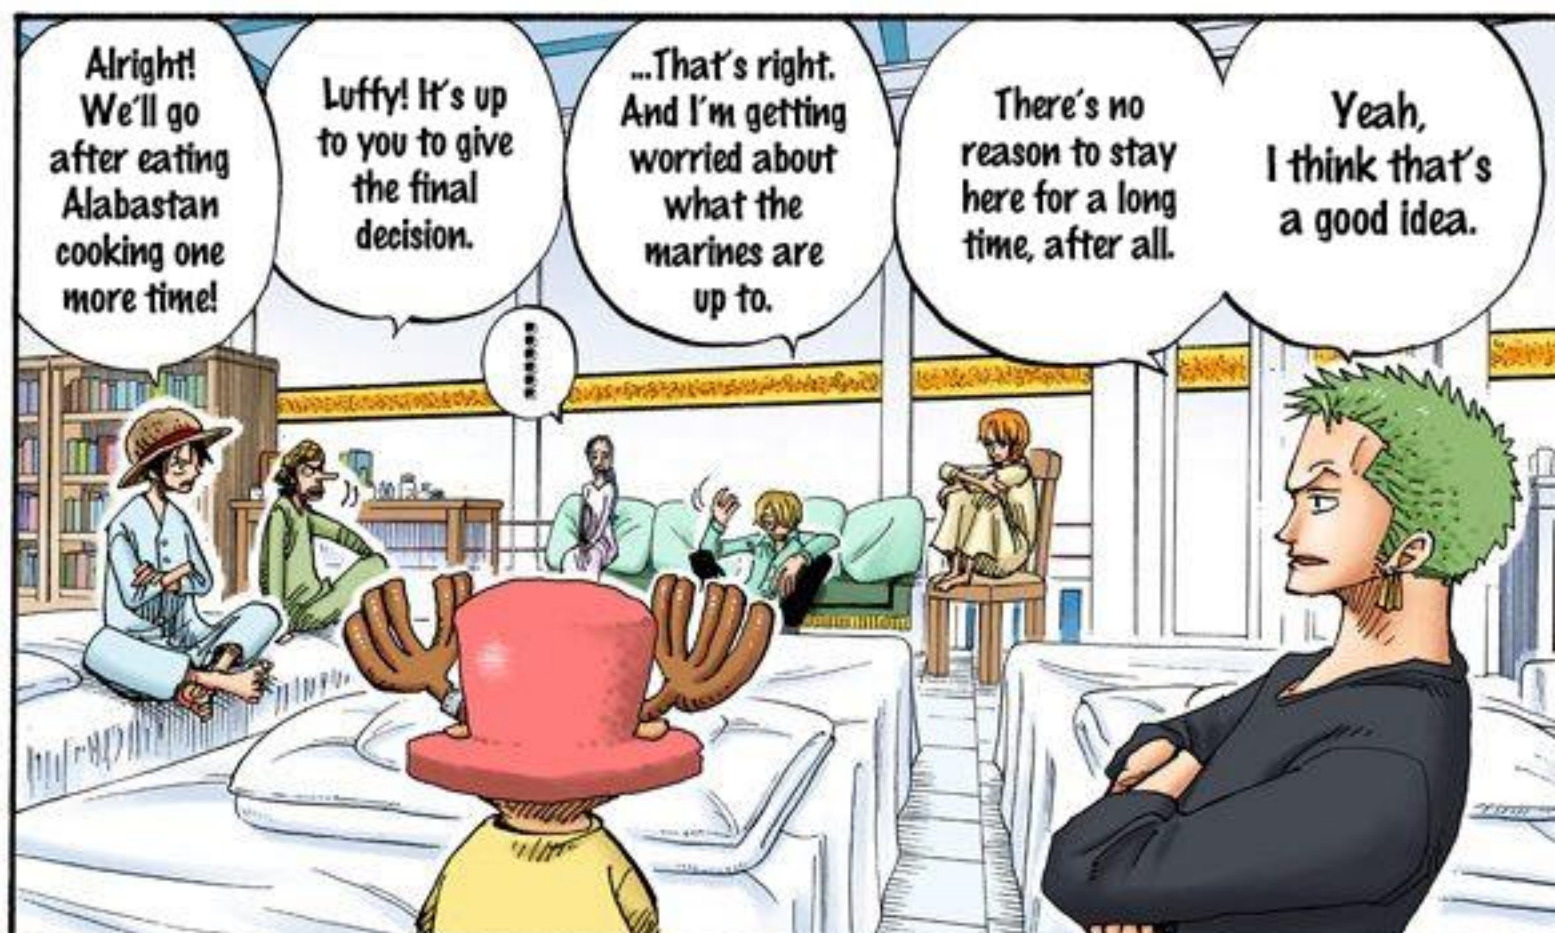

Yes.

So we're  
leaving,  
are we...

NO, WE HAVE  
TO LEAVE  
RIGHT AWAY,  
YOU IDIOT!

GAHH!

Alright!  
We'll go  
after eating  
Alabastan  
cooking one  
more time!

Luffy! It's up  
to you to give  
the final  
decision.

...That's right.  
And I'm getting  
worried about  
what the  
marines are  
up to.

There's no  
reason to stay  
here for a long  
time, after all.

Yeah,  
I think that's  
a good idea.

But to  
think the  
response  
would be so  
quick...

I only hope they  
can sail away  
from this island  
safely...

Yes, absolutely!  
This is a most  
serious matter...

We have to  
let them  
know right  
away!

What should  
we do,  
Igaram!?

**Monkey D. Luffy**  
Bounty:  
100 Million Beli

**Roronoa Zoro**  
Bounty:  
60 Million Beli

**WANT**

**DEAD OR ALIVE**  
**RORONOA ZORO**  
60,000,000 —  
MARINE

With these  
bounties, even the  
admiral-classes of  
Marine HQ will be  
on the move...!

You and your  
crew... Are the  
ones who  
brought down a  
member of the  
Shichibukai!

There's no  
turning back  
now, Luffy!

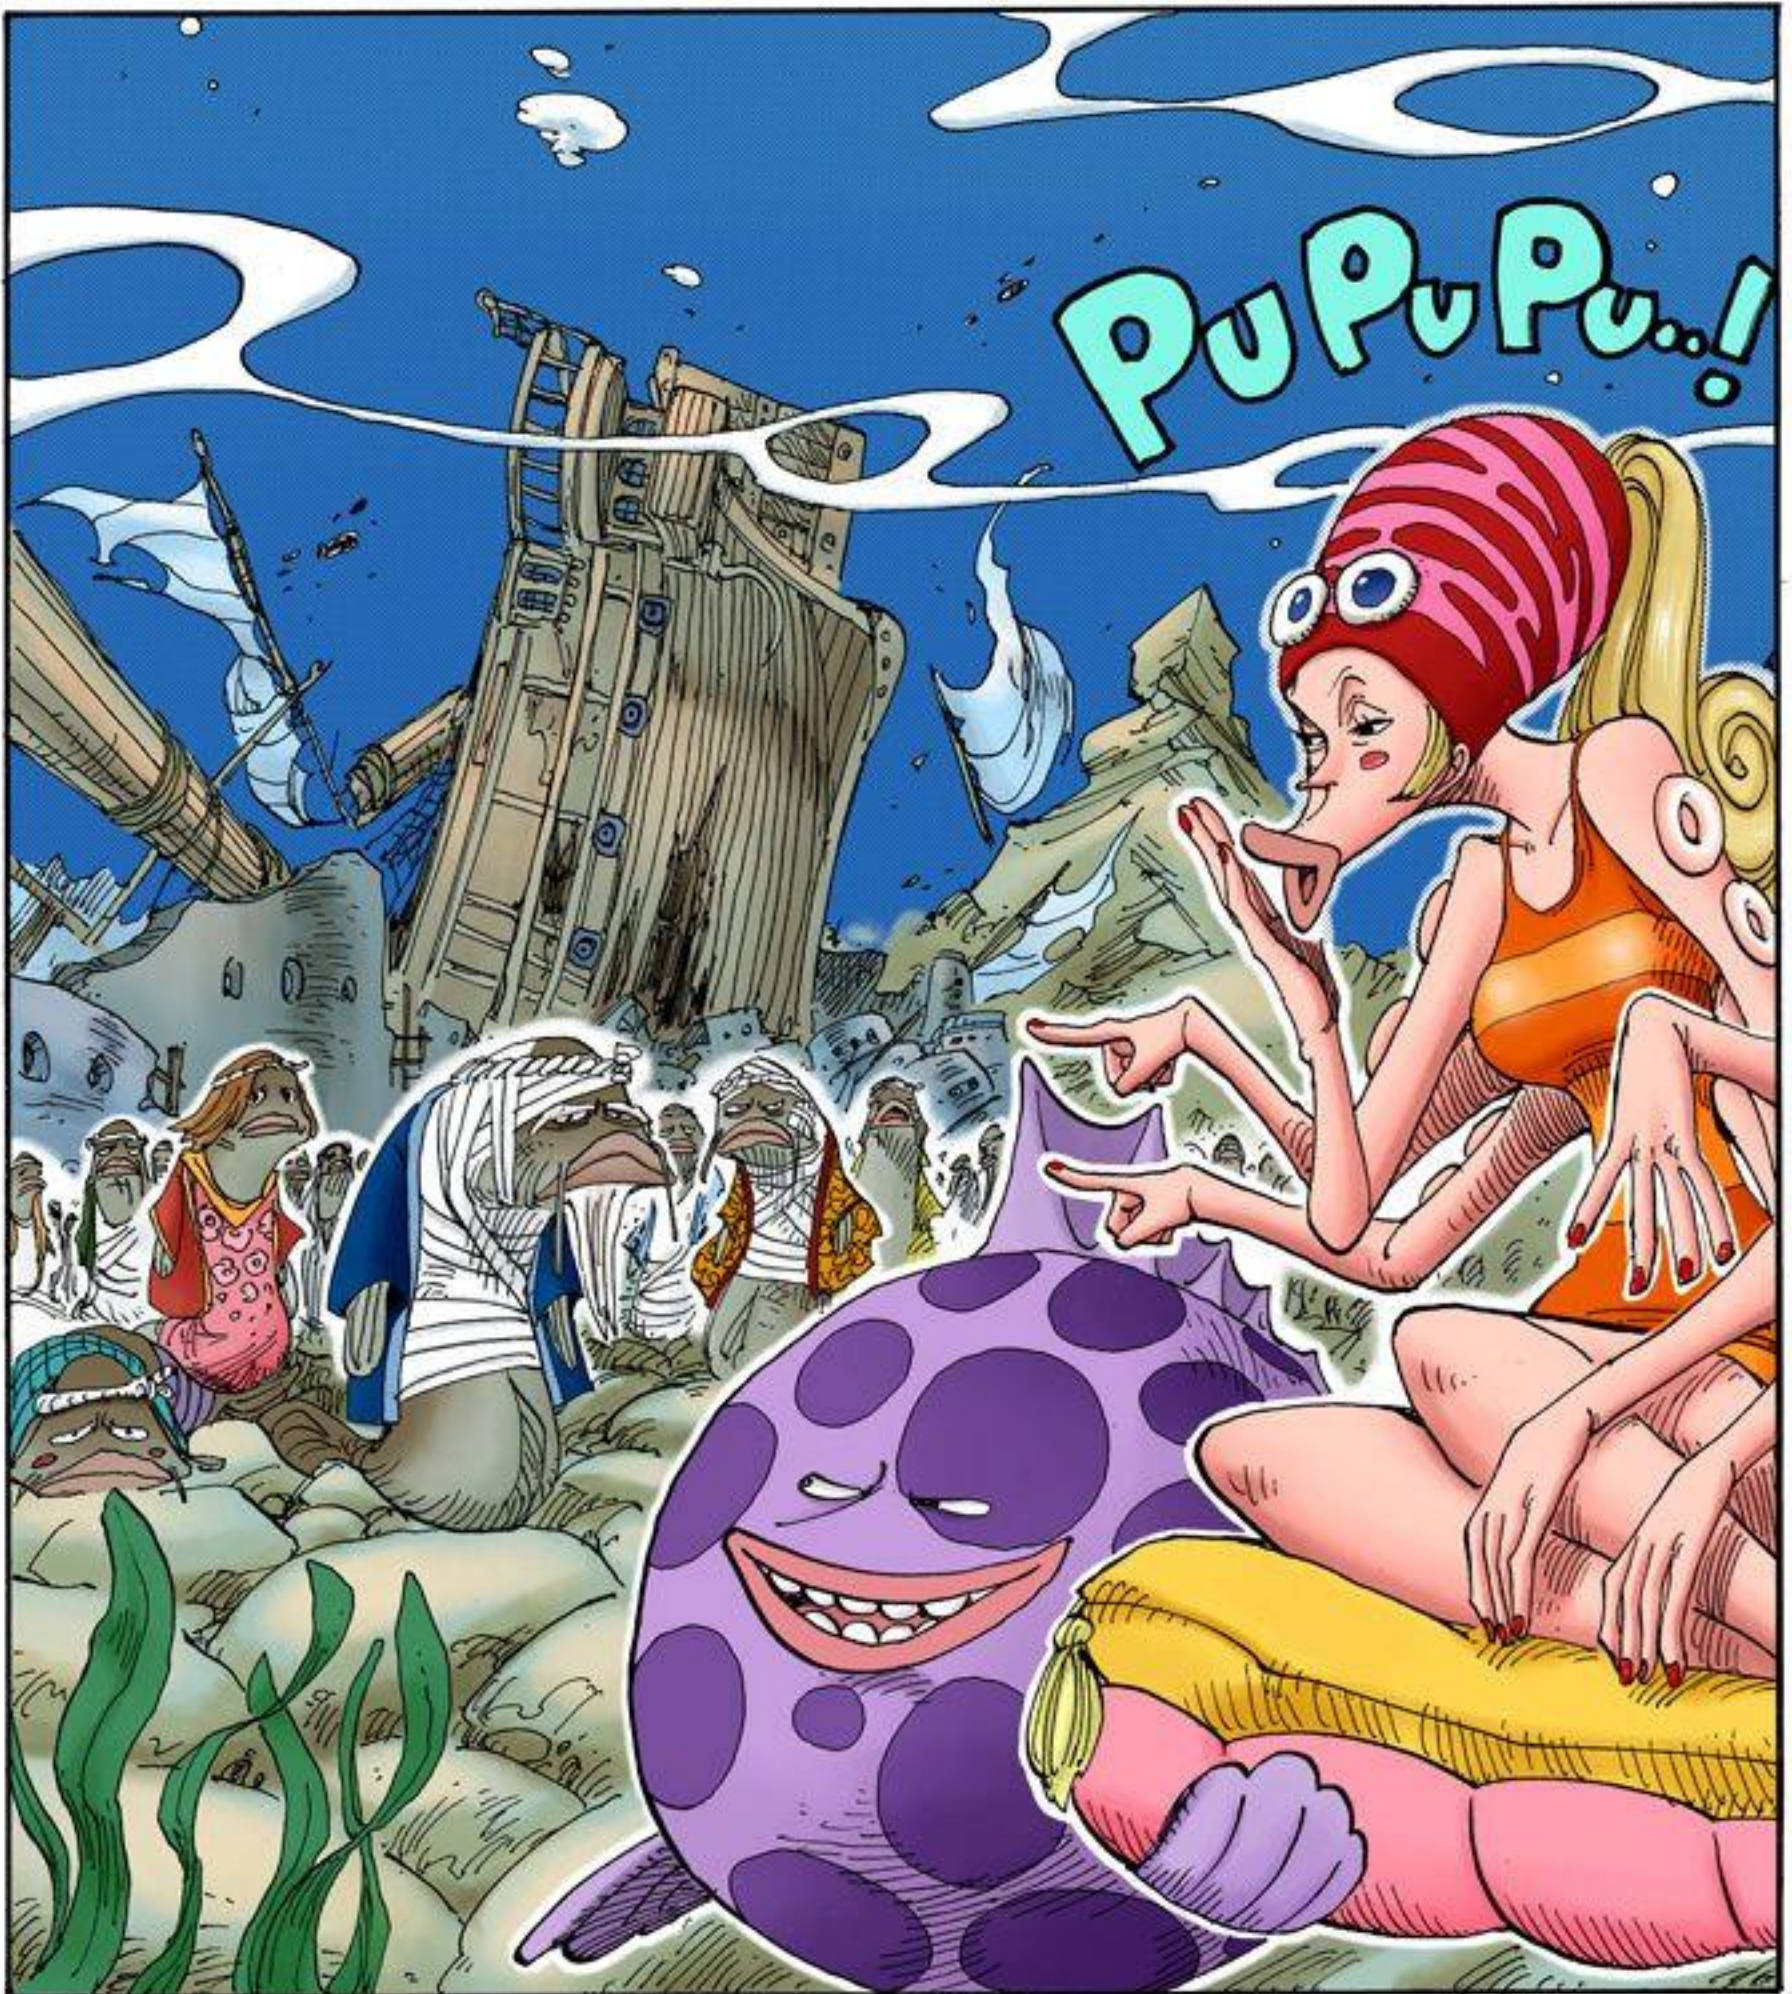

## Chapter 214

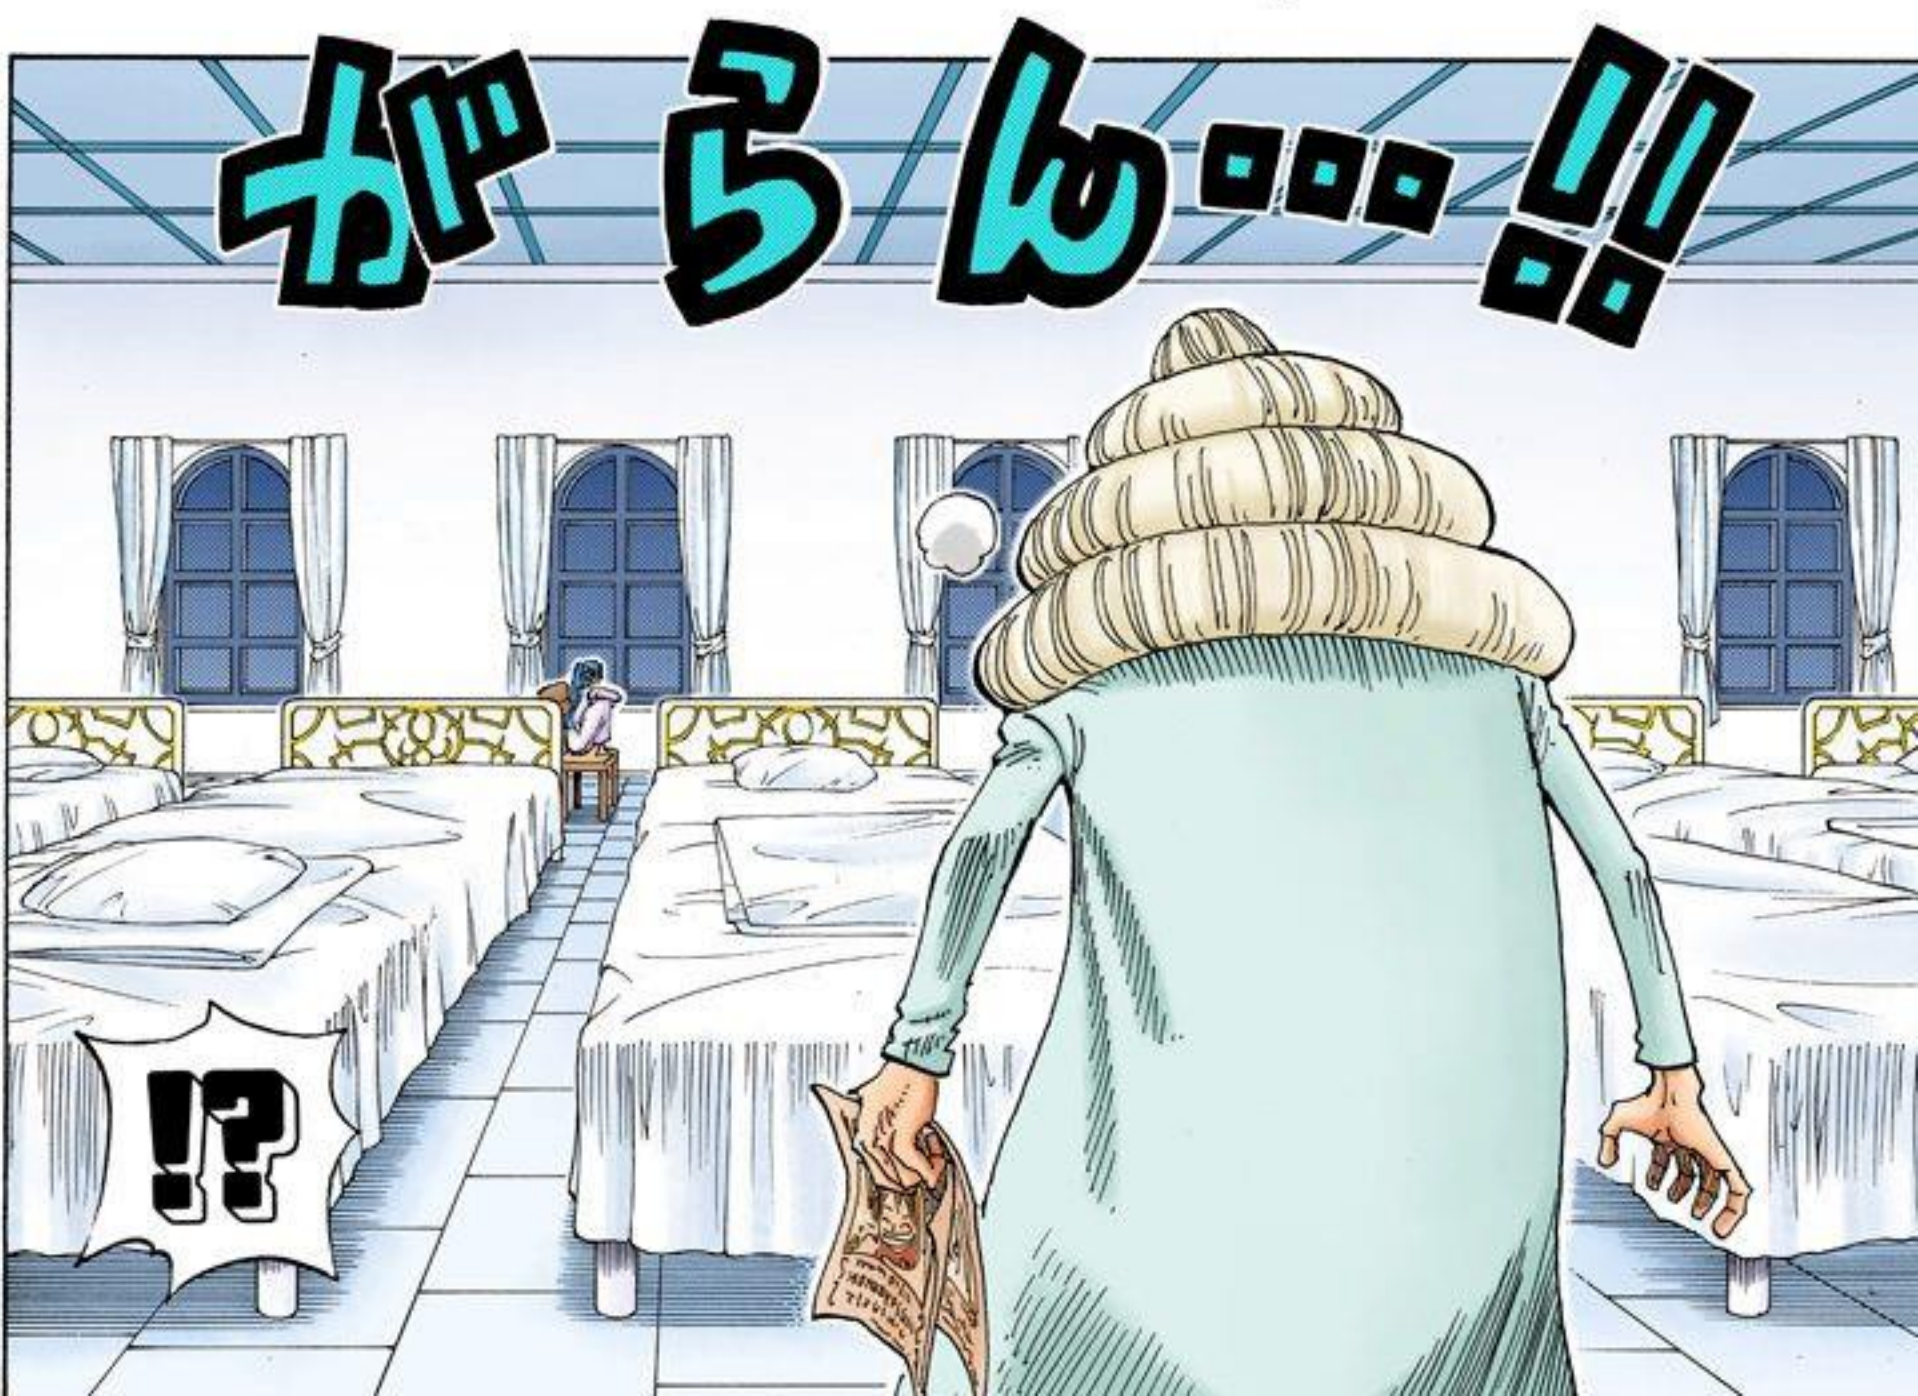

# “Plan to Escape from the Sand Country”

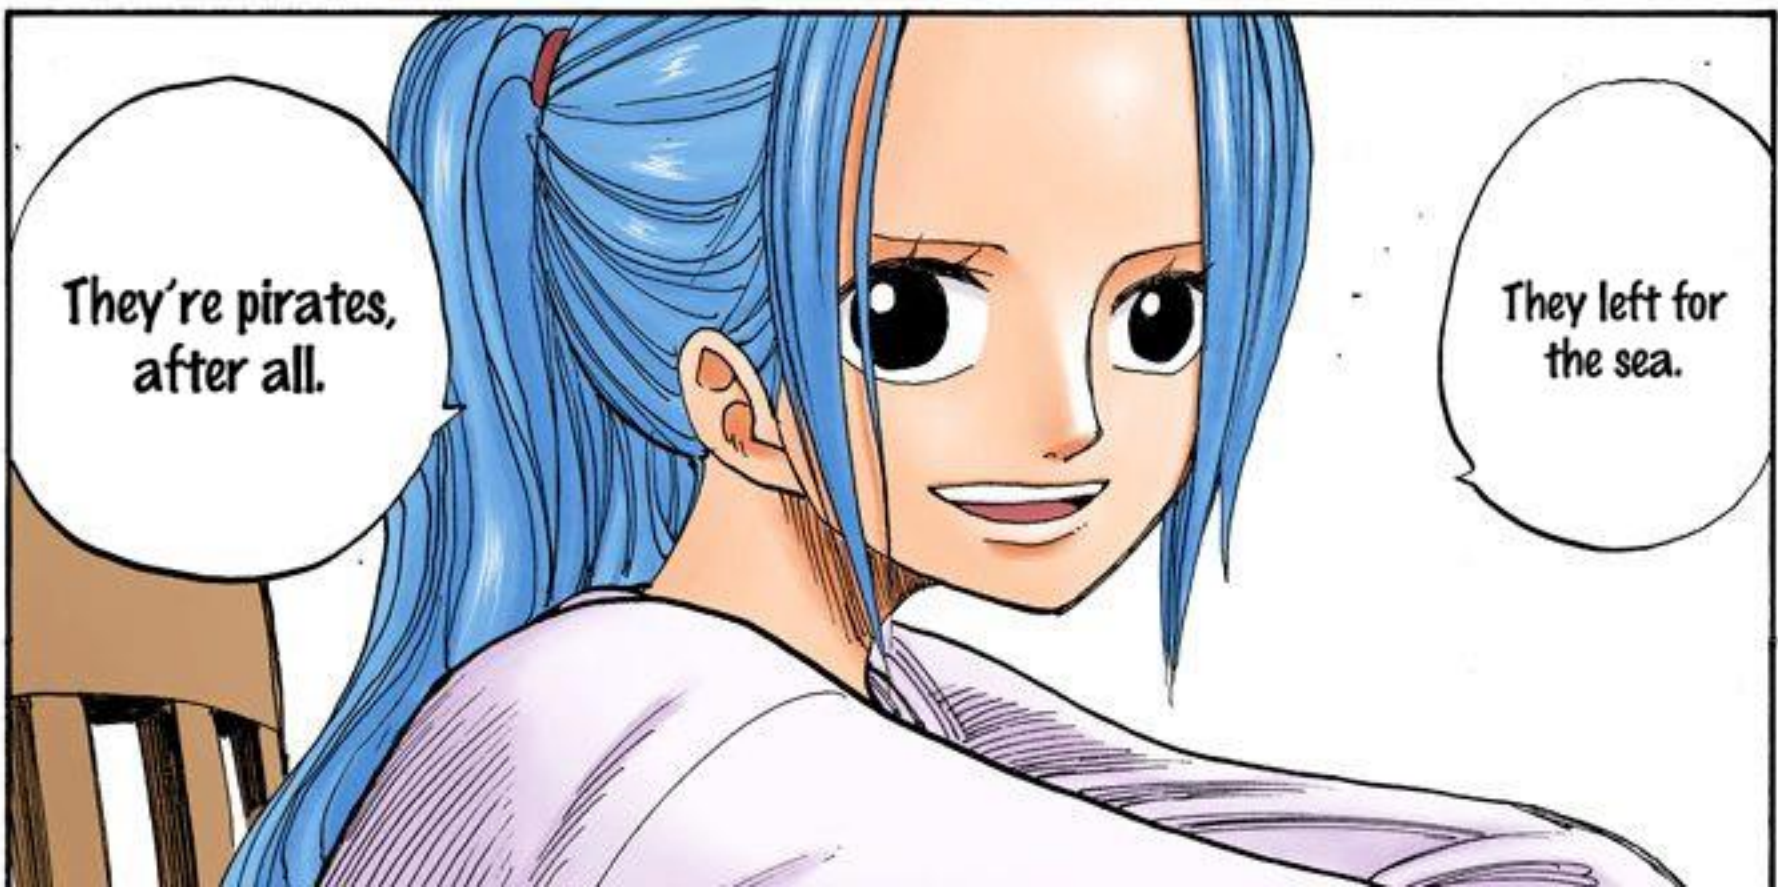

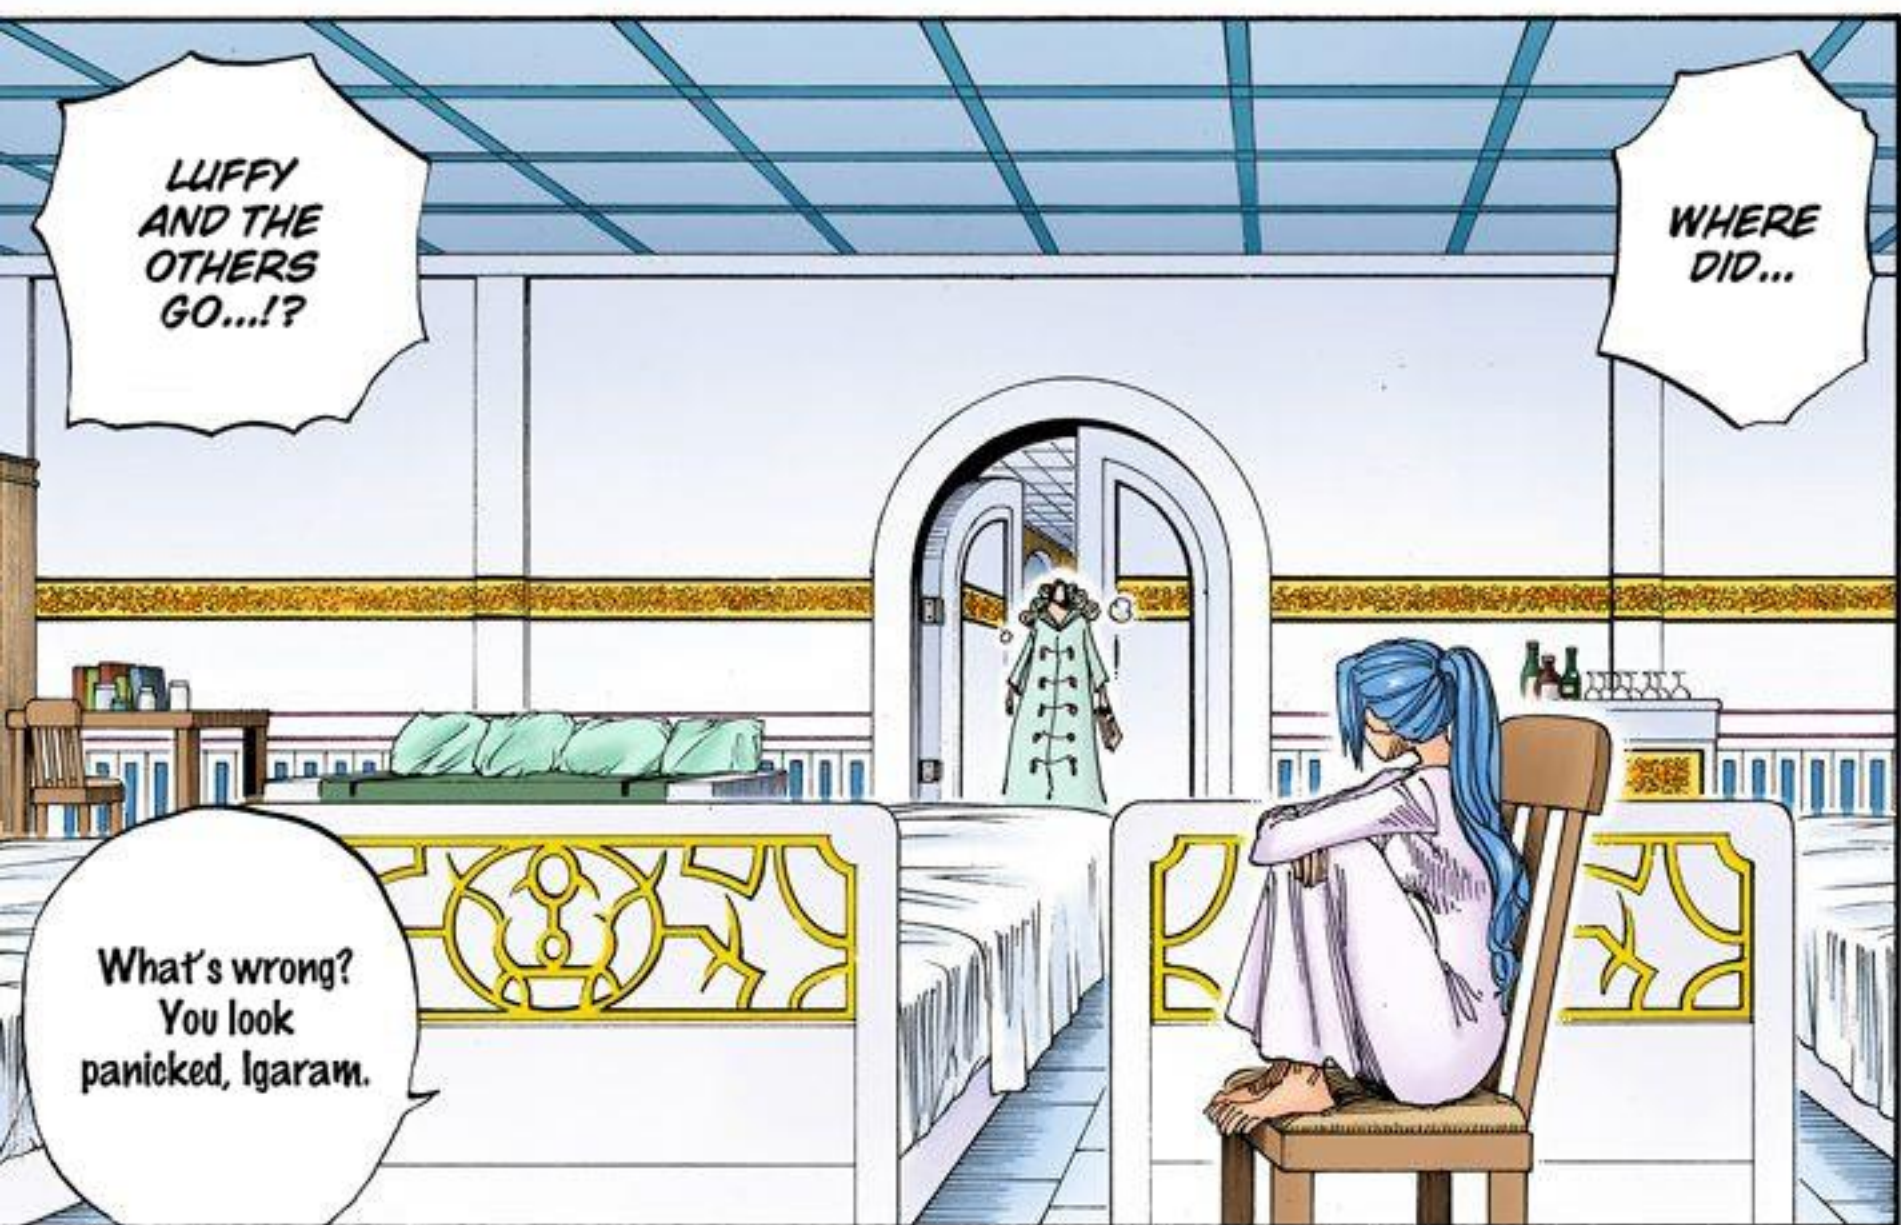

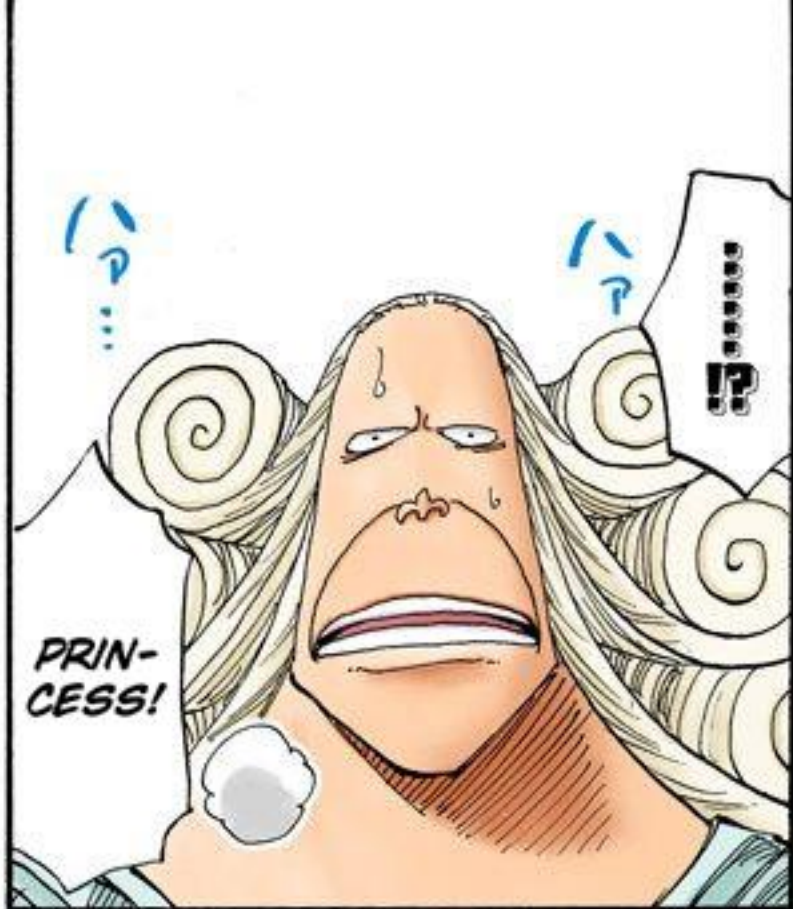

HACHI'S OCEAN FLOOR STROLL VOL. 28

"HOW TRAGIC! THE HEADBAND CATFISH VILLAGE CRUSHED BY A SUNKEN SHIP"

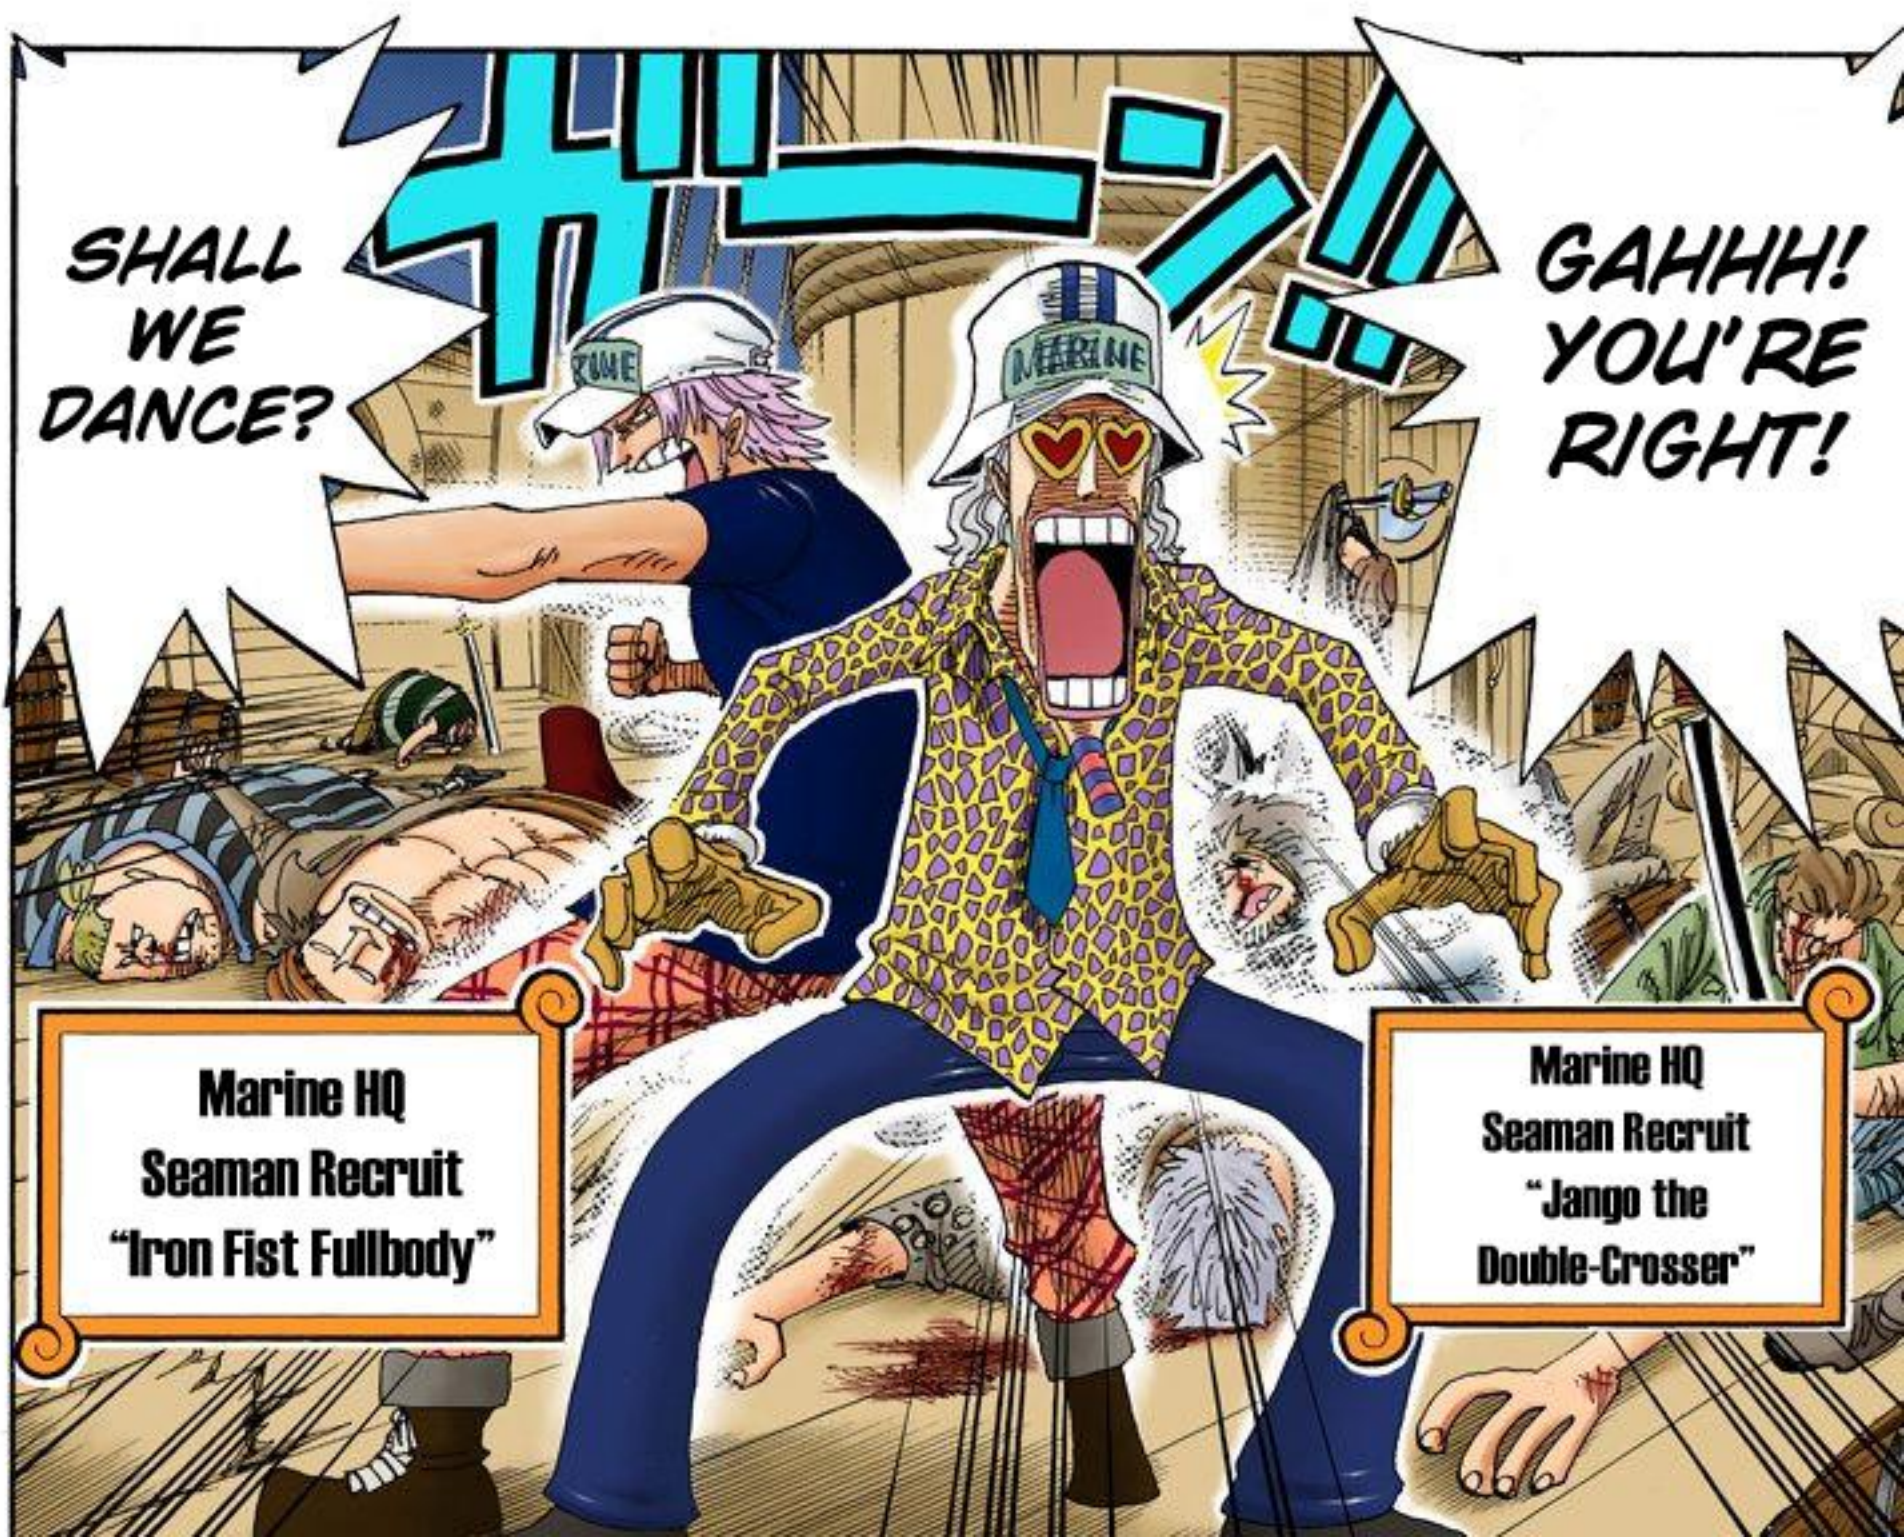

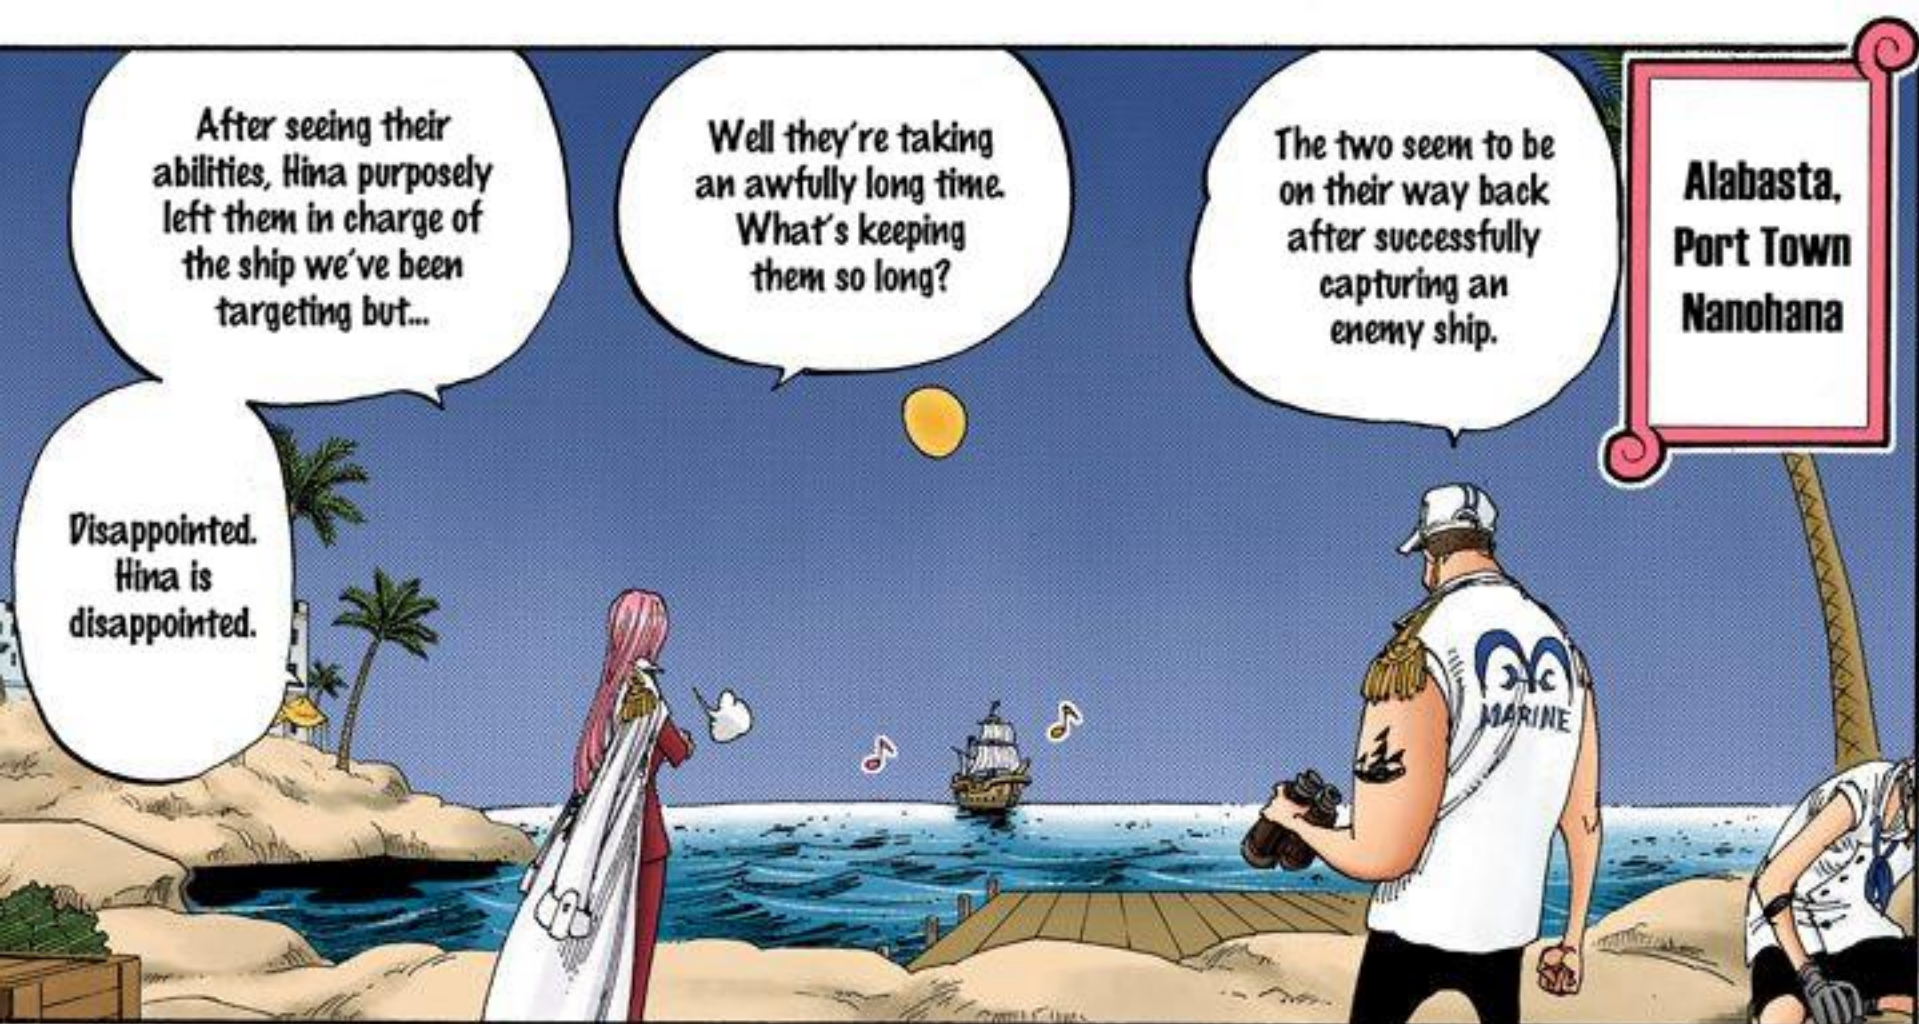

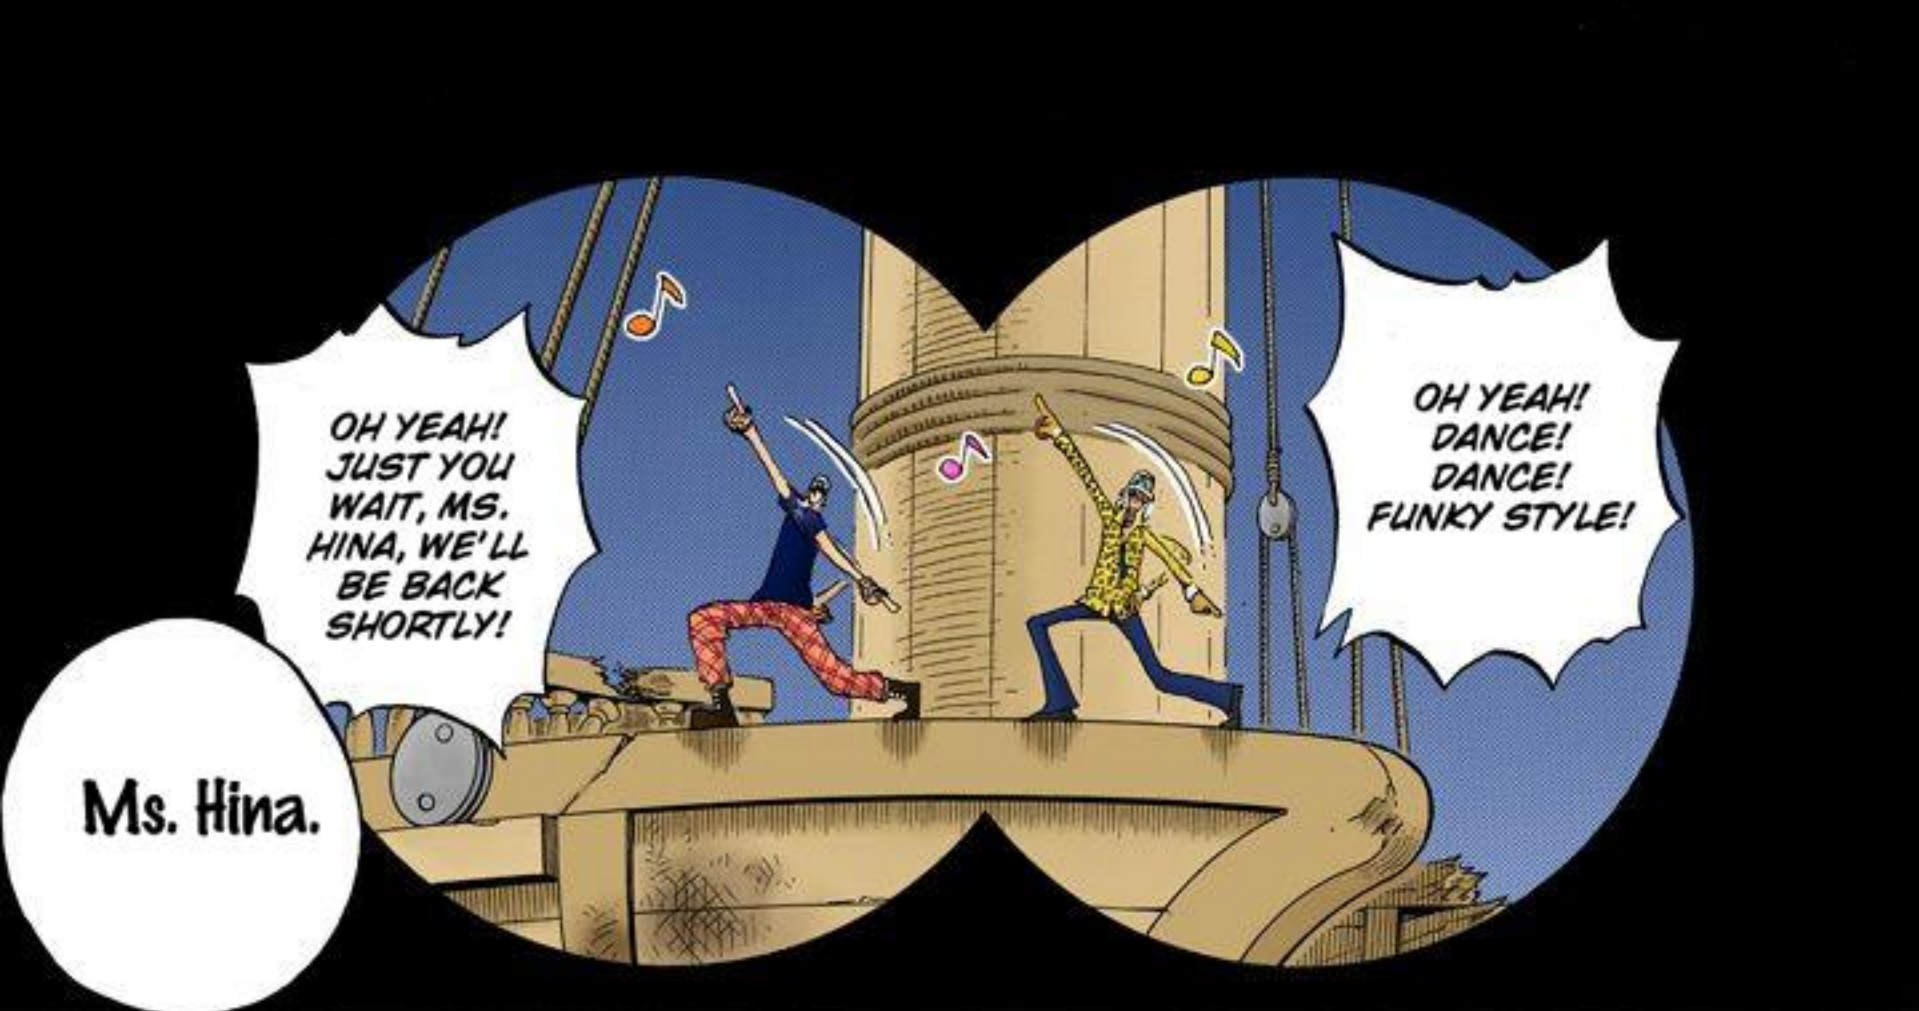

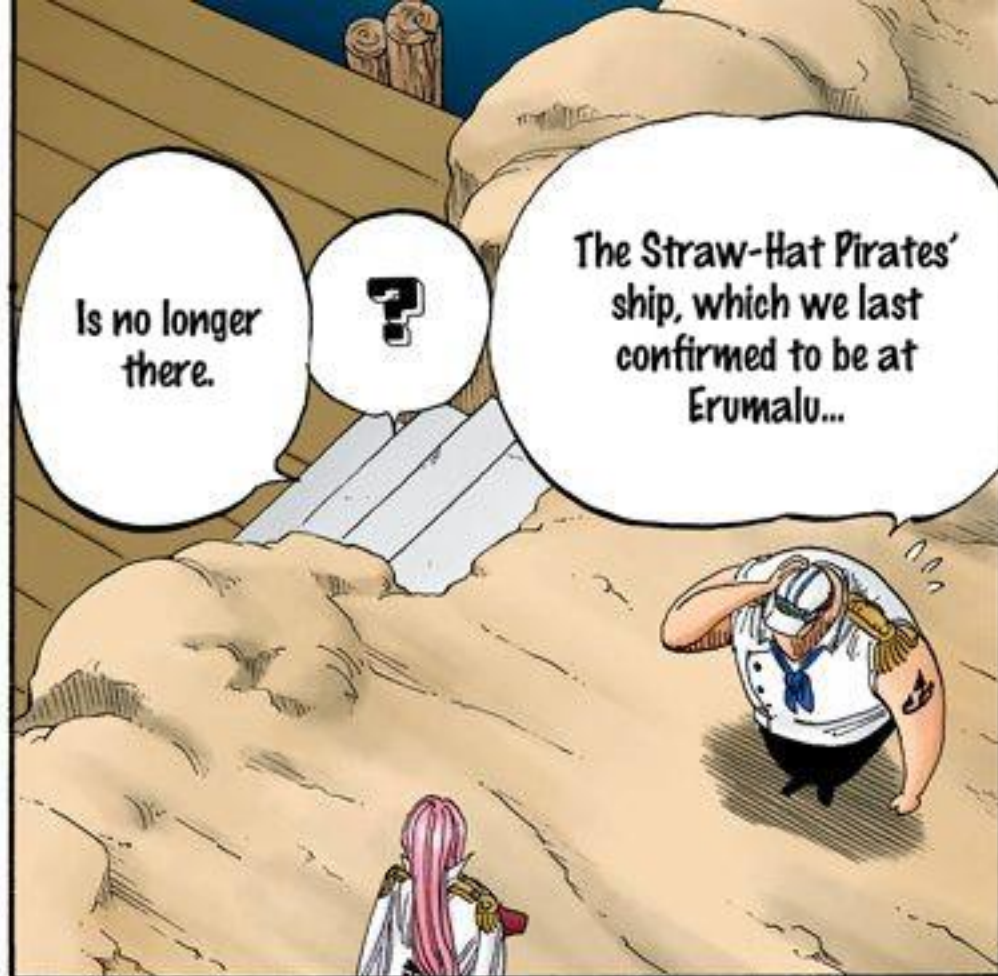

Is no longer there.

?

The Straw-Hat Pirates' ship, which we last confirmed to be at Erumalu...

What?

There is, however, one thing that bothers me...

PLEASE ASK US WHY WE'RE LATE!

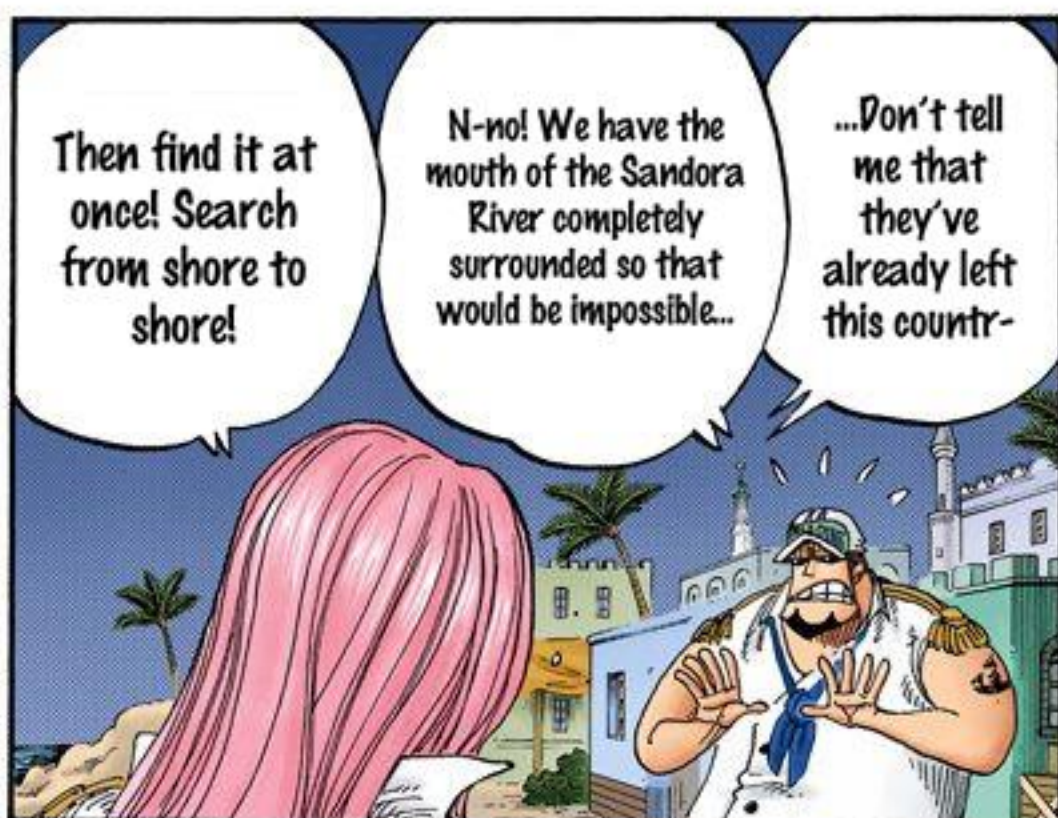

MS. HINA! OUR APOLOGIES FOR ARRIVING SO LATE!

What a pain...

No, mine.

She'll like mine better.

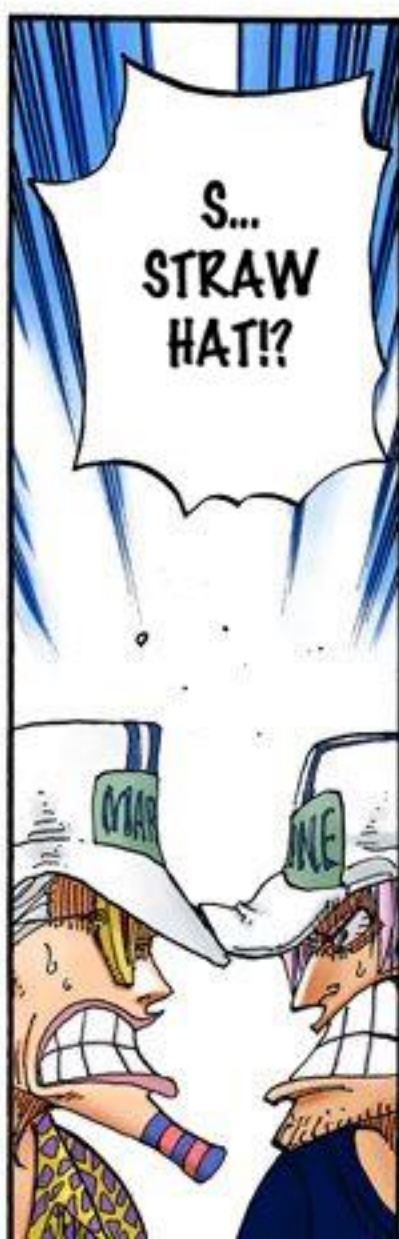

Why are you late?

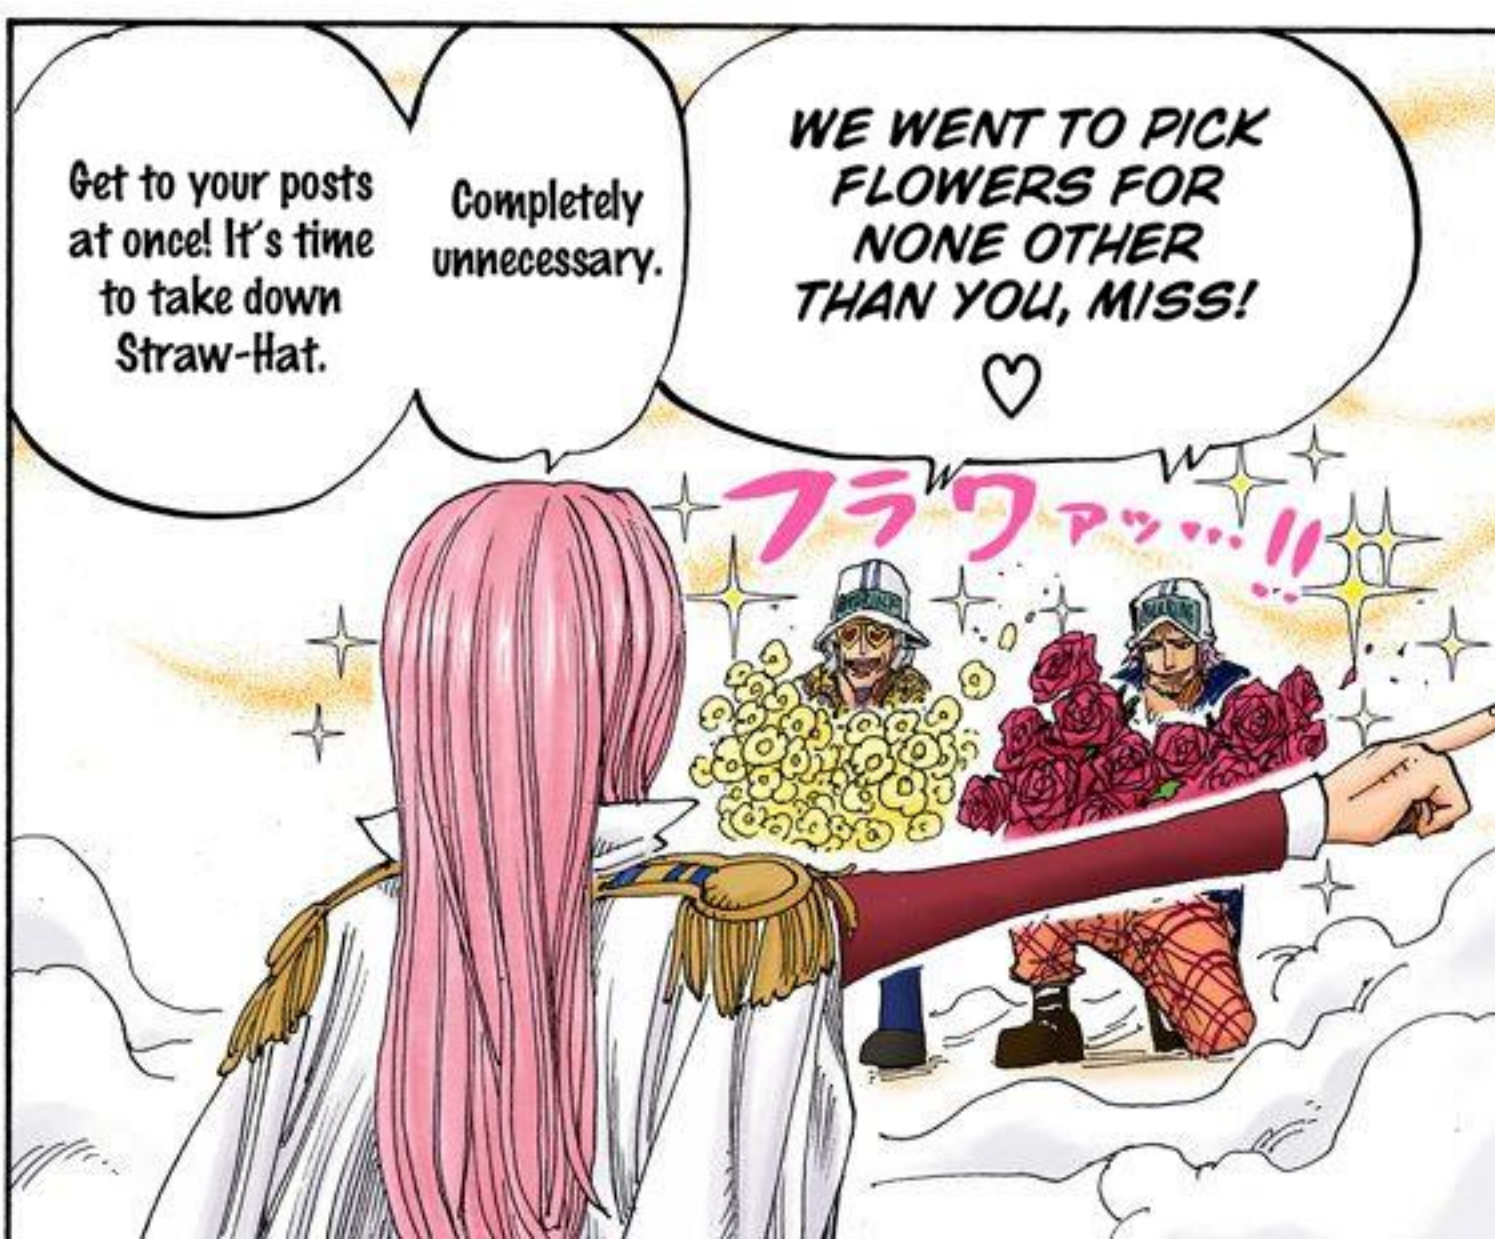

Then find it at once! Search from shore to shore!

N-no! We have the mouth of the Sandora River completely surrounded so that would be impossible...

...Don't tell me that they've already left this country!

S... STRAW HAT!?

Get to your posts at once! It's time to take down Straw-Hat.

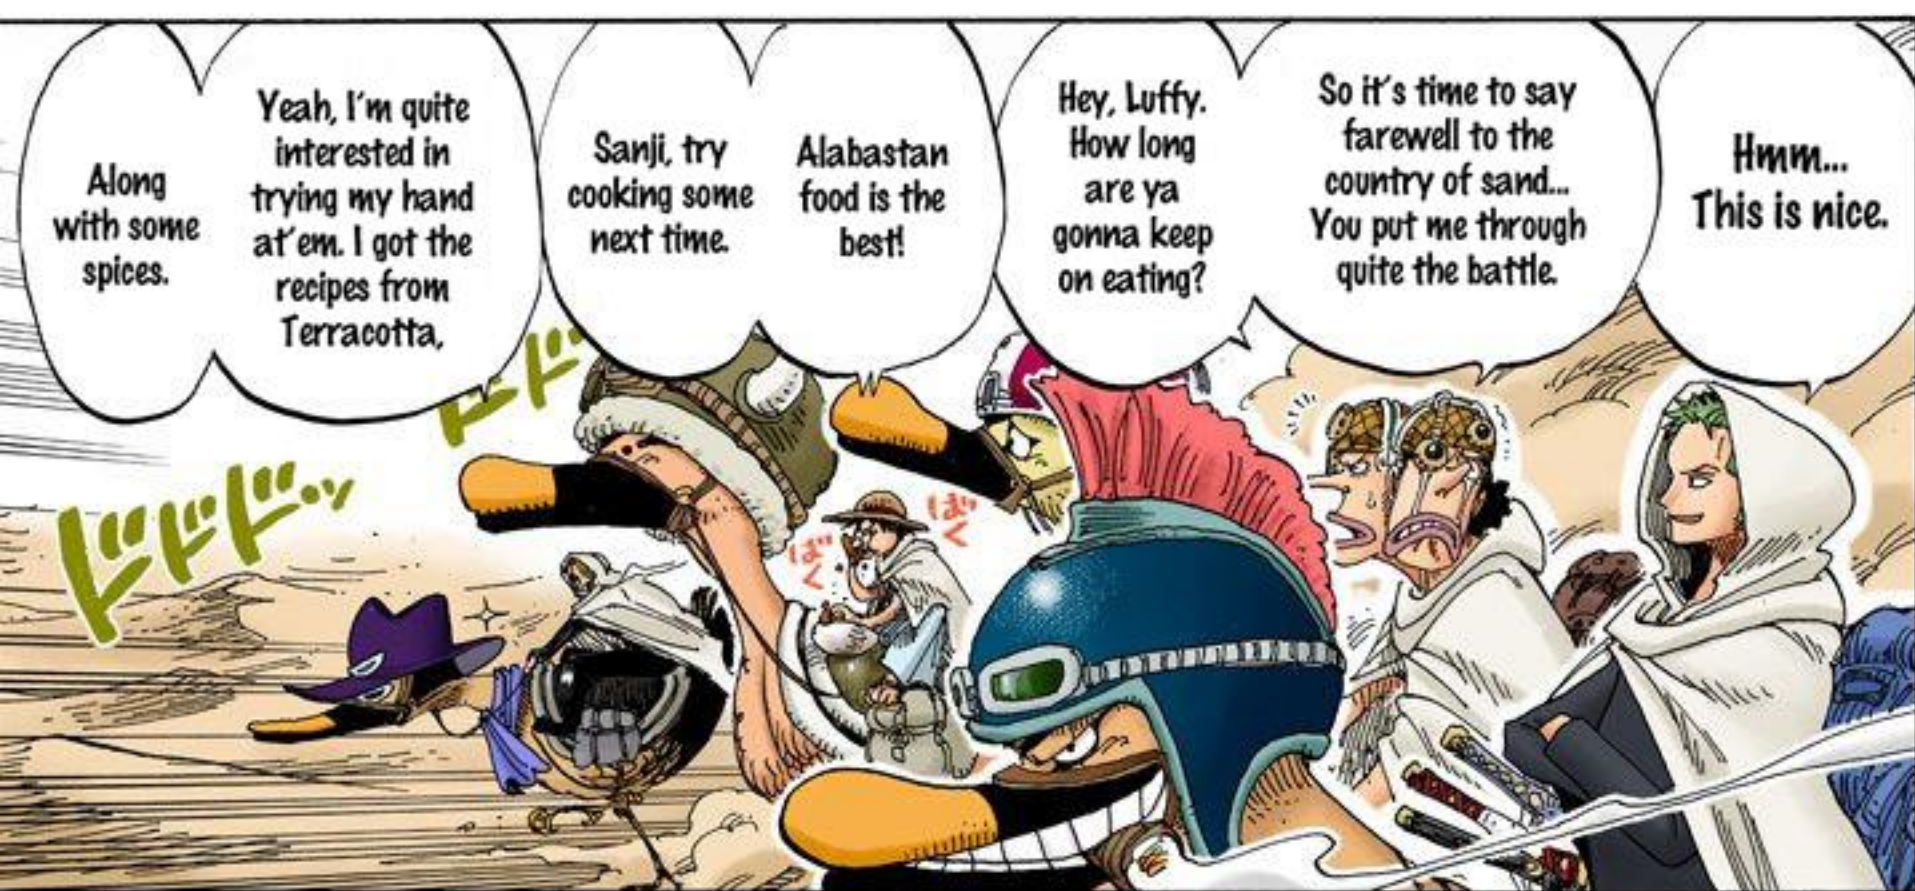

Completely unnecessary.

WE WENT TO PICK FLOWERS FOR NONE OTHER THAN YOU, MISS!

フラワァッ!!!

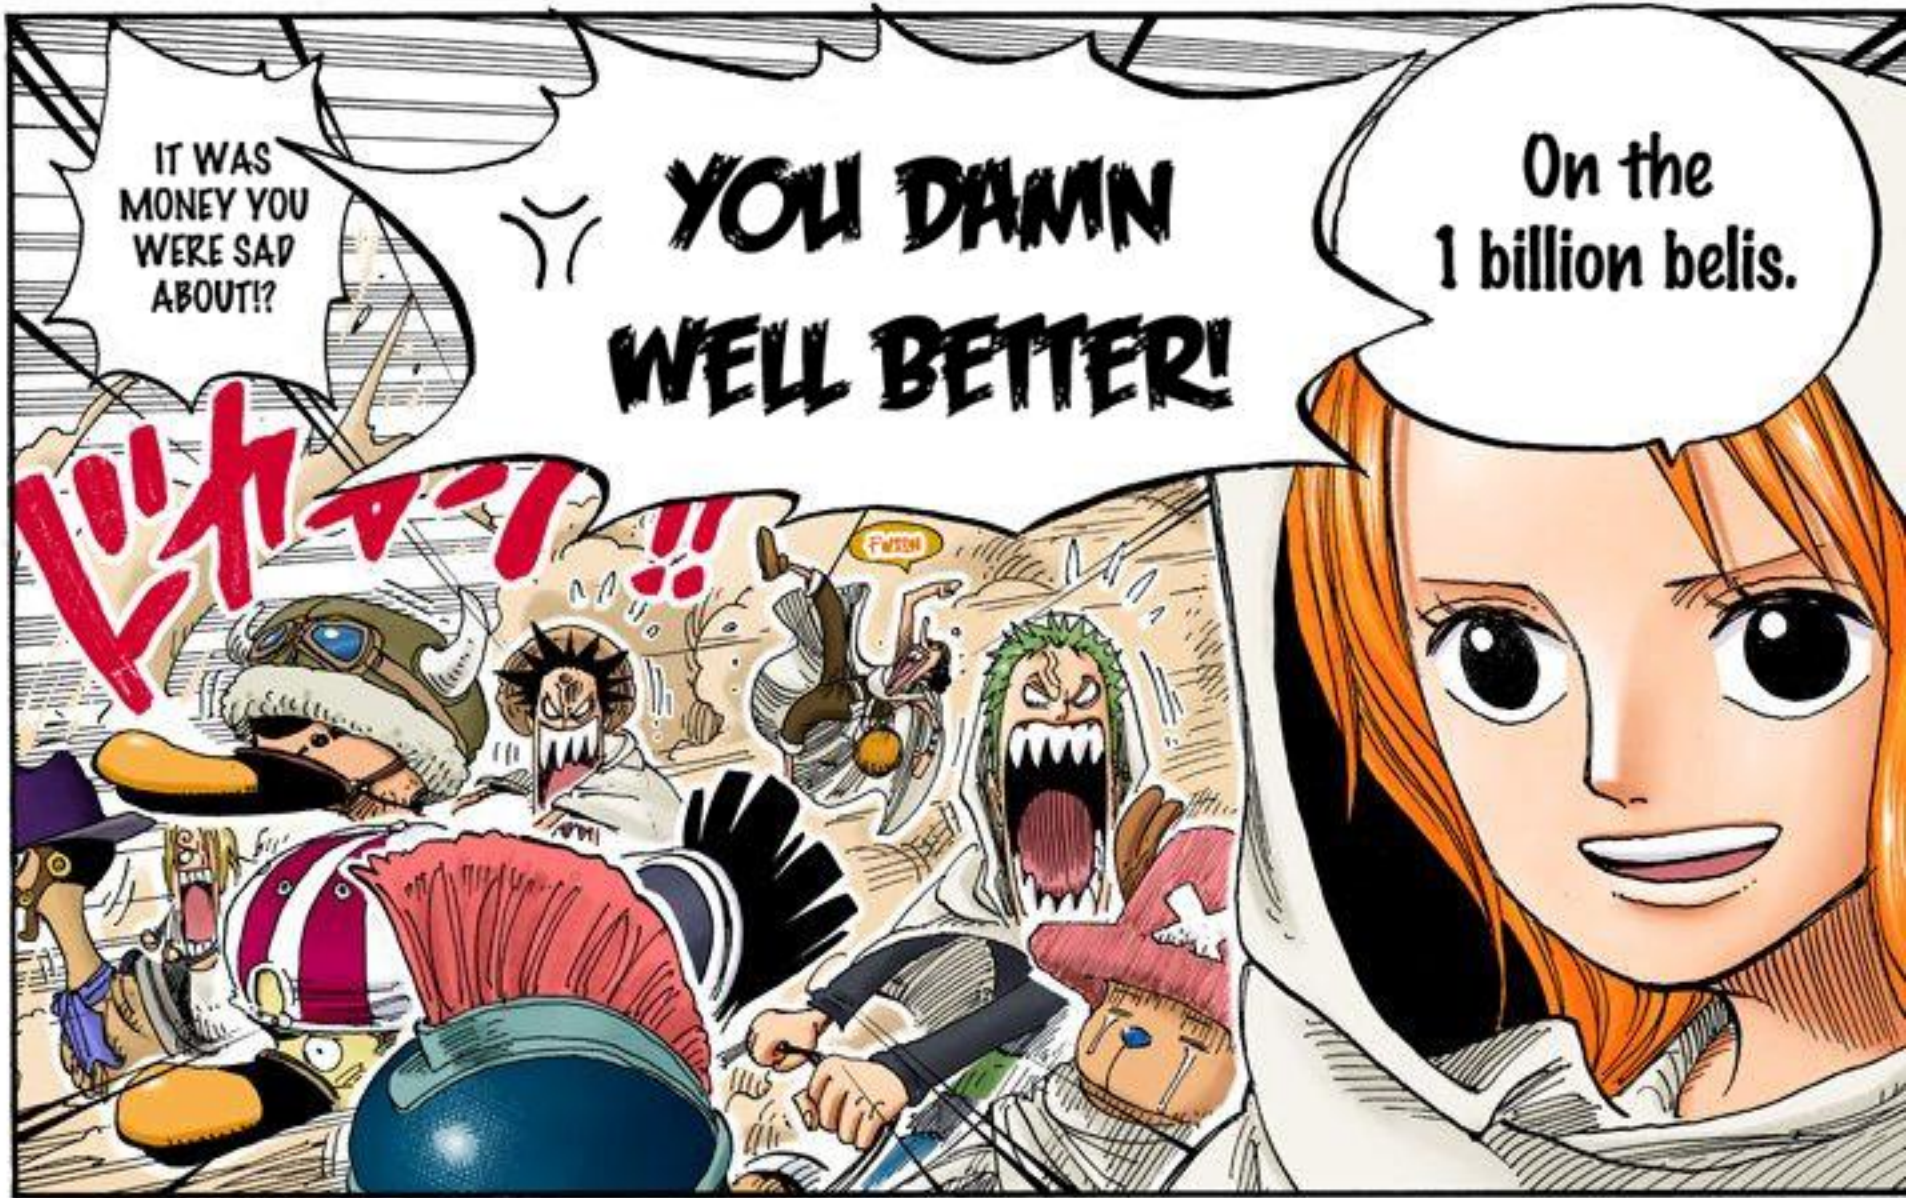

For Vivi's  
sake at  
least...

Guess  
I should  
give it up,

L...

WERE SAD

**YOU DAMN  
WELL BETTER!**

On the

AGHH!

Are you upset  
about Vivi?  
That can't be  
helped, you  
know.

What're  
you all  
worked up  
over?

?

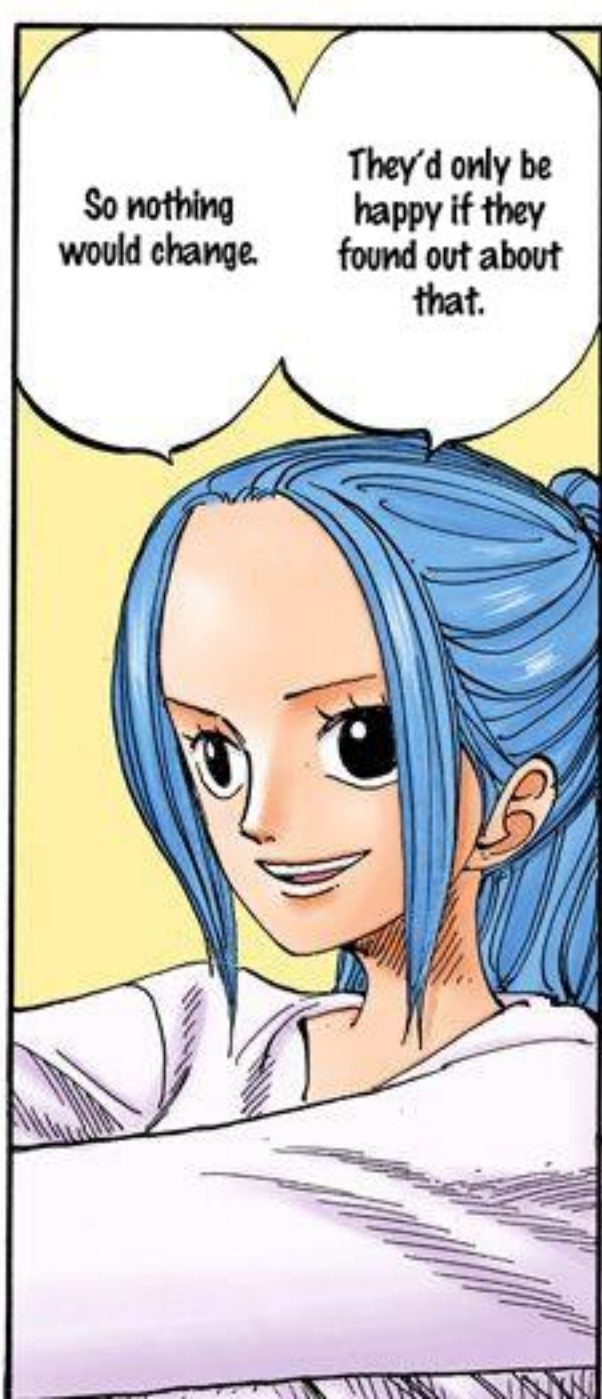

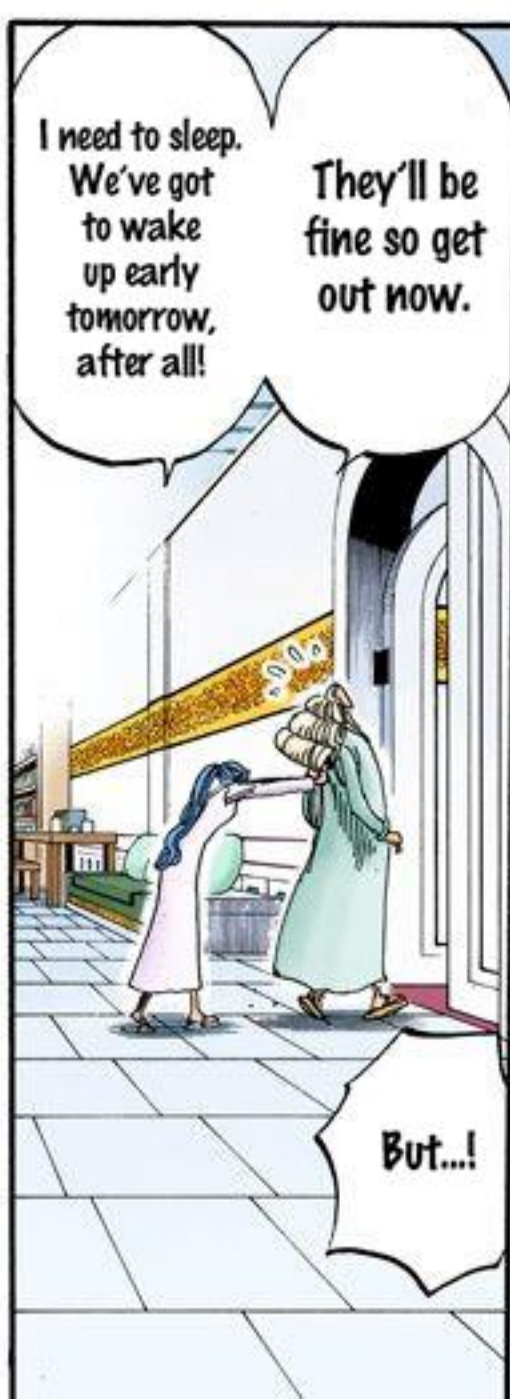

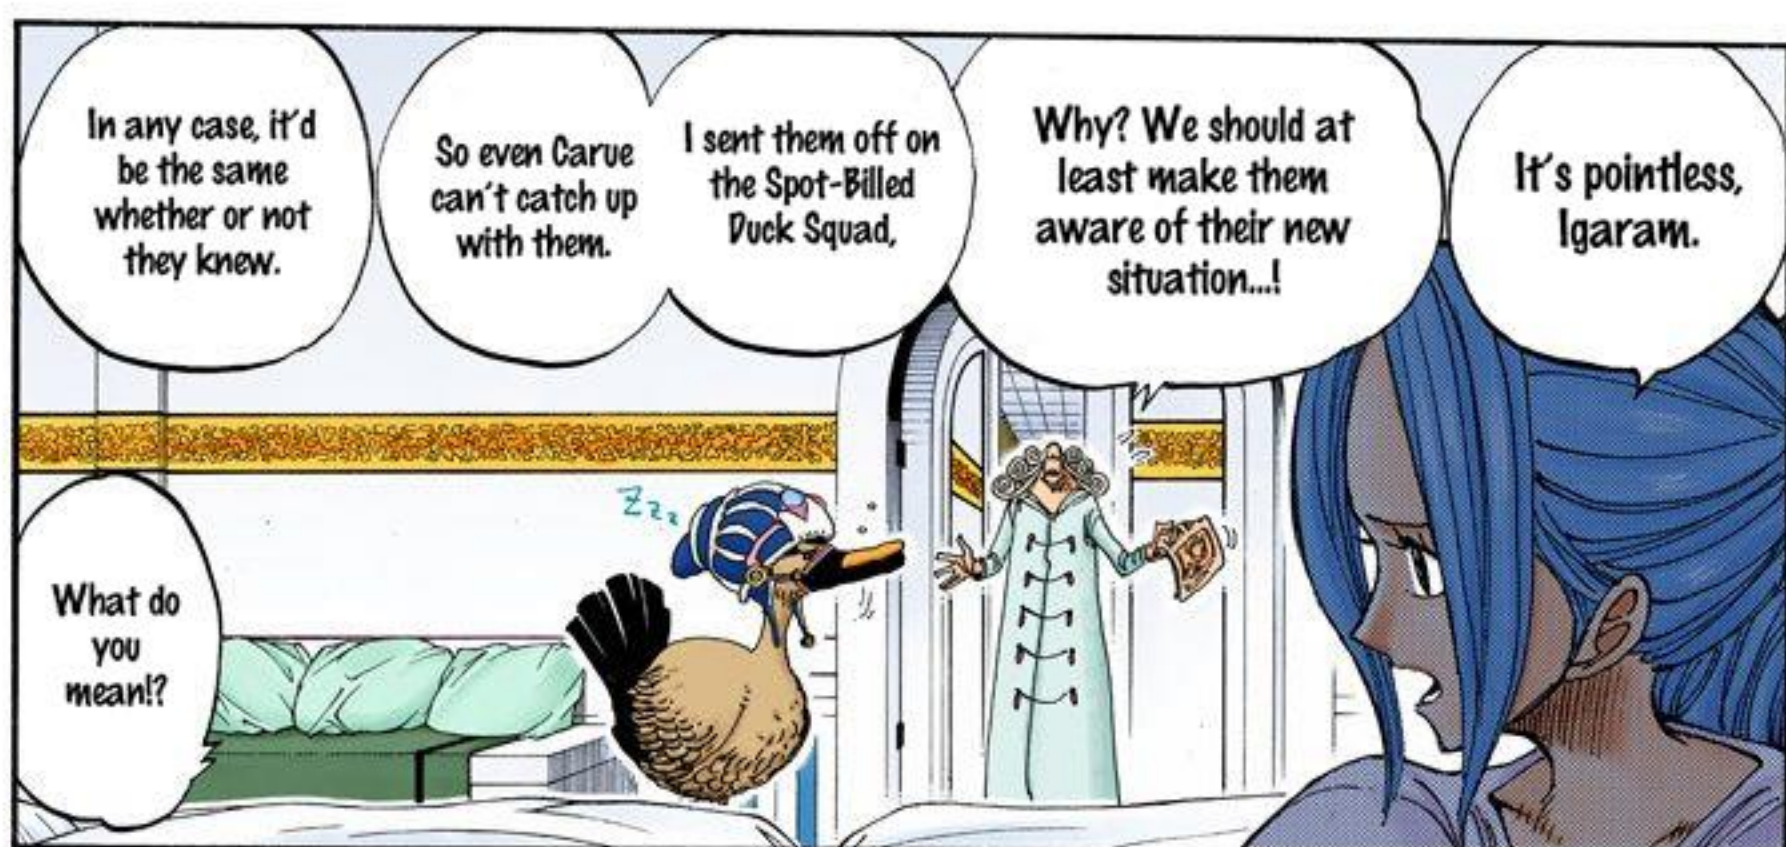

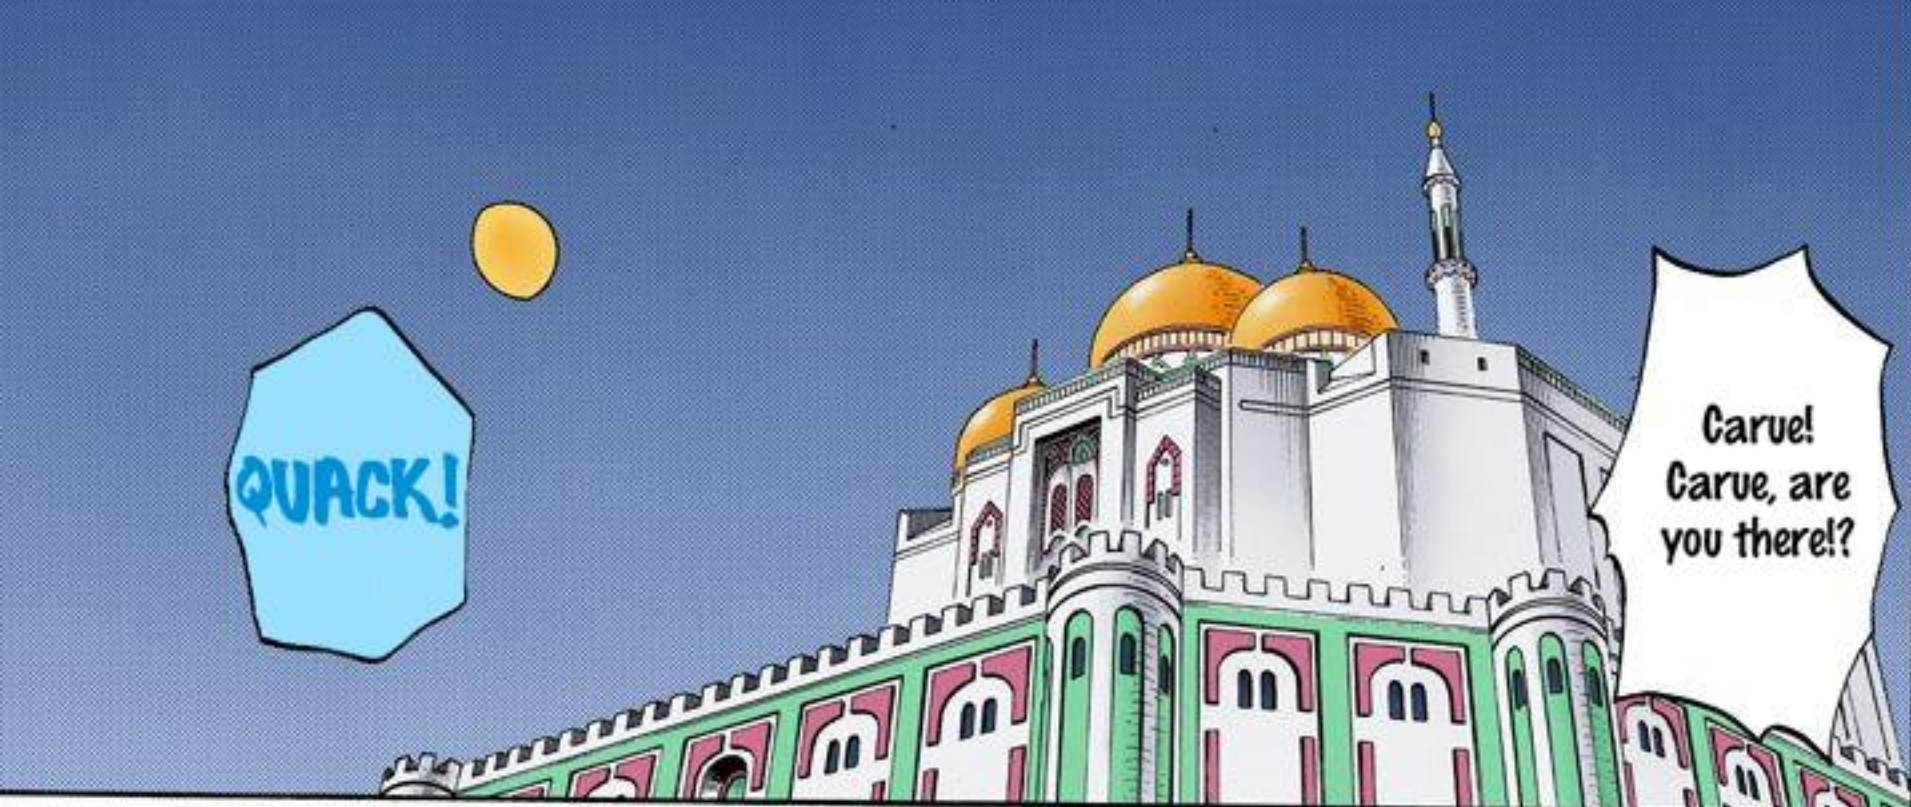

**STOP BEING  
SO DAMN  
MISLEADING,  
NAMI!**

AGHHH!  
USOPP  
FELL OFF!

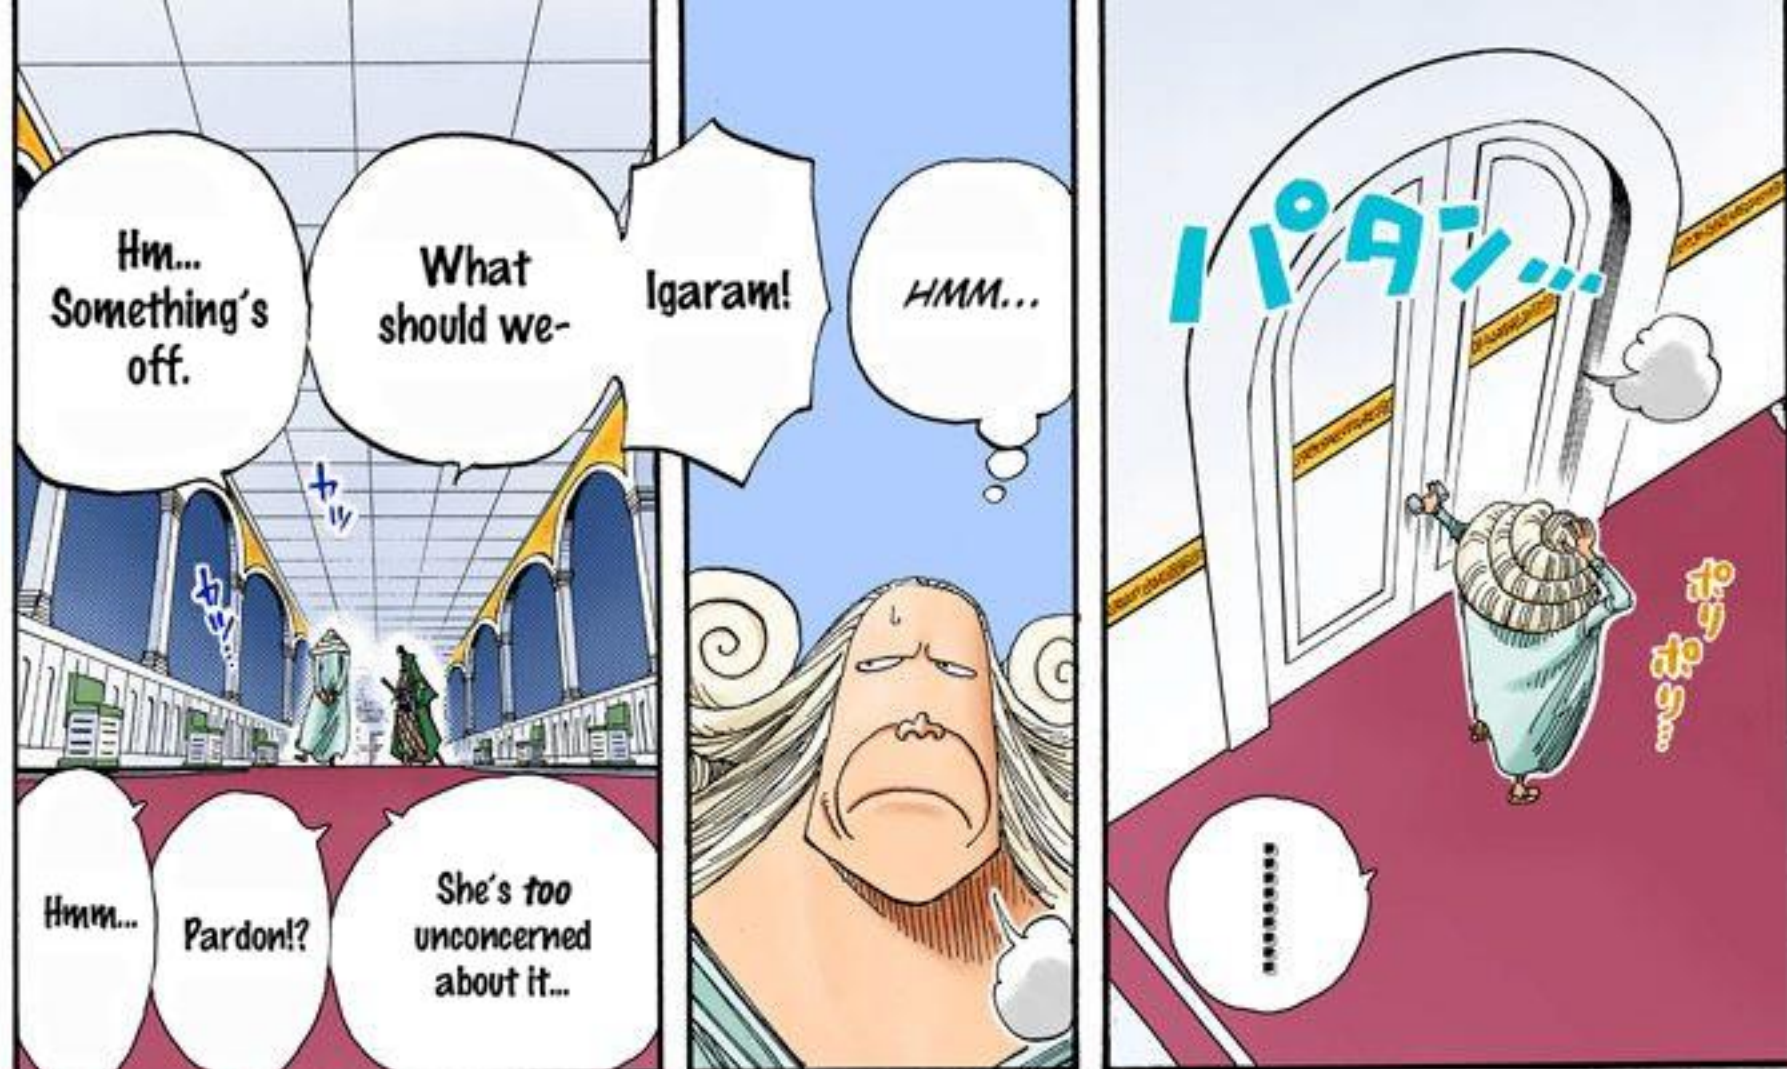

Oh, just leave  
him be...

**IT'S  
YOUR  
FAULT!**

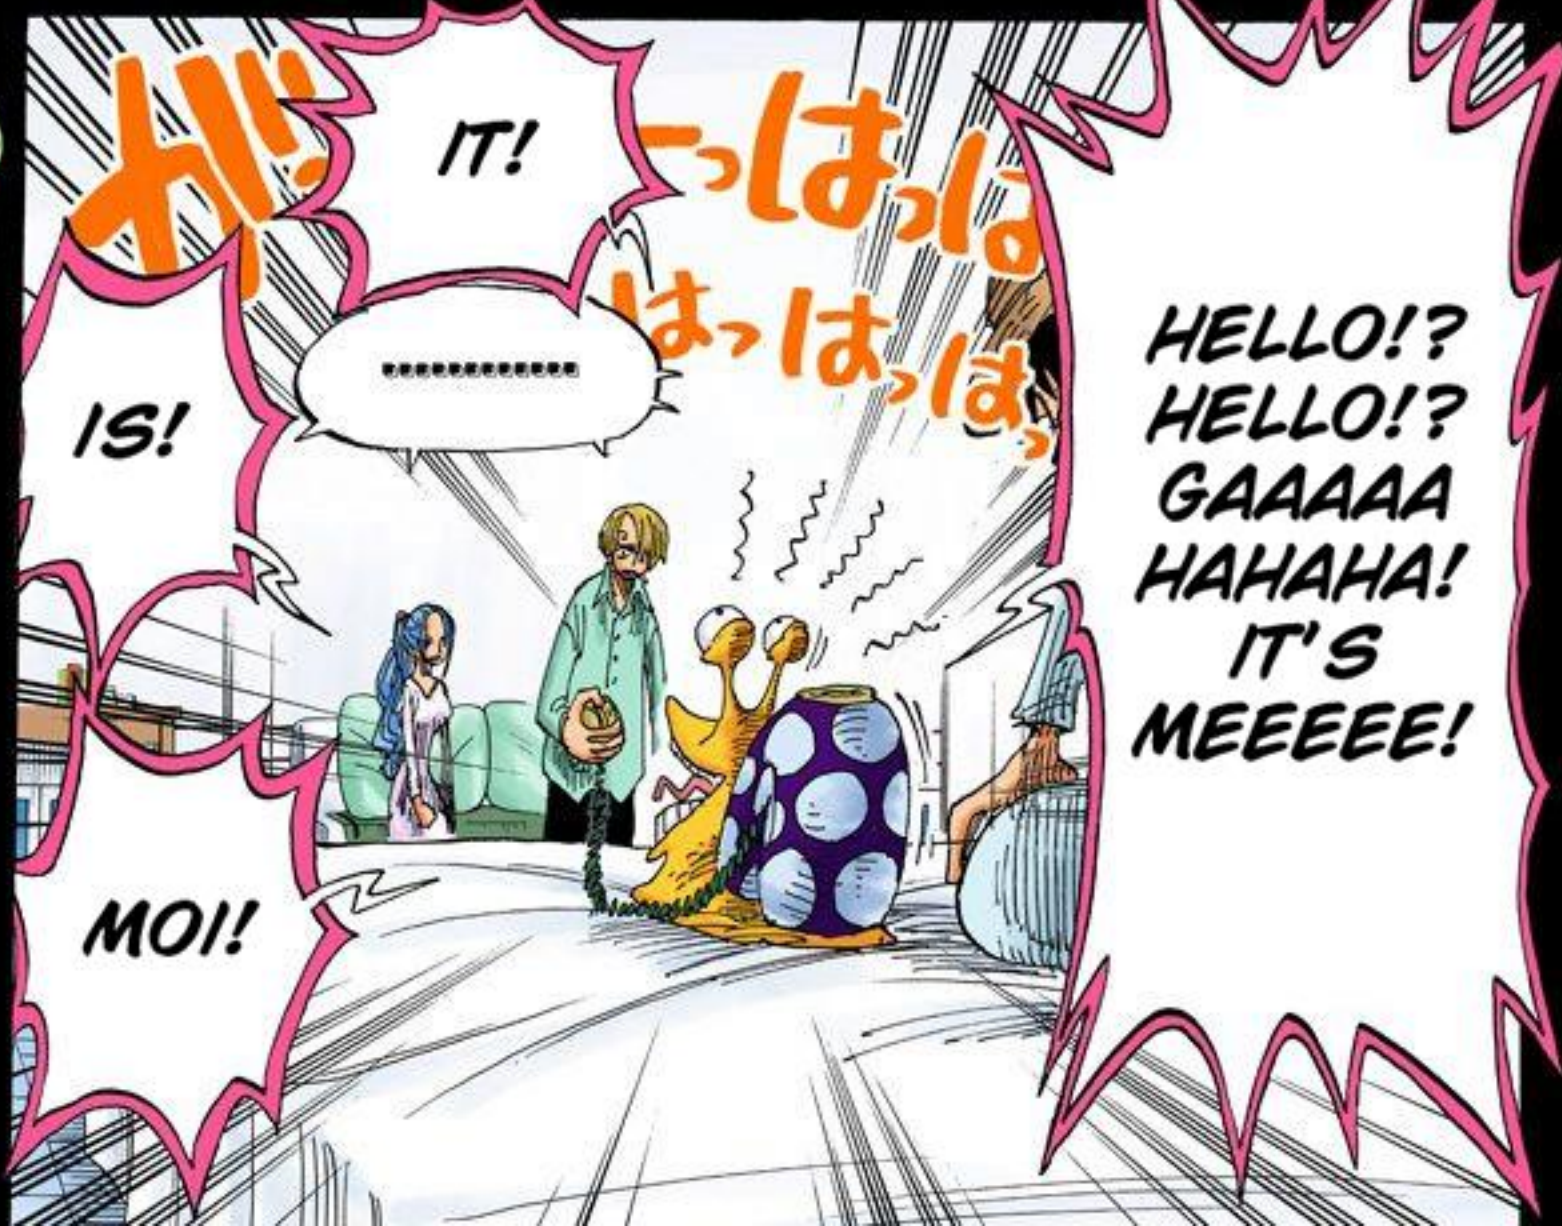

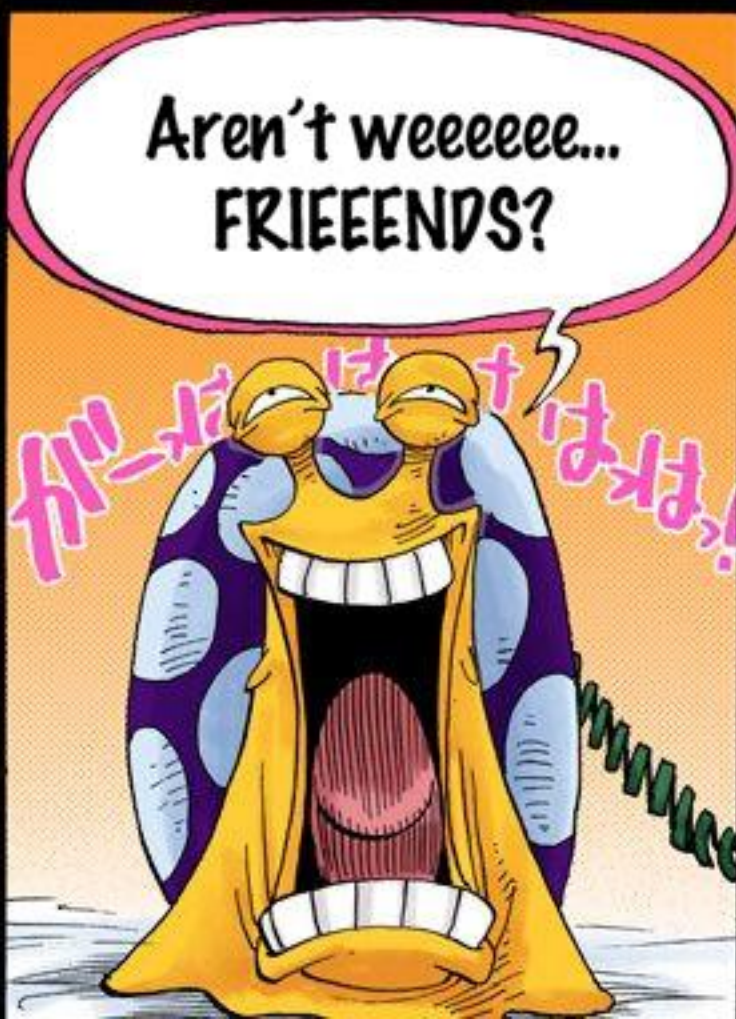

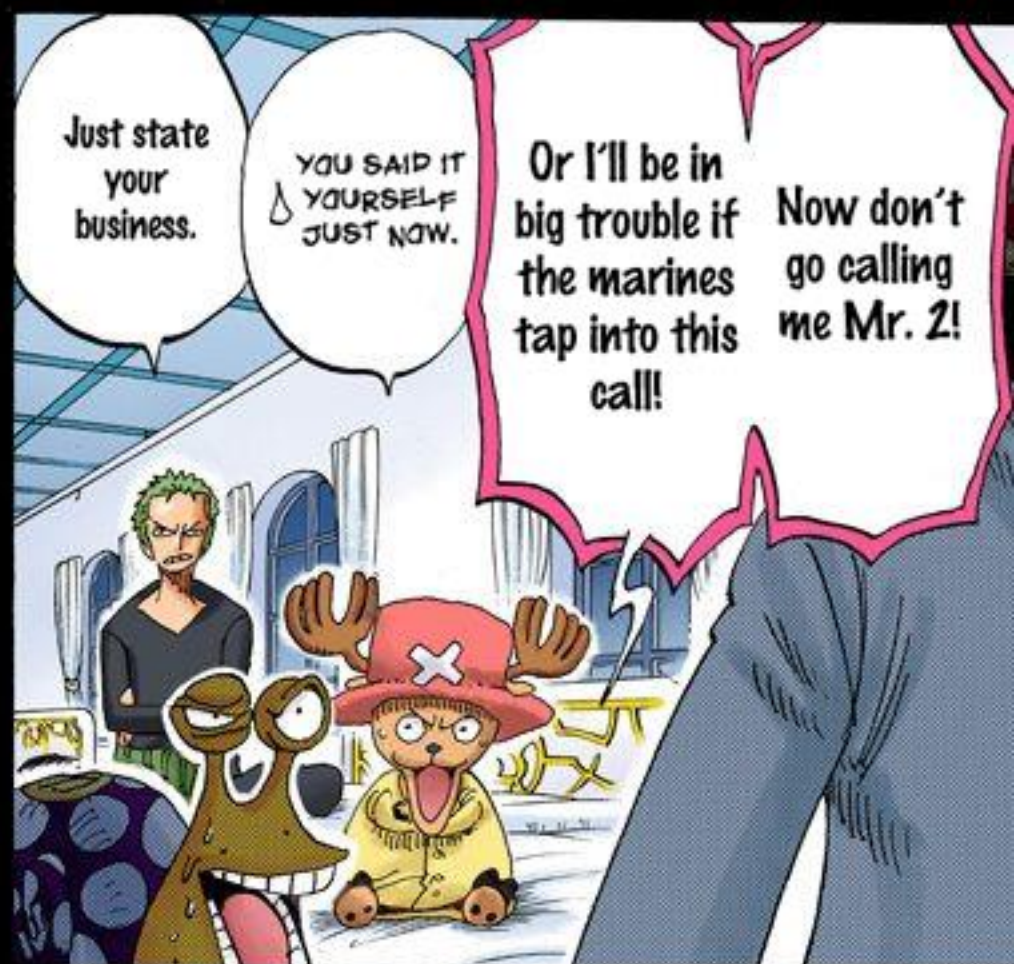

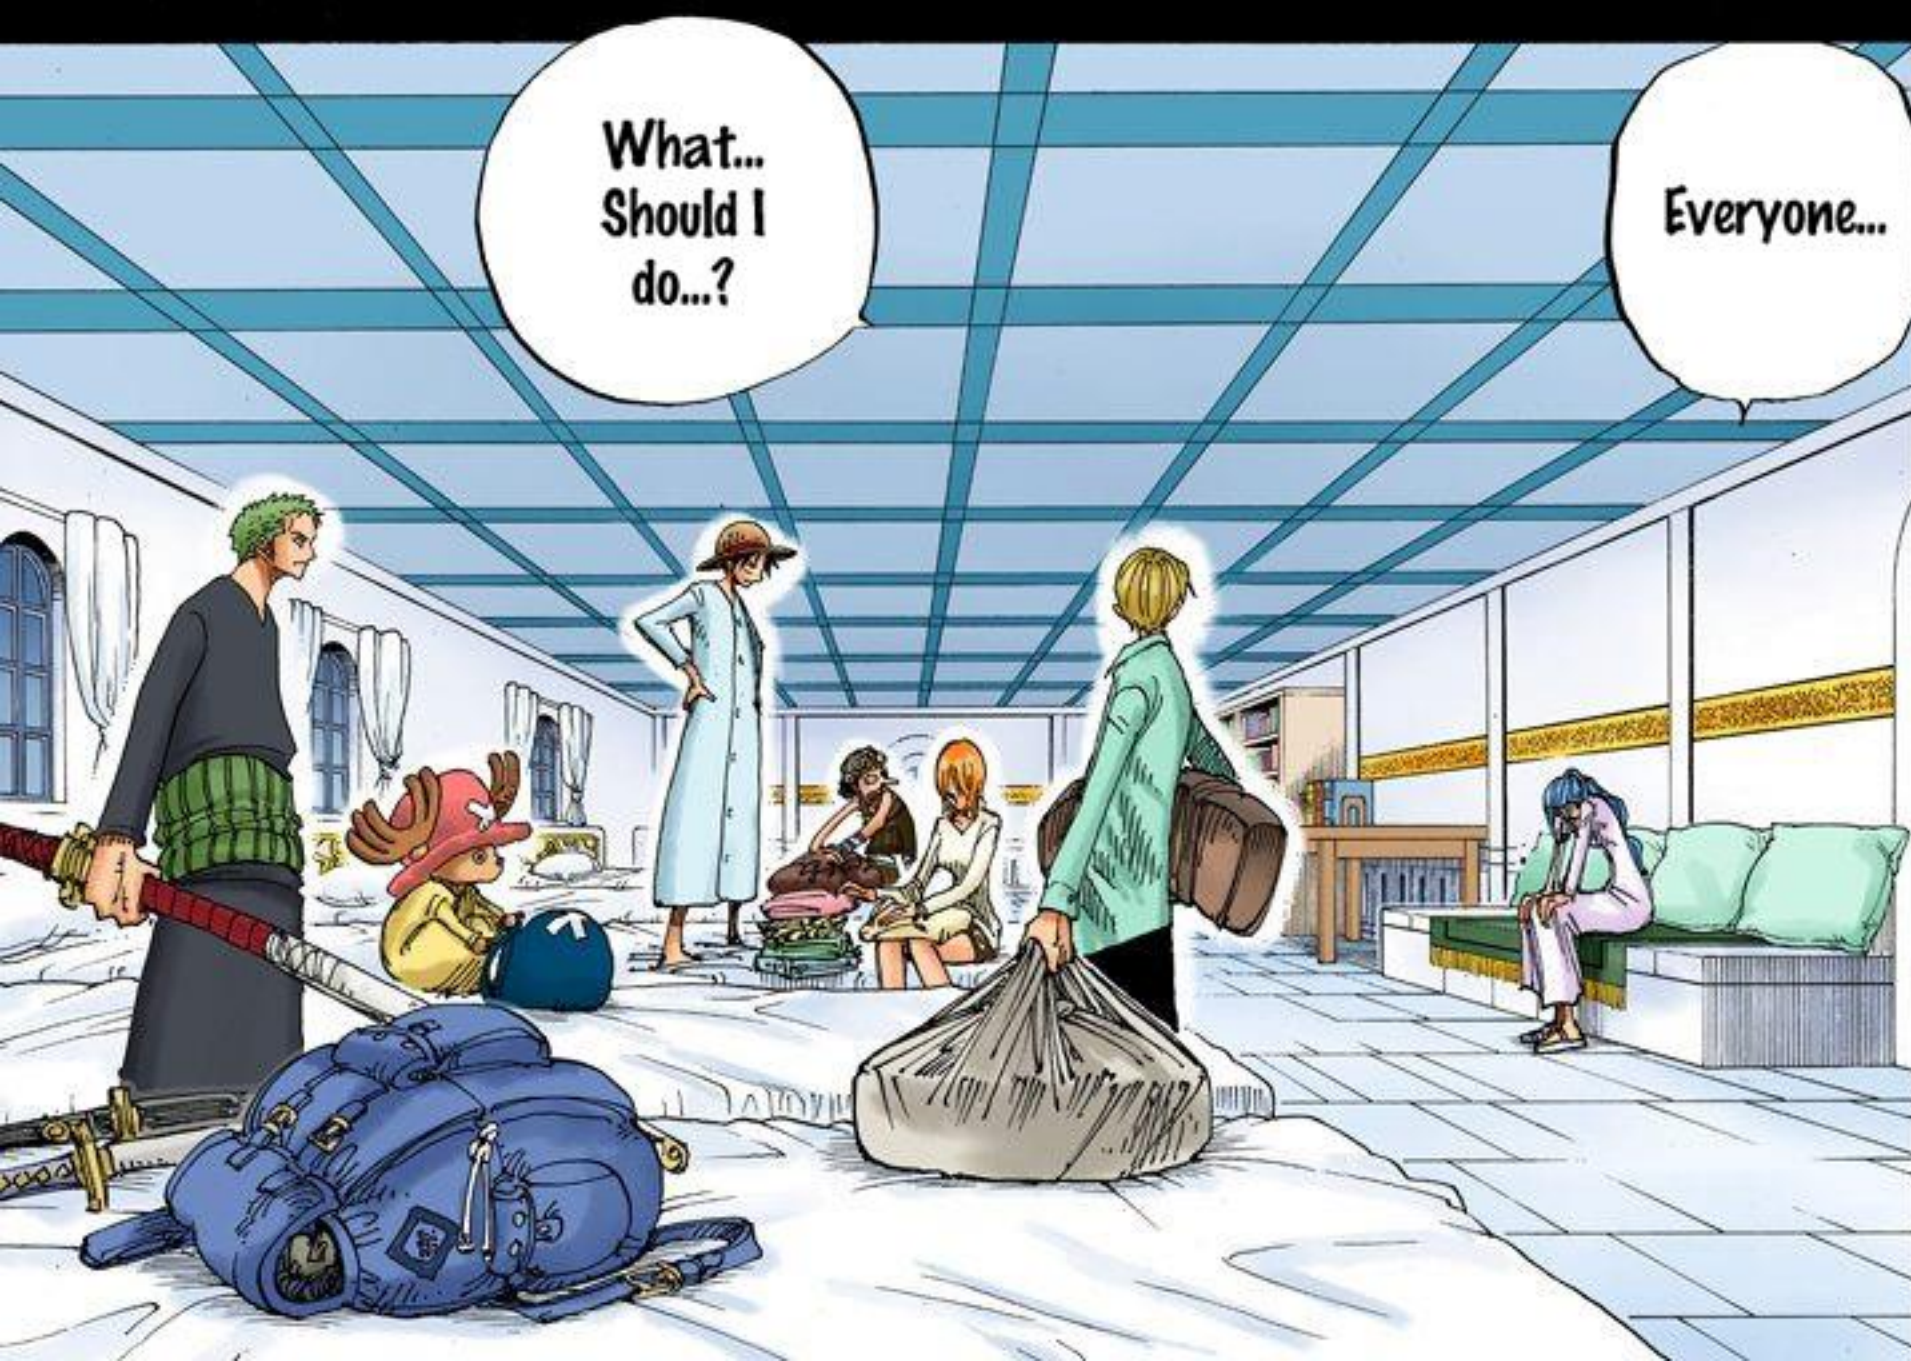

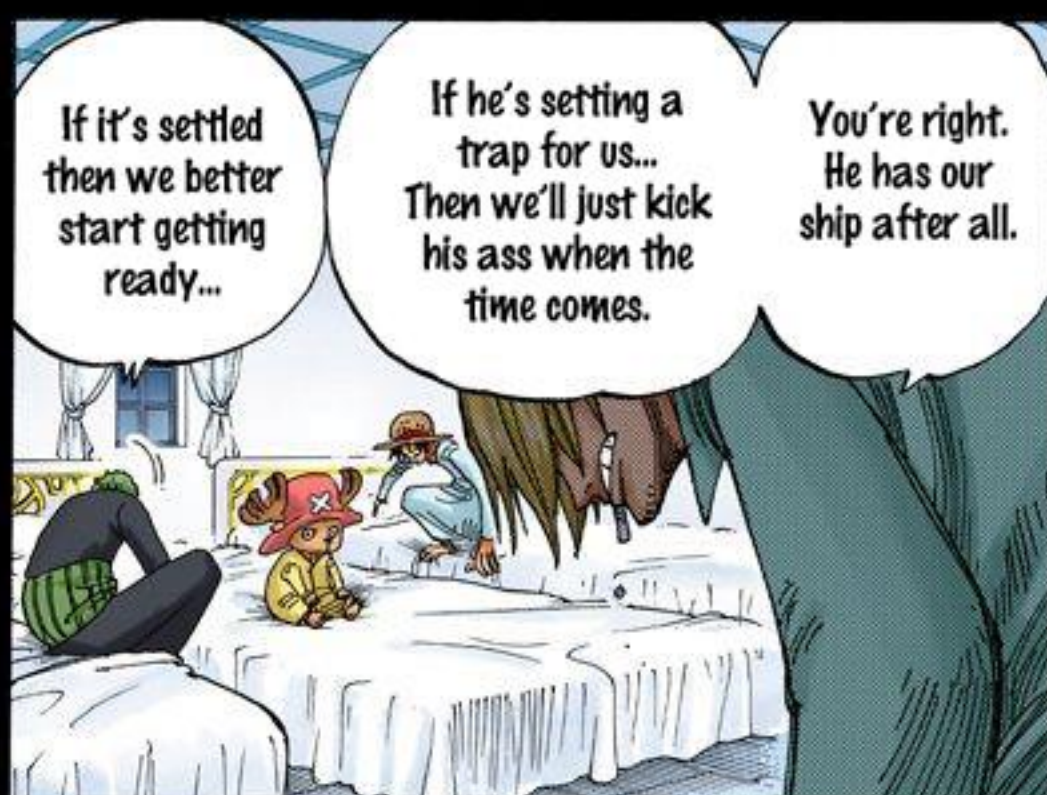

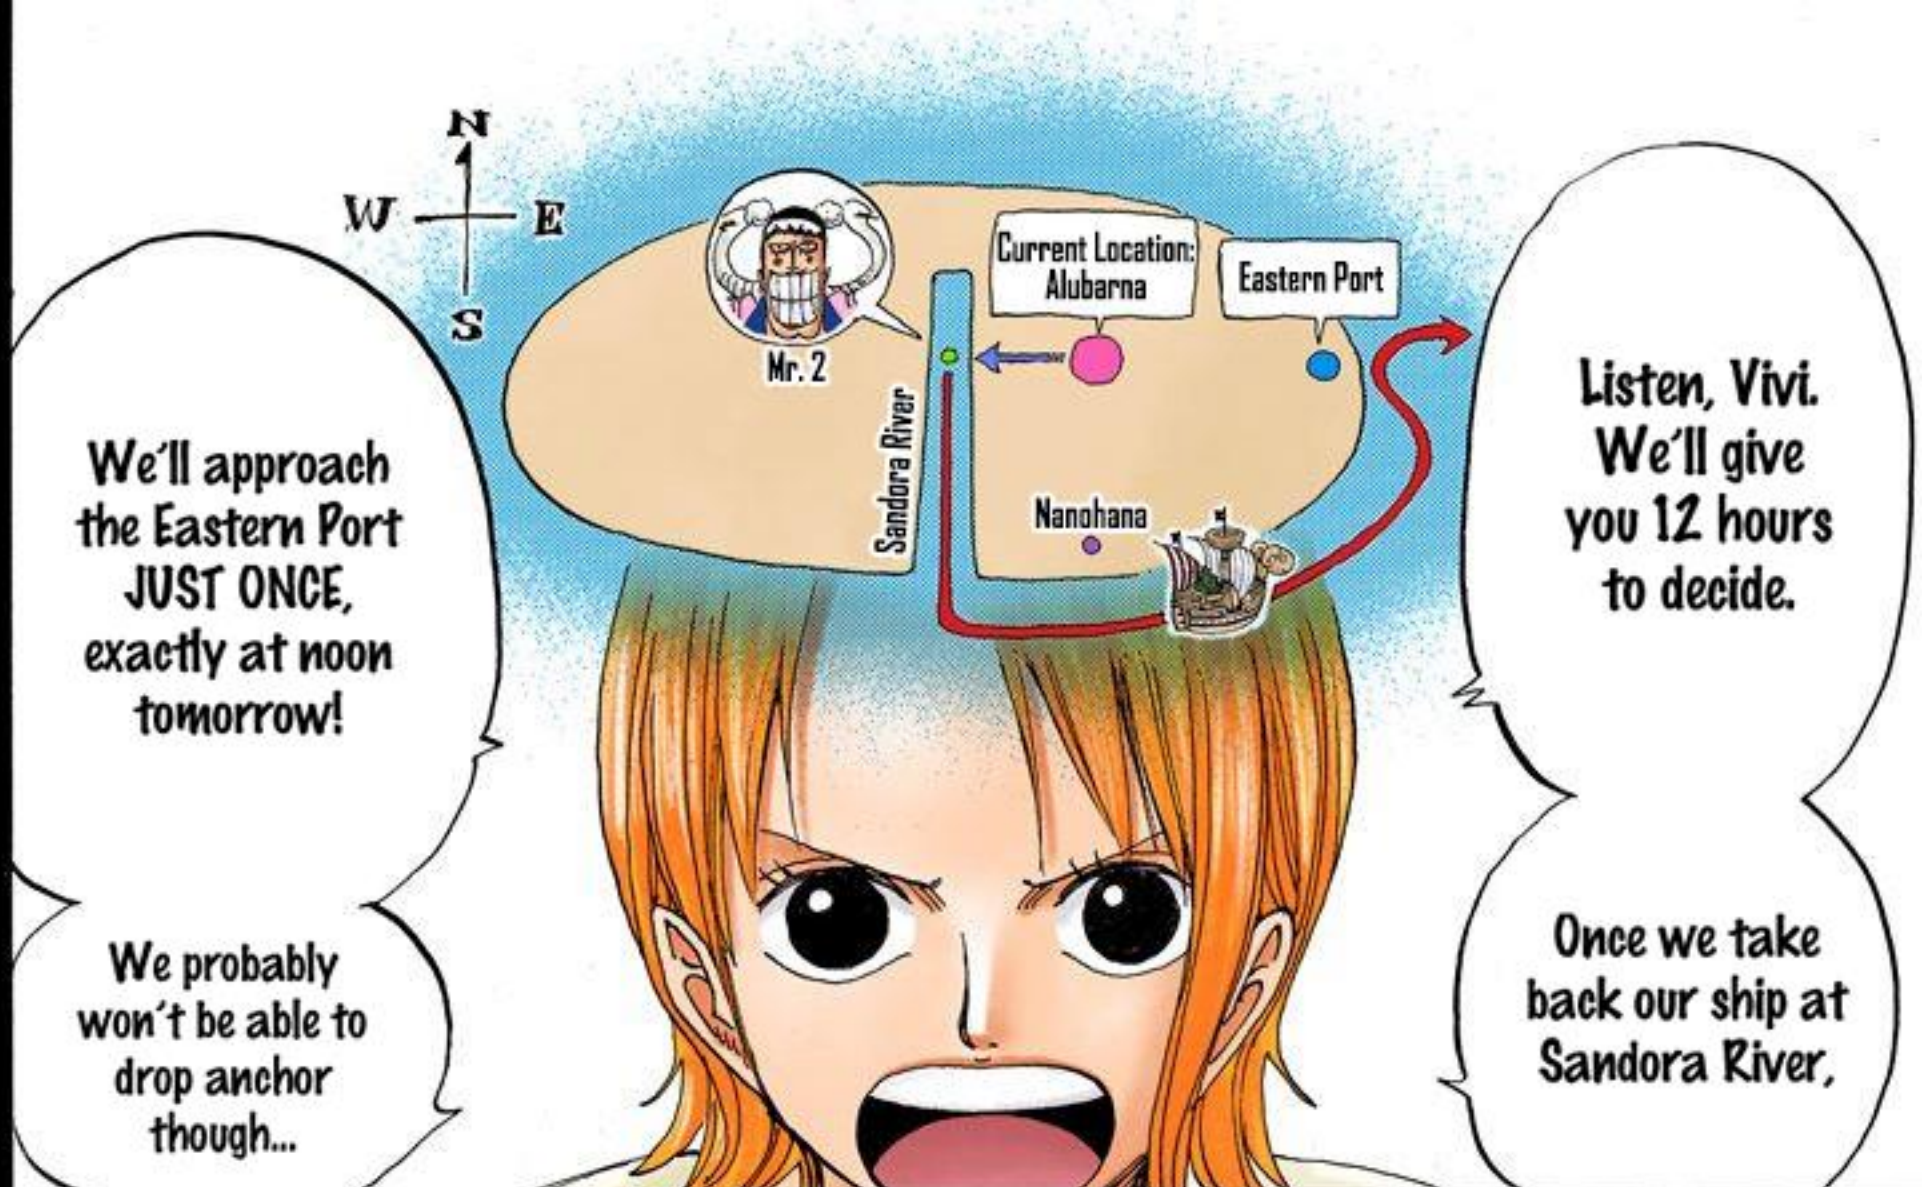

We'll approach  
the Eastern Port  
**JUST ONCE**,  
exactly at noon  
tomorrow!

Listen, Vivi.  
We'll give  
you 12 hours  
to decide.

We probably  
won't be able to  
drop anchor  
though...

Once we take  
back our ship at  
Sandora River,

That'll be your one and only  
chance to get onboard!  
This time, though... We'll  
welcome you as a pirate!

So... If you want  
to continue  
travelling with us,

This isn't  
about that!  
Vivi has to  
decide for  
herself!

What,  
don't you  
guys want  
her to  
come?

**QUIT IT,  
LUFFY!**

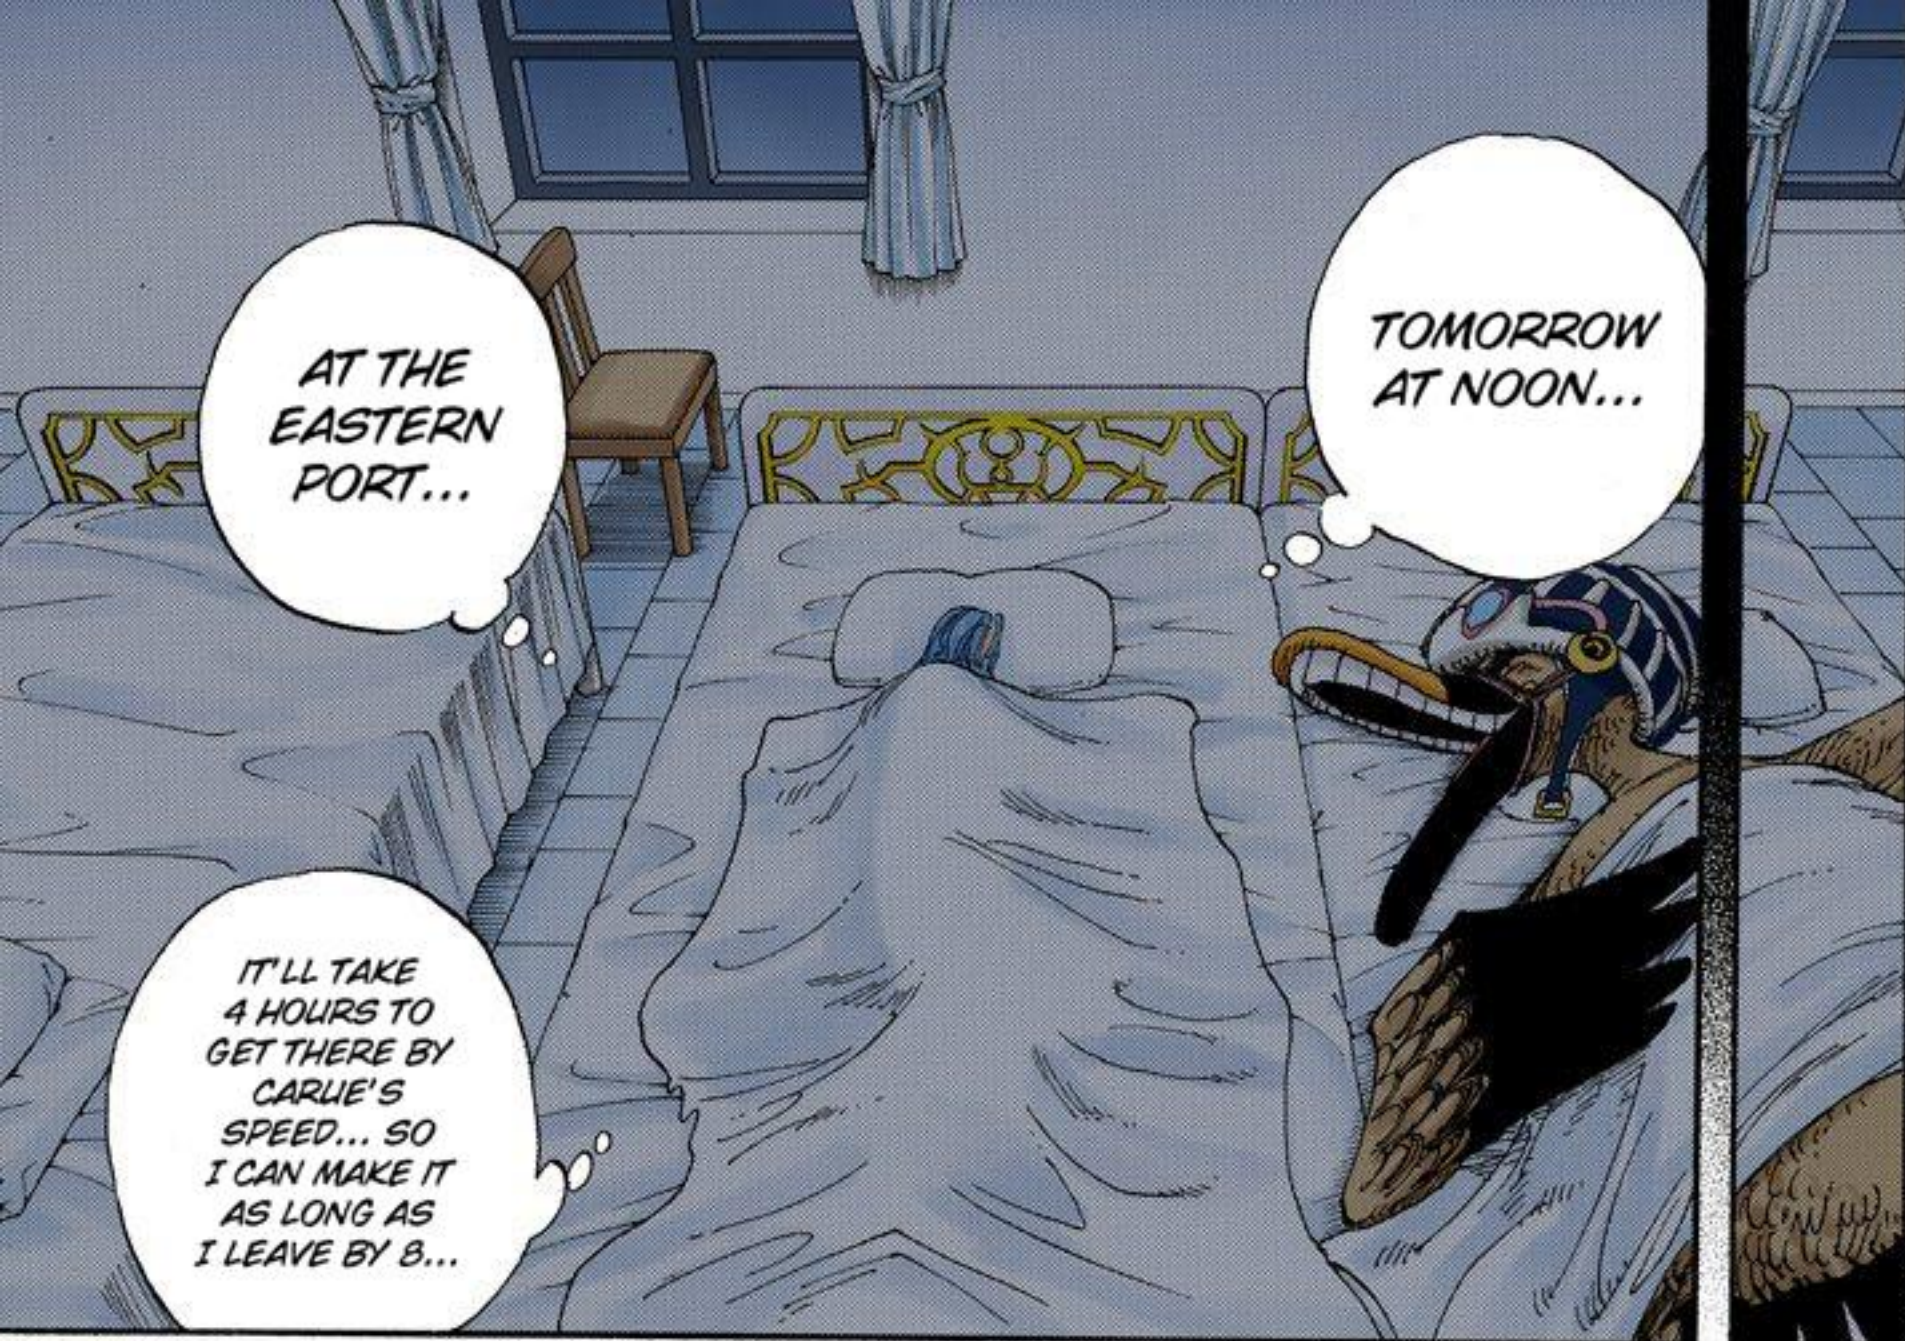

**YOU BETTER  
COME! NO,  
JUST COME  
RIGHT NOW!**

**COME  
WITH US,  
VIVI!**

Since you're the princess  
of a country, we won't  
push you to come along.

We're  
off then.

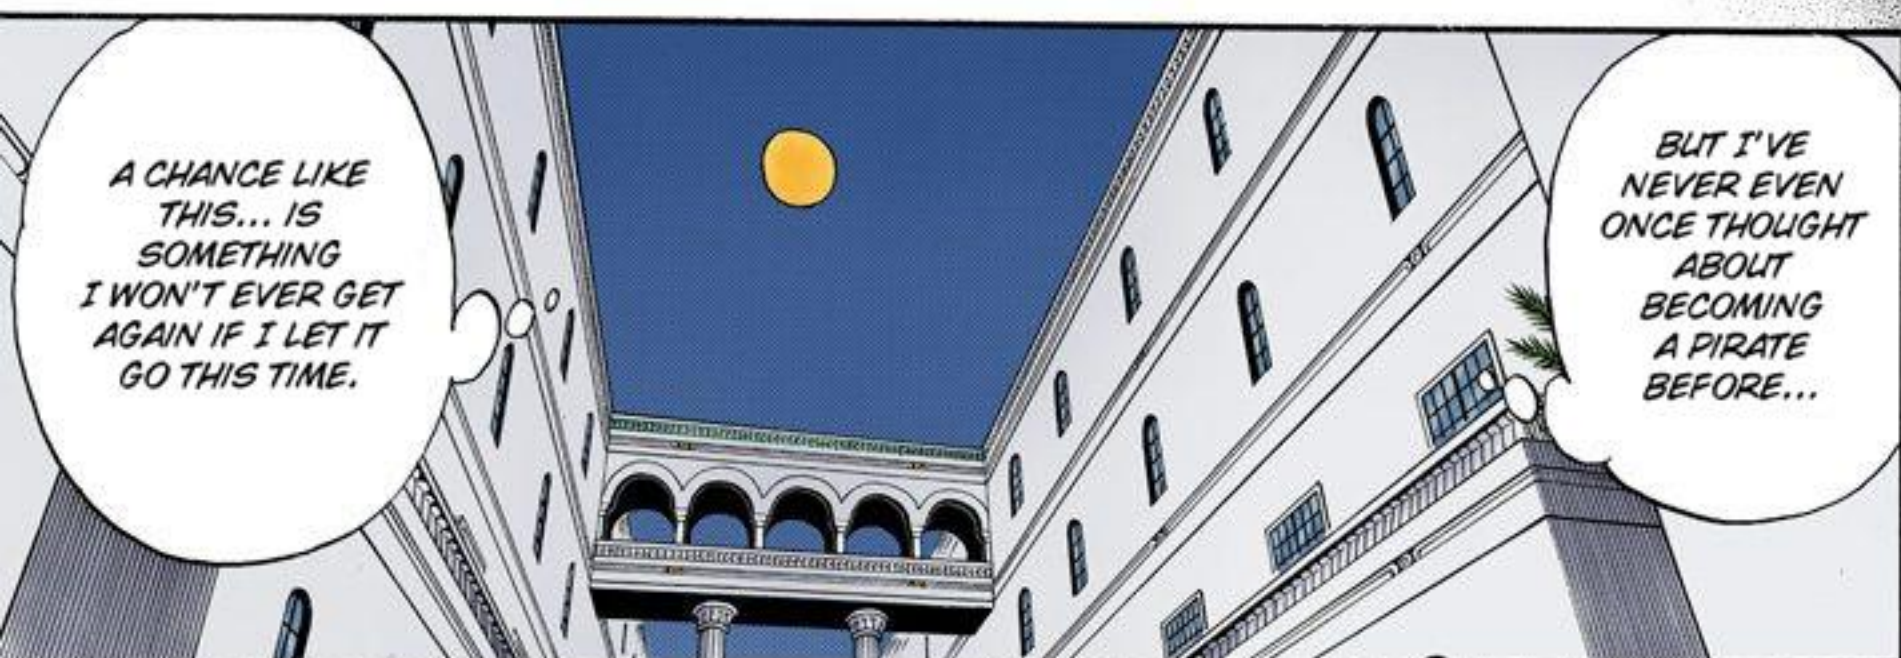

AT THE  
EASTERN  
PORT...

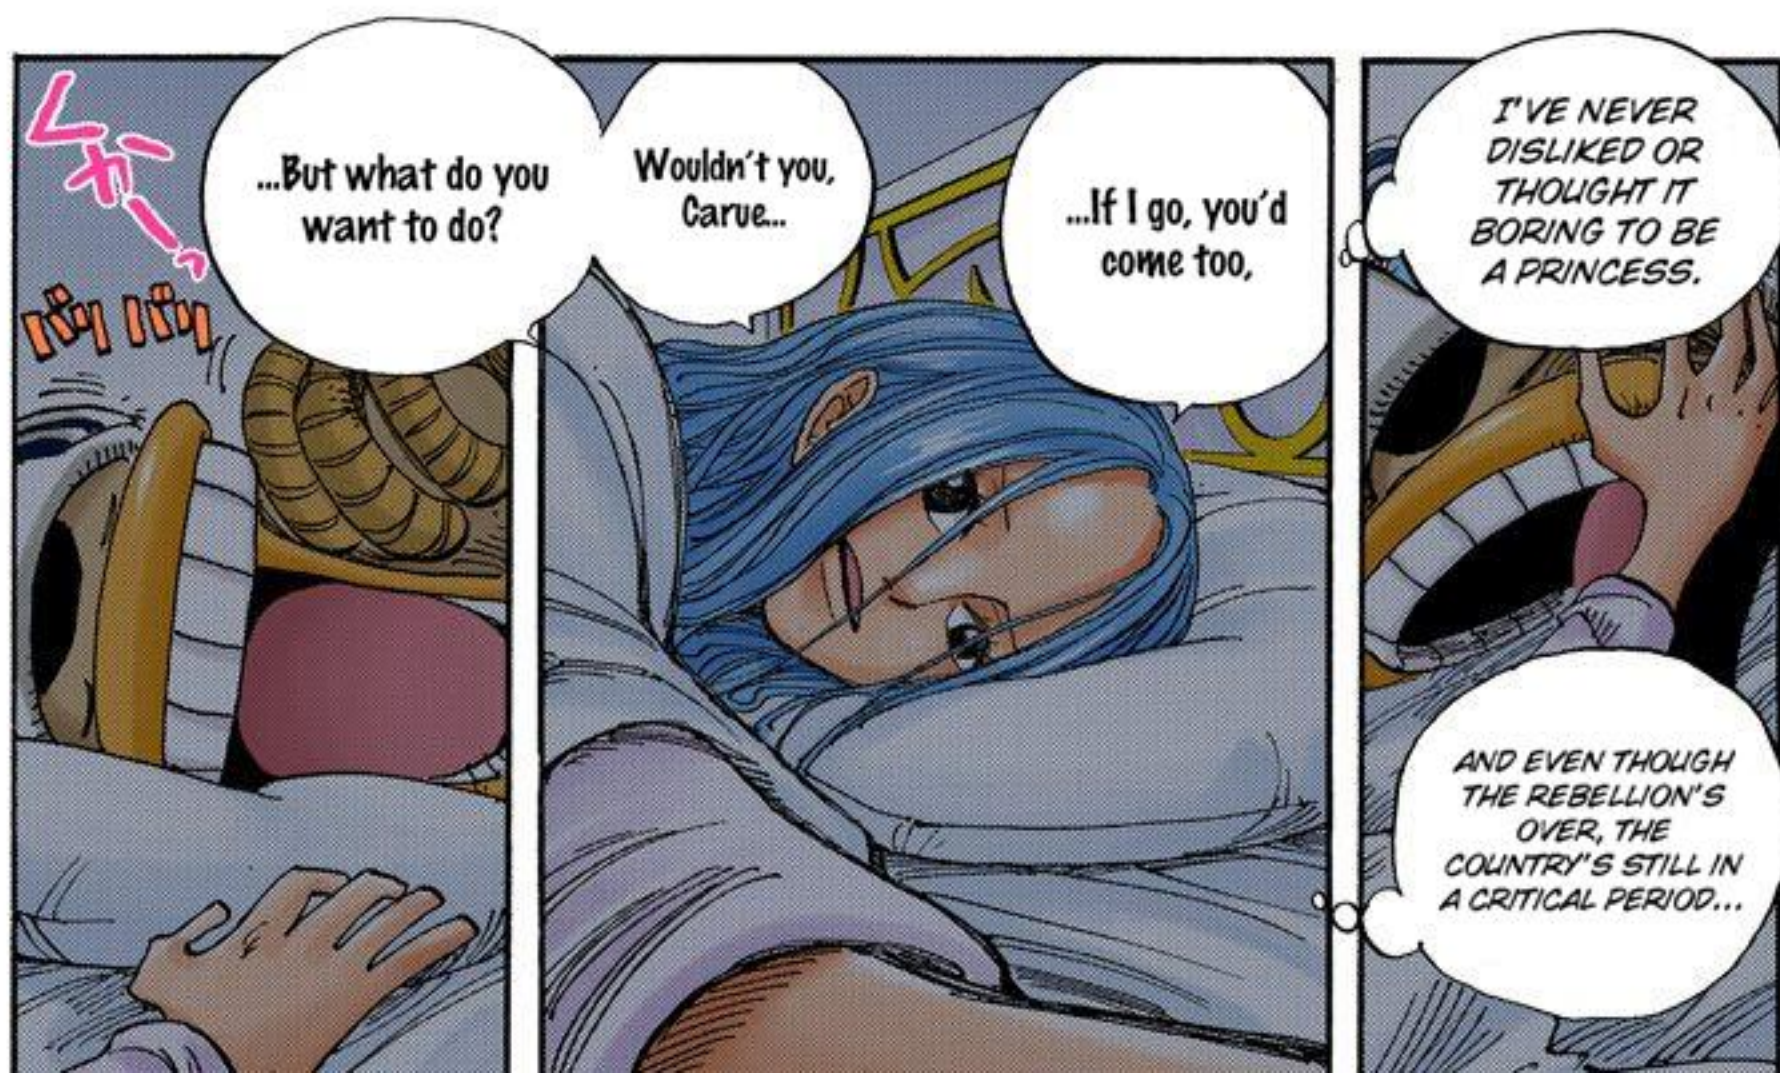

TOMORROW  
AT NOON...

IT'LL TAKE  
4 HOURS TO  
GET THERE BY  
CARUE'S  
SPEED... SO  
I CAN MAKE IT  
AS LONG AS  
I LEAVE BY 8...

A CHANCE LIKE  
THIS... IS  
SOMETHING  
I WON'T EVER GET  
AGAIN IF I LET IT  
GO THIS TIME.

BUT I'VE  
NEVER EVEN  
ONCE THOUGHT  
ABOUT  
BECOMING  
A PIRATE  
BEFORE...

...But what do you  
want to do?

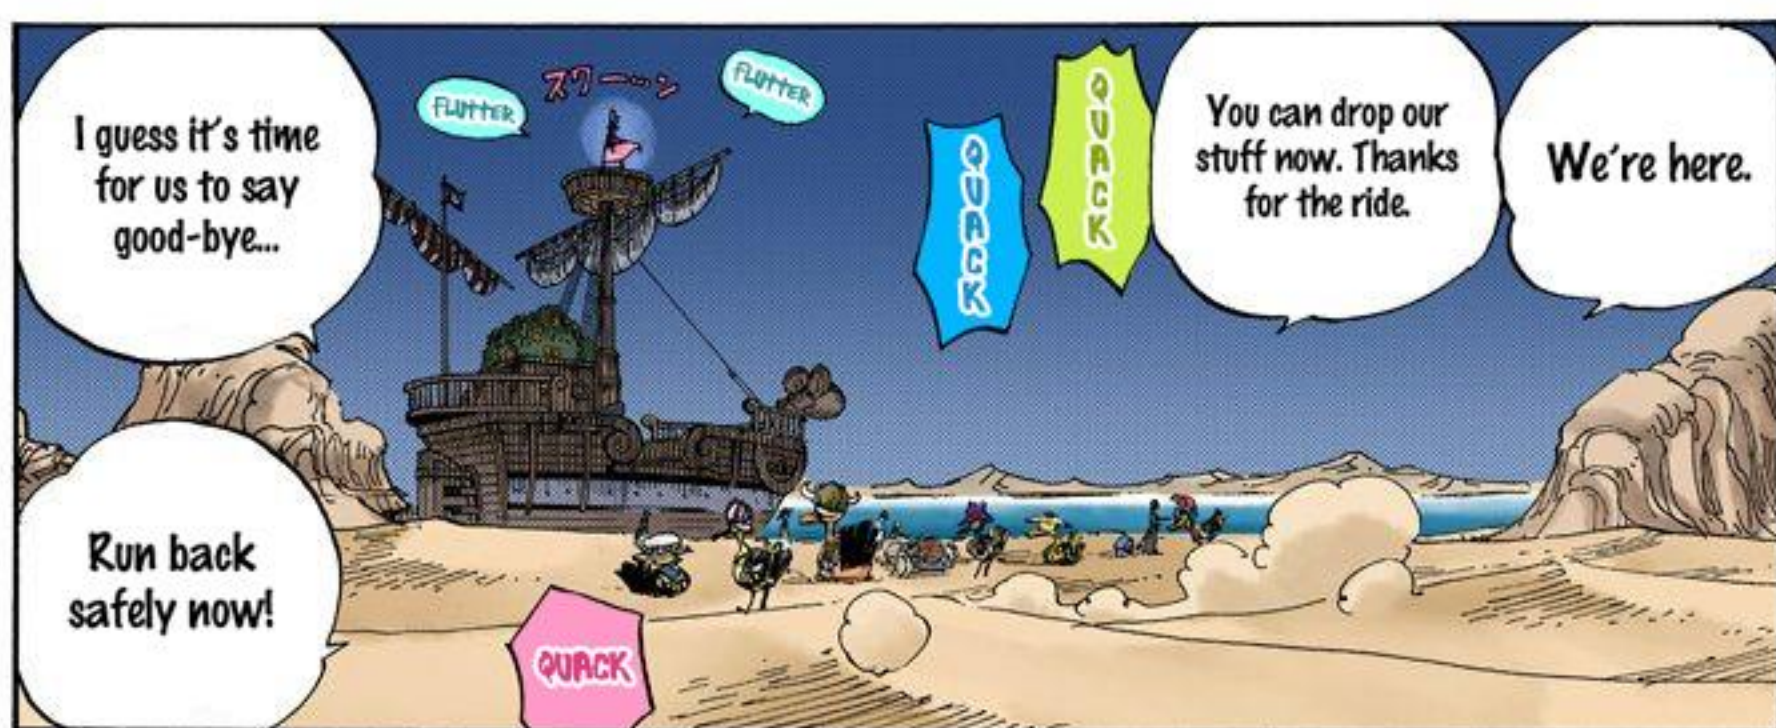

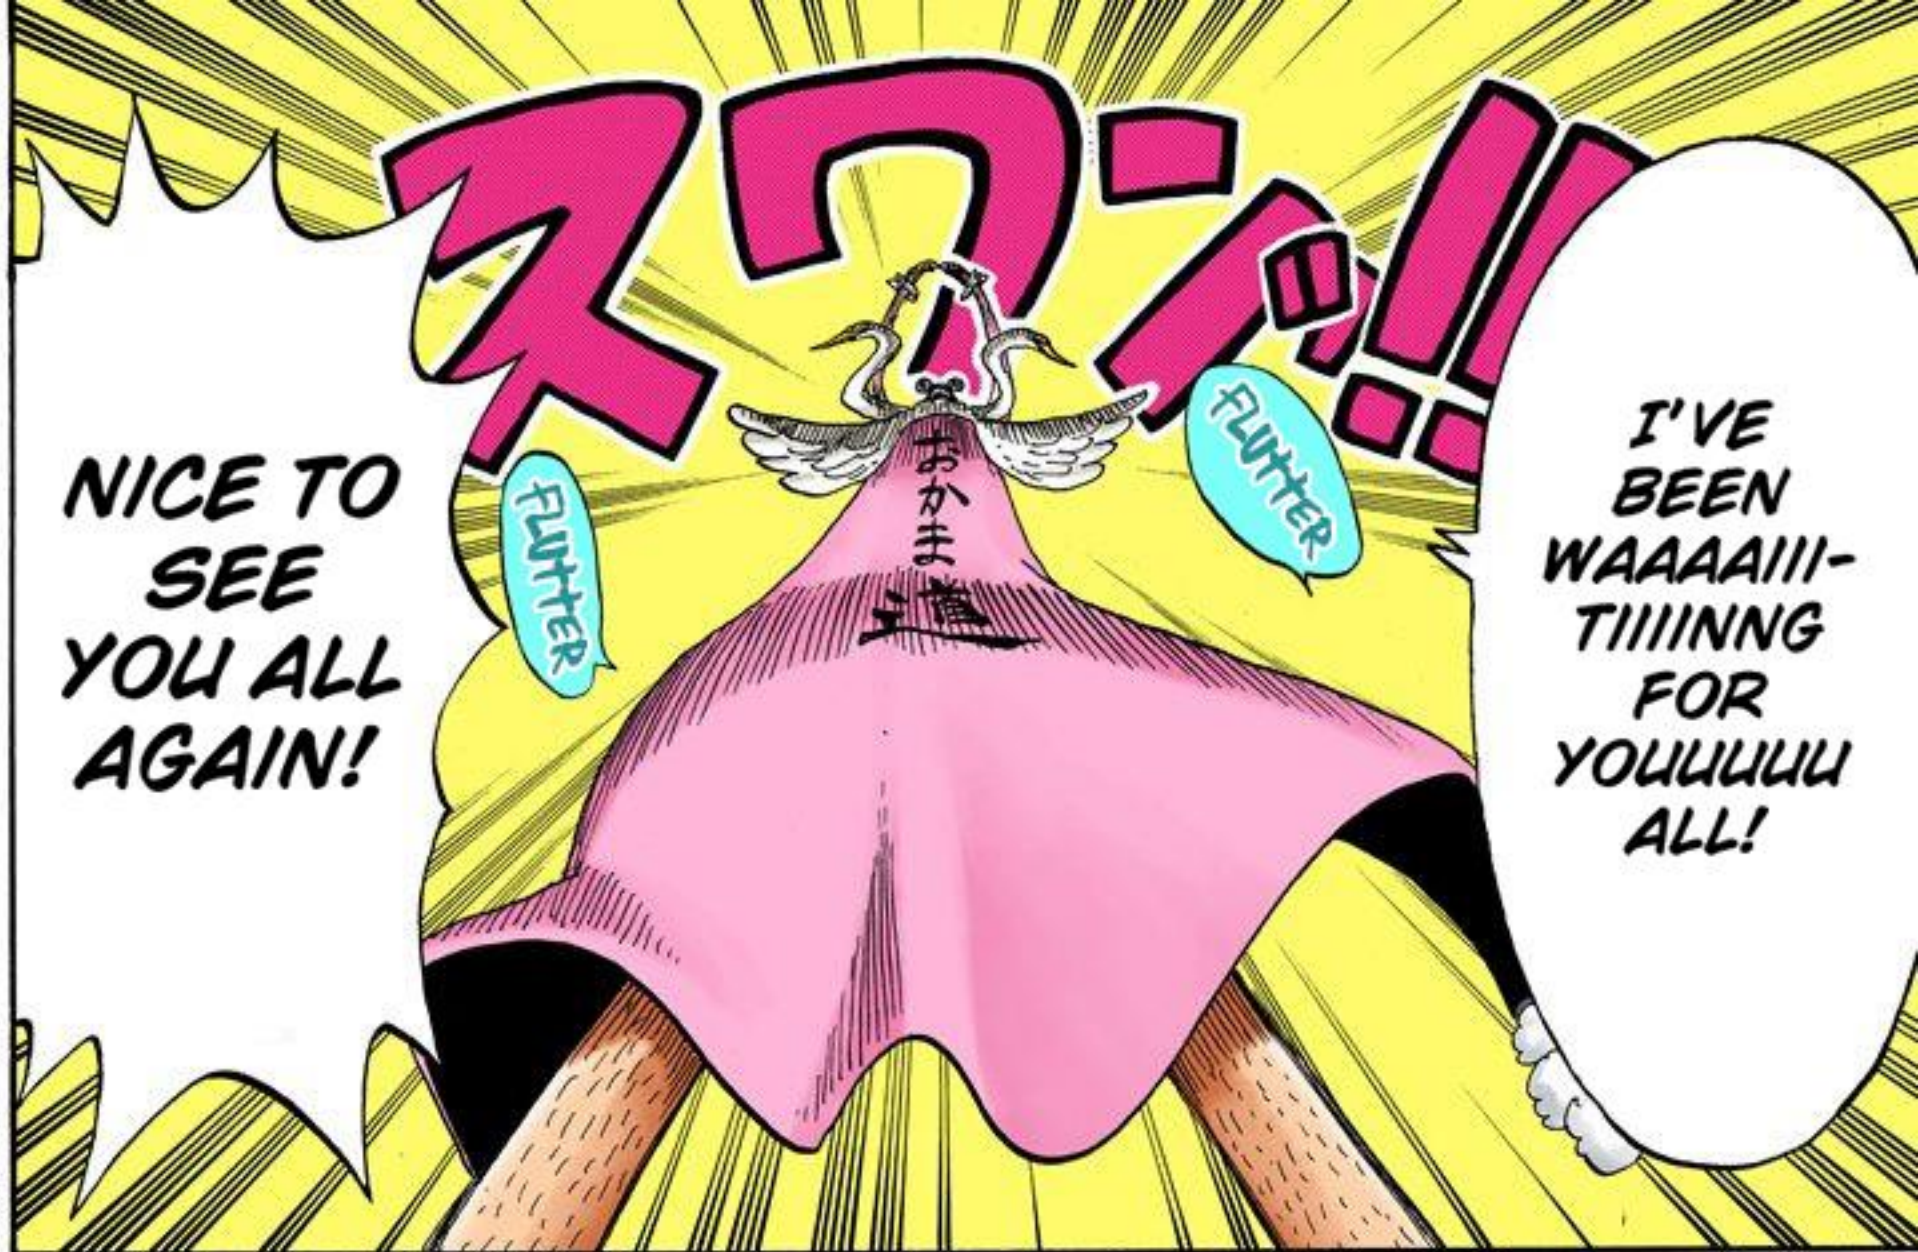

Wouldn't you,  
Carue...

...If I go, you'd  
come too,

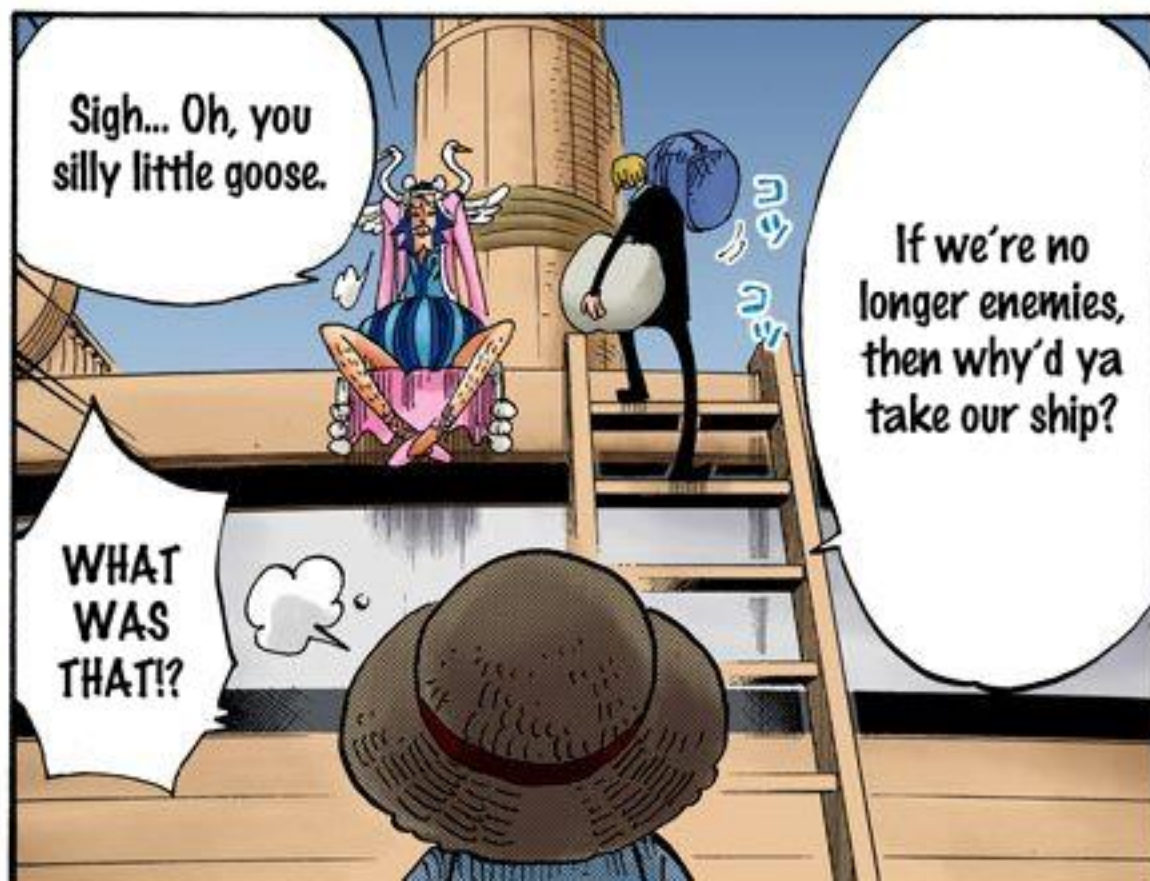

I'VE NEVER  
DISLIKED OR  
THOUGHT IT  
BORING TO BE  
A PRINCESS.

AND EVEN THOUGH  
THE REBELLION'S  
OVER, THE  
COUNTRY'S STILL IN  
A CRITICAL PERIOD...

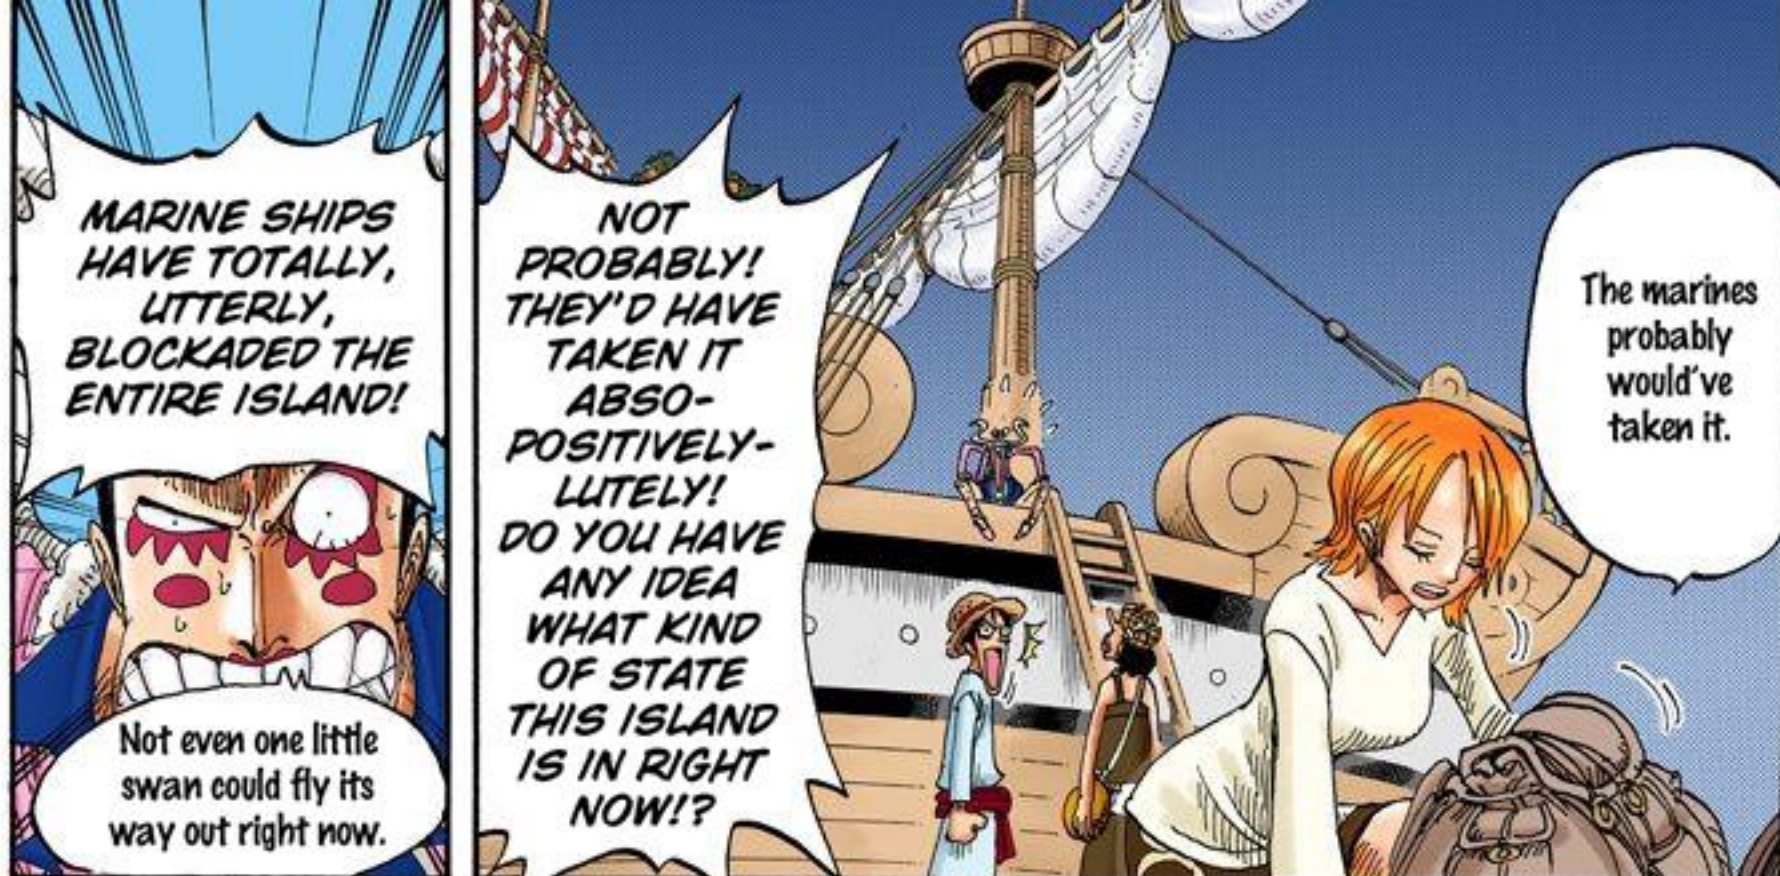

WHEN WE  
THE PEOPLE  
MUST BAND  
UNDER THE  
NAME OF  
FRIENDSHIP  
AND FIGHT  
TOGETHER!

オオオオオ

THAT'S  
RIGHT! IT'S  
TIMES LIKE  
THESE...!  
IT'S ERAS  
LIKE THESE  
WE LIVE  
IN...

SINCE WHEN THE  
HELL WERE YOU  
ALL HERE!?

Welp, we're  
countin' on  
y'all then.

うおお おおお

...Oh jeez.

HELL YEAAAAHHH!

おお おおお

PREPARE  
FOR  
BATTLE.

BITE

It's at the  
upper  
reaches  
of the  
Sandora  
River!

Miss Hina!  
We've  
located  
their ship!

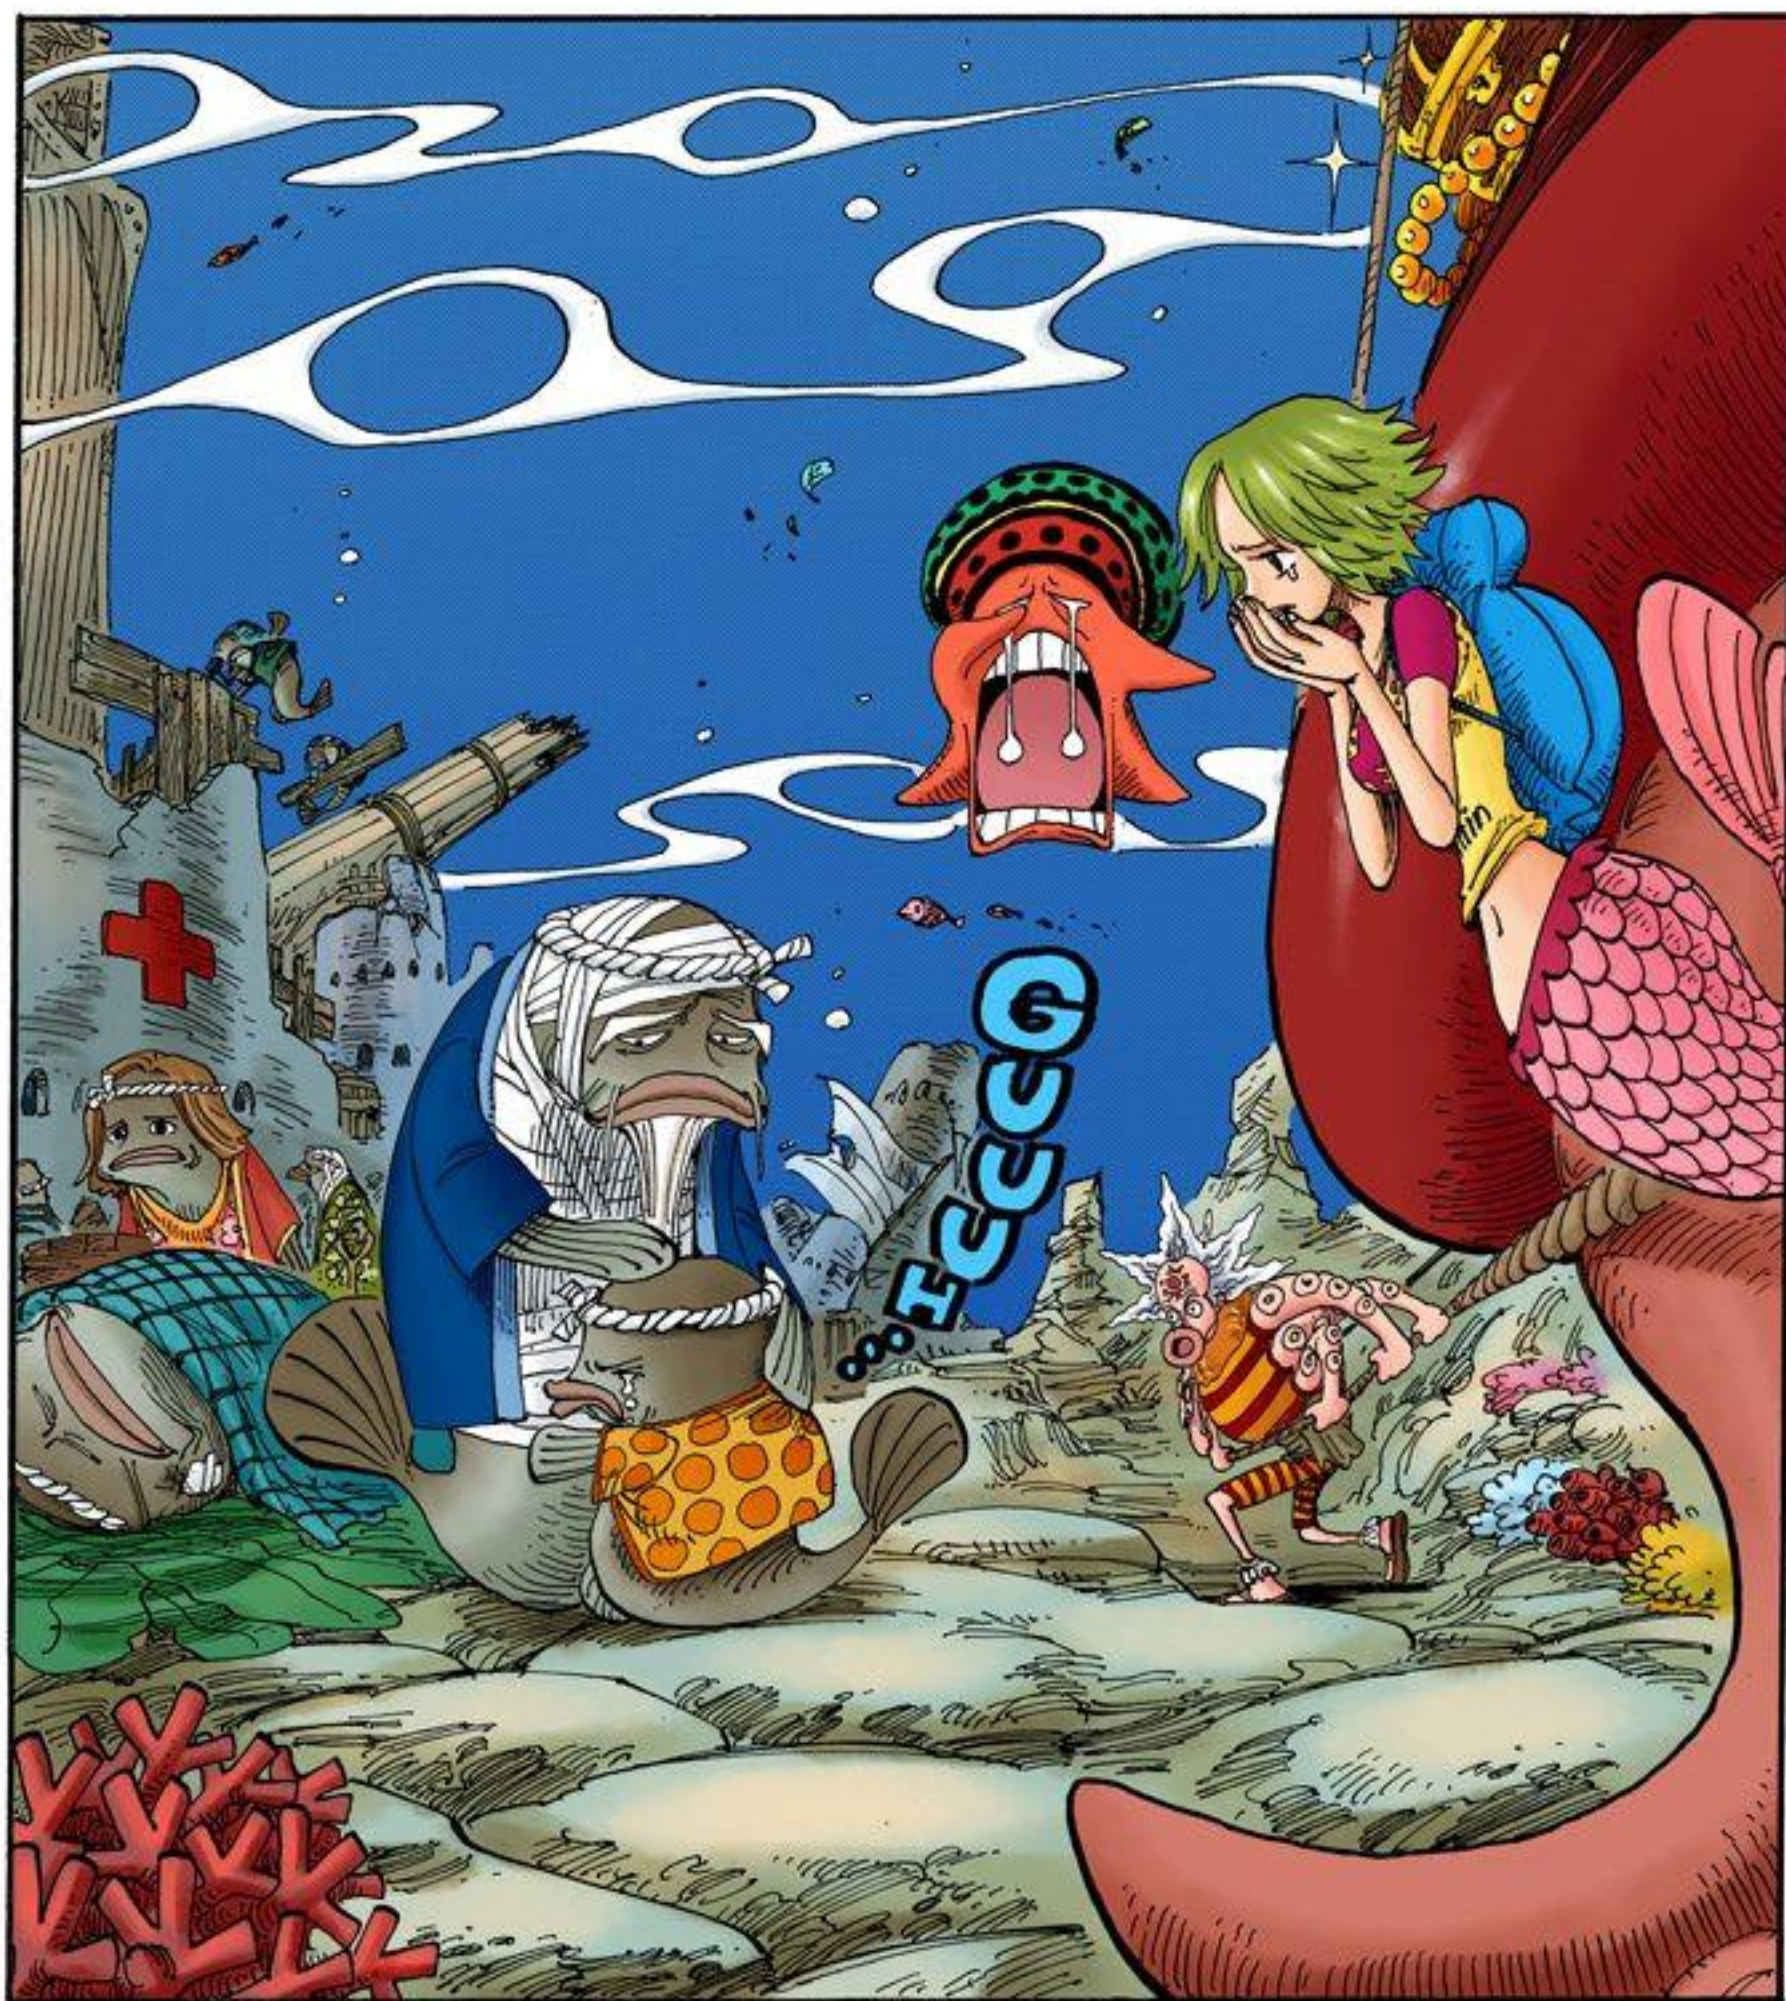

# Chapter 215

## “Last Waltz”

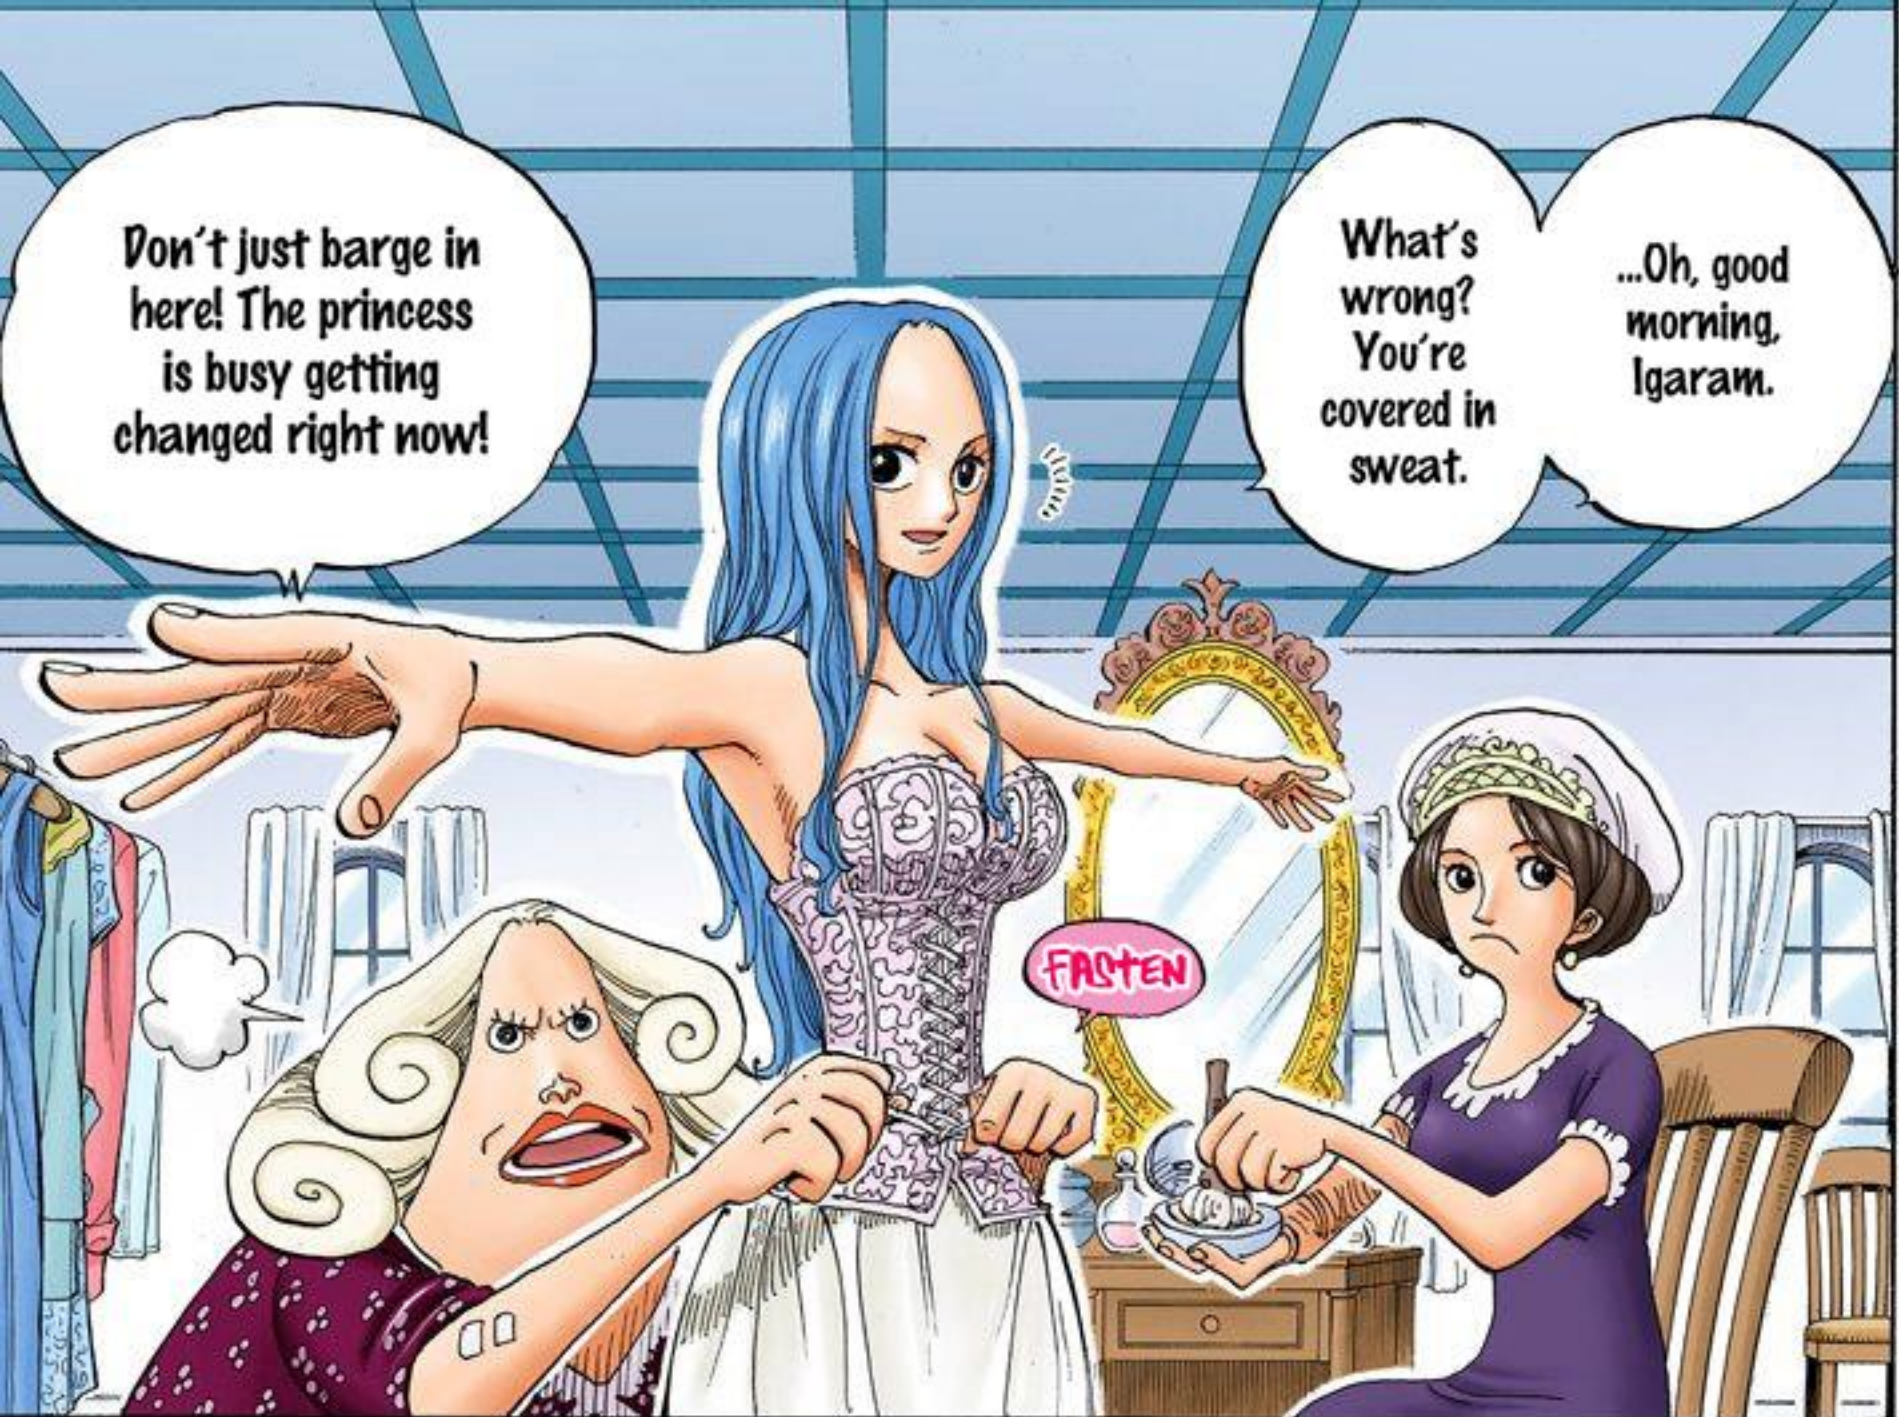

HACHI'S OCEAN FLOOR STROLL VOL. 29  
"HACHI COMES ACROSS THE STARVING VILLAGE"

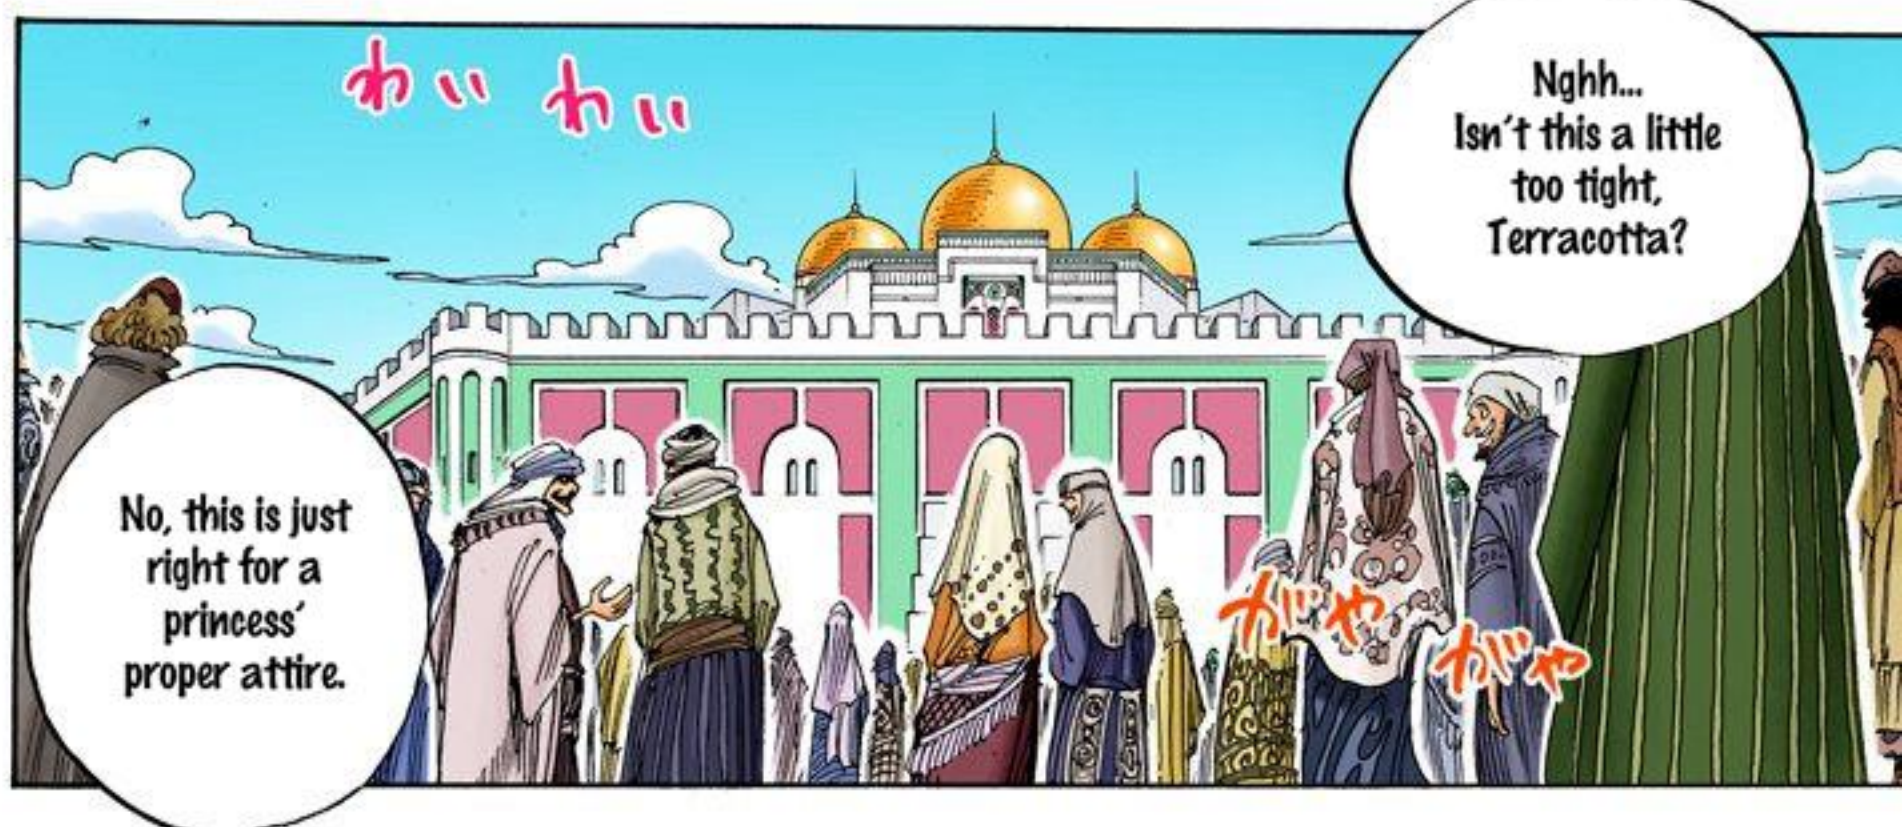

No, this is just right for a princess' proper attire.

Nghh...  
Isn't this a little too tight, Terracotta?

かや かや

But it's perfectly understandable.

Your "Coming of Age" ceremony had been delayed for 2 years...

Normally, this would've been done when you turned 14 years of age.

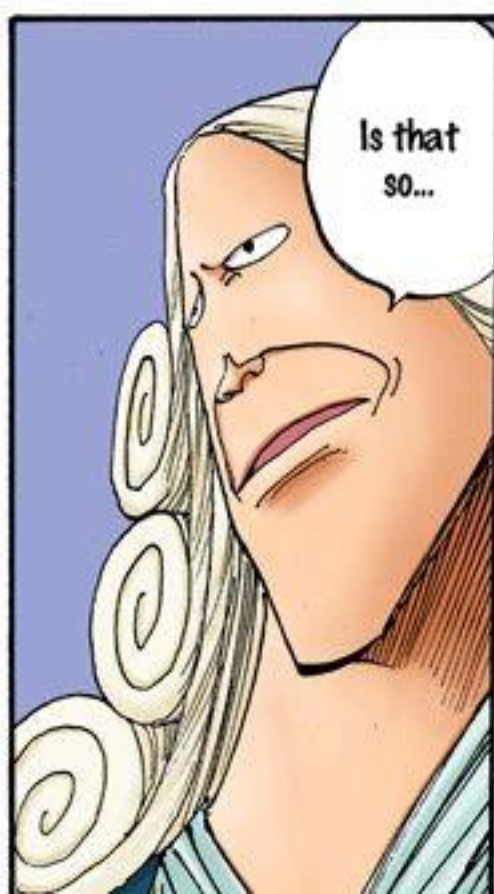

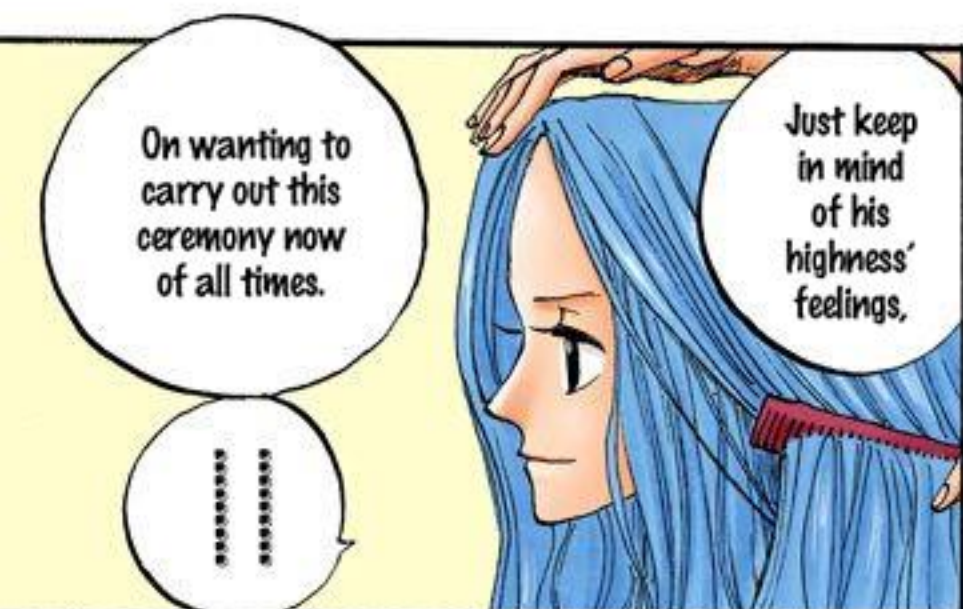

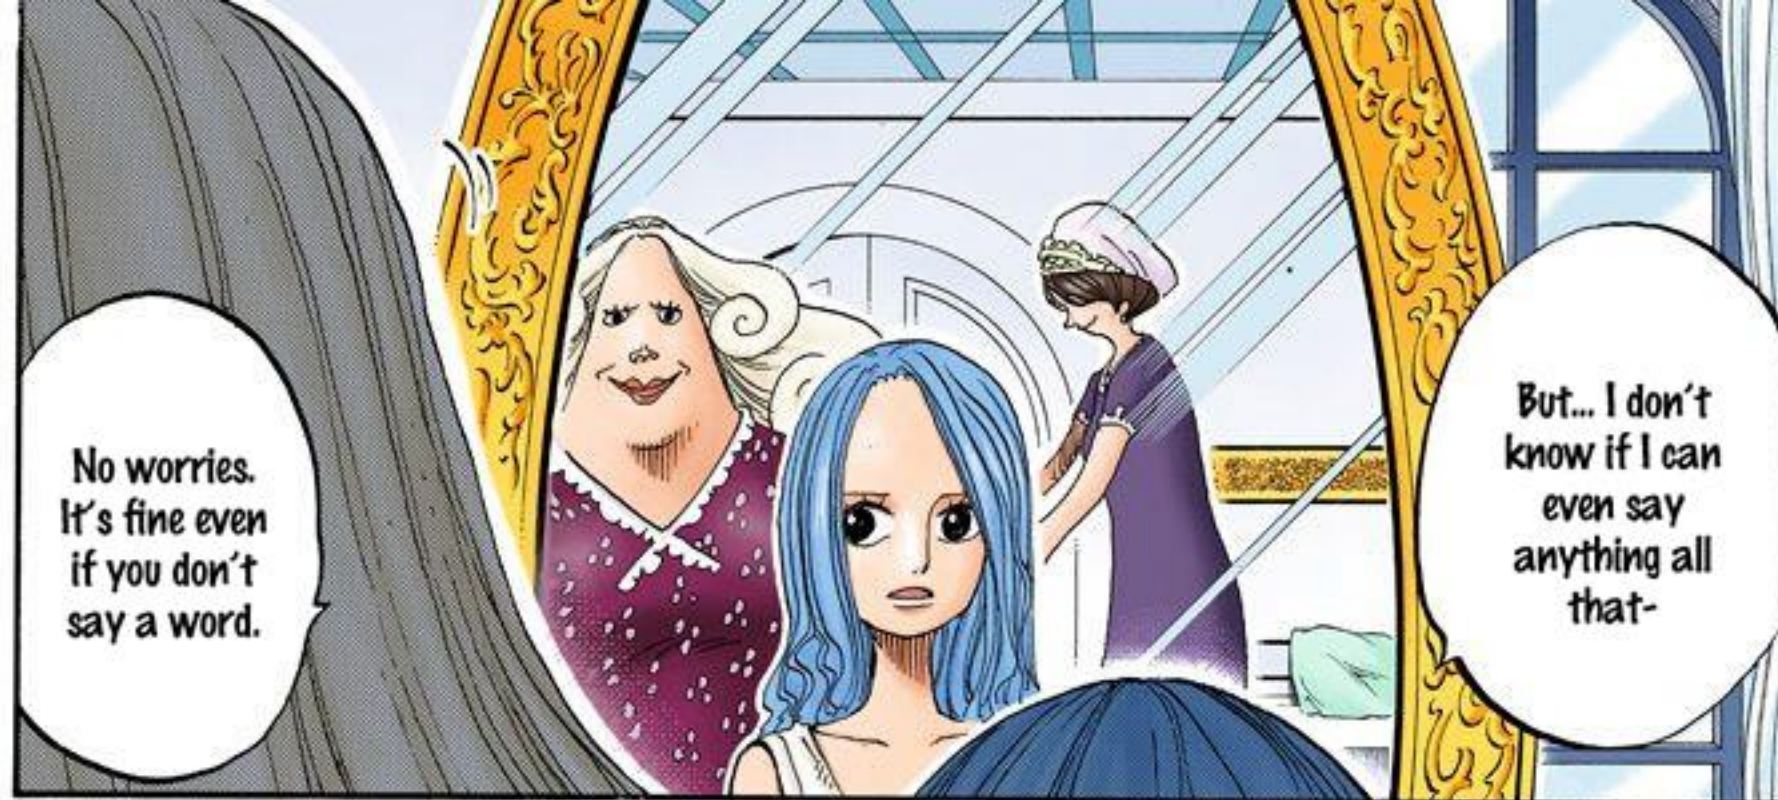

Even though we've told them your speech is at 10,

It is?

The square is already packed with people.

They're all an impatient bunch...

FIRE SOME  
CANNON-  
BALLS,  
DAMMIT!

ドン...

ゴォー...

FIRE!  
OPEN  
FIRE!

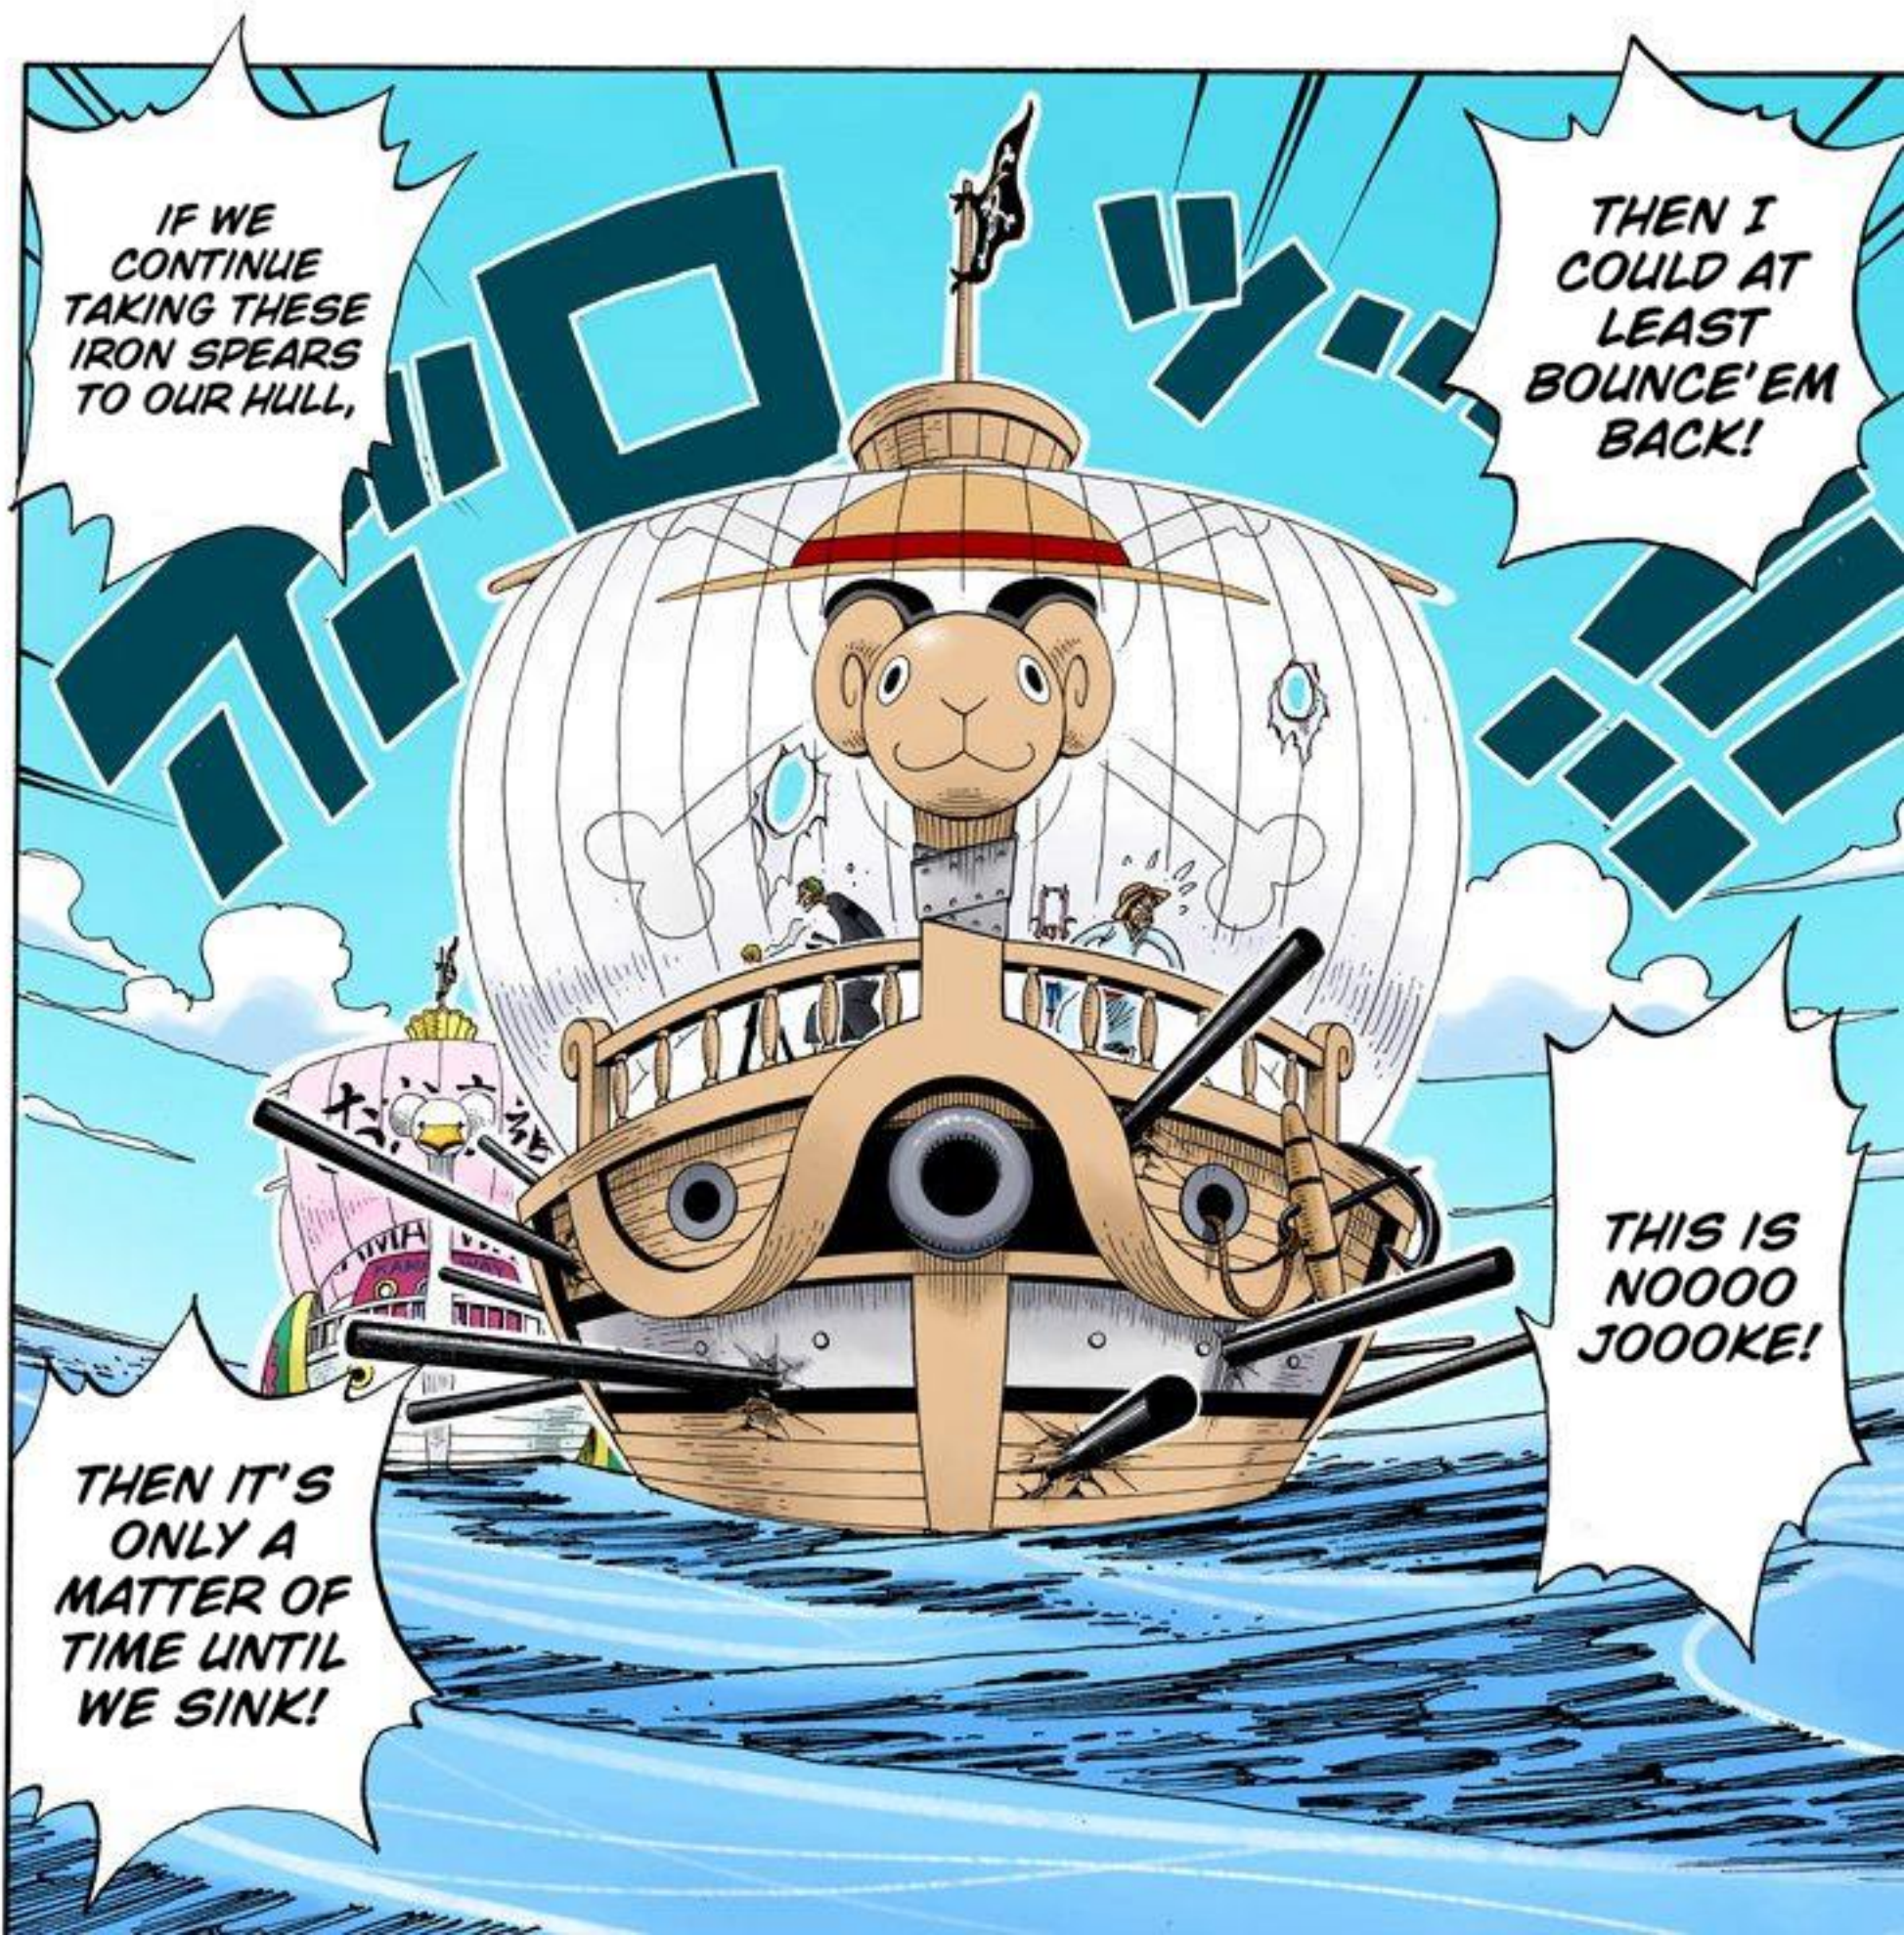

IF WE  
CONTINUE  
TAKING THESE  
IRON SPEARS  
TO OUR HULL,

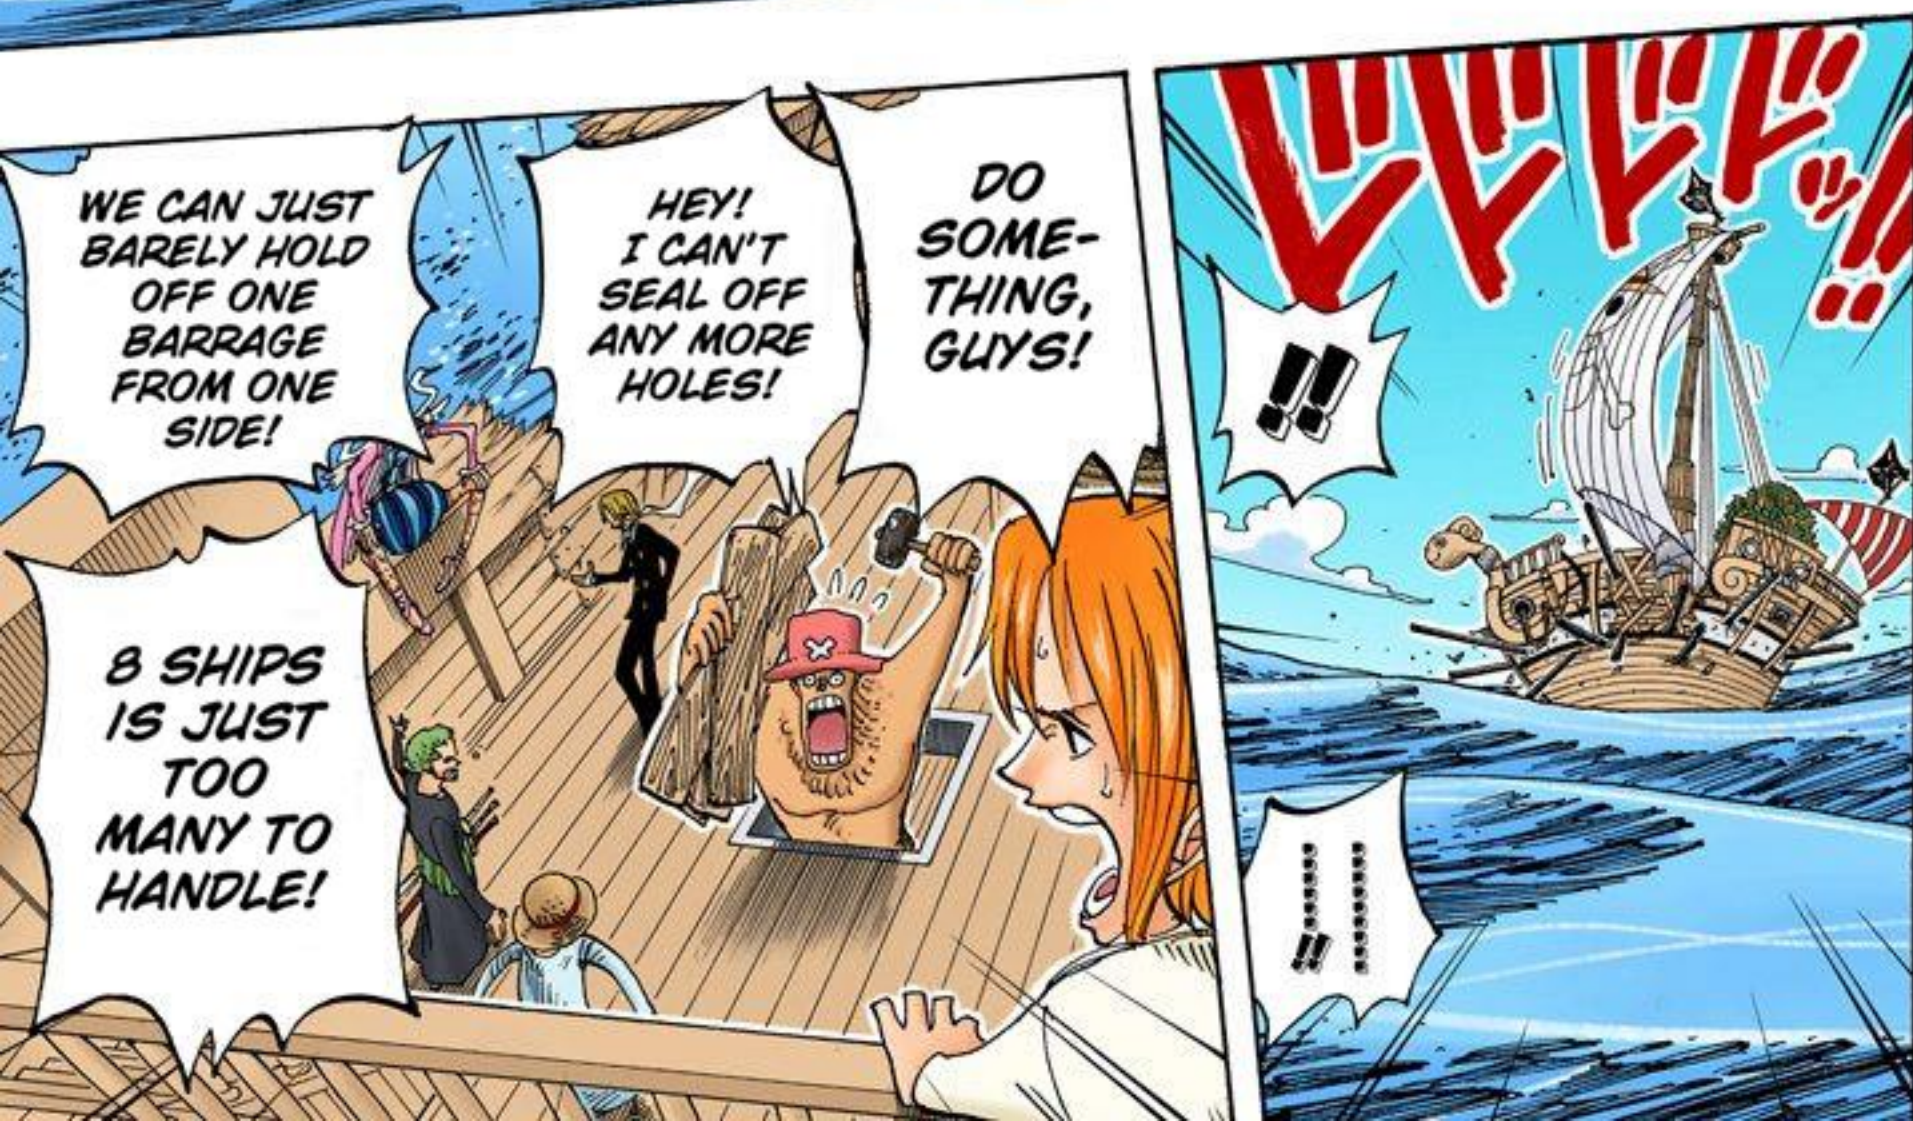

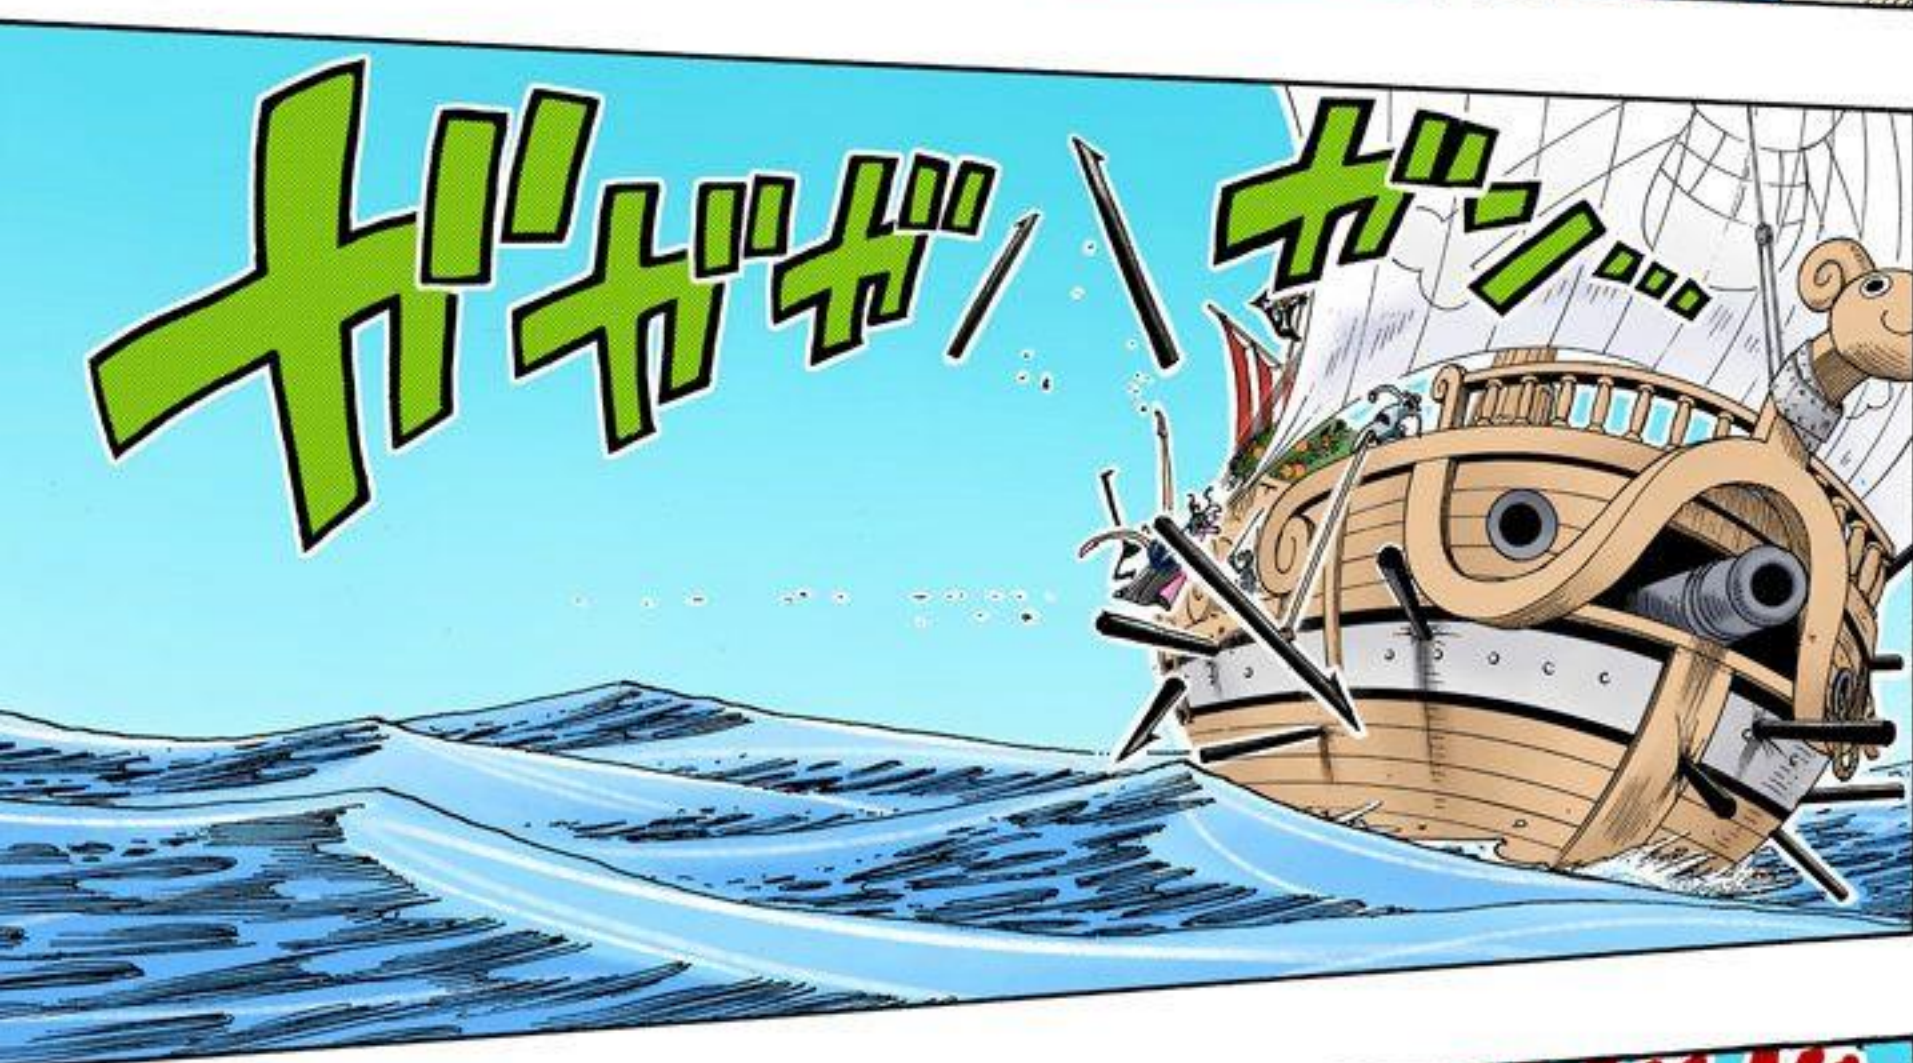

THEN I  
COULD AT  
LEAST  
BOUNCE'EM  
BACK!

THEN IT'S  
ONLY A  
MATTER OF  
TIME UNTIL  
WE SINK!

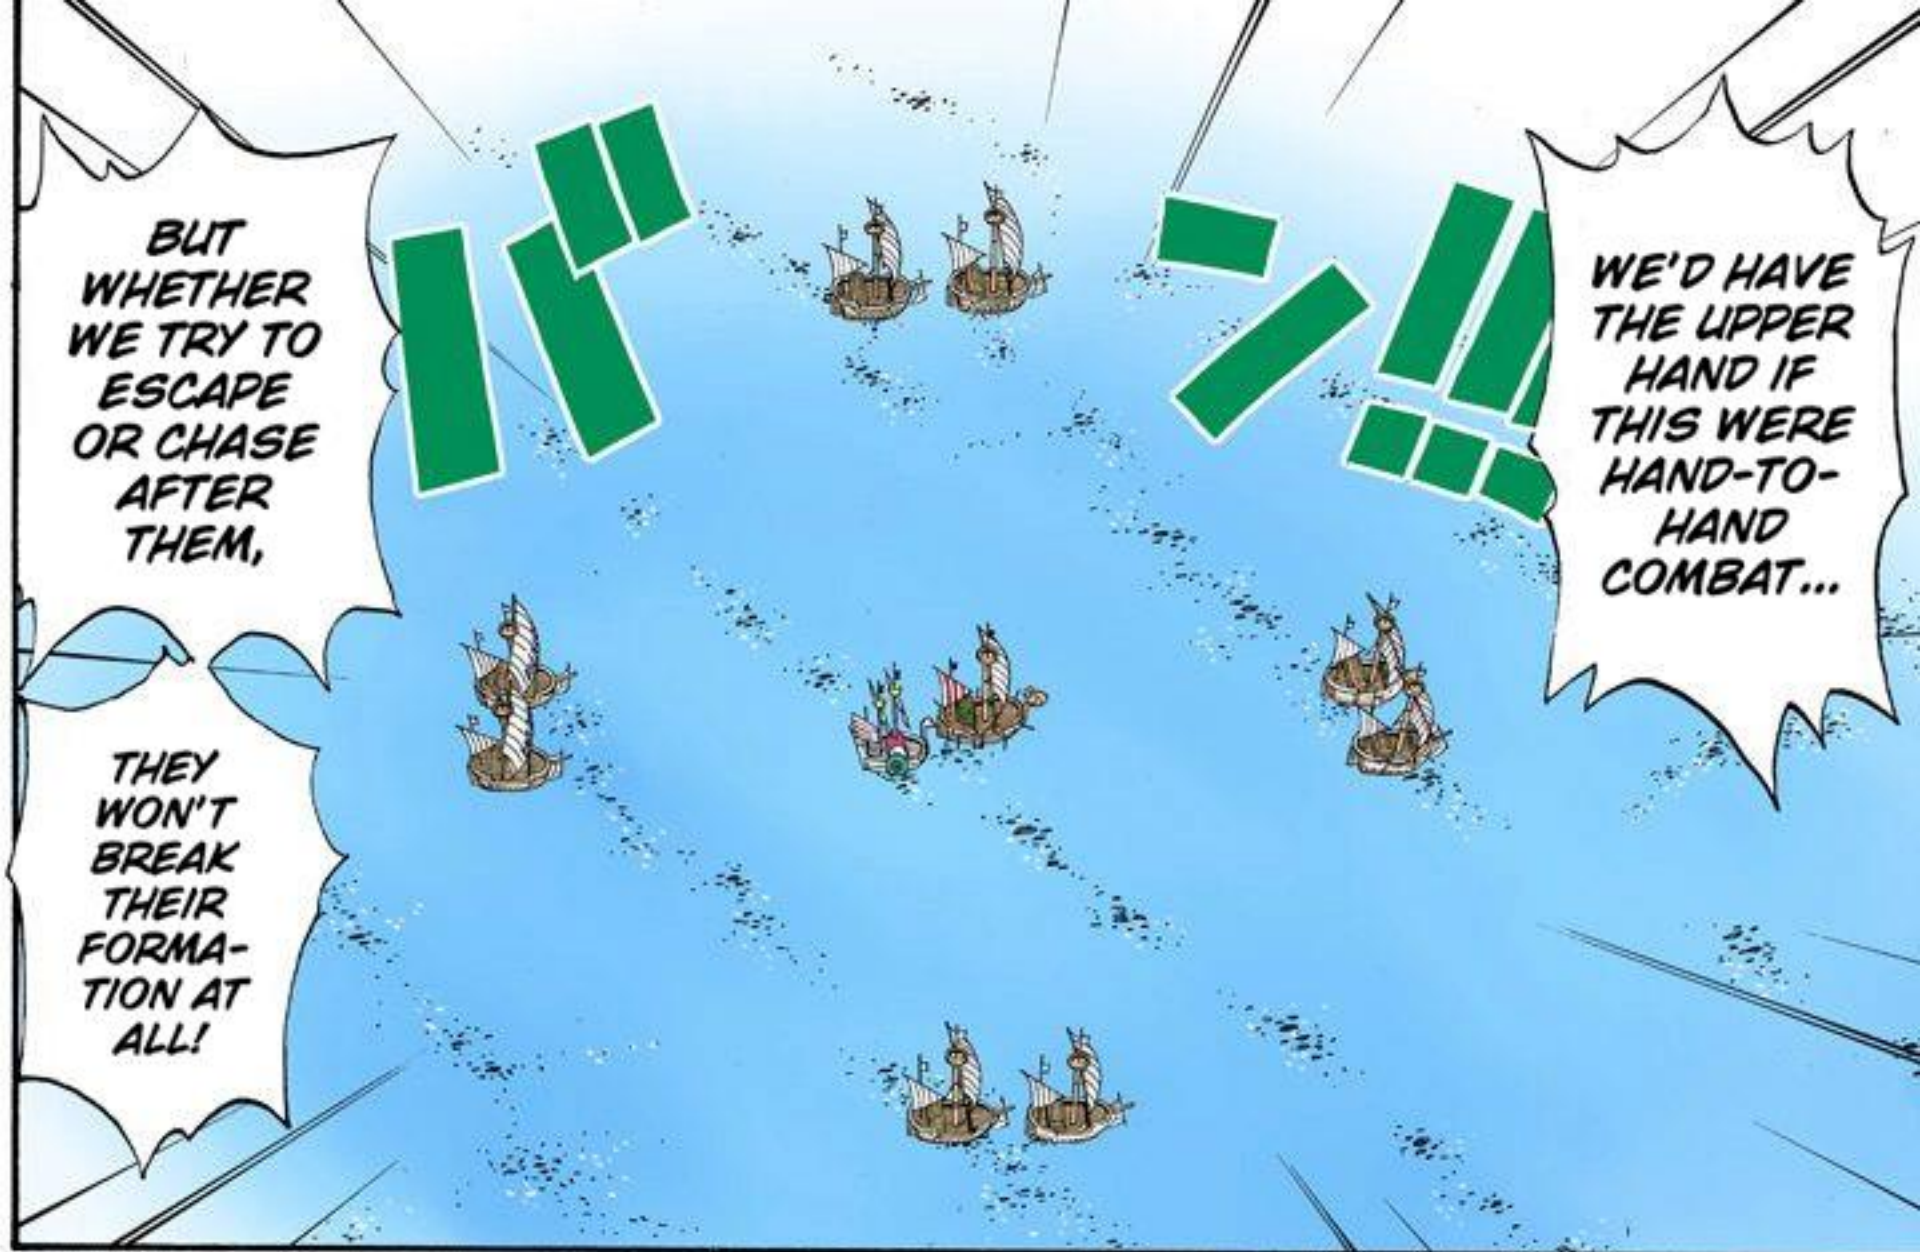

THIS IS  
NOOOO  
JOOOKE!

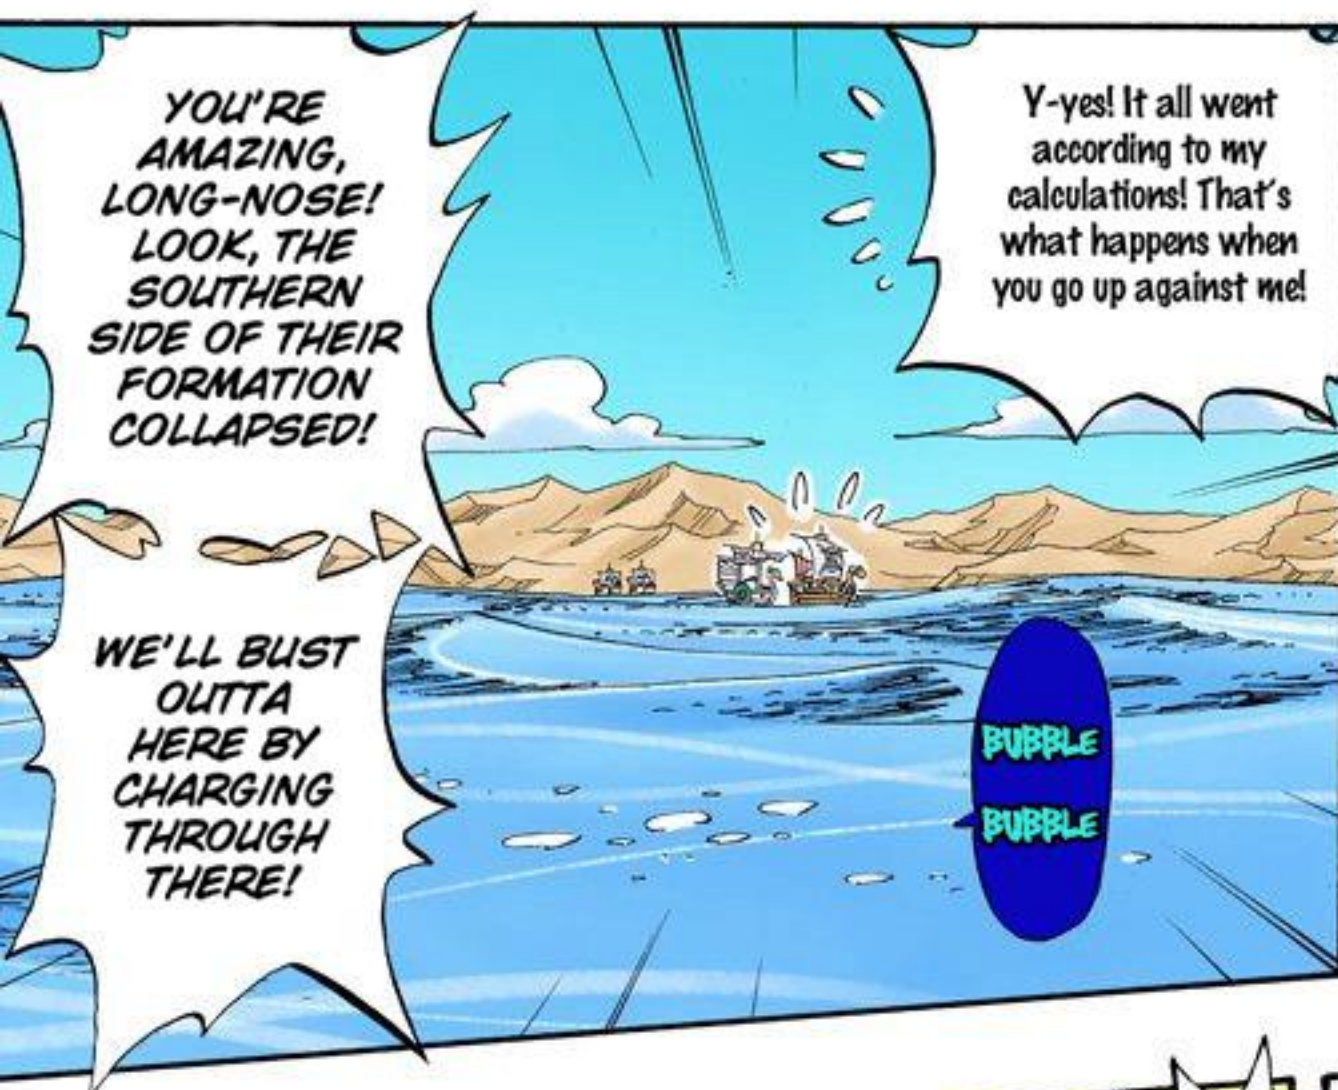

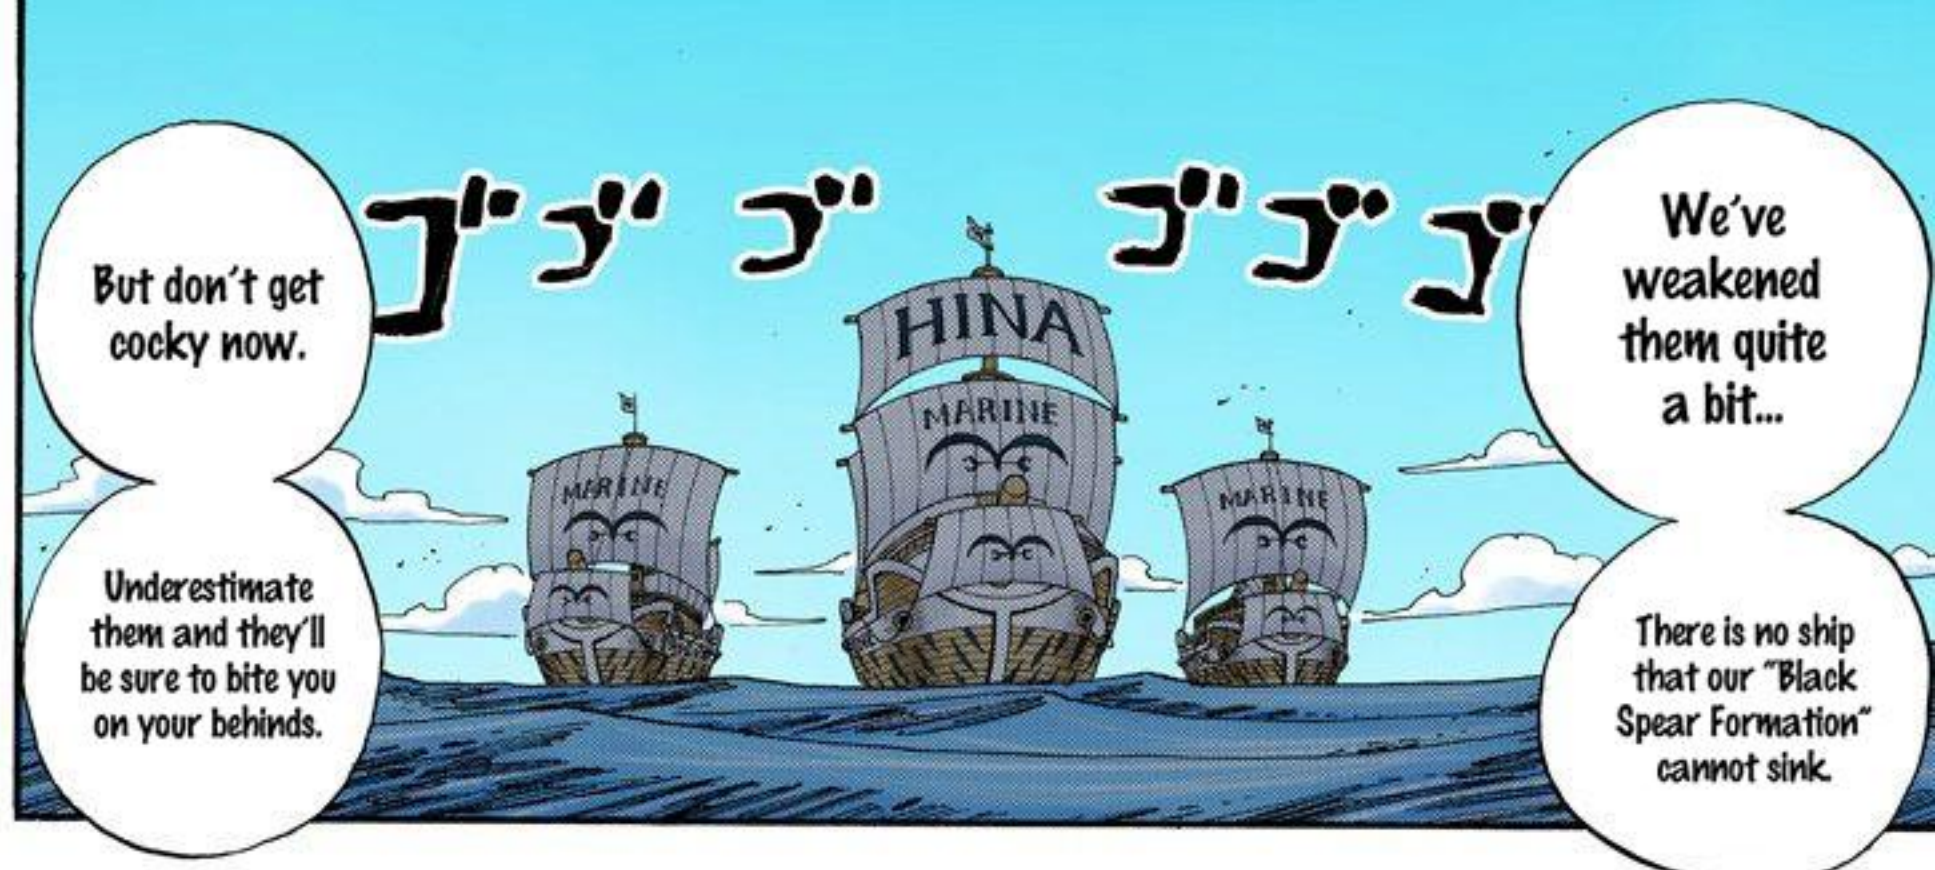

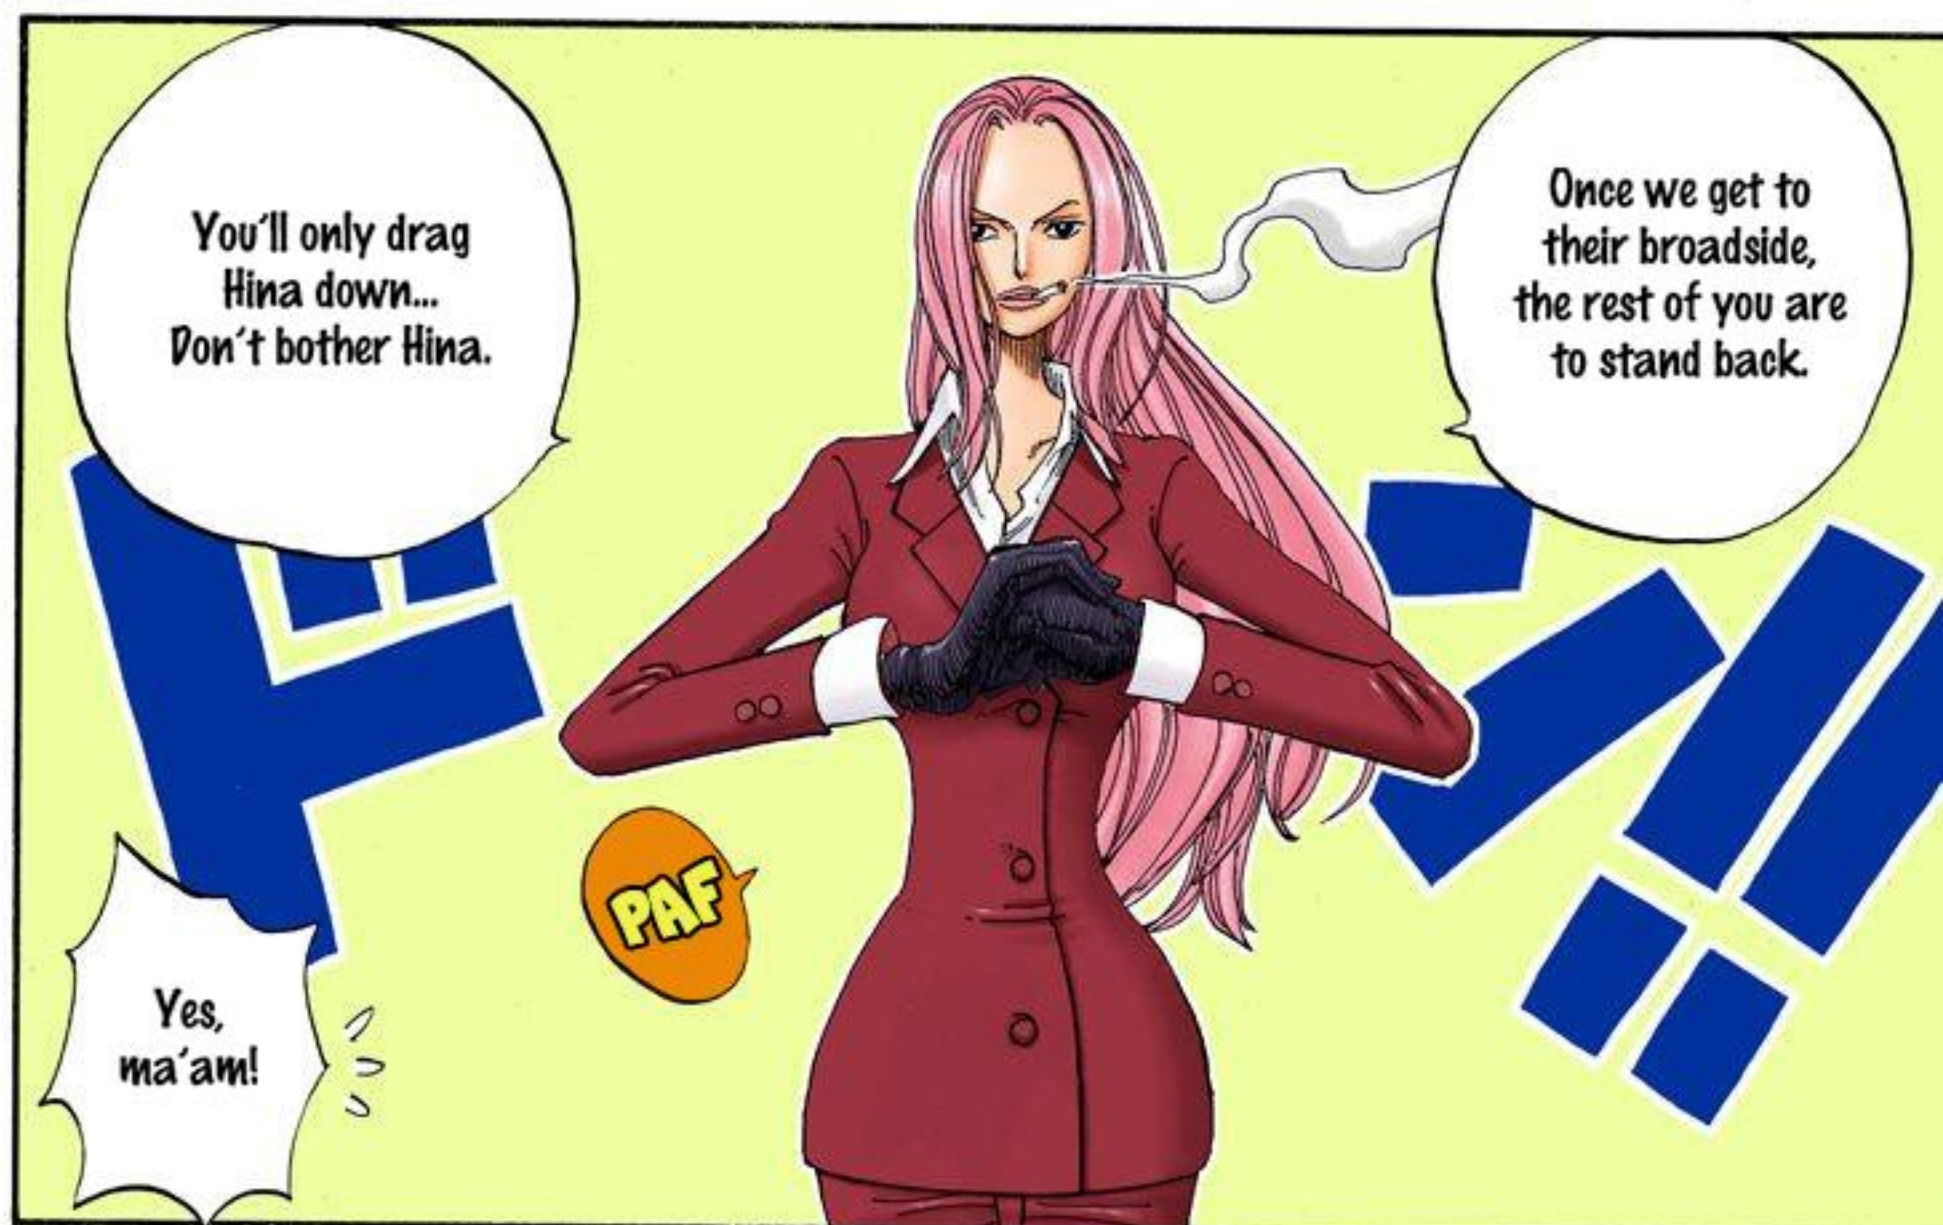

But don't get  
cocky now.

Underestimate  
them and they'll  
be sure to bite you  
on your behinds.

We've  
weakened  
them quite  
a bit...

There is no ship  
that our "Black  
Spear Formation"  
cannot sink.

You'll only drag  
Hina down...  
Don't bother Hina.

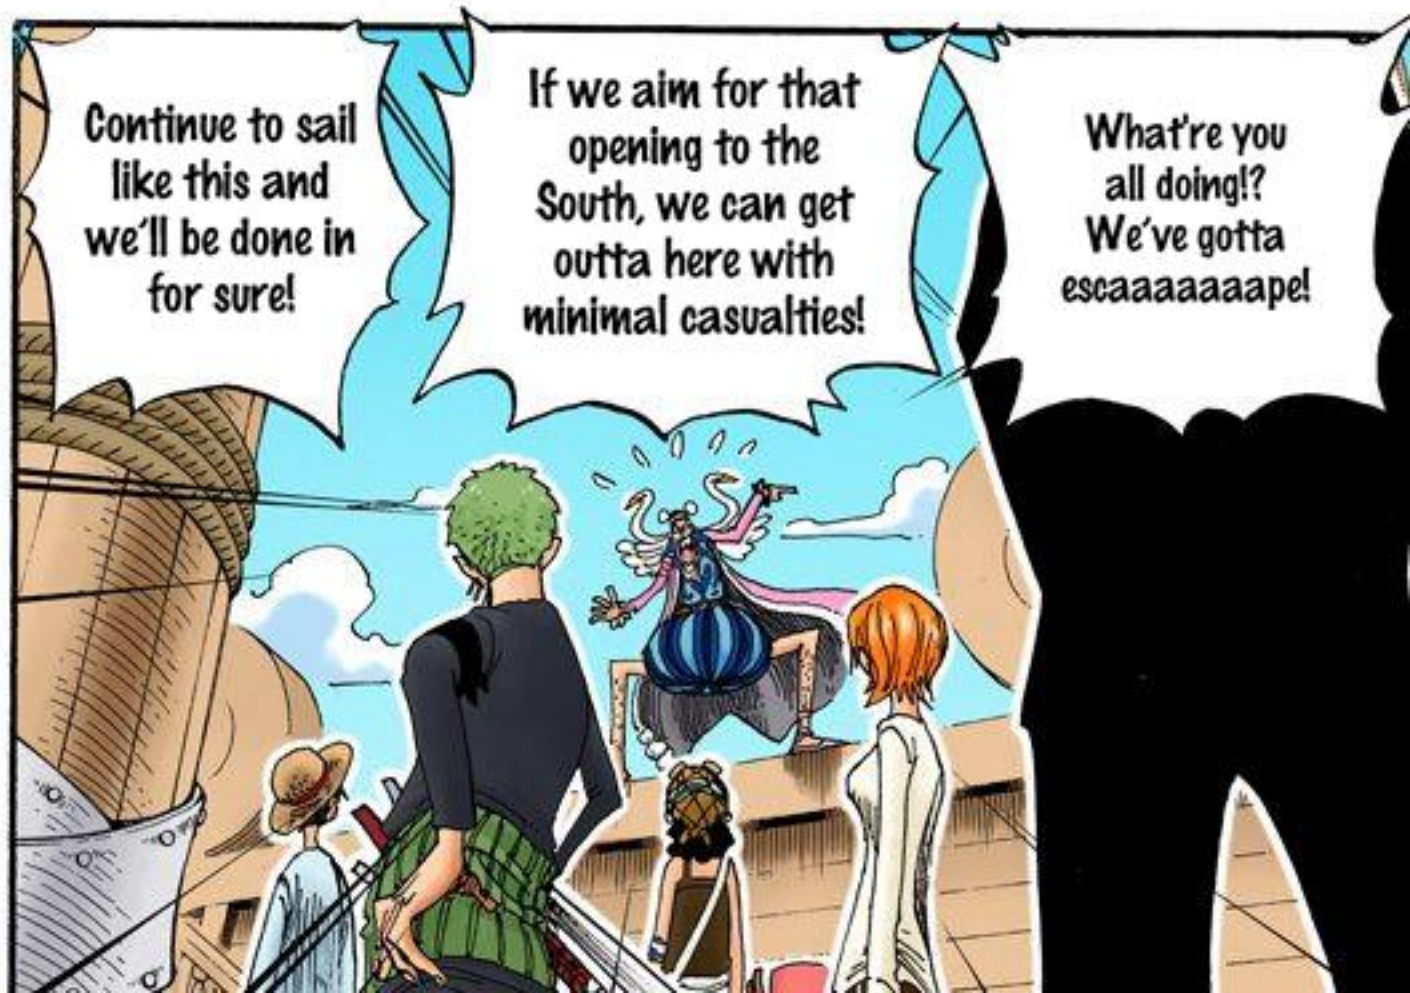

Once we get to  
their broadside,  
the rest of you are  
to stand back.

Yes,  
ma'am!

PAF

Go if you want,  
but we're staying.

Continue to sail  
like this and  
we'll be done in  
for sure!

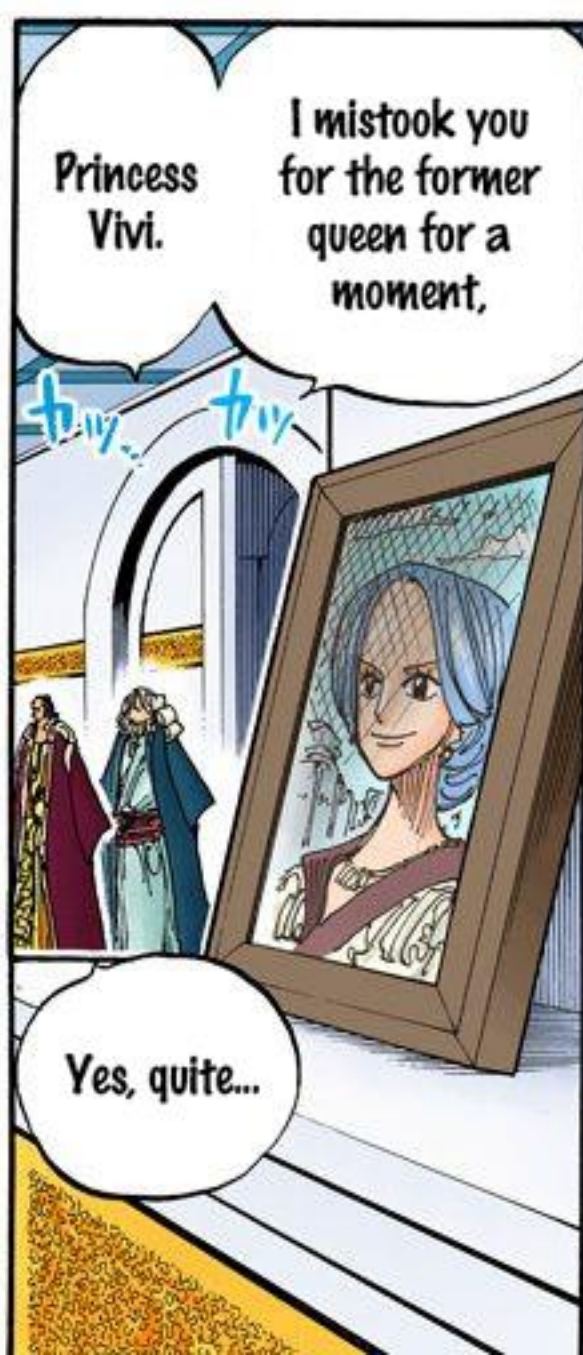

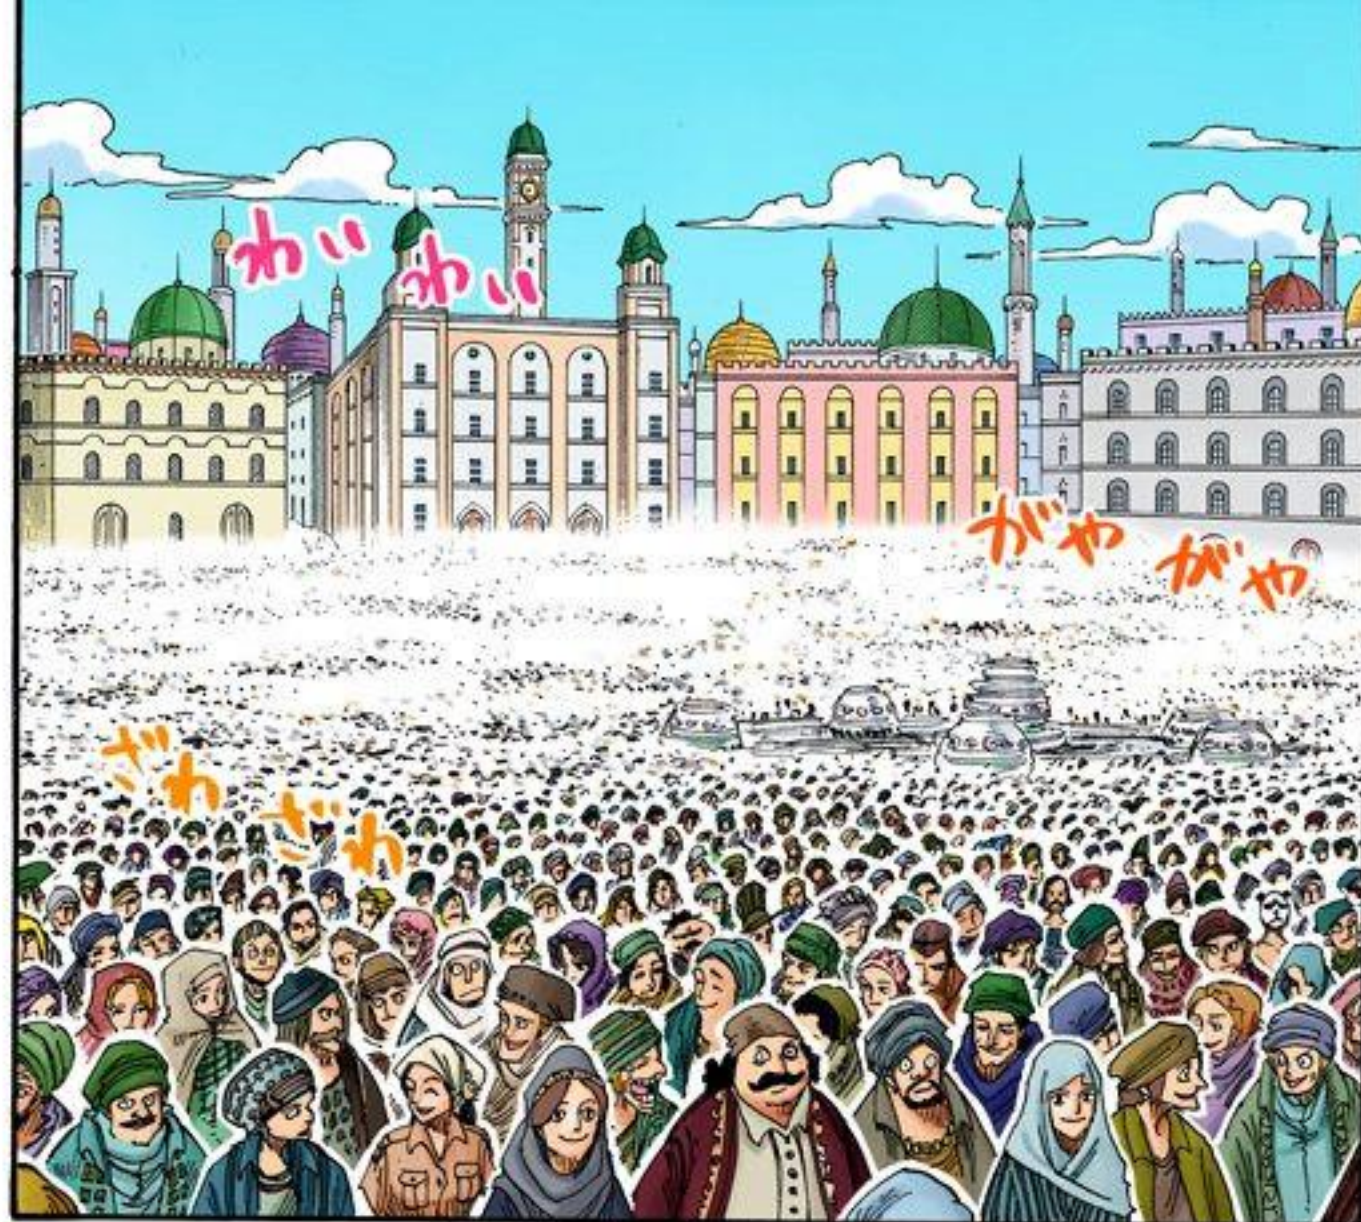

If we aim for that  
opening to the  
South, we can get  
outta here with  
minimal casualties!

What're you  
all doing!?  
We've gotta  
escaaaaaaaape!

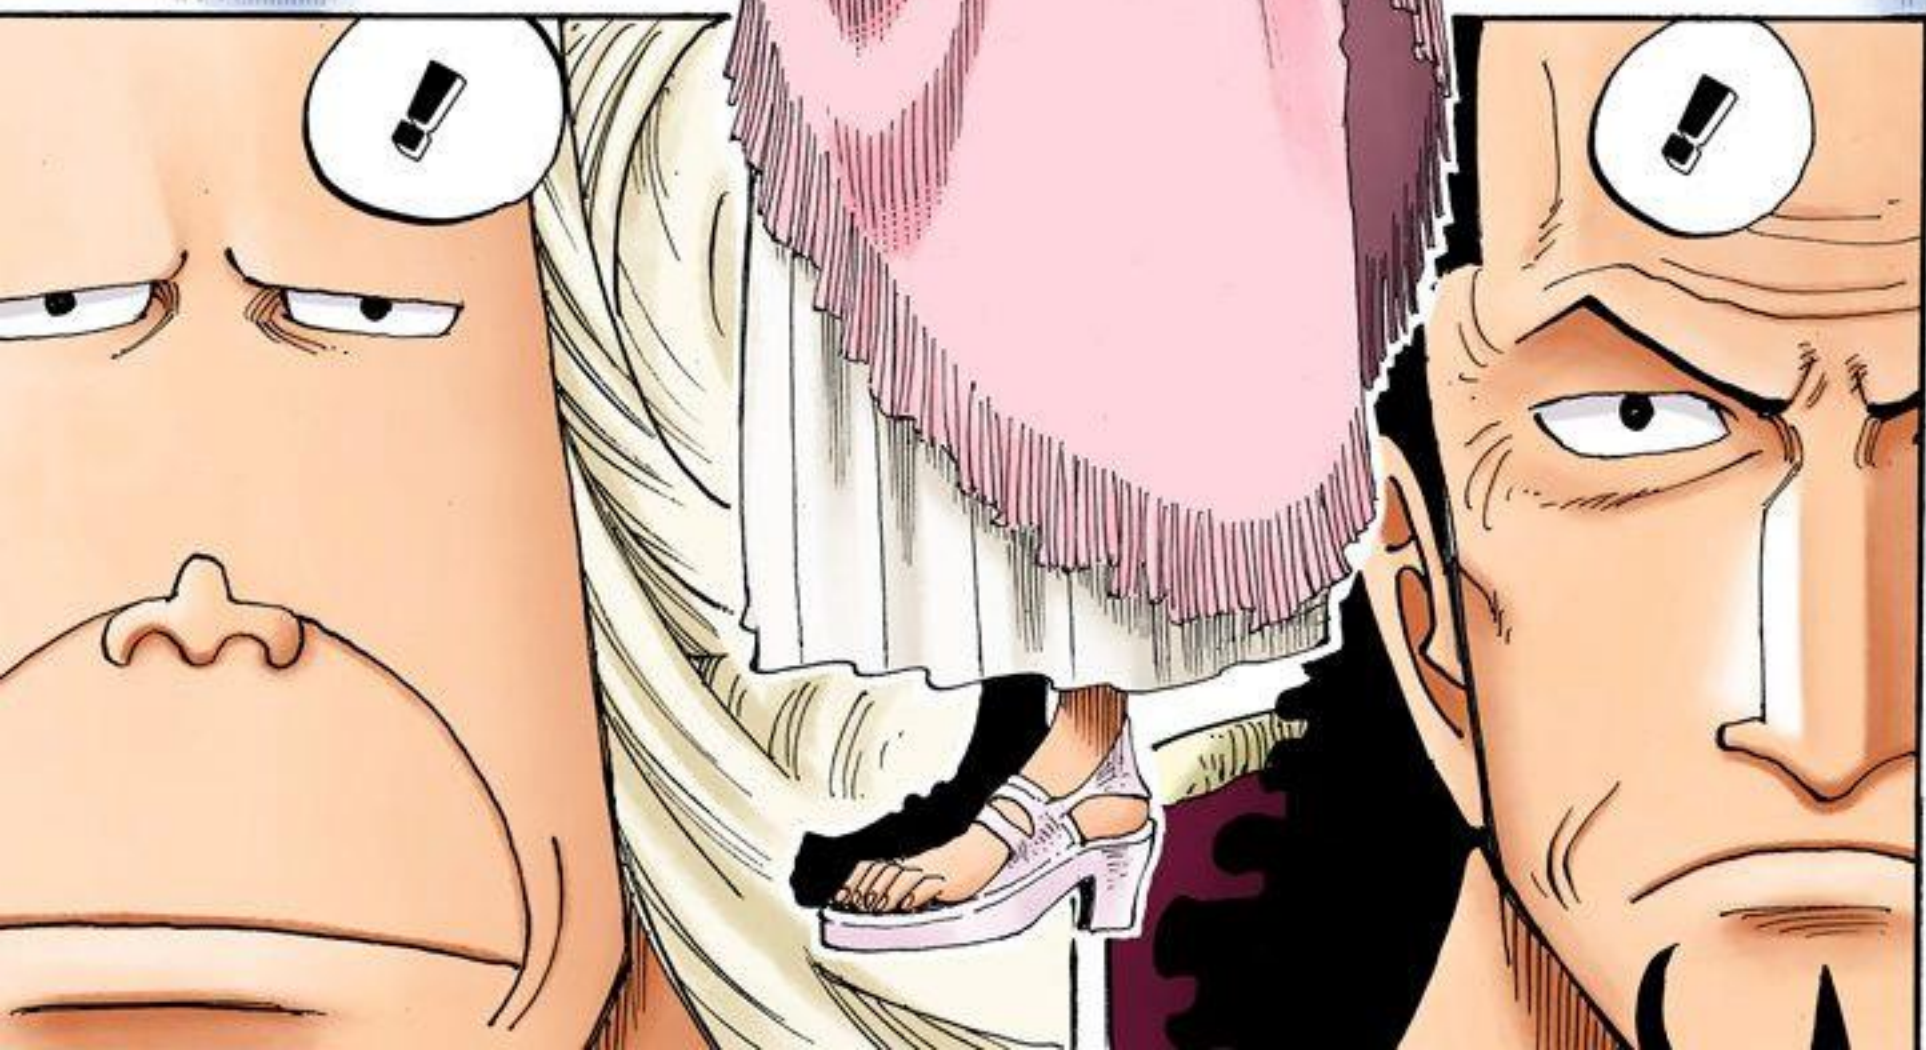

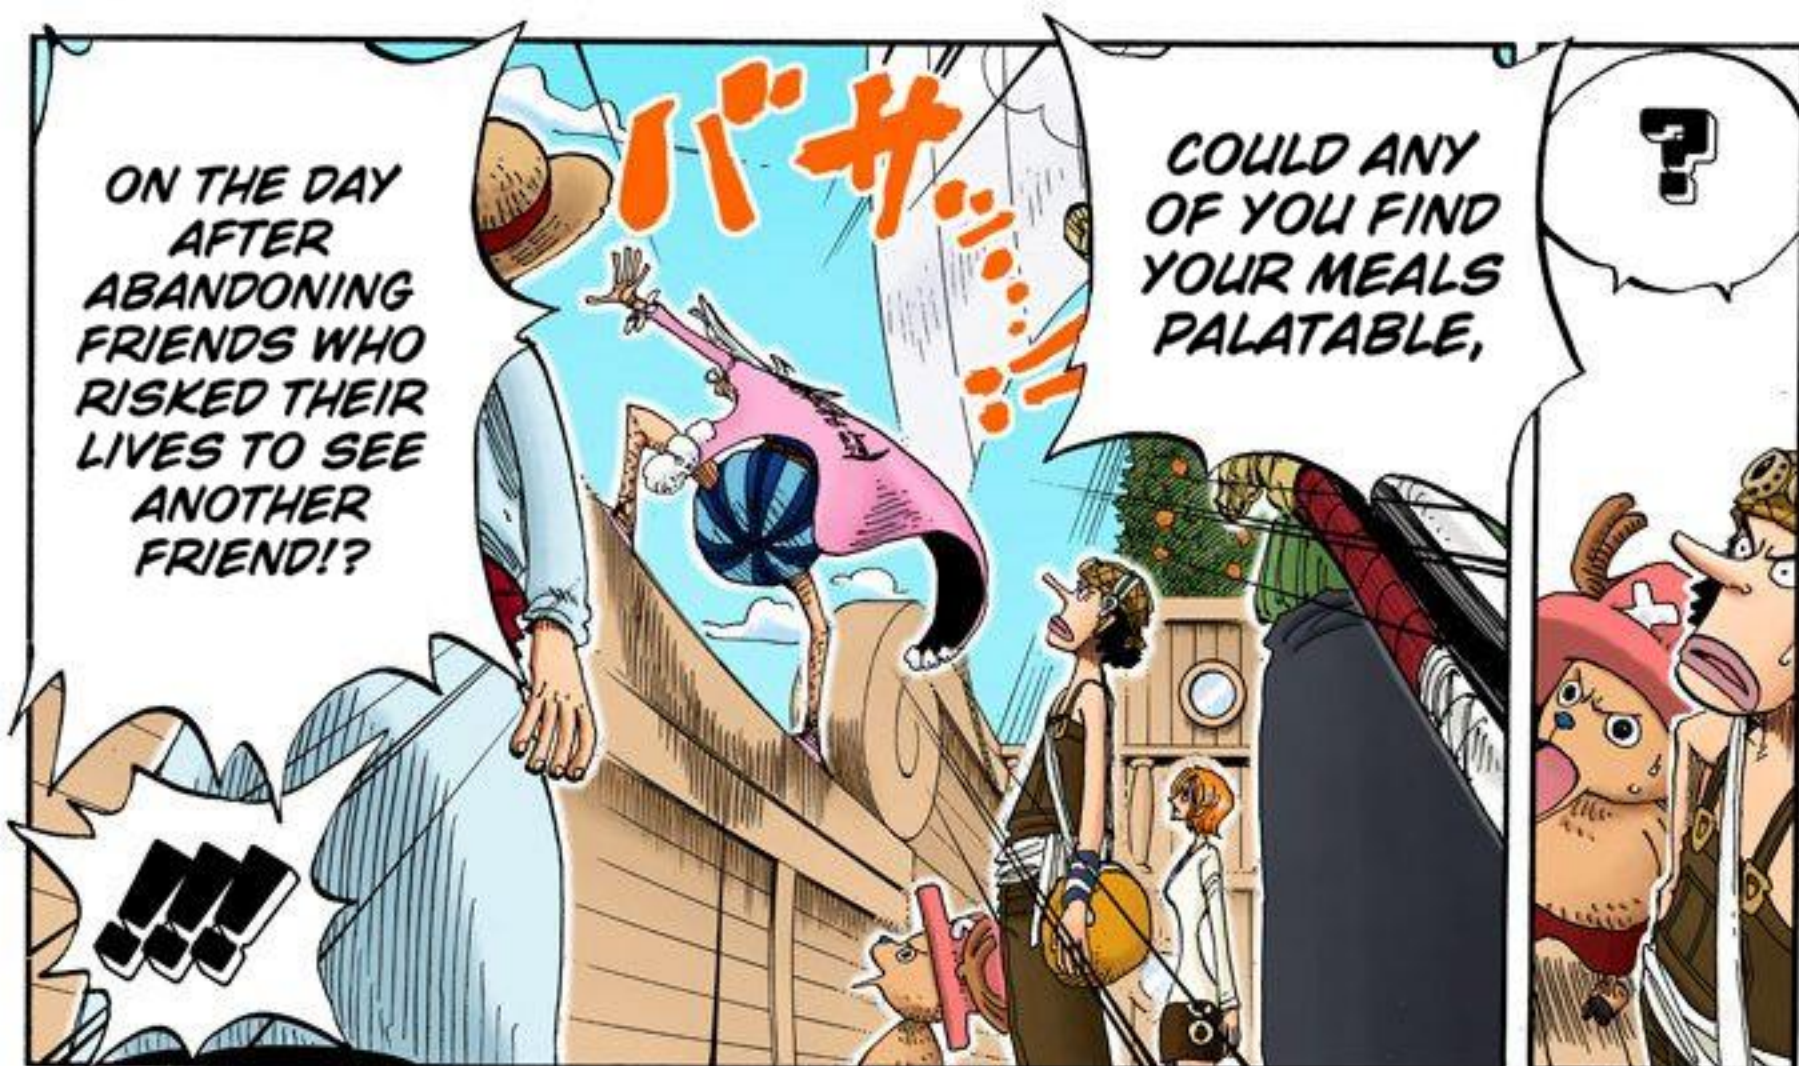

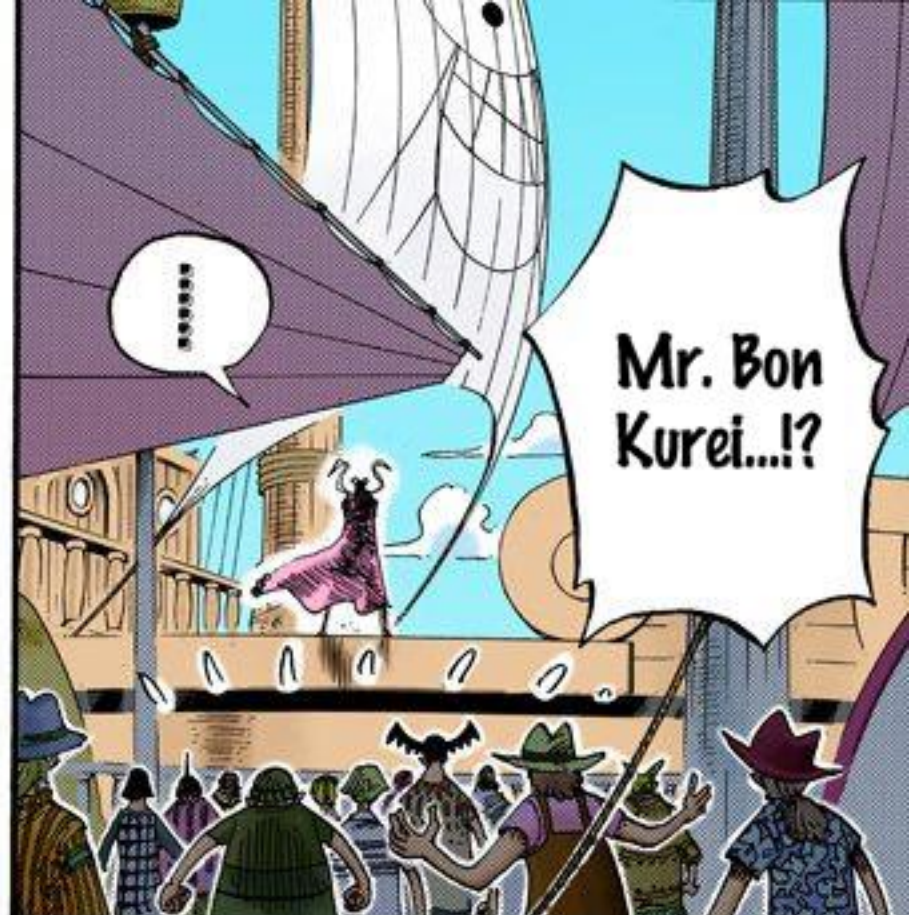

I have  
something  
important  
to discuss...

Father...  
Igaram...

ガッガッガッ...

The enemies are heading in two different directions! The duck-ship is sailing South!

MISS HINA!

The duck's the decoy, obviously.

MS. HINA!  
THE DECOY  
IS THE  
SHEEP!

STRAW HAT  
CREW  
SPOTTED ON  
THE DUCK  
SHIP!

NO!

Ahh-

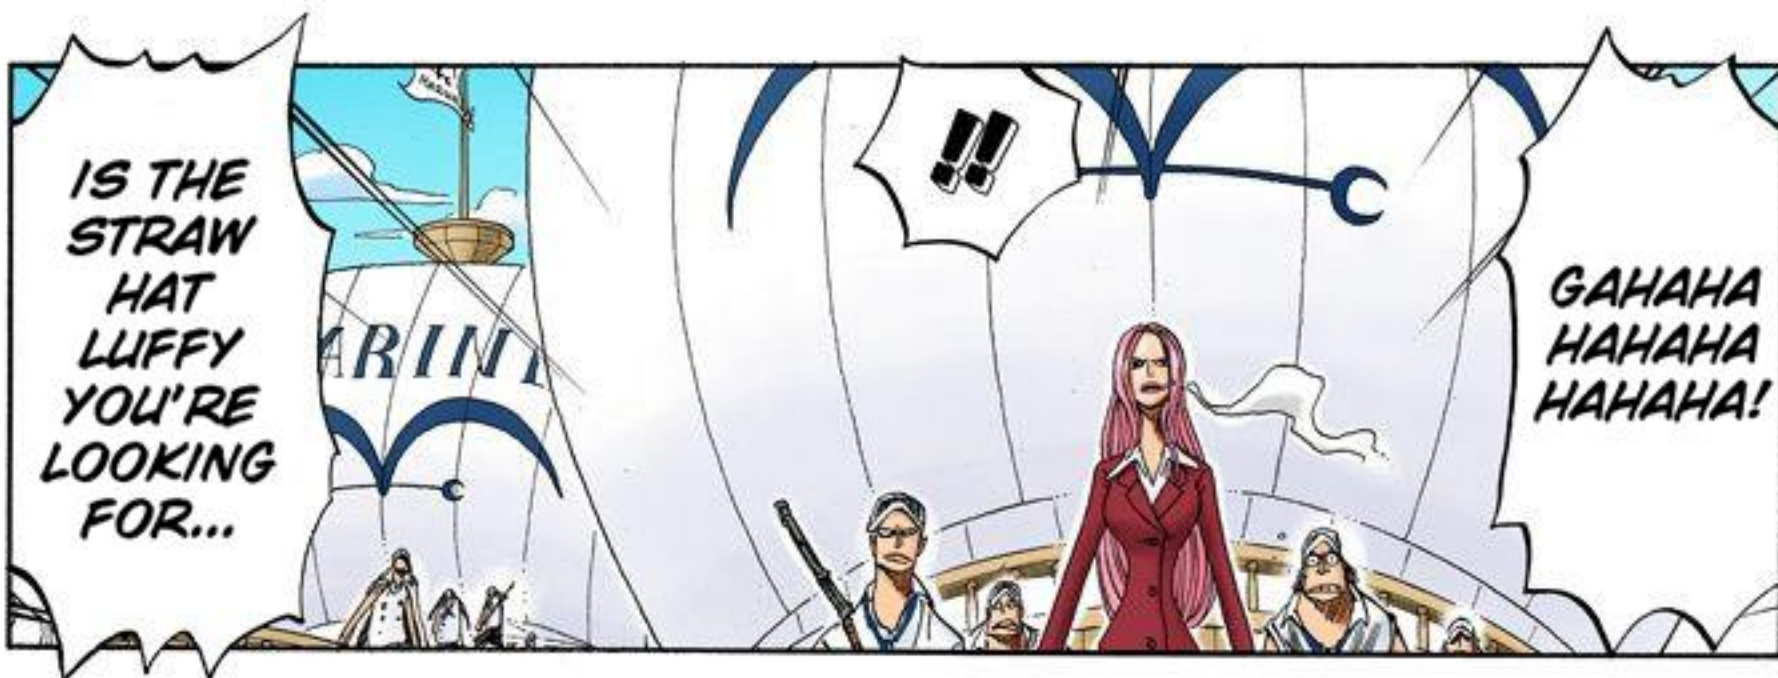

ガッ

AFTER  
THEM AT  
ONCE!  
SET UP  
THE FOR-  
MATION  
AGAIN!

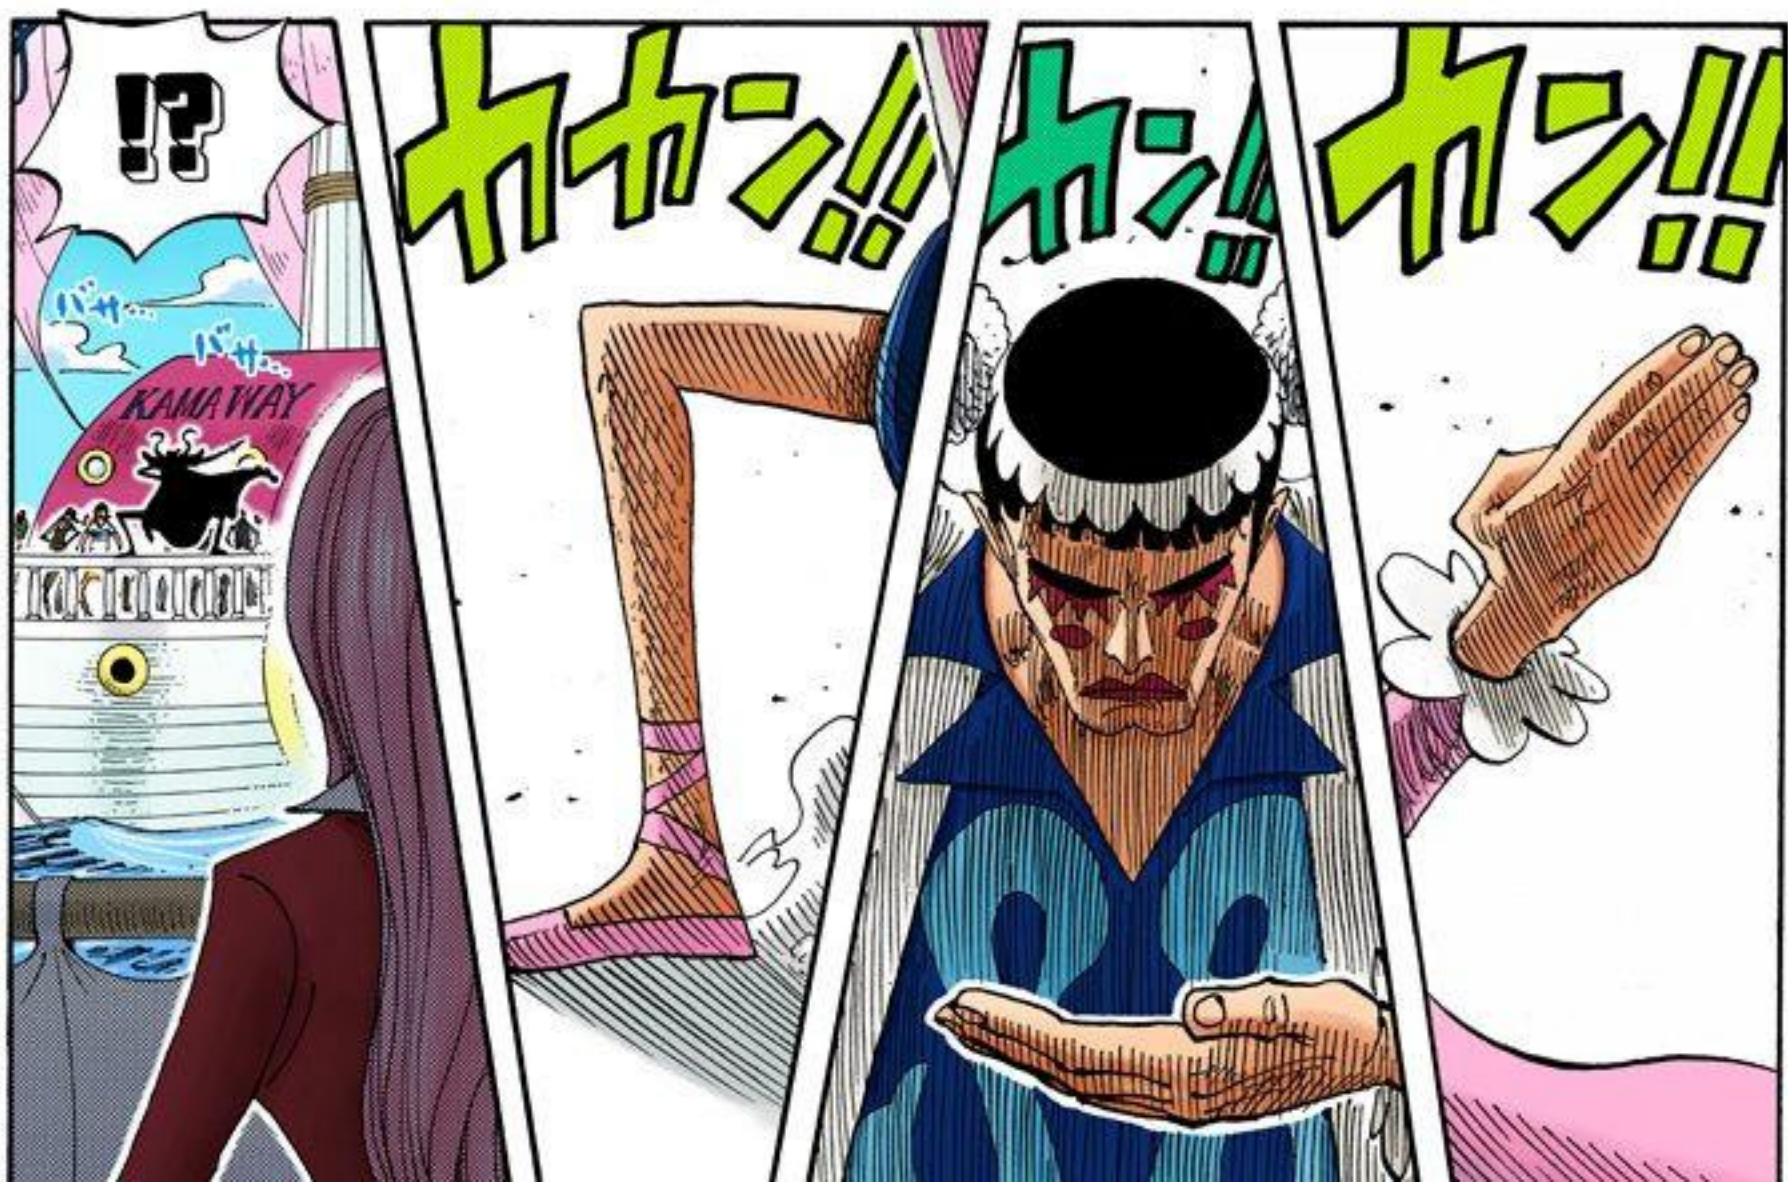

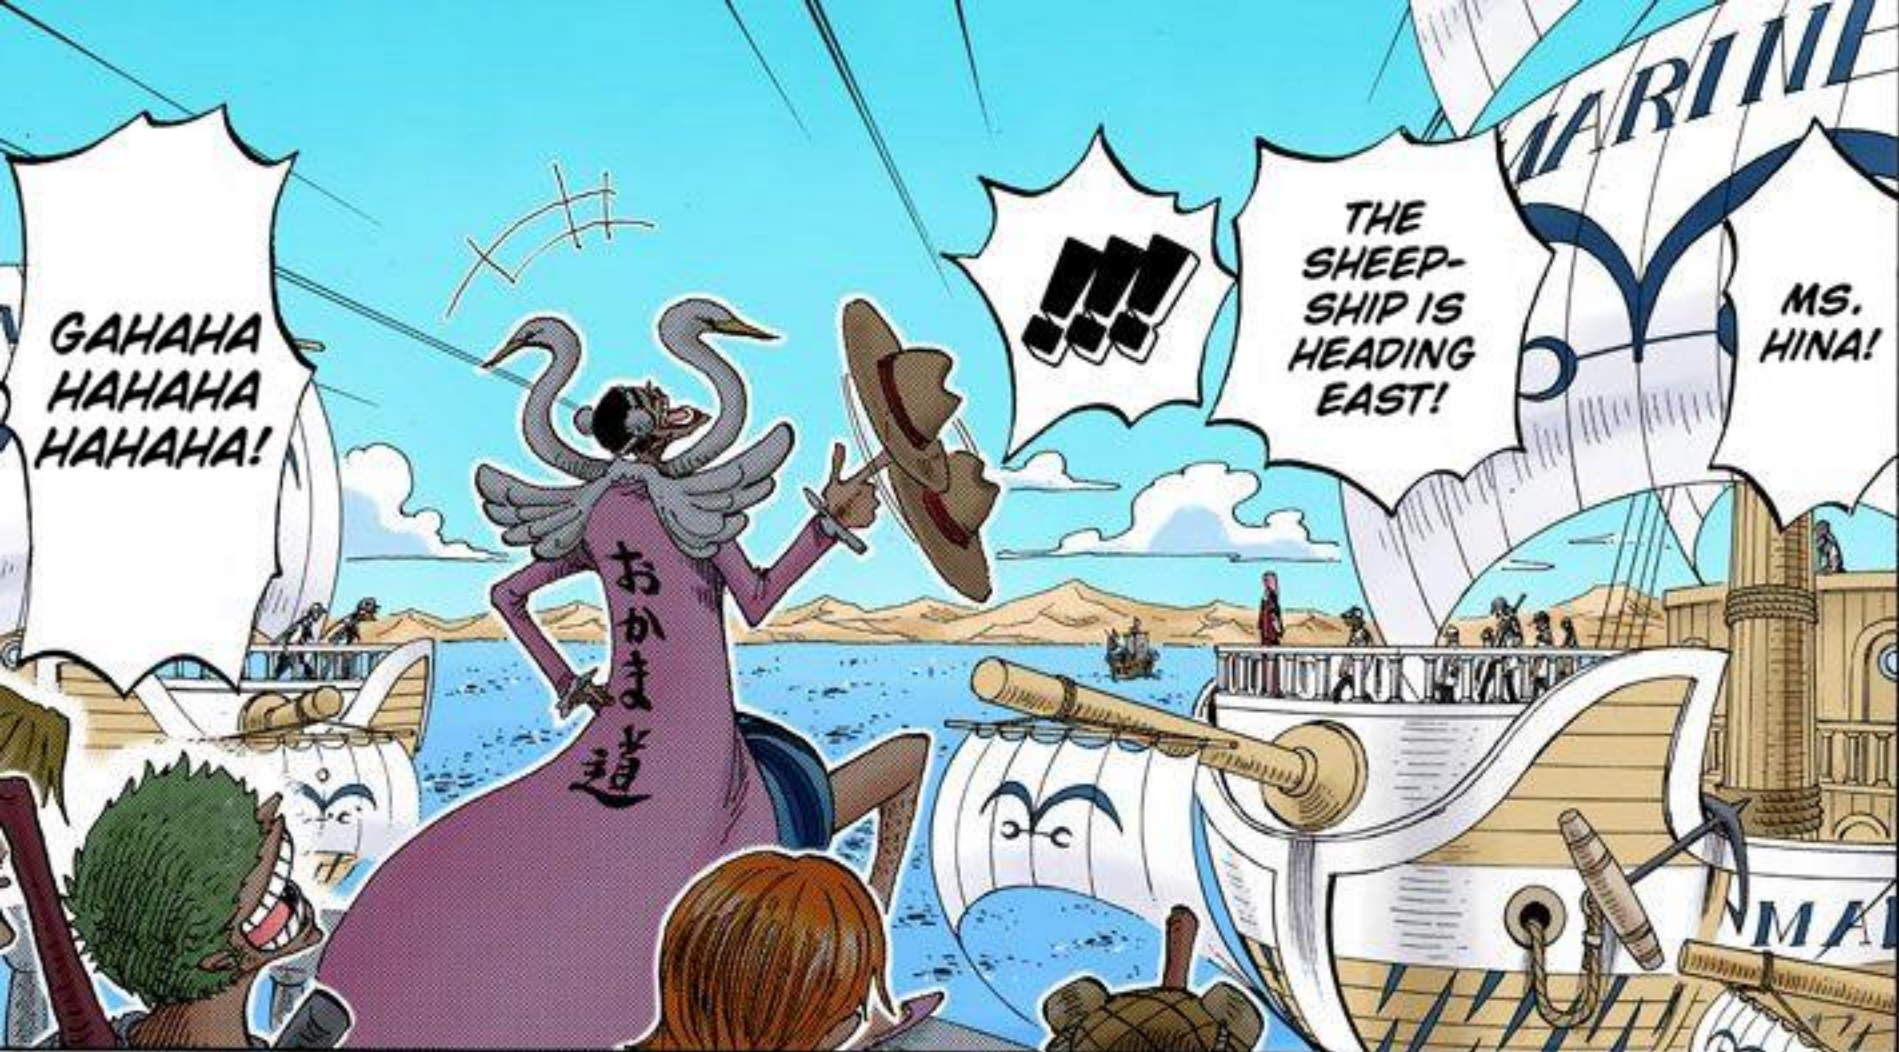

ズバズバズバ...

!!!

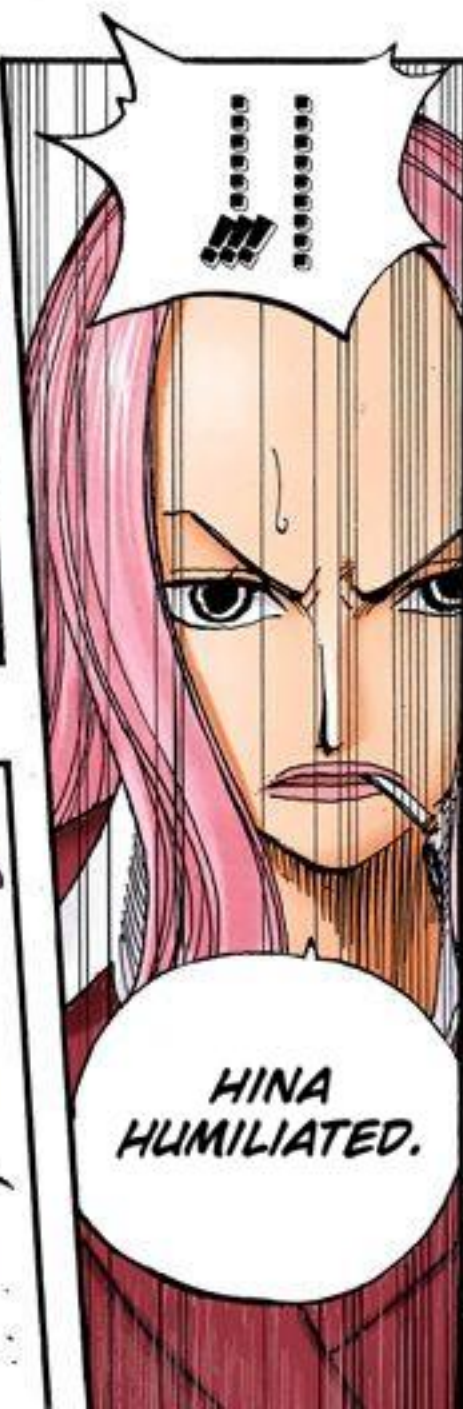

IF WE ARE TO FALL,  
THEN MAY WE SCATTER  
ACROSS THE TRUE SKY.  
OKAMA WAY.

STRAY FROM THE PATH OF MEN  
OR STRAY FROM THE PATH OF WOMEN  
BUT THE PATH OF HUMANS,  
WE CAN NOT STRAY FROM.

Mr.  
二盆暮

MR.2 BON KUREI

\*RIDING THE WAVES  
WHAT COULD BE MORE BEAUTIFUL THAN THE PETALS OF FRIENDSHIP?

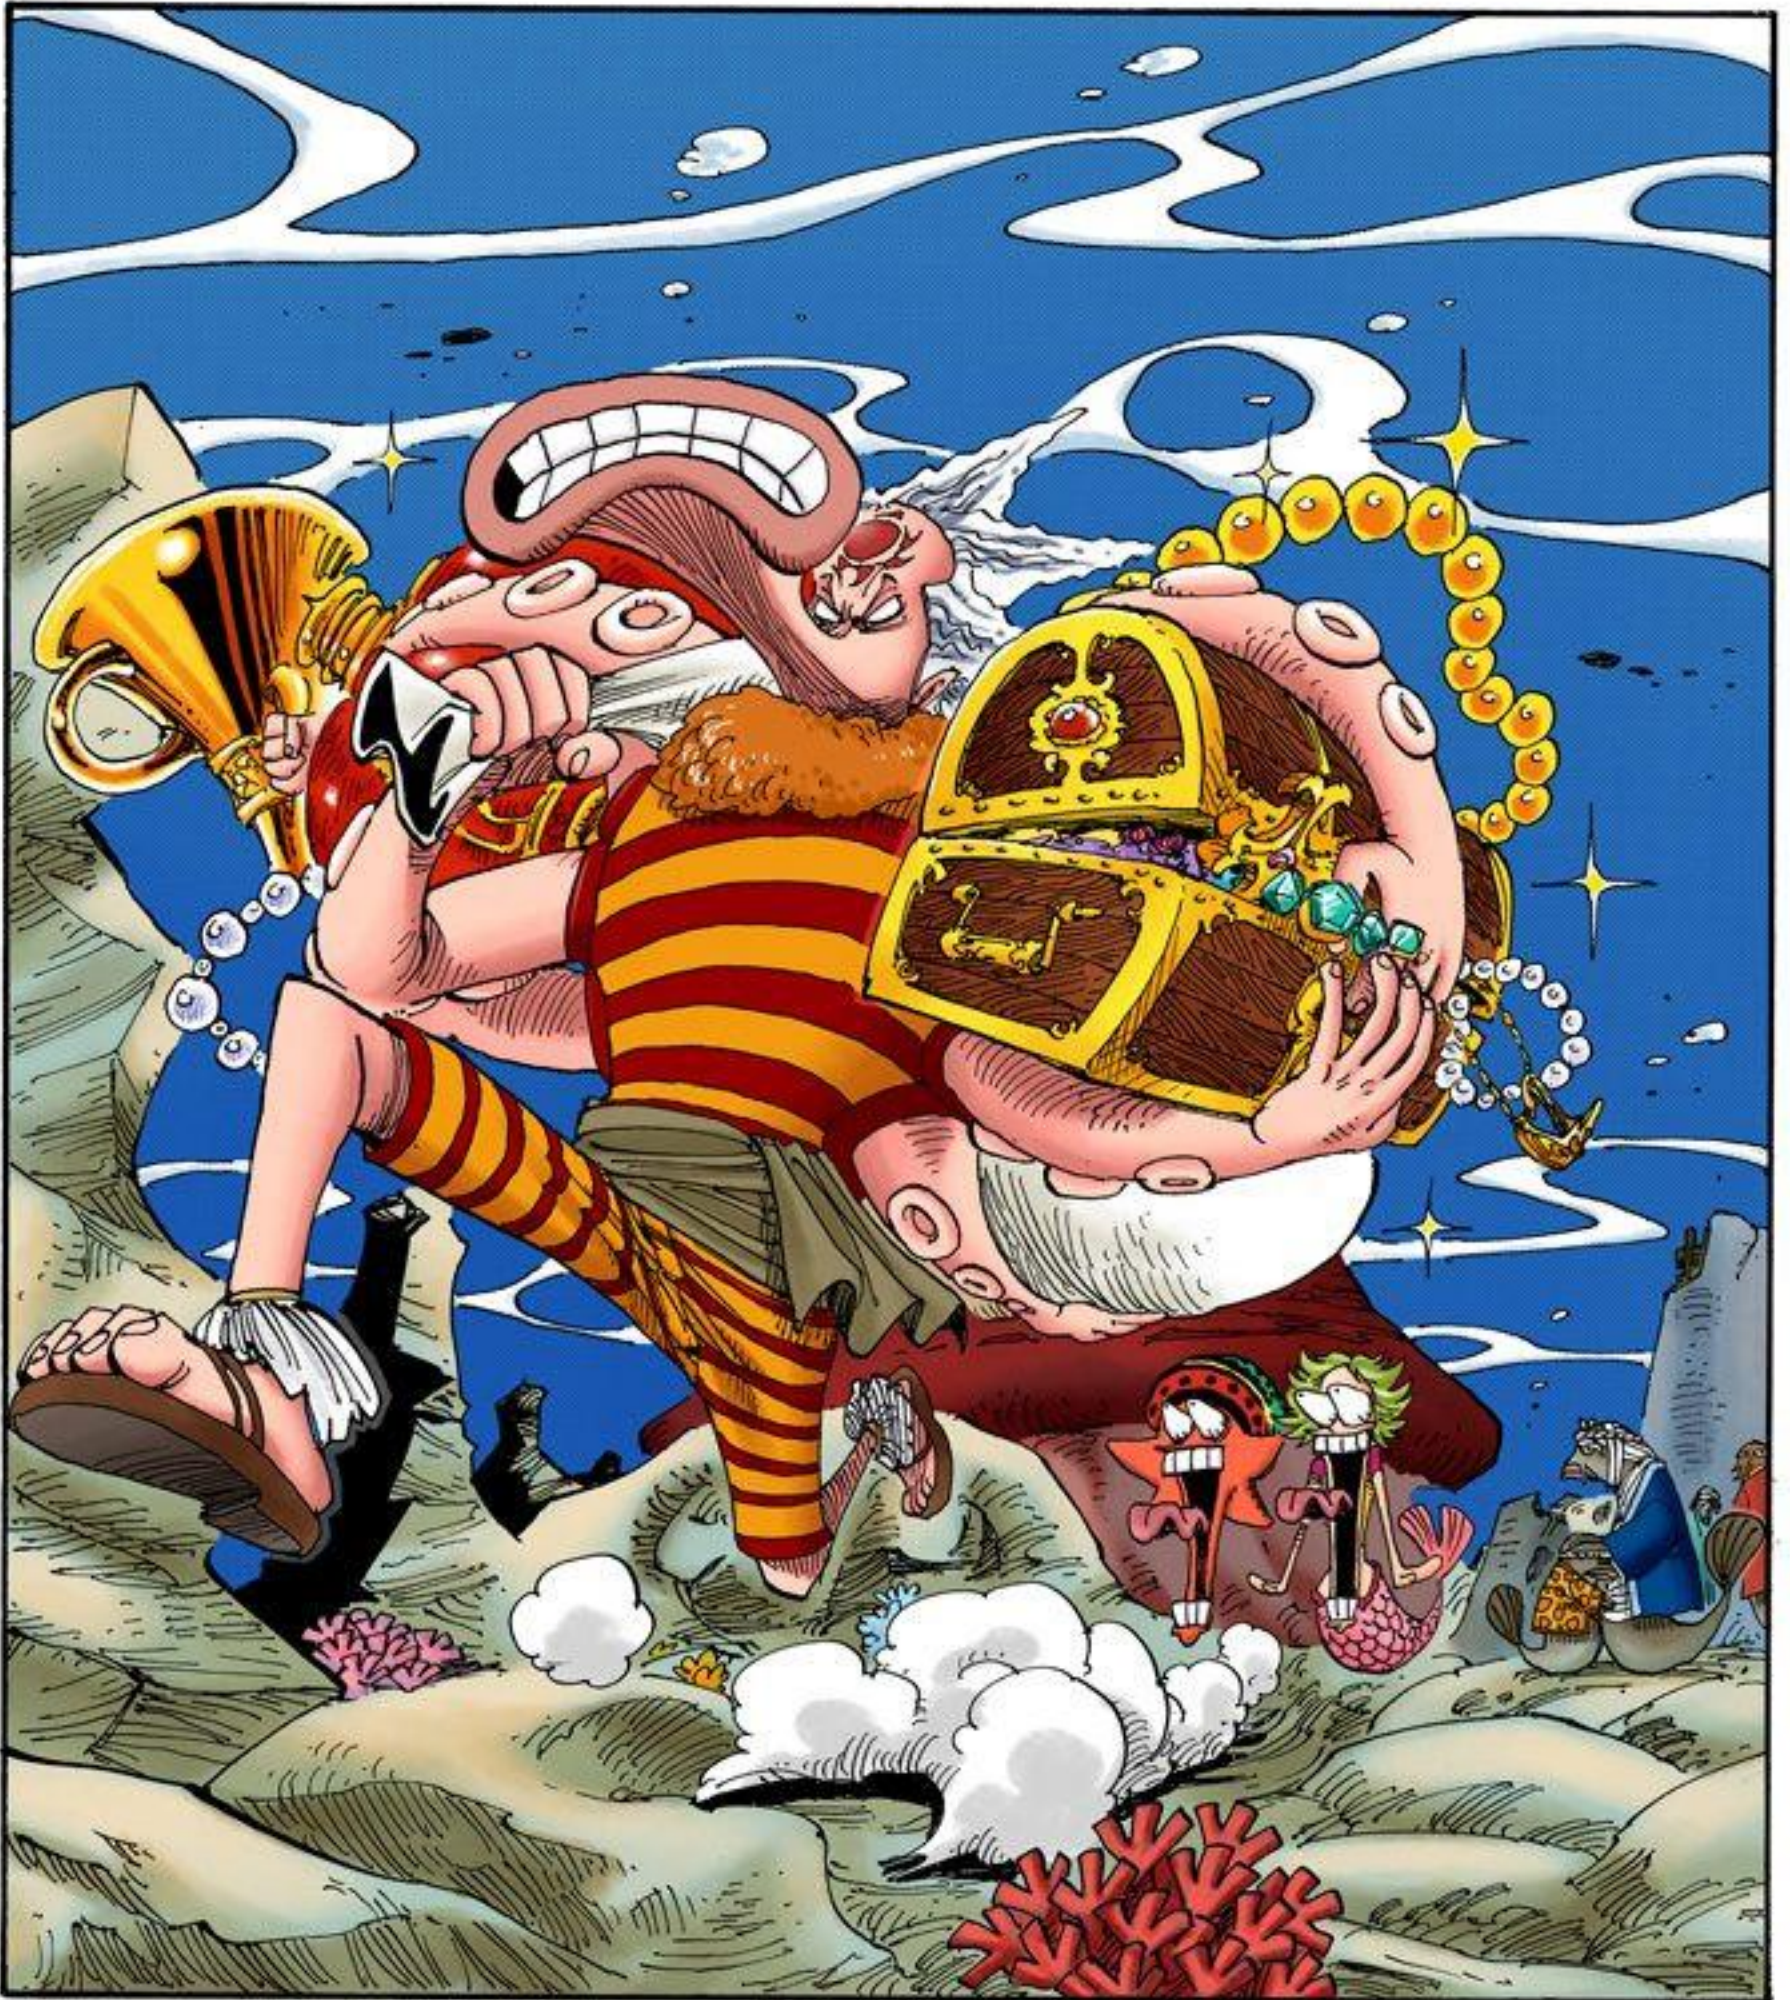

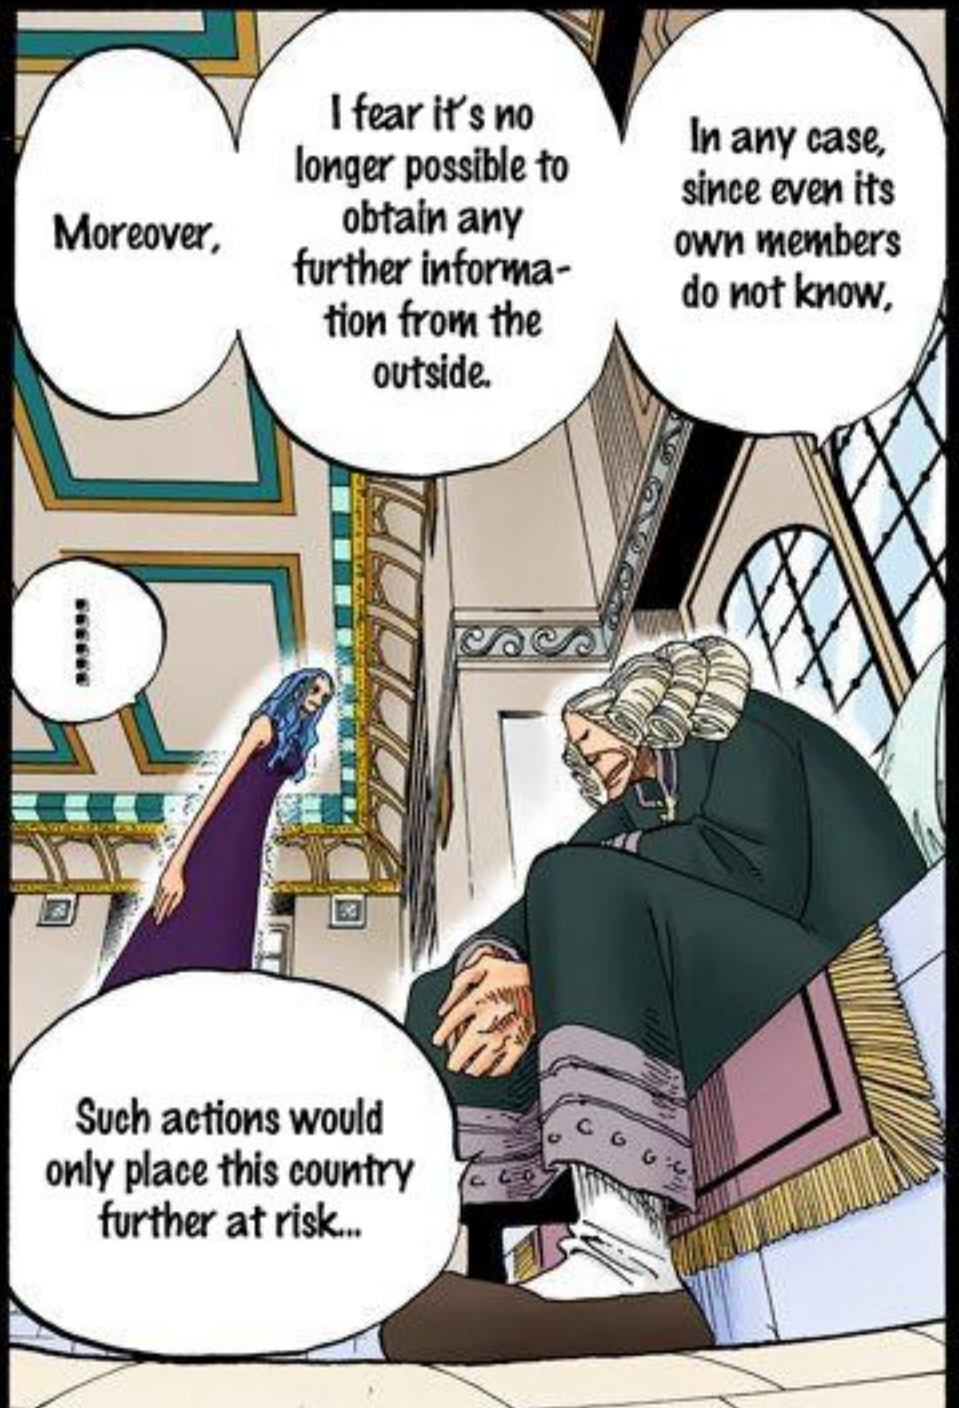

## Chapter 216

# “Vivi’s Adventure”

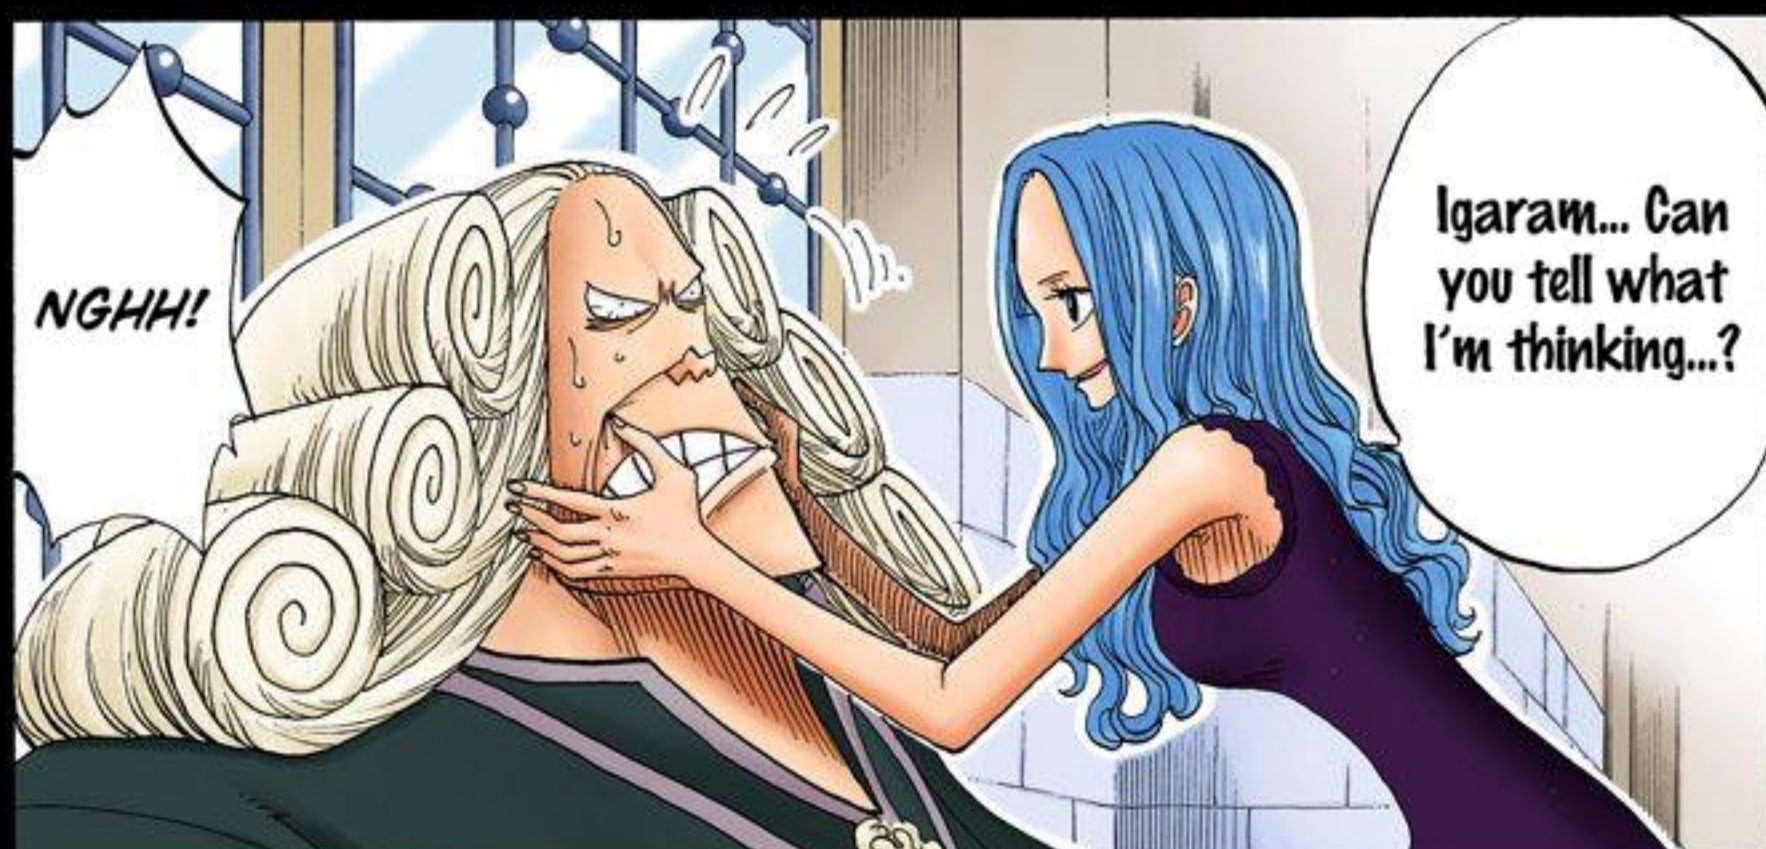

HACHI'S OCEAN FLOOR STROLL VOL. 30 "HACHI SUDDENLY RUNS FOR IT!"

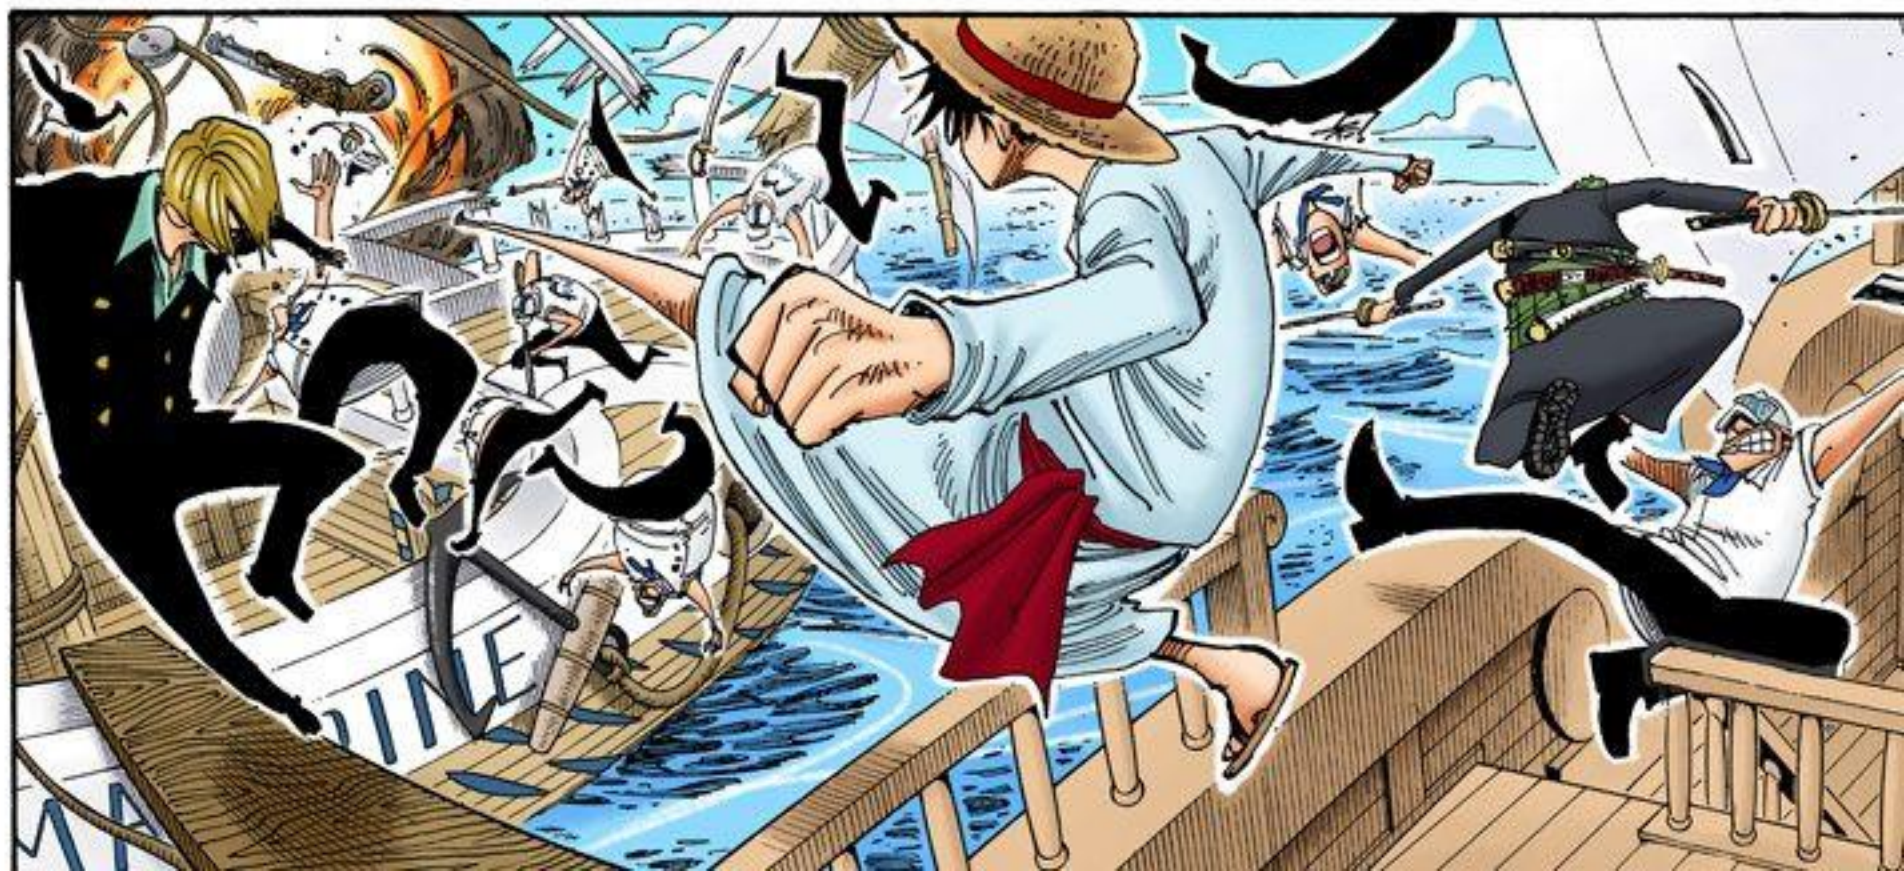

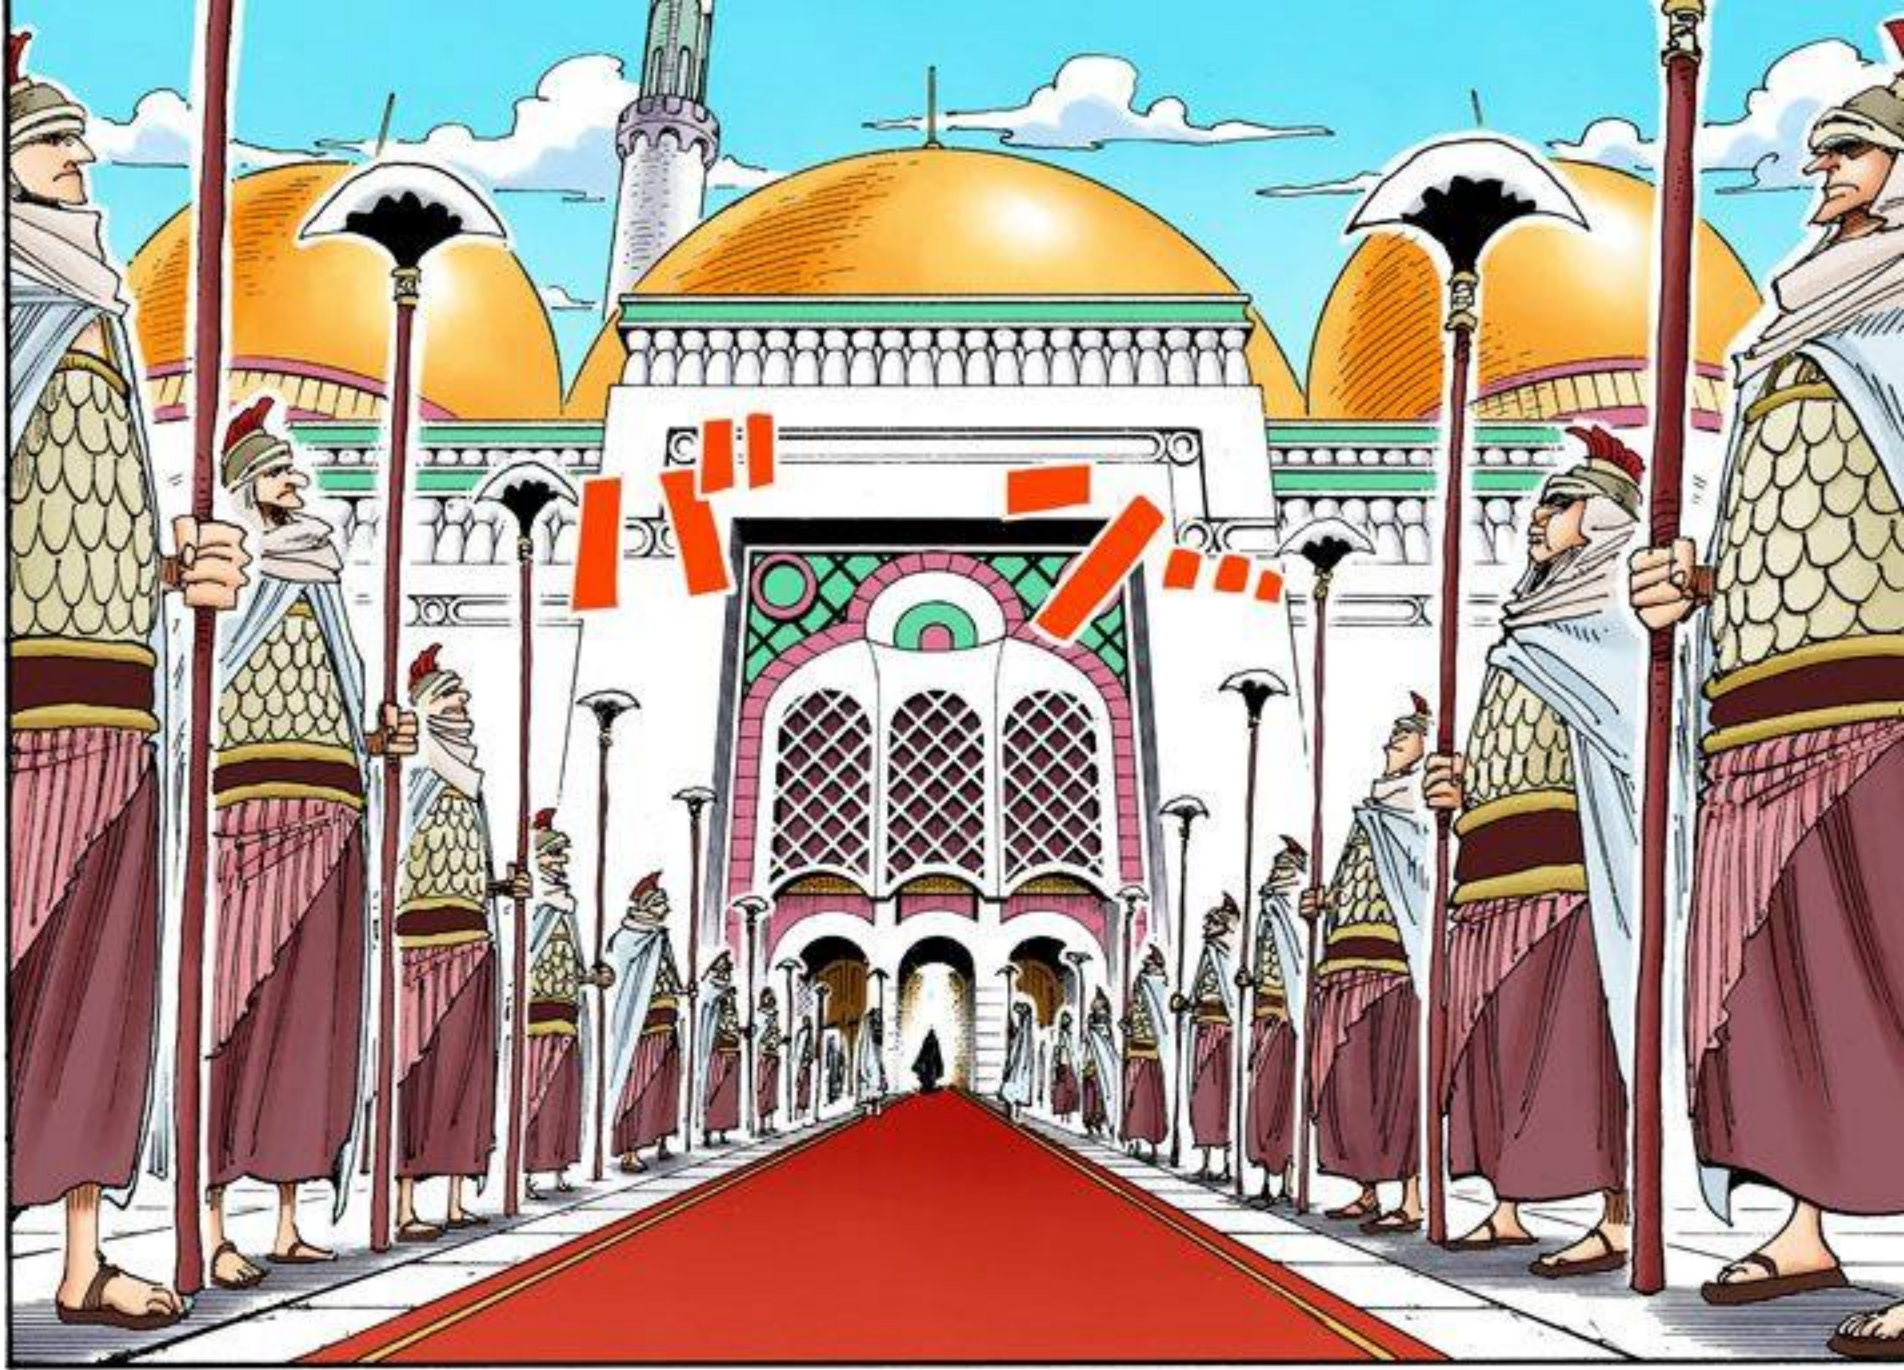

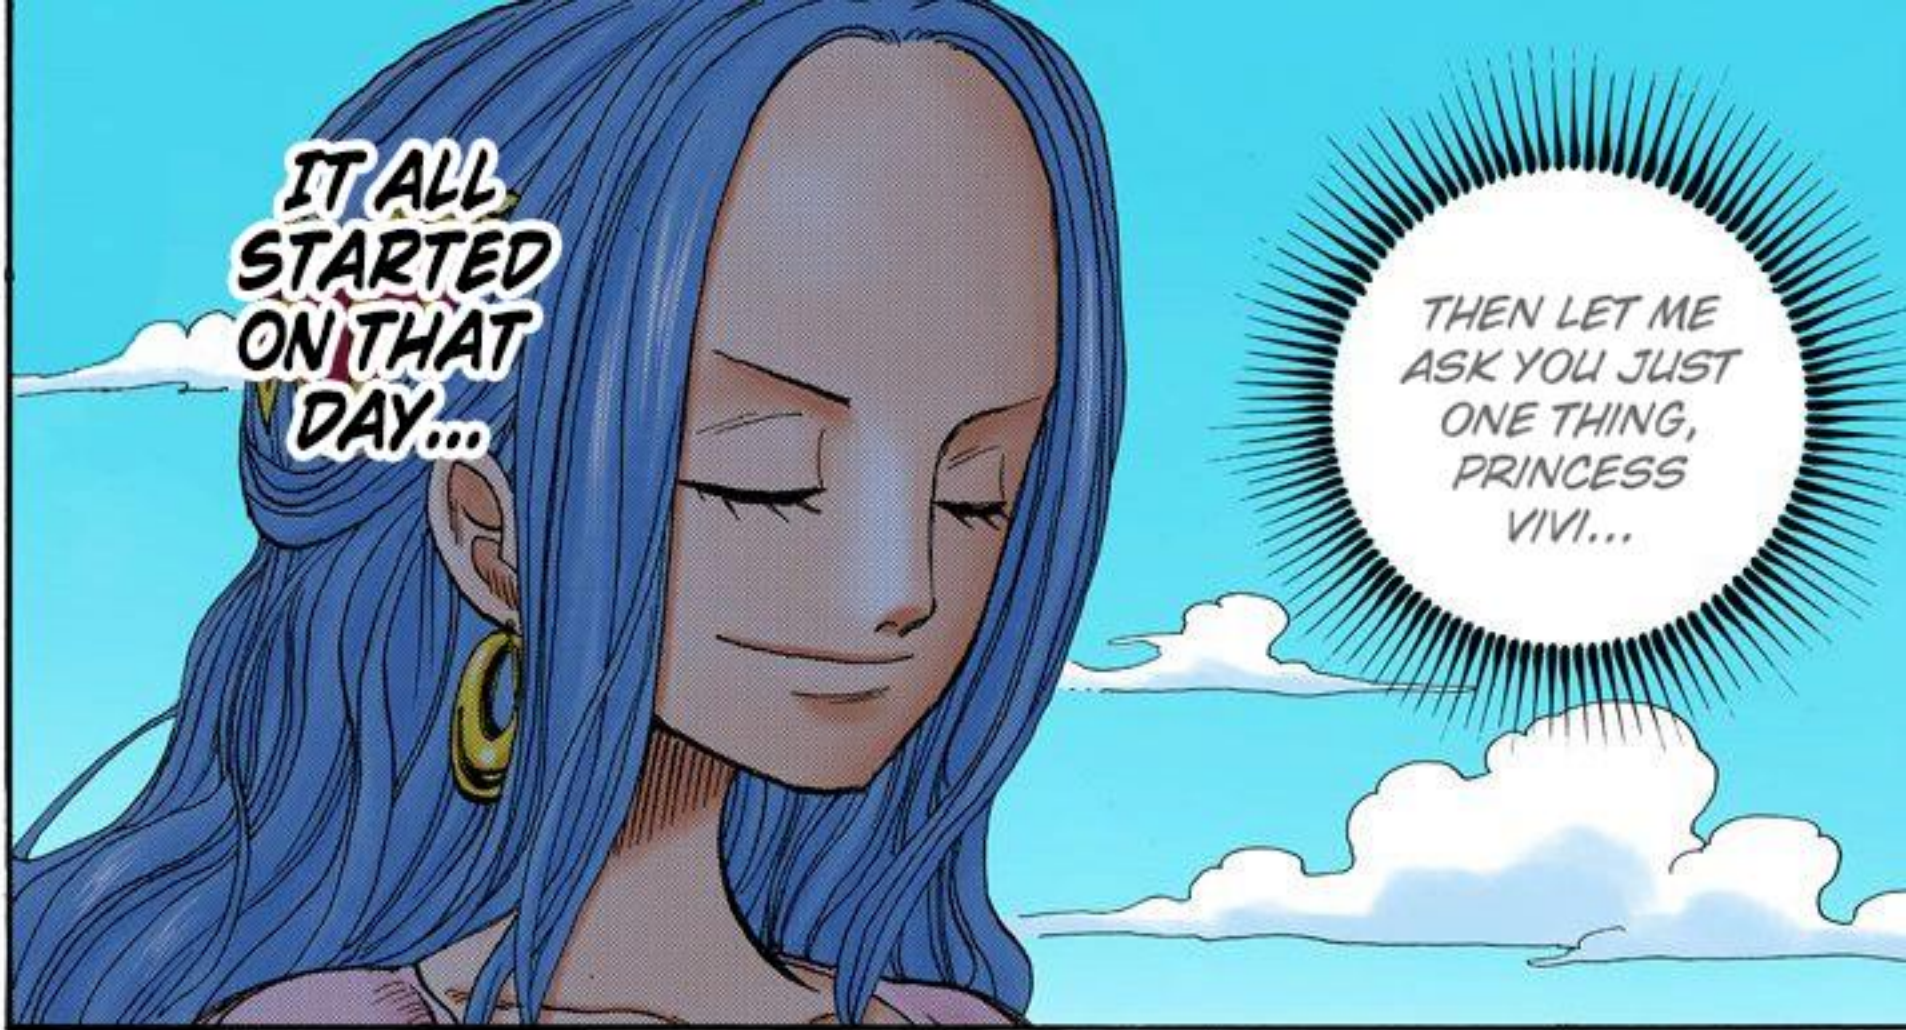

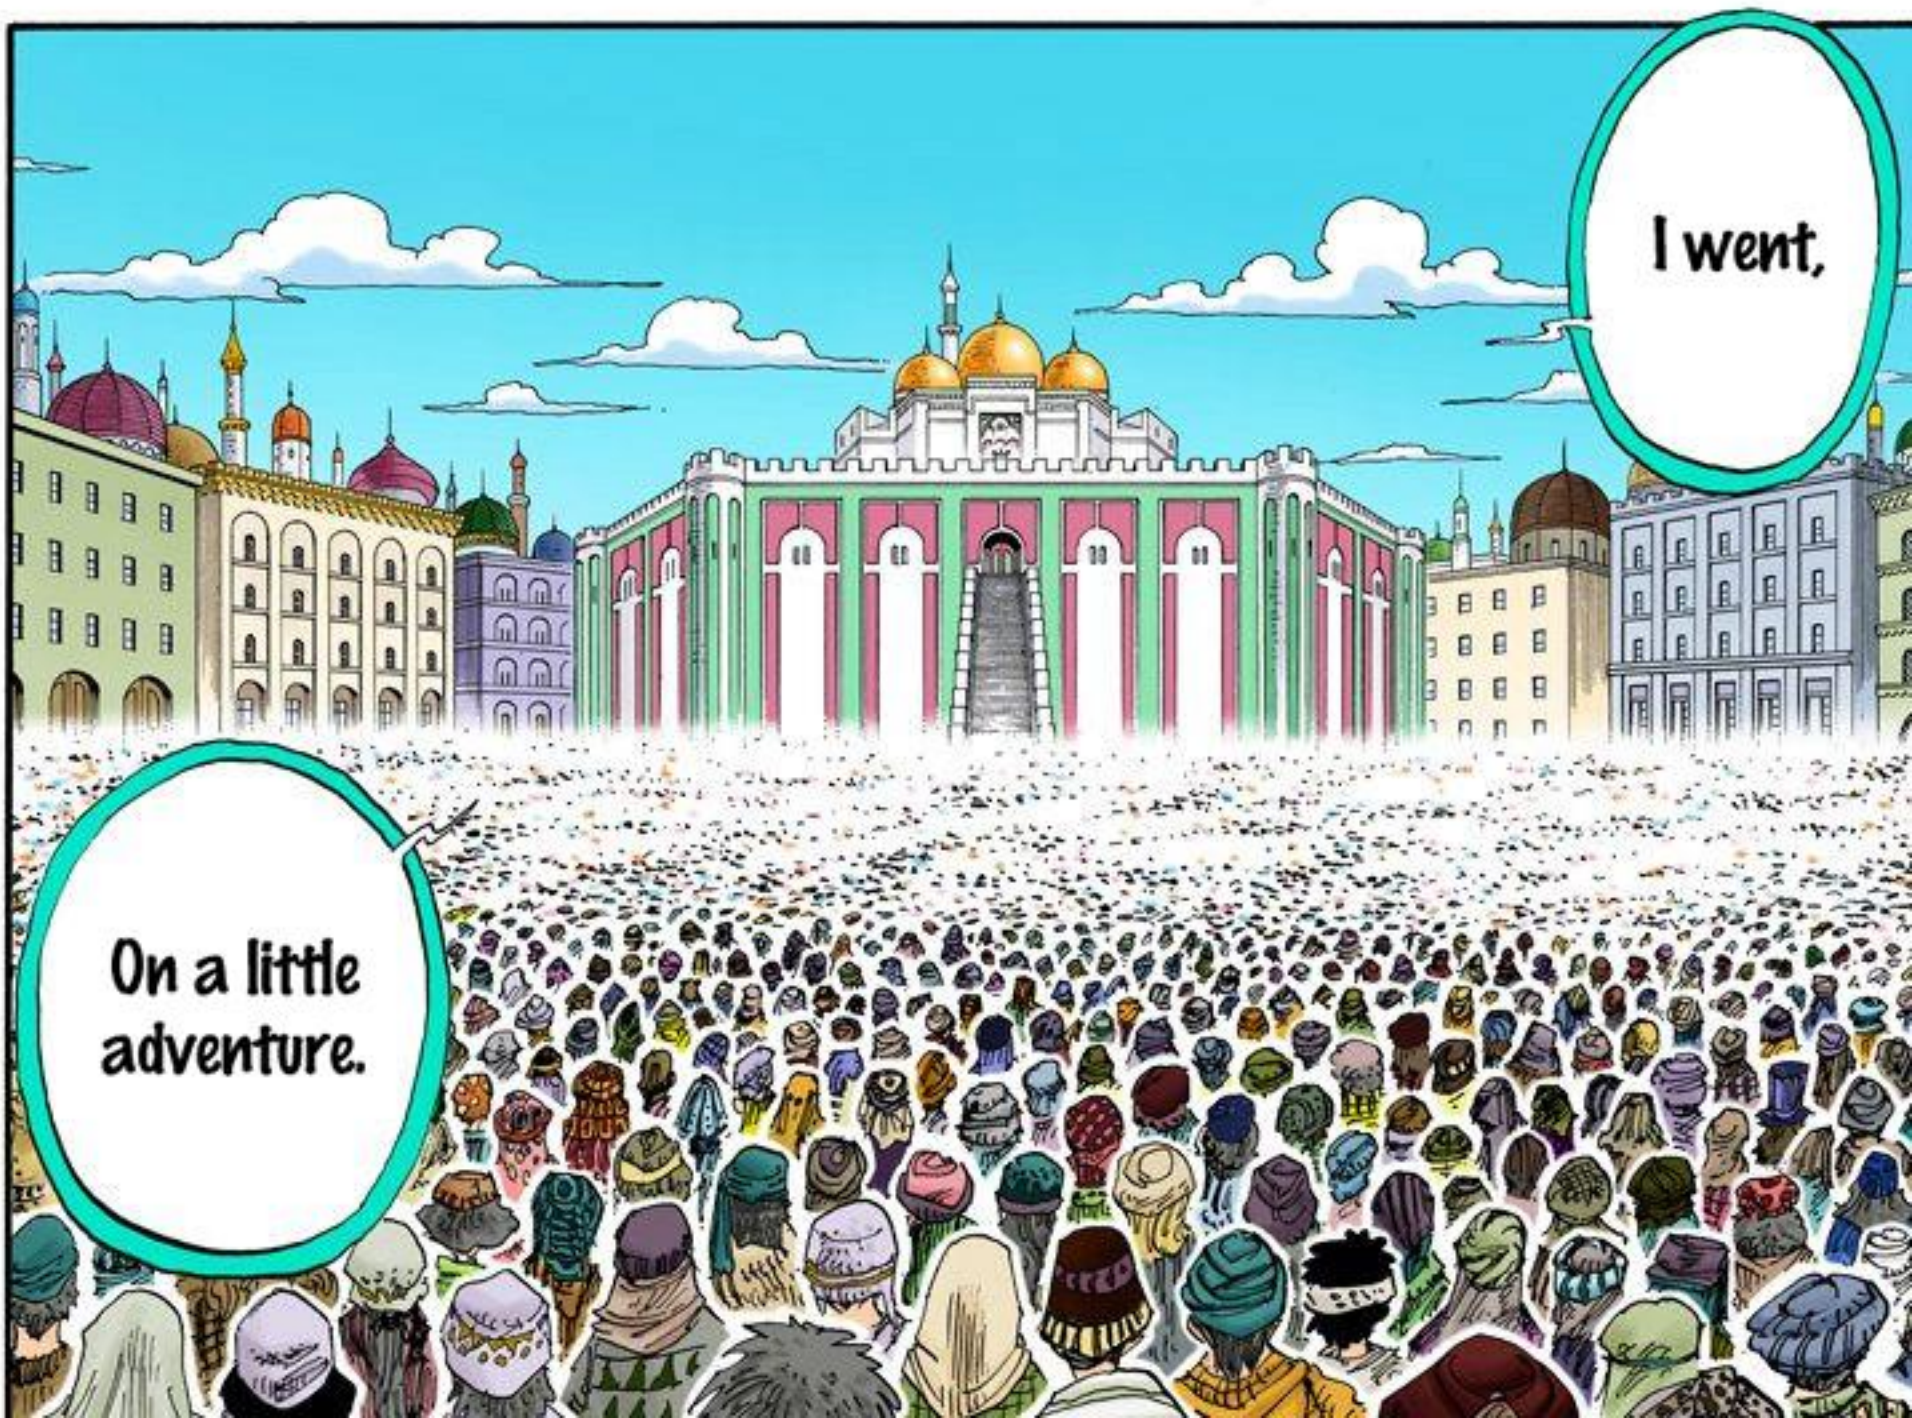

IT ALL  
STARTED  
ON THAT  
DAY...

THEN LET ME  
ASK YOU JUST  
ONE THING,  
PRINCESS  
VIVI...

TO NEVER  
LET  
YOURSELF  
DIE?

DO YOU  
HAVE THE  
RESOLVE,

I went,

On a little  
adventure.

It's starting  
2 hours later than  
scheduled though.  
I wonder if some-  
thing happened?

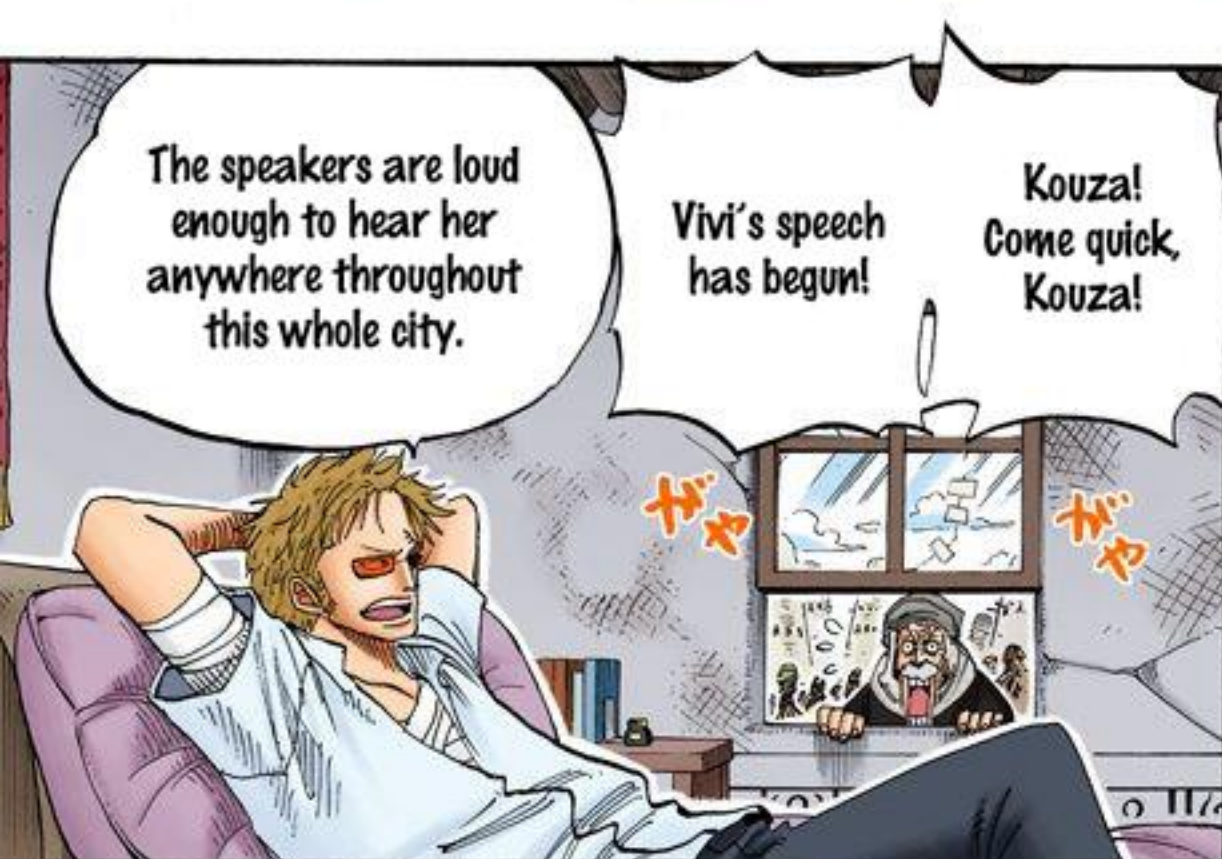

The coming  
of age's  
ceremony's  
started!

Thank god  
she's fine  
and well!

Finally!

Hey! The  
princess'  
speech is  
starting!

The speakers are loud  
enough to hear her  
anywhere throughout  
this whole city.

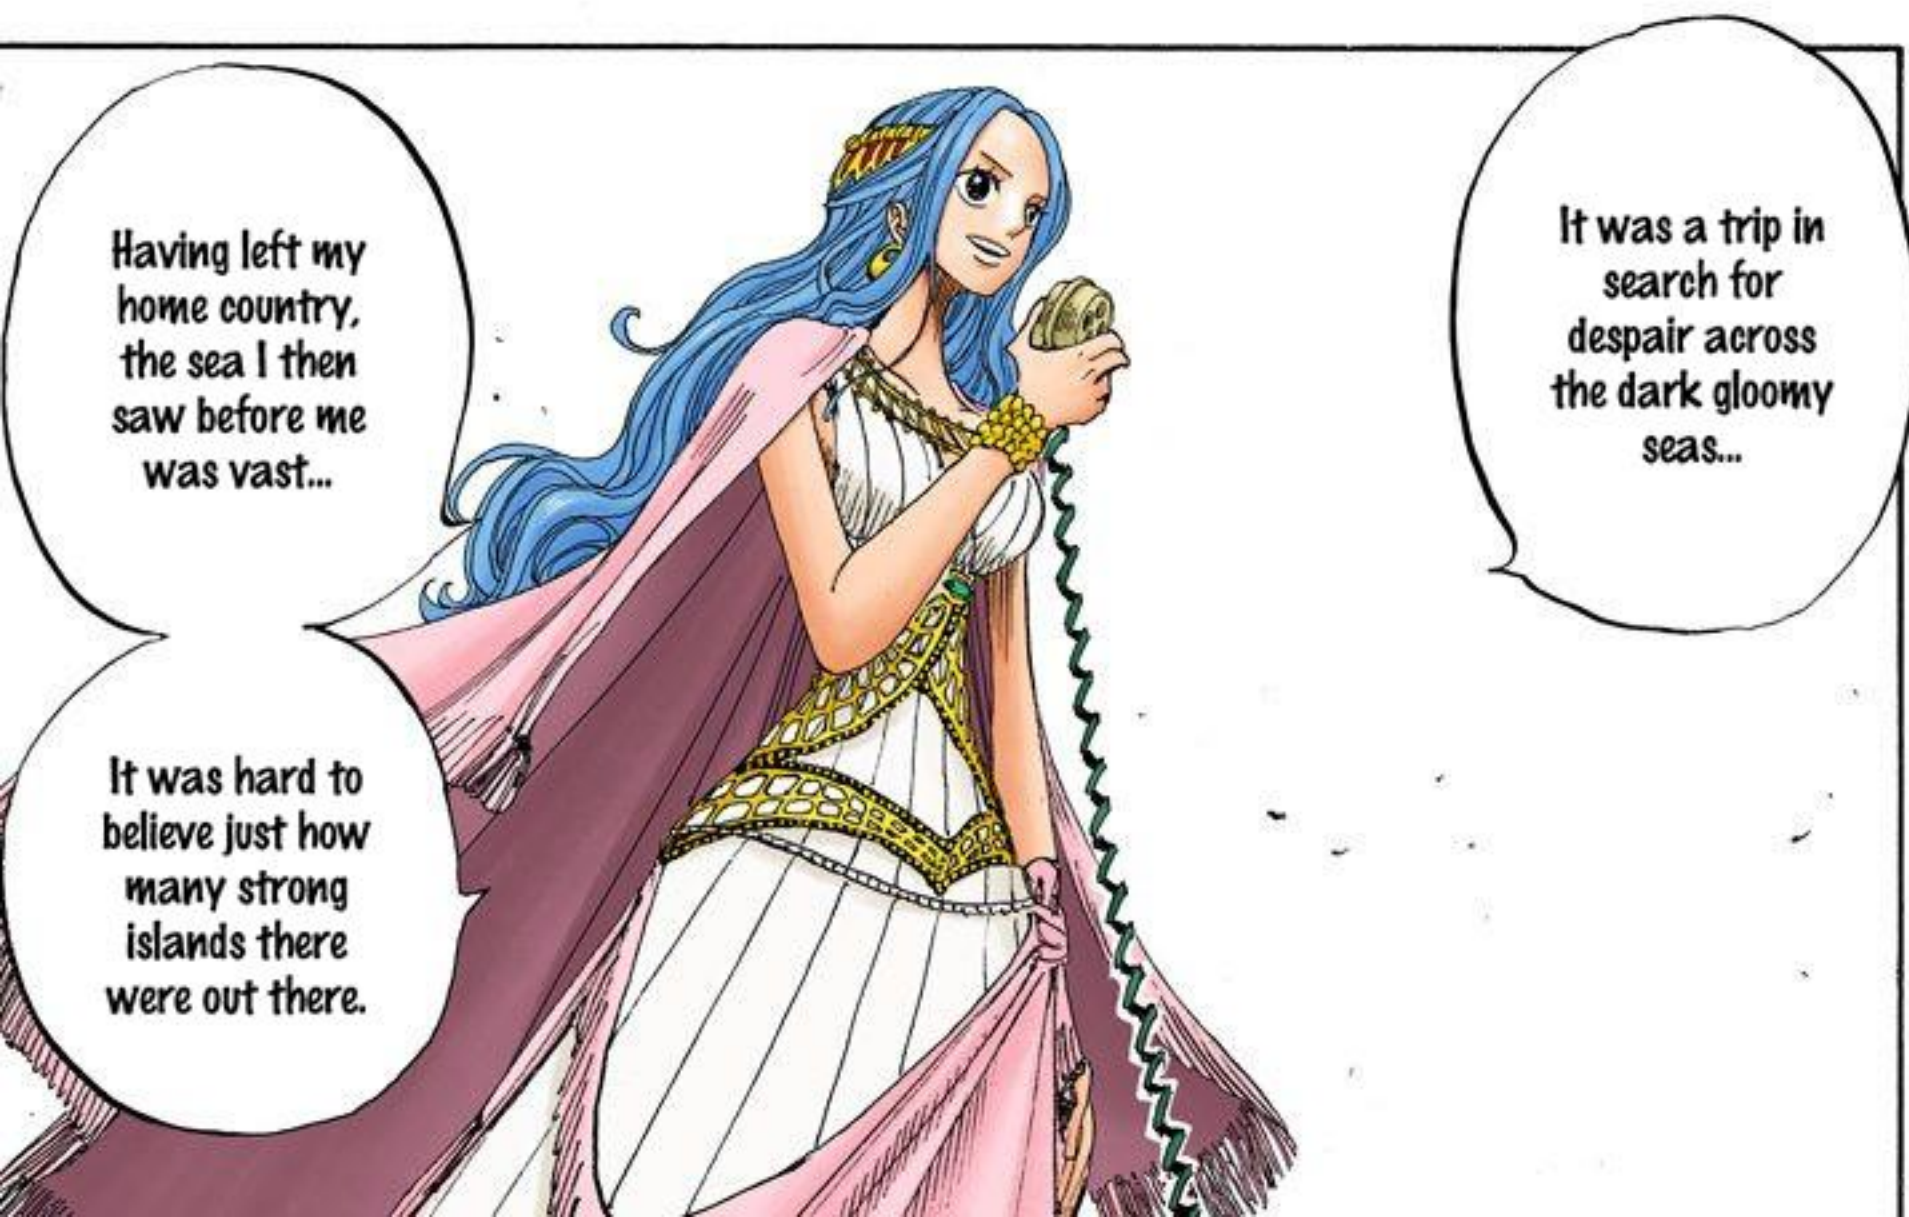

Vivi's speech  
has begun!

Kouza!  
Come quick,  
Kouza!

I hope it won't  
cause too big  
of a fuss...

Well...

Having left my  
home country,  
the sea I then  
saw before me  
was vast...

It was hard to  
believe just how  
many strong  
islands there  
were out there.

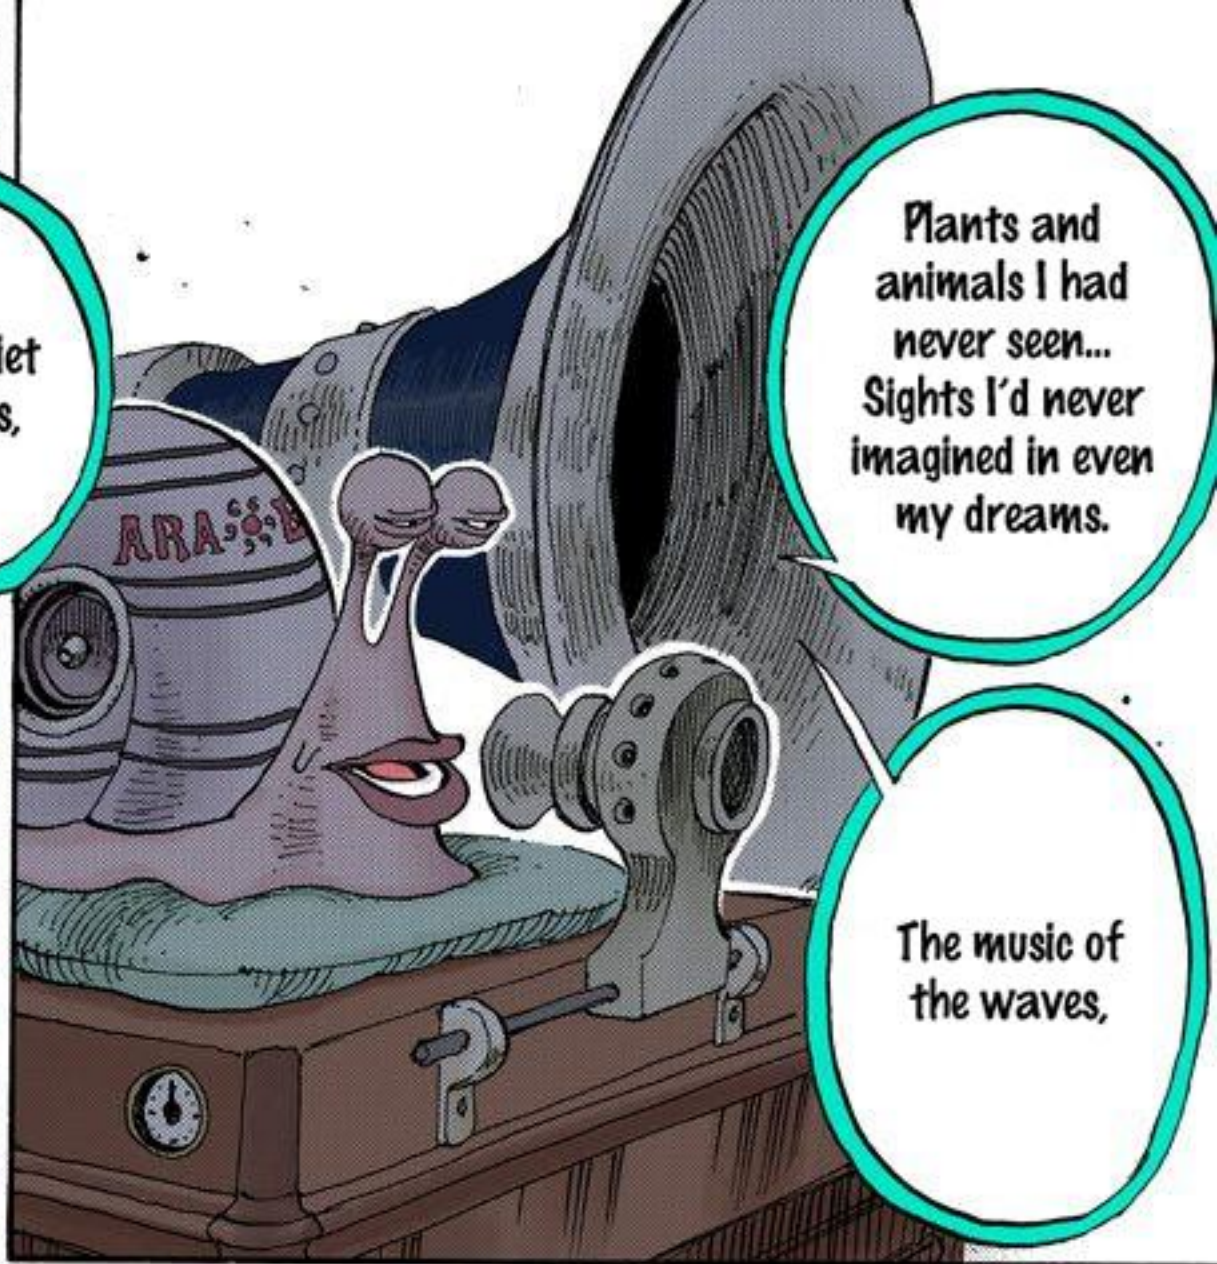

It was a trip in  
search for  
despair across  
the dark gloomy  
seas...

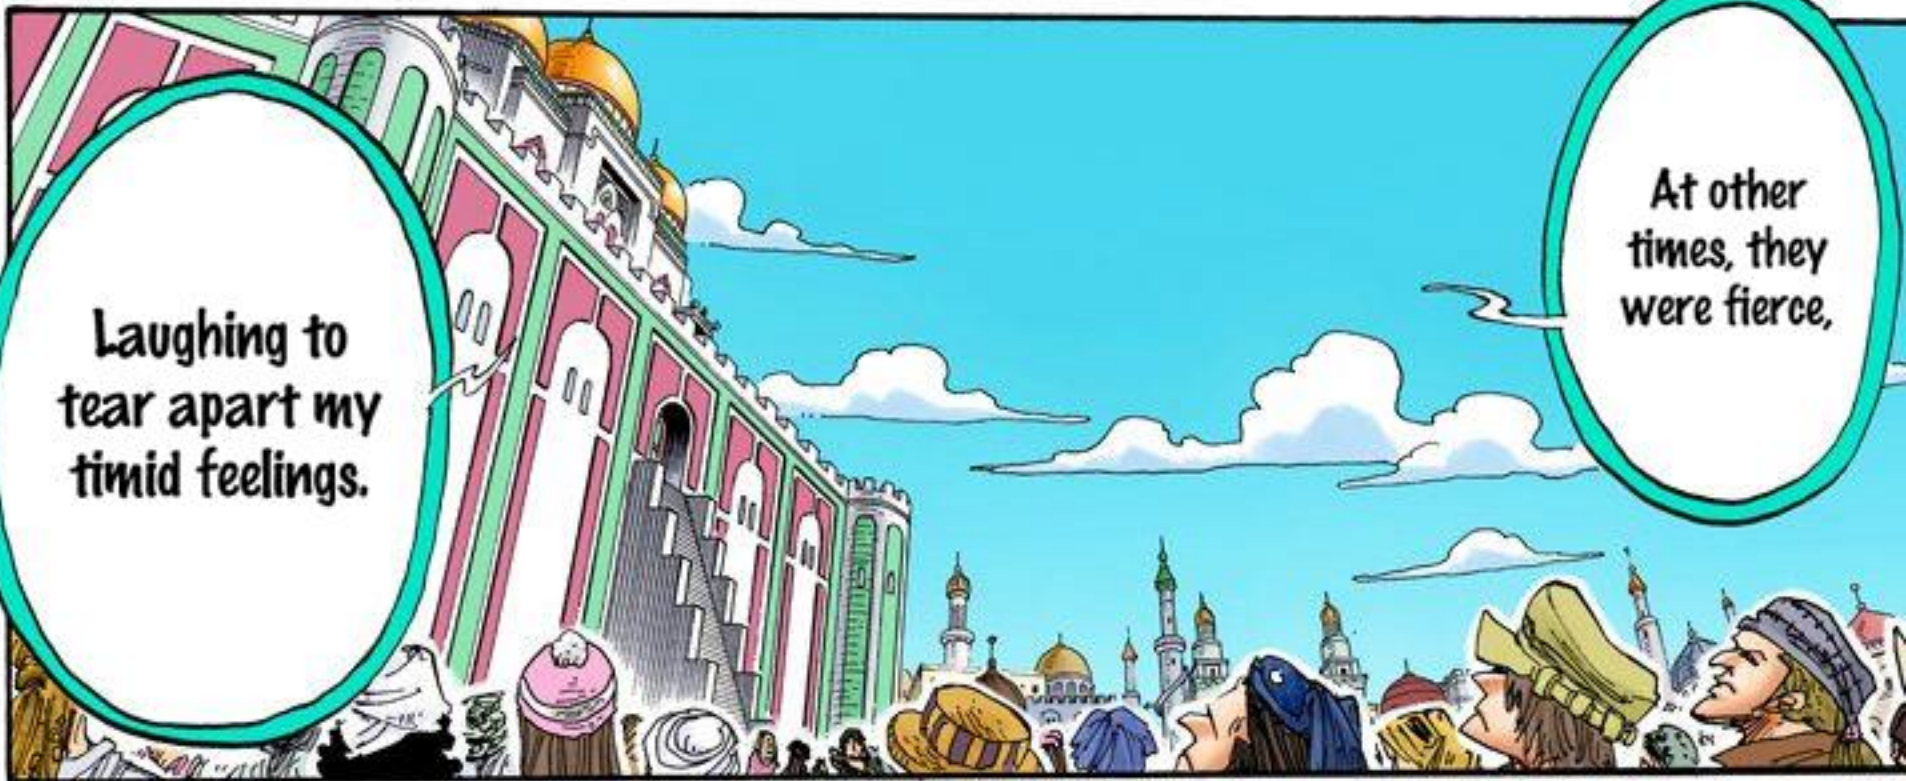

Gently washing  
away my  
trifling concerns.

Were quiet  
at times,

Plants and  
animals I had  
never seen...  
Sights I'd never  
imagined in even  
my dreams.

The music of  
the waves,

Laughing to  
tear apart my  
timid feelings.

At other  
times, they  
were fierce,

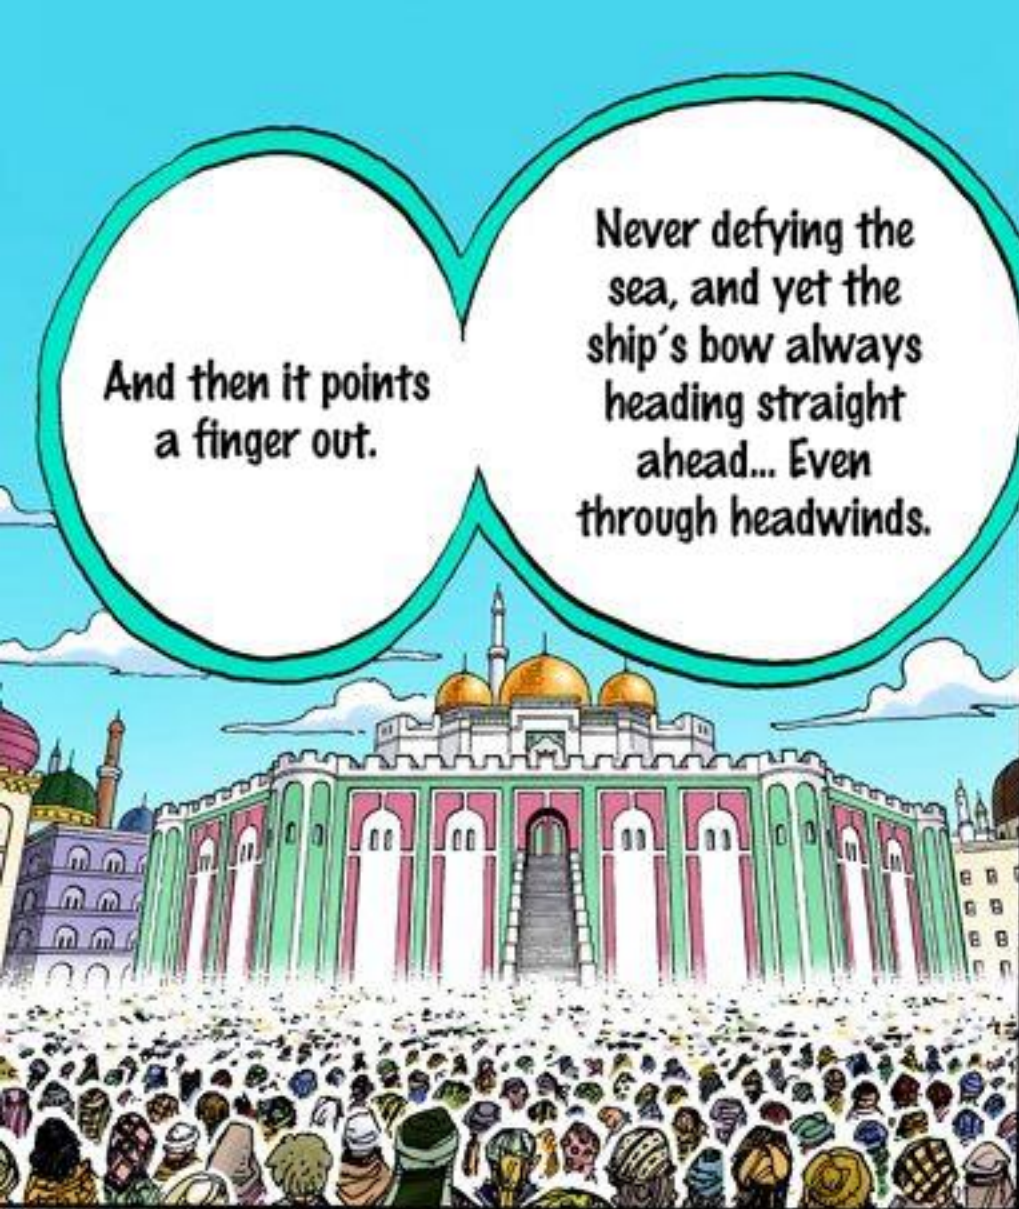

The ship pressed  
me onwards  
from behind  
and said,

"Can't you  
see that light  
ahead?"

...And in the  
midst of a dark  
storm, I came  
across a single  
small ship.

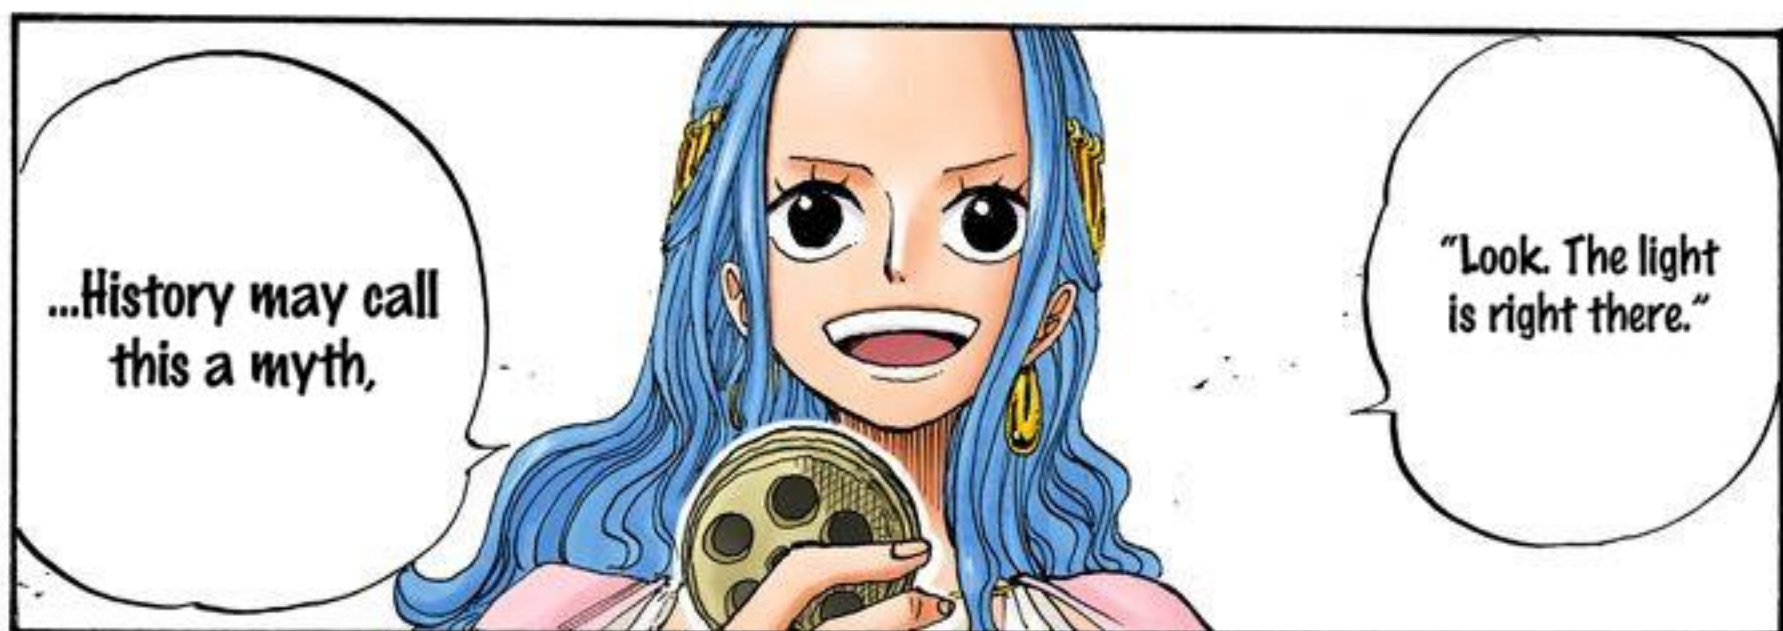

And then it points  
a finger out.

Never defying the  
sea, and yet the  
ship's bow always  
heading straight  
ahead... Even  
through headwinds.

The mysterious  
little ship that  
never lost its way  
in the darkness,

Crossed over  
monstrous waves  
as if dancing.

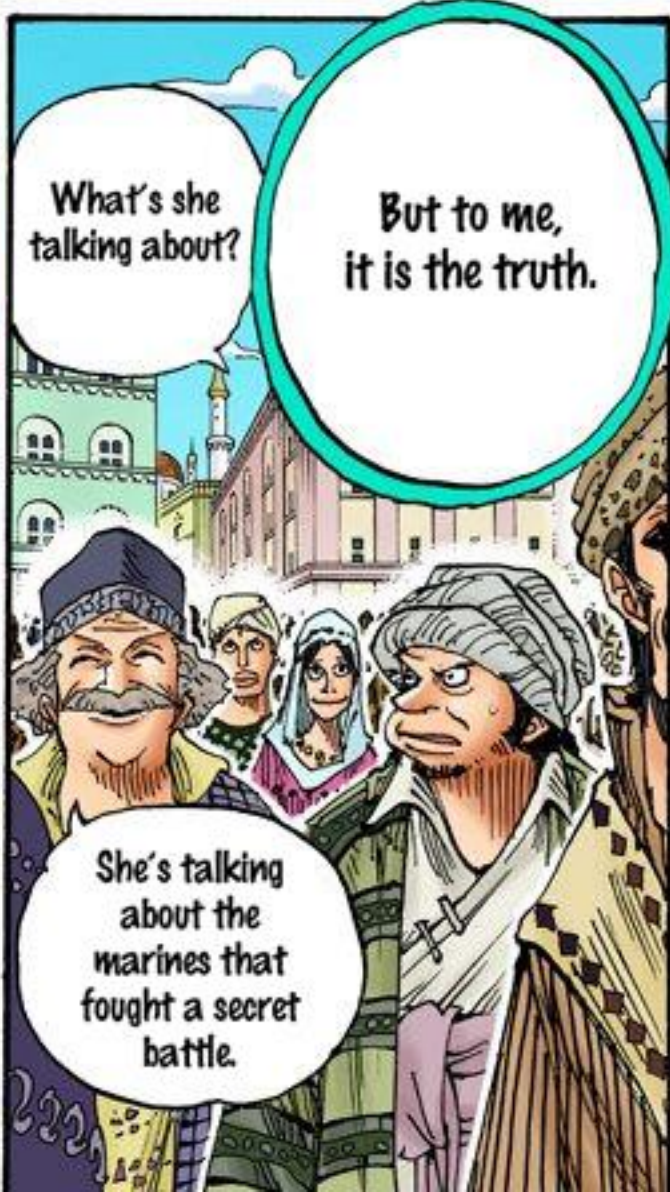

...History may call  
this a myth,

"Look. The light  
is right there."

And so-

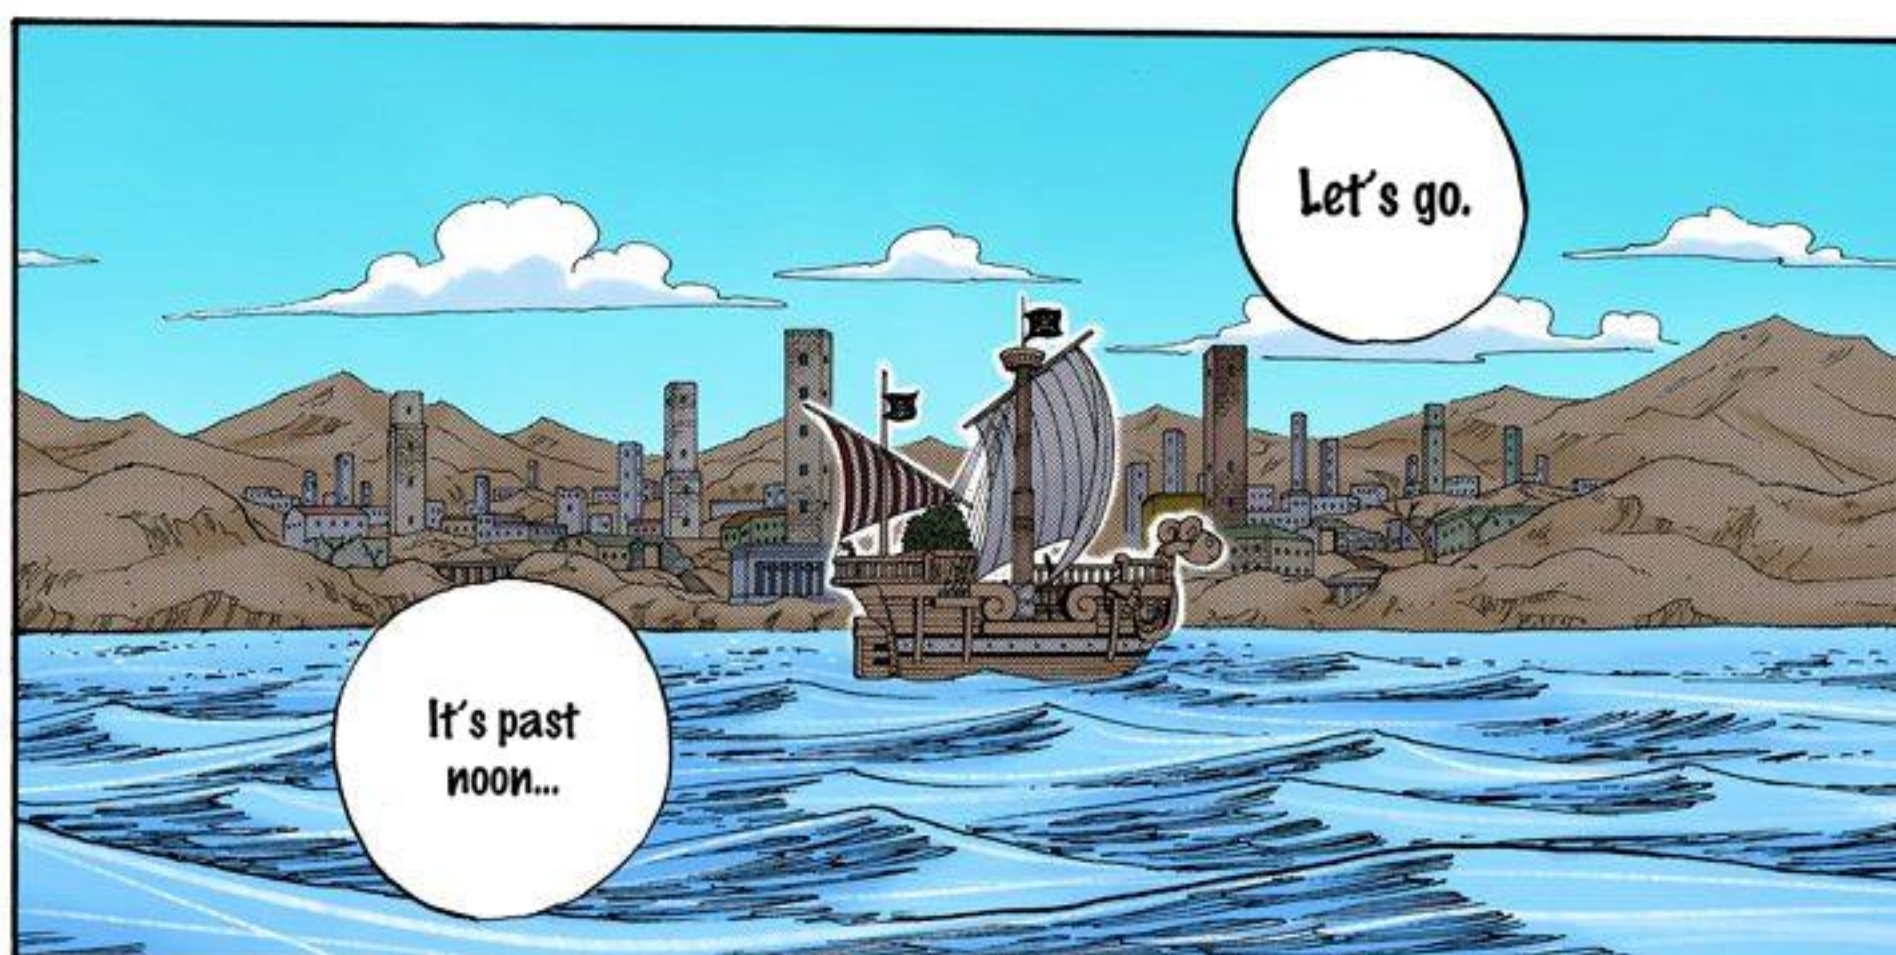

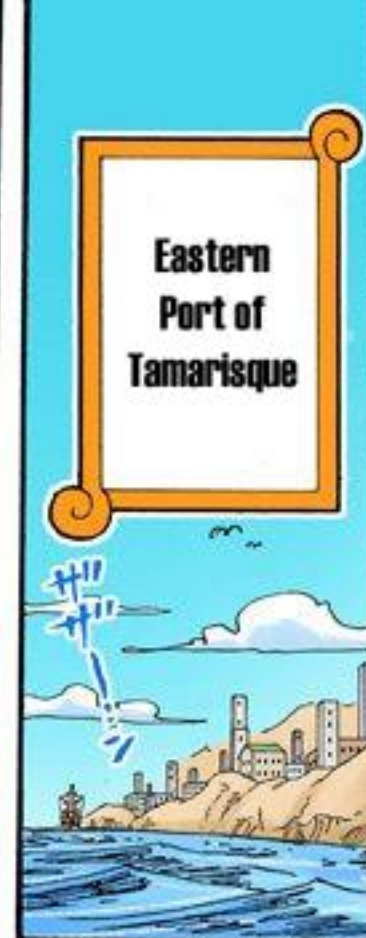

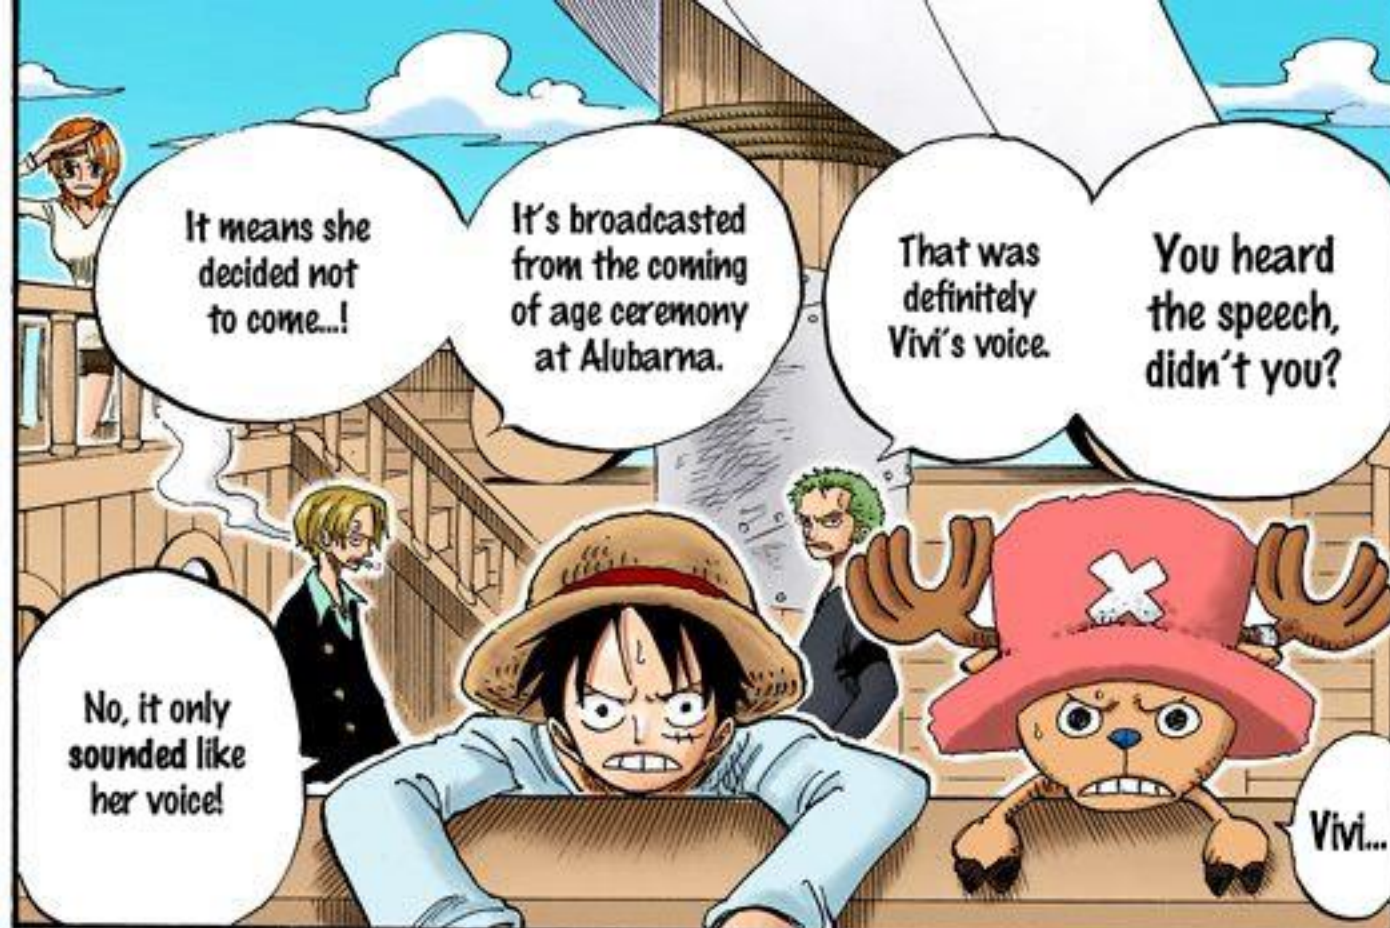

What's she  
talking about?

But to me,  
it is the truth.

She's talking  
about the  
marines that  
fought a secret  
battle.

SHOW  
YOUR  
FACE,  
YOU  
PHONY!

OR SHOULD  
WE RATHER  
SAY, CAPT.  
IGARAM!

HEY,  
WHAT'S  
GOING  
ON!?

Alubarna

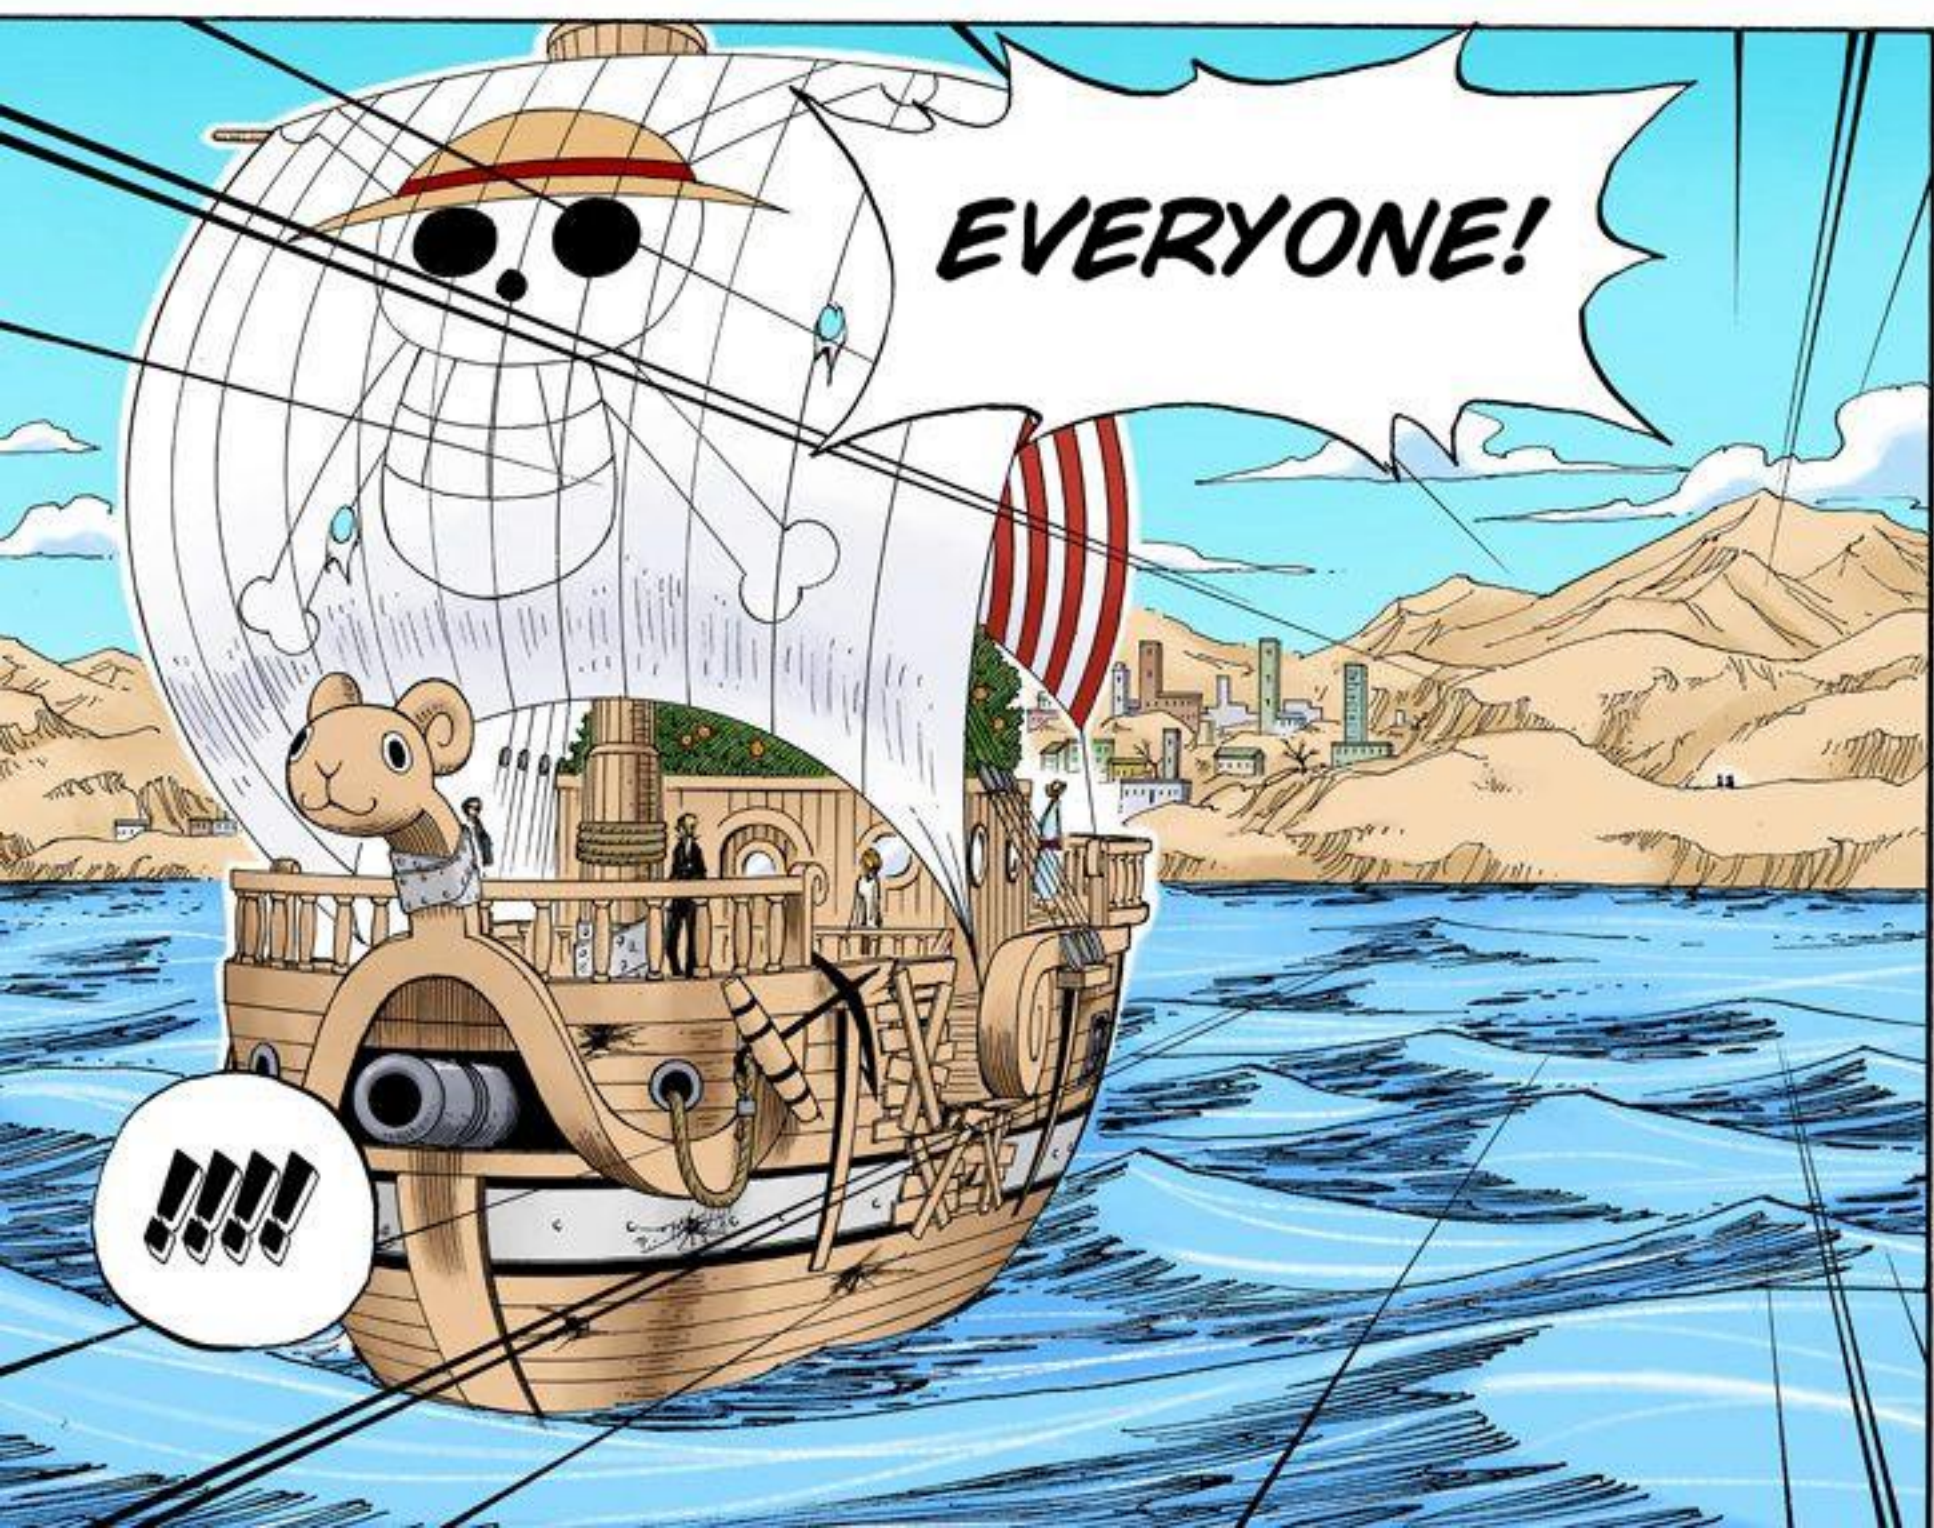

She should be  
there by now...

WHERE'S  
PRINCESS  
VIVI GIVING  
HER  
SPEECH  
FROM!?

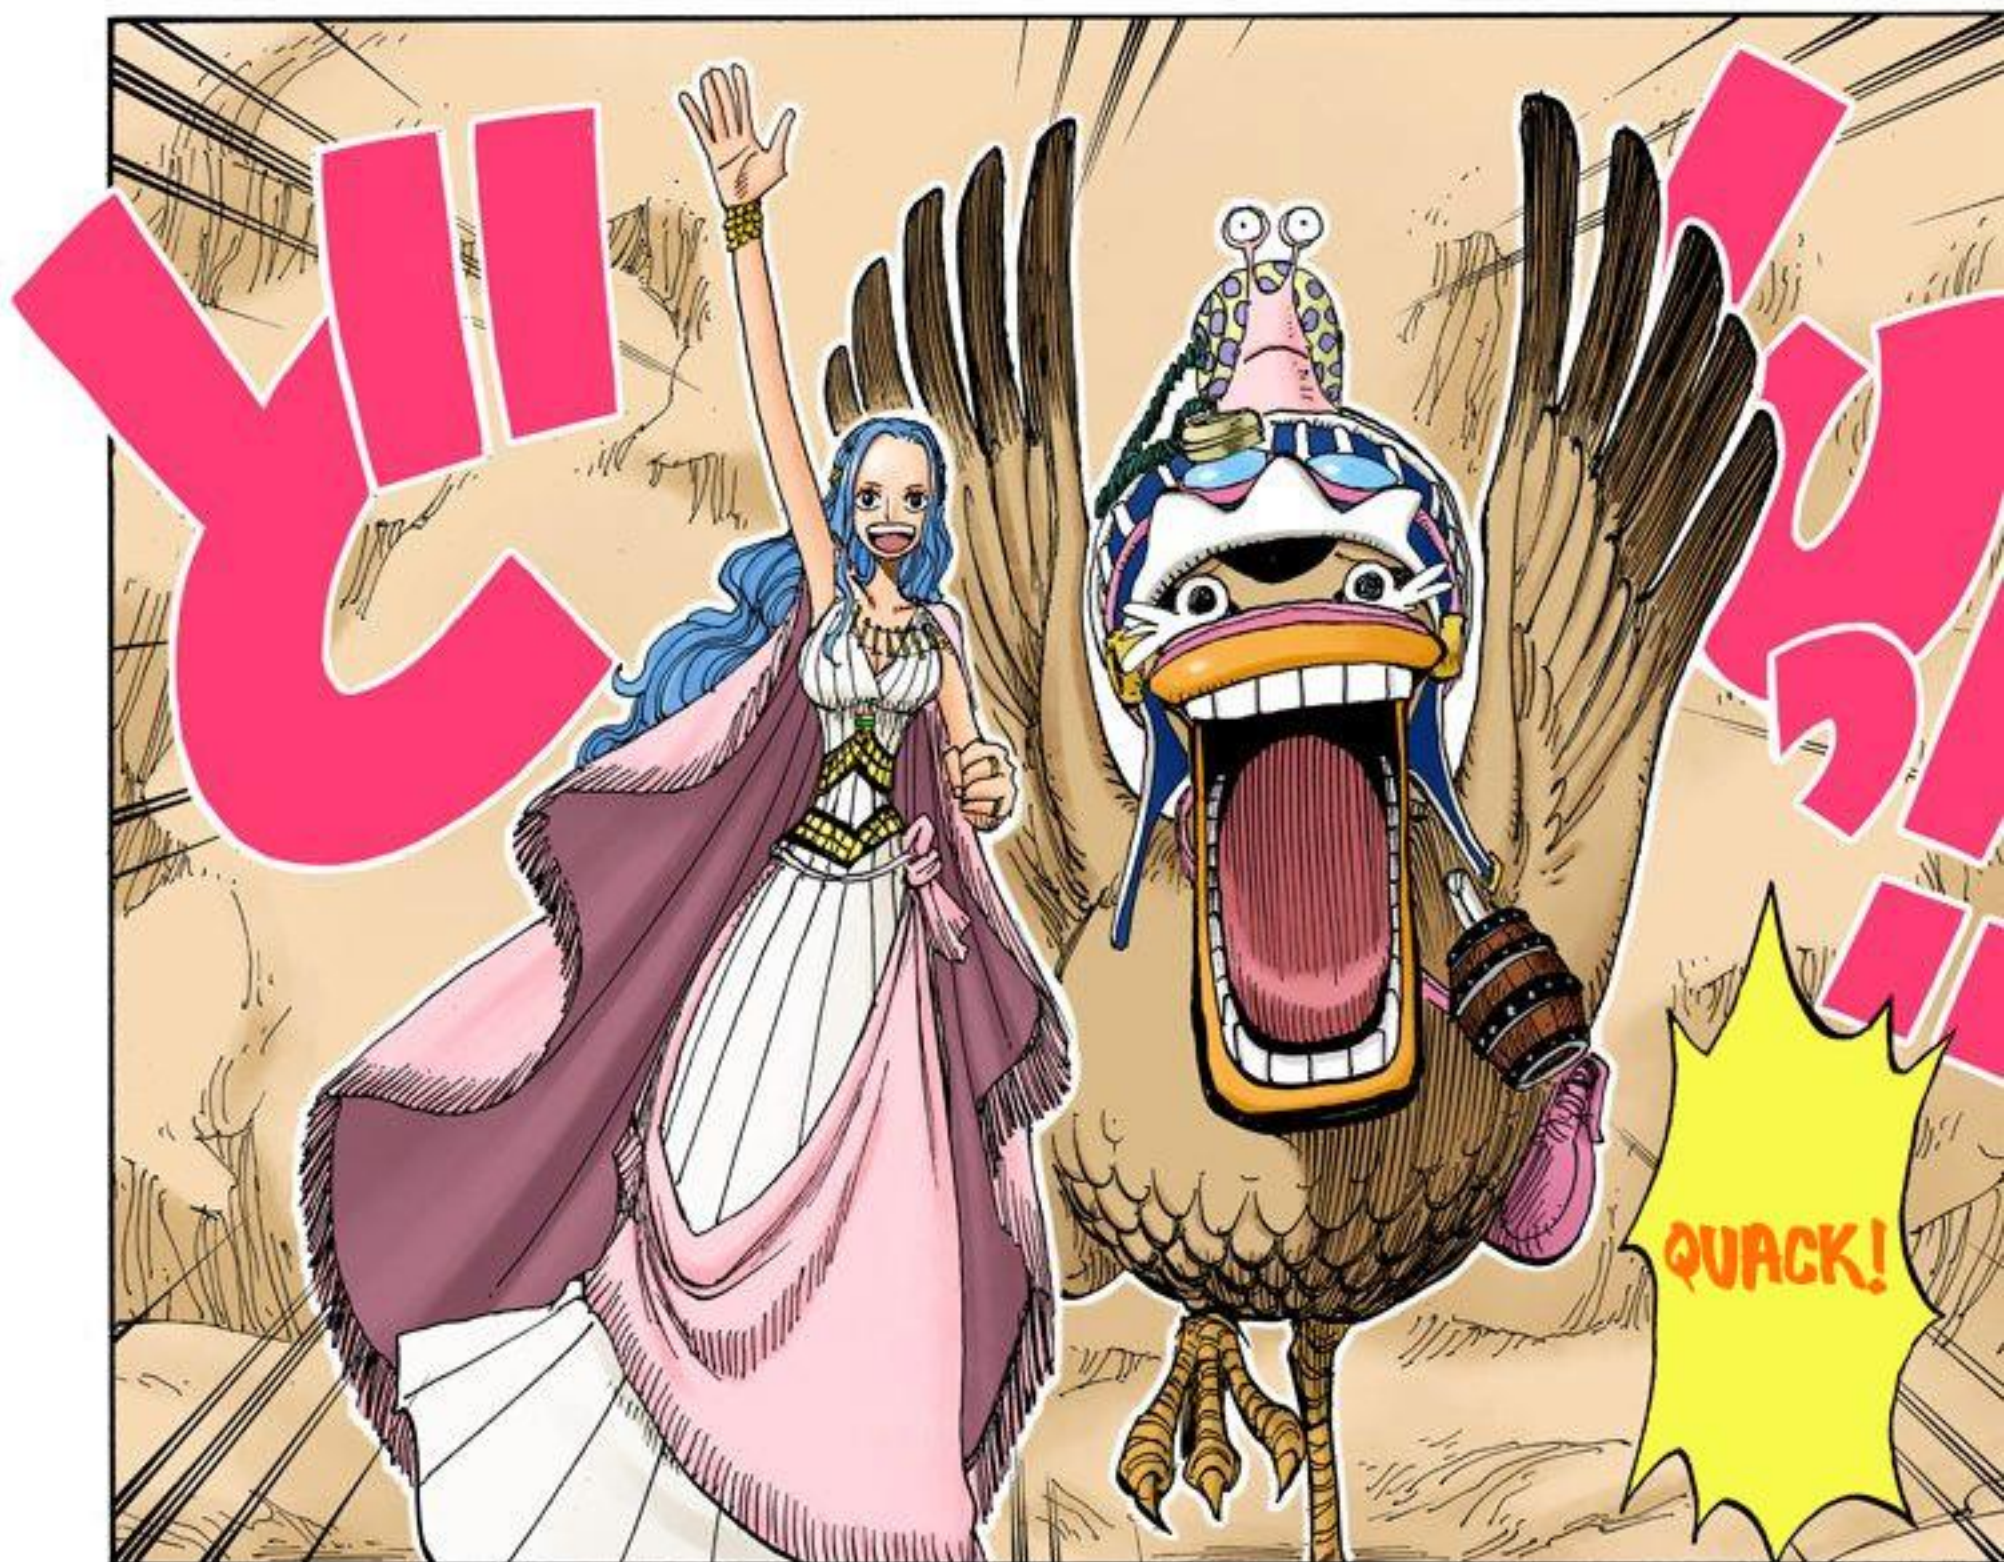

WHERE'S  
THE REAL  
PRINCESS!?

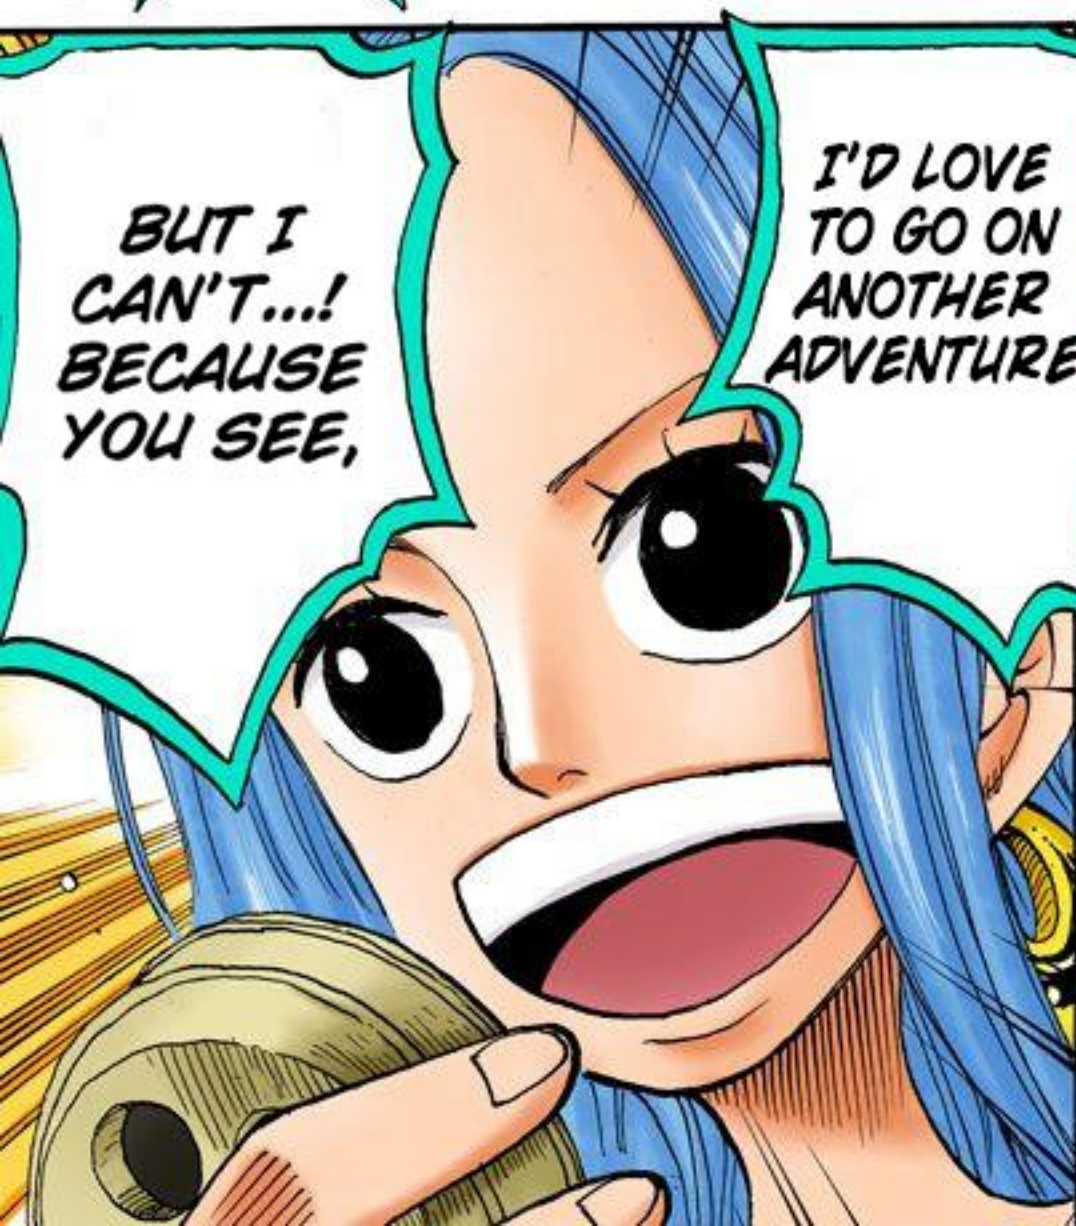

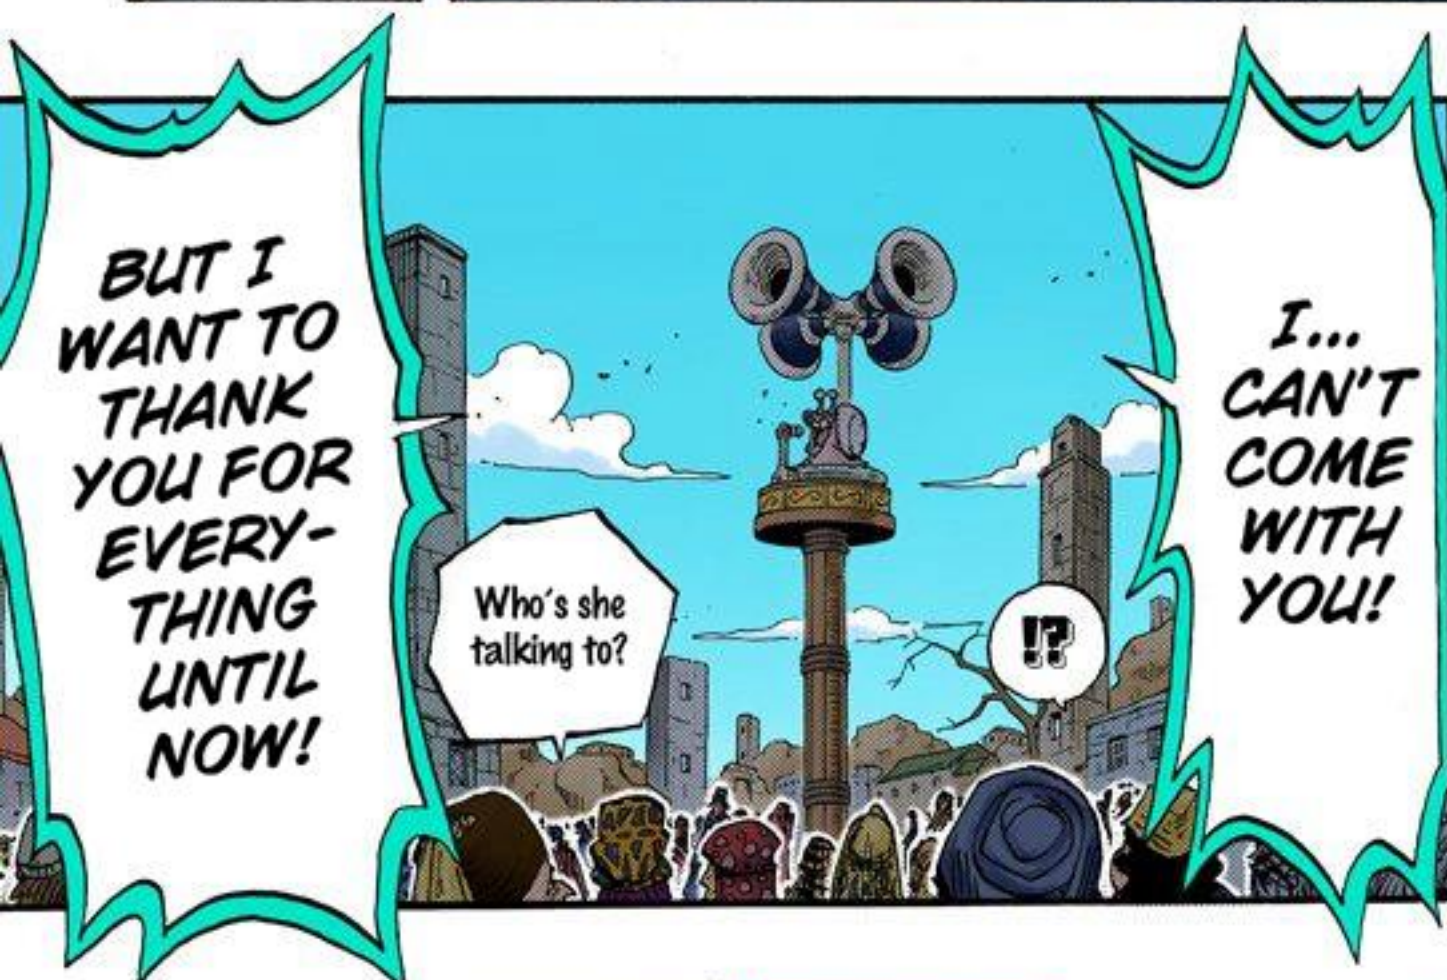

**EVERYONE!**

!!!!

THAT'S  
WHY I  
CAN'T  
COME!

I LOVE MY  
COUNTRY  
TOO MUCH!

Nice show,  
captain!

Hahaha!

We came to see  
princess Vivi's  
face!

Where's the  
princess!?

Get off the  
stands, Capt.  
Igaram!

Captain!

I-  
DRIP

Sure!

YOU KNOW,  
THOSE  
CROSSES ON  
PIRATE FLAGS  
ACTUALLY  
SYMBOLIZE  
DEATH.

'CAUSE WE'RE  
PIRATES!

WHY?

I WANT  
THE MARK  
TO BE A  
CROSS!
